OPERATING The KAPSULE™ UV-C Sanitizing Smartphone Case

The KAPSULE™ UV-C Sanitizing Smartphone Case was designed with the convenience of our users in mind and is easy to use in 3 simple steps:

Step 1:

Connect the KAPSULE™ UV-C Sanitizing Smartphone Case to a Micro USB power source.

Step 2:

Place the item you wish to sanitize into the case and close the lid. Press the orange power button. The light will change to blue to indicate that sanitization is in process.

Step 3:

The cycle is over in 5 minutes when the light changes back to orange. Open the lid to retrieve your newly sanitized item!

WARNING: Do not expose eyes or skin directly to UV-C light. Keep this device out of the reach of children at all times.

WARRANTY

KAPSULE™ branded items purchased from www.kapsule.store include a 1-year limited replacement warranty. If you have any questions not covered in this guide, please email support@kapsule.store. Customer care specialists are available Monday through Friday, 9:00 a.m. to 6:00 p.m. ET.
