Dear Education Pioneer,

Following up on the publication of your Good Practice in the Open Education Europa portal for the Teachers Contest, we are hereby sending you attached the **Open Education Europa Pioneer Badge**. You may use it freely in your professional portfolio.

Currently, Open Education Europa is in the process of a major redesign. We look forward to providing a new and even richer version of Open Education Europa in 2016. We hope that the new version will provide the best possible support for you and all interested in open and innovative education.

Until then we are wishing you much success in your creative teaching and learning endeavours.

Best regards,

Held by P.A.U. Education
