Plus a special bonus video just for their video business! And With Every Purchase...

They also get extra materials

Training

They will get access to training on modifying the videos, as well as some offline strategies for selling them, and some special training on YouTube marketing!

Royalty Free Music

Each video comes ready to go with music, and with a version that has no music. We have included some extra music tracks, so users can get creative

HD Backgrounds

Along with changing the music, they may want to change the background behind the presenter, or add an endscreen to the videos, so we've added some HD backgrounds and other video goodies.

Social Media Graphics

They get a set of social graphics to go along with the videos! They can use these templates to make YT Channel, Facebook, Twitter & G+ Graphics!

Video Graphics

One thing we highly recommend is customizing the videos, so I am including some buttons and animations they can use to make the videos even more unique!

Get Social!

As an ***Instant Spokesperson*** customer, buyers will get access to a special Facebook Mastermind group, where they can share ideas, ask questions, make requests for future videos, etc.

And Some Great Bonuses For You To Give!...

Animations To Add To The Videos

A Free Video Editor!

Today we are providing you with a video editing program that changes EVERYTHING!

Our new video editor offers the following features.....

- [Cross platform - Works for Mac, Windows and even Linux!](#)
- [High-end features that far surpass editors that come with your computer](#)

Best of all... you get it FREE!

[Is It Really Any Good?](#)

Not only is it good, it's REALLY good! And this is still an early stages product, with new features being added all the time!

Here are some of the features...

- [Works with a variety of video formats, including 4K](#)
- [Multi-Track editor for layering multiple tracks of video and audio](#)
- [Professional Color Grading](#)
- [Green Screen \(Chromakey\)](#)
- [Tons of effects and transitions](#)
- [Massive number of pre-set exporting options](#)
- [3-Point Editing](#)
- [Timeline trimming](#)
- [And TONS more!](#)

This is a product still early in development. Some training provided, and more is being created. As an early development product, there may be features that do not work on some machines. Product is 64-bit, and may not run on older computers.

Instant Spokesperson Review – Why should you get Instant Spokesperson Now?

Instant Spokesperson is a great product for any marketer to jump on, for a number of reasons....

- Proven quality - We have used these videos successfully ourselves, and had hundreds of testers for over 6 months
- Solid funnel - We have people running through the funnel for months, with no issues in the sales and delivery process
- Support - This is a business, not a product that will be abandoned in a month or two
- Future Sales - This is volume 1, but we already have enough videos to do 12 volumes... and we make new ones every month
- Great Stats! We typically see 30% FE sales to warm traffic, and \$3 EPCs on the FE.
