MANAGER PREVIEW

WITH JOHN ROBERSTON

Good afternoon and welcome to today's Ladbrokes Championship match with, League Leaders, Dundee Utd.

I would like to warmly welcome Robbie Nielson, Gordon Forrest and Lee McCulloch, their players directors and, of course, the fans of the Arabs who have travelled North for today's fixture. I'm sure it will be another entertaining match.

The clubs have seen plenty of each other with four league meetings, one Scottish Cup tie and two play off matches last season, and again with the opening match of the new campaign, so we certainly know plenty about each other.

Last week saw two good performances away from home but with different outcomes. Firstly, after a slow start at Morton we fought back well and proceeded to make plenty of chances to build a healthy lead in the match before losing a late goal and leaving Greenock empty handed.

It was particularly frustrating as Morton were not looking threatening and we had spurned four or five excellent chances to go ahead and bring the 3 points home.

We bounced back well with a very solid win at Palmerston on Tuesday. We looked very strong in all departments, took the chances that came along, and, in the end, deserved the victory that keeps us in touch at the top of the table.

It's the normal way in this league that you must take advantage when you are on top in games and make sure you defend well when the opposition has a good spell.

Generally we have been doing better in those situations but we must continue to concentrate as any lapse will be punished as was shown by our visitors in the opening fixture, where for over an hour there was very little in the game before Utd punished us, finished the match strongly and won convincingly.

One thing that was pleasing was our ability to freshen up the side on Tuesday making 4 changes in the front areas of the side. We have said that we will need this depth in the squad as we continue to progress in all competitions that we enter and we are looking better equipped for the long haul.

Utd will be there usual dangerous self today and are packed with experience and quality throughout their side, but we feel we have our own qualities that are capable of winning this fixture so everything looks set for an absolute cracker today!

Once more we ask you for your continued support and enjoy the match

CAPTAIN CARL

TREMARCO'S PREVIEW

Good afternoon and welcome to today's Ladbrokes Championship match against Dundee United.

We're looking forward to today's match, it's a big game . I think the result on Tuesday gave us a boost and made this one a bigger game. Had we got a negative result on Tuesday the gap could've become a lot bigger but we have the chance to narrow it down to one point between ourselves and United today.

I thought we bounced back well on Tuesday, we were disappointed with the result at Morton as when you look back at it we should've taken something from the game. With our last home game against Alloa, we really shot ourselves in the foot. I think we showed good character to bounce back but there's no point going to places like Queen of the South and getting a result if can't capitalise on it with games at home.

United are a good team, if we let them play they have good players that can hurt us but we also have good players that can hurt them. We're not going to worry too much about them, but we'll respect them. As long as we're in their faces, do the right things, win our individual battles then we can come out on top.

Enjoy the game,

Carl Tremarco

29.10.19 | PALMERSTON PARK, DUMFRIES
LADBROKES CHAMPIONSHIP

Goals from Aaron Doran and Nikolay Todorov earned Caley Thistle all three points at Palmerston as they beat Queen of the South by two goals.

Mark Ridgers was called into action in the first minute of the match as he denied Stephen Dobbie from a tight angle, while Roddy MacGregor bent one just wide after five minutes for the Caley Jags.

After 7 minutes on the clock, Abdul Osman was presented with a chance in the box but his shot was over the bar and behind for a goal kick.

Darren Brownlie was presented with an opportunity to open the scoring, his header from El-Bakhtaoui's corner was over.

Caley Thistle opened the scoring after 29 minutes on the clock, some neat interchange in the box as Roddy MacGregor found Doran and he curled the ball past McCrorie to make it 1-0.

Queens made a change at the break as Connor Murray replaced Michael Paton.

The home side could've drawn level after 48 minutes, El-Bakhtaoui lead the counter attack as his cross found Dobbie at the back-post but the Queens striker dragged his effort wide.

Dobbie had another go after 54 minutes, the Queens striker fired an effort right across the box but there was no takers.

Ridgers prevented Hamilton from levelling things as the Caley Thistle goalkeeper turned his effort behind for a corner.

McCrorie was called into action after 58 minutes as Roddy MacGregor found Mitch Curry in the box.

John Robertson made his first change of the evening after 61 minutes as Miles Storey replaced Mitch Curry and he also replaced Aaron Doran with Tom Walsh after 68 minutes.

Dobbie fired a volley wide of the mark after 72 minutes as the Queens striker continued to have a frustrating night in front of goal.

After 78 minutes, James Vincent replaced Roddy MacGregor.

Dobbie was presented with another chance as he broke through on goal after a good move but he sliced it wide of the mark.

The Caley Jags sealed all three points in the final minutes of the match as Nikolay Todorov fired in with his final kick of the match.

Todorov was played in by James Vincent as the Caley Jags counter attacked late on and the Bulgarian striker emphatically fired past McCrorie for his 5th goal of the season.

Weekly Courses back next week

Our weekly classes return next week! These classes run up until week ending the 13th December, will be indoors (except goalkeeping class) and we have different classes for different ages. Our youngest class, Nessies, is for 3-4 year olds where we aim to develop skills such as kicking, dribbling and catching, as well as movement skills and improving co-ordination. This is done through fun and imaginative ways. We also have our soccer skills classes aimed at ages 5-14 years where we look to improve their technique and then practice them in small sided games. Also we have our goalkeeping classes for young keepers wanting to train like professionals and learn how to deal with shots, crosses and distribution. For more information on this and to sign up to the classes go to www.ictfc.com/weeklycourses

Walking Football

Walking football is back at the Hilton Community Centre 1pm-2.30pm. Walking football is a great way to play football without the running and less chance of injury. It's a good way to keep fit and socialise at the same time. It costs just £4 to join in where strips and water are provided. If its something that interests you then come along or for more info contact the ICT Trust on 07754609425

Football Memories

We had our second last football memories on Friday where we were joined by Sean Welsh. Great to have him in to chat about his career, the injuries he has had, the managers her has played under and also some great stories of his career so far. Football memories is a dementia friendly group is where you can chat about your experiences in football over tea/coffee and a pie with like minded individuals. We will hopefully be getting another speaker from the club to come in and chat about the highs and lows of their footballing career. Our last one of the year will be on the 29th November at the Caledonian Stadium from 10am-12pm.

**TOM
WALSH**

16.

Tom Walsh is back from the sidelines and is looking forward to getting back to his best for the Caley Jags.

The hamstring injury which Walsh picked up was a frustrating one, it happened at the side of the pitch in the final minute against Queen of the South at the Caledonian Stadium back in September.

Walsh was outstanding on that day and was frustrated to pick up the injury while he was playing with such confidence but he's looking forward to getting back now.

He said: "The injury was very frustrating. It's been a tough time for me, I've had injuries in my career but this was a tough one because I scored in the game, the boys played well and I played well myself. To be out injured after that, where it happened in the last minute of a game that's done at 2-0, was really frustrating."

"It's been tough but I'm back, feeling positive and looking forward to it. I'm just trying to get back to that level of performance now."

Walsh is back now, the winger made his comeback appearance against Morton off the bench last Saturday and he also came off the bench in Tuesday's win over Queen of the South.

Walsh felt Tuesday's win was massive for the Caley Jags confidence and he feels he's getting sharper now as he continues to make his comeback.

The winger said: "I think Tuesday's result was massive, away from home, a long journey and, on top of, Queen of the South beating Dundee United 4-0 previously there. It was a massive result for us and we just want to build on that now."

On his fitness he said: "I feel like I'm really getting there, I felt on Tuesday night when I came on I was a lot sharper and a lot better than when I played against Morton on Saturday."

"I think every game you just feel better when you are coming back. I don't know if I'll be starting against United or coming on but it doesn't matter, I'll try and make an impact either way."

The Caley Jags welcome Dundee United this afternoon, one man Walsh is familiar with is Lawrence Shankland as they played together at St Mirren and he knows the Caley Jags will have to be on their game to stop him

Walsh said: "I played with Lawrence at St Mirren when I was on loan there, I was on loan from Rangers and he was on loan from Aberdeen. He's a good player, a real good player, not just his goals his build up play and everything. Obviously, he's scoring so many goals now and he's getting his rewards with Scotland call-ups, I'm delighted for him."

He added: "In the games for Scotland I thought he did really well, he's always had great ability and been a great player. I think now he's just scoring so many goals that he can't be ignored. I think he deserves his Scotland spot and it just shows it doesn't matter what league he's playing in because if he's got the ball he can score goals. Hopefully we can stop him on Saturday."

GREENOCK MORTON 2
INVERNESS CT 1

26.10.19 | CAPPIELOW, GREENOCK
LADBROKES CHAMPIONSHIP

Caley Thistle fell to defeat against Morton at Cappielow due to a Bob McHugh double.

It was a bad start to the match for Caley Thistle as The Ton took the lead after 6 minutes on the clock. A long pass from Peter Grant found its way to McHugh in the box and he chipped the ball over Ridgers to open the scoring.

Morton thought they had made it 2-0 just a minute later, Salkeld scuffed shot went in the back of the net but it was disallowed as Reece Lyon fouled James Vincent in the box to stop him from clearing it.

Caley Thistle then were prevented by the woodwork, James Keatings corner was flicked on it the box by Shaun Rooney and into the path of Carl Tremarco but his back-post header came off the post as he looked for his second goal in as many games.

Caley Thistle did get level shortly after through Mitch Curry on the 28th minute. Curry met a flick on from James Keatings and fired past Ramsbottom with a superb finish as he marked his first league start with his second goal of the season.

Caley Thistle then had a chance to go ahead before the break, Shaun Rooney's cross was met by Jordan White in the middle but his header was over the bar.

The second-half started in quick fashion for the Caley Jags but James Keatings saw his effort go over the bar.

Miles Storey had an effort from range with just over 10 minutes left on the clock, but his effort bounced wide of the post.

Morton got themselves ahead on the 81st minute, Bob McHugh grabbed his second of the game as he raced through on goal after capitalising on a mistake by Donaldson.

ROSS GRANT: ICTFC DOCUMENTARY

ICT 25 history captured on film by former ball boy Ross

The club is delighted to promote a 20-minute documentary of our 25 year history produced by a former club ball boy as part of his university degree.

Ross Grant (21) from Smithton, Inverness, graduated with a 1st Class BA Honours degree in Sports Business and Sports Broadcasting from the University Campus of Football Business at Wembley Stadium, London thanks to his documentary dissertation, which is available on YouTube.

He is now working as a Junior Post Production Assistant with Formula 1, based in their media and technology centre in South-East London.

Ross chronicled the tense merger between Caledonian and Inverness Thistle in 1994; our first home Scottish League Division 3 game at home to Arbroath in August that year and all the main highlights of the ensuing 25 years, including the famous Scottish Cup win in May 2015 and our first venture in Europe later that year.

Club cameraman, Andy Johnstone, was a great help to Ross in gathering archive film material for his production and he liaised with ICT 25 Committee Chairman Liam Dalgarno throughout. Ross also gives a special thanks to Phil Webster of Scottish Drone Services for providing some amazing footage of the stadium and surrounding areas.

A former pupil of Smithton Primary and Culloden Academy, Ross was a season ticket holder and for five years was a club ballboy. He is the son of Kenny and Lorna Grant and his aunt, Laura Grant, is a lifelong supporter of the club.

Everyone at the club congratulates Ross on an excellent piece of sports research and production and wishes our former ball boy every success in the future.

DUNDEE UNITED

Dundee United currently sit top of the Ladbrokes Championship under boss Robbie Neilson.

United beat Dunfermline 2-0 on Saturday and on Tuesday they beat Partick Thistle 1-0. Lawrence Shankland scored in both wins, as the United striker continued his phenomenal season which has seen him earn a Scotland call-up. Shankland netted on his first Scotland start against San Marino last month.

The sides last met on the opening day of the season as United came out as 4-1 winners, with Shankland getting all four goals. The United Striker has now hit 18 goals in 18 games this term.

United also have Louis Appere, Paul McMullan and Nicky Clark as attacking options. United won all their home league matches this season but have struggled on the road lately, having being beaten in back-to-back away games against Alloa and Queen of the South. The Arabs will be looking to put that right this afternoon.

Head-to-head: ICTFC - 17 wins, Draws - 20, United - 22 wins
