## About

### **Missed Bitcoin? Don't Miss Gold!**

**Gold has been the symbol of power, wealth, & beauty in all of humanity's recorded history. It is also widely used in internet culture to convey digital currencies. The**

of the most valuable resources in the world. It's also a meme. That's all it'll ever be. Launched stealth with no presale, low taxes, & LP burnt. Contract will be renounced. GOLD is here to bring back the golden era of crypto.
