

# List Of All-time Favorite MMORPGs In Philippines

Probably this is the first time you encountered some of these words. But, there are not always happy moments with Ragnarok Online Philippines; it also experienced its declining years. This scenario leads Filipino gamers to find other PC games.

Below is the list of MMORPG games loved by most Pinoys from the year 2003 until the present 2022. This list is not only limited to the MMORPG genre but also includes other video game genres that are also notable for their popularity or marked as "Old but gold." The games are listed in no particular order.

## List of All-time Favorite MMORPGs in the Philippines

### 1. Ragnarok Online

#### GAME INFO

Official Website: [ro.gnjoy.asia](http://ro.gnjoy.asia) (SEA server), [playragnarok.com](http://playragnarok.com) (International server)

Genre: FANTASY, MMORPG, F2P

Release Date in the Philippines: 06/01/2003

Mode of Payment: Item Mall

Developer: GRAVITY Co., Ltd.

Publishers: Gravity Game Hub - SEA, WarpPortal - international (former publishers of Ragnarok Online: Ragnarok MSP - Electronics Extreme, Ragnarok PH - Level Up! Games)

The Philippines' first MMORPG - practically created the online gaming market. Its loyal and strong community has made this medieval RPG, with cute graphics, exciting gameplay, and loads of new content, the Philippines' most popular game. Amidst its popularity, it also experienced a declining number of players due to the changing landscape of gaming. Ragnarok Online was revived by Electronics Extreme in 2017. Many Pinoy played the game again, especially old ROPH players as well as newbies. However, Ragnarok Online MSP shut down in November 2021. Meanwhile, Singapore-based Gravity Game Hub, a subsidiary of Gravity, launched Ragnarok Online GGH (Ragnarok Online Ascendance) for the Southeast Asia region in February 2022. There are also other versions of the game. On October 31, 2018, Gravity released a Ragnarok Mobile version named Ragnarok M: Eternal Love available to Southeast Asia. The mobile version garnered many players and is now on top of the game list in Google Play Store and Apple App Store. In 2020, Ragnarok Tactics was released, a new Idle + strategy RPG version.

### 2. RAN Online

#### GAME INFO

Developer: Min Communications

Publisher: New RAN Online - Wavegame [2019-2021] (former publishers of Ran Online: Ran PH - E-Games, Ran GS - Min Communications, Ran SEA - PlayPark)

RAN Online is the no. 1 campus-themed MMORPG (Massively Multiplayer Online Role-Playing Game) in the Philippines. The concept is based around several schools competing for control. RAN World (Global Service) publisher - Min Communications decided to shut down the game on August 12, 2019, ending its ten years of international operations. Though a piece of sad news, Min Communications still gave hope to global RAN fans stating that there's a possibility that the game will be transferred to a new publisher. Fortunately for SEA players, an official RAN is available, operated by Wavegame, known as New RAN Online. However, New RAN Online lasted for only three years as it officially shut down on June 30, 2021. Moreover, the New Ran Online Indonesia Facebook group is now named RAN Online Reunion, the same title as its game's private server.

### 3. Flyff (Fly For Fun)

## 12. GunZ Online

### GAME INFO

Official Websites: [gz.masangames.co.kr](http://gz.masangames.co.kr), GunZ 2: The Second Duel on Steam

Genre: F2P, Third-person shooting game

Release Date in the Philippines: 2006

Mode of Payment: Item Mall

Developer: MAIET Entertainment

Publisher: Masangsoft (former publisher of GunZ International: MAIET Entertainment)

GunZ: The Duel, or simply GunZ, was an online third-person shooting game created by South Korean-based MAIET Entertainment. It was free-to-play, with a microtransaction business model for purchasing premium in-game items. The game allowed players to perform exaggerated, gravity-defying action moves, including wall running, stunning, tumbling, and blocking bullets with swords, in the style of action films and anime. The game was launched in 2006 in the Philippines. After one year, the game was populated by hackers, animation canceling (k-style), and bug abusers, which leads the game to its declining years and transfer of players to GunZ private servers. In 2016, Masangsoft picked up the rights to both GunZ: The Duel and GunZ 2.
