**Influences:** B-Front, Headhunterz and Michel Pollen

# BIOGRAPHY

Greig Bowles aka Caine hailing from Scotland, is known for his rugged appearance, fun attitude, atmospheric melodies and hard hitting kicks. With already a couple of big performances under his belt, such as Defqon 1, Q-base, Loudness, Intents Festival and CRAFT Festival, he plans to take the world by storm. Caine is already dominating the globe as he has performed at countries like Australia, Chile, The Netherlands, Norway, Germany, Belgium, France, Estonia, Australia and Spain in this last year.

His tracks are gaining support from the scene's biggest names, such as B-front, Delete, DJ Thera, Kutski, Radical Redemption, Brennan Heart, Warface and many, many more! His most successful track "Let's Get Pillz" has been played at every huge Hardstyle event (such as Defqon.1, Q-base and Intents Festival) and received an overwhelming amount of support. He does not plan on stopping there! In 2018 lot's of new Caine material will hit the streets and will make the crowd go mental.

Caine has become a true social media sensation. He gives his fans a glimpse of his highly anticipated and unreleased tracks. His video previews are always being picked up by the bigger crowd go viral and reach over 1,000,000 people on his page.
