Swing low
In a dark glass hour
You turn and cower
See it turn to dust
Move on a stone dark night
We take to flight
Snowfall turns to rust
Seam in a fusing mine
Like a nursing rhyme
Fat man starts to fall
Here in a hostile place
I hear your face start to call

A

So one, two, three, take my hand and come with me
Because you look so fine

That I really wanna make you mine
I say you look so fine
That I really wanna make you mine

Oh, four, five, six c'mon and get your kicks
Now you don't need that money
When you look like that, do ya honey

C

I don't wanna say I'm sorry
'Cause I know there is nothing wrong
Don't be afraid, there is no need to worry
'Cause my feelings for you are still strong
Hold me in your arms
And never let me go
Hold me in your arms
'Cause I need you so
I can see it in your eyes
There is something
Something you wanna tell me

E

If you see me walking down the street
And I start to cry each time we meet
Walk on by, walk on by
Make believe that you don't see the tears
Oh just let me grieve
In private cause each time I see you
I break down and cry

B

We gotta slow down the speed
The less we have is the more you need
We gotta cut off the speed
While the engines burn beneath our feet

We're running out of the fuel
It's hard to find like jewel
We're running out of the fuel

D

Someone said they live together
I ran out the door to get her
She was holding hands with Trevor
Not the greatest feeling ever
Said pull yourself together
You should try your luck with Heather
And I hope they slept together

F

I've got the answers
To all of your questions
If you've got the money
To pay me in gold
I will be living
In old Monte Carlo
And you will be reading
The secrets of soul
Daggers and contacts
And bright shiny limos
I've got a watch
That turns into a lifeboat

G

H

And I always find, yeah I always find somethin' wrong
You been puttin' up wit' my shit just way too long
I'm so gifted at findin' what I don't like the most
So I think it's time for us to have a toast
Let's have a toast for the douche bags
Let's have a toast for the assholes
Let's have a toast for the scumbags
Every one of them that I know
Let's have a toast for the jerk offs
That'll never take work off
Baby, I got a plan
Run away fast as you can

I

Bangkok, Oriental setting
And the city don't know that the city is getting
The creme de la creme of the chess world
In a show with everything but Yul Brynner
Time flies doesn't seem a minute
Since the Tirolean spa had the chess boys in it
All change don't you know that when you
Play at this level there's no ordinary venue
It's Iceland or the Philippines or Hastings or
Or this place

Under the lights where we stand tall
Nobody touches us at all
Showdown, shootout, spread fear within, without
We're gonna take what's ours to have
Spread the word throughout the land
They say the bad guys wear black
We're tagged and can't turn back
You see us comin'
And you all together run for cover
We're takin' over this town
