Kennedy Lugar YES program Overview:

The Kennedy Lugar Youth Exchange and Study (YES) Program was established by Congress, 2002 in response to the events of September 11, 2001. The program is funded through the U.S State Department of State and sponsored by the Bureau of Educational & Cultural Affairs (ECA) to provide scholarships for high school students (15-17 years) from countries with significant Muslim populations to spend up to one academic year in the U.S. In Malaysia, the YES Program is implemented by AFS.

In keeping with the U.S. Government-sponsored initiatives, dedicated to democratic reform, the competition for the Youth Exchange and Study scholarship is merit-based and open at no cost to all applicants who meet the following requirements:

Eligibility for General participants

1. Be 15-17 by the start of program (if selected, you leave in January of 2017) and sitting for SPM or its equivalent this year;
2. Be enrolled in Form 5 at the time of application;
3. Have the equivalent of a B average or better without failing grades;
4. Be a citizen of Malaysia.

Eligibility for Disabled participants

The program can support students with disabilities and encourages their participation. The Department of State and the YES program work with Mobility International (MIUSA) to provide students with disabilities leadership-building workshops, appropriate information and support as needed to enhance their year in America. Students with disabilities must meet the following eligibility requirements:

- Be 15-17 by the start of program (if selected, you leave in January of 2017) and sitting for SPM or its equivalent this year;
- Be enrolled in Form 3-5 at the time of application;
- Have the equivalent of a B average or better without failing grades;
- Be a citizen of Malaysia.

Note:

Priority will be given to underprivileged applicants with little or no previous experience in United States.
