So I'm heading into my my second block of training & the volume is slowly starting to drop & the intensity is starting to increase . So far this prep has been hard honestly & it's mostly mental but i keep pushing . I'm very hopeful that this #summershowdown2020 is still happening . Positive vibes only !!. Competition bench 3x3

Menopur helps treat fertility problems. Menopur is a medication containing follicle stimulating hormone (FSH) and luteinizing hormone (LH) needed for healthy ovaries to produce eggs. Menopur is normally used in combination with an HCG (human chorionic gonadotropin-hCG) drug.

Dodamo jos 200 g pa testo dobro izradimo rukama da nema grudvica. Pa jos 150 i na radnoj površini par min jos testo mesimo. (Ako se lepi i treba jos brasna dodajte 20-30 g) Testo treba biti srednje mekano. Bez grudvica, glatko i da se ne lepi za prste. Ostavite 10 min da odmori dok spremite Fil. Testo blago premesimo i podelimo na jednake loptice po 100g ja sam dobila 10... svaku blago razvucemo pa namazemo sa Maslacem. Odmori 10 min. pa svaku rukama jos malo razvucemo. Na svaku nanesimo po kasiku fila i razmazemo, redjamo jednu na drugu. Odmori 5 min pa razvlacimo u pravougli oblik. Secemo po duzini i po sredinda dobijemo 10 jednakih pravougaonika. Svaki zasecemo na sredini pa gornji deo provlacimo odozgo na dole dva puta a donji odozdo na gore 2puta i tako dobijamo Johan pecivo. Slazemo ih na pleh oblozen pek papirom pa ostavimo 20 min da narastu. Pokrivene krpom na toplom mestu. Premazemo umucenim Zumancetom i Mlekom pa pospemo Susam. Pecemo u urejanoj rerni na 200step 25/30 min dok lepo ne porumene. Prijatno!□□□□ 854
