VOLUME 28 NUMBER 27 CHARLESTOWN, MASS. PRICE 10¢ THURSDAY, MARCH 6, 1986

There will be meeting of the "Townie Santa" Committee on Thursday, March 13, 1986 at 7:30 p.m. at the American Legion (Lower Hall), 27 Chestnut Street. All are welcome to attend.

Deadline For Applications For Charlestown Neighborhood Council

This is a reminder that the deadline for submitting applications for the Charlestown Neighborhood Council has been extended to March 18th.

The council will provide Charlestown residents with greater opportunities to participate in developing coordi-

dated plans for neighborhood growth and improve the quality of city services. The program will address the various interests and unique concerns of Charlestown. The active participation and support by residents will ensure the success of the Charlestown Neighborhood Council.

Applications for the Charlestown Neighborhood Council should be returned to:

April 1st — D-Day For Reilly's Garage

by Marianne Martin

Al Reilly of Charlestown has operated Reilly's Garage on Mishawum Street since 1980. He knew when he moved into the former Brady's Auto Repair that the Boston Redevelopment Authority (BRA) was planning to take the building by eminent domain in the future, for the purpose of expanding and changing the angle of Mishawum Street. In 1980, the future seemed so far away. However, the future is here now. On April 1st, Reilly must close his doors.

Reilly is not bitter about the BRA's eviction notice. He is, however, angry that no effort has been made by the Authority to help local businessmen, like himself, stay in Charlestown. "I guess you have to be in the right circles to do anything in this town. I have no beef there. It's just that I have been trying to get something out of the BRA since 1970. I'm the last. They're taking out every small business in Charlestown," stated Reilly.

According to Reilly, all he

wants is a place to build another Reilly's Garage, if the BRA must take the Mishawum address. "This place used to be Brady's Auto Repair. Before that, it was Brady's Blacksmith. Bob Brady built this place with his father around the turn of the century. They used to shoe horses here. There are still rings on the floor where they used to tie the horses." As Reilly recalls, "When Bob came back from the war (World War I), where he was stationed in France as a blacksmith, people weren't using horses much. They were driving the old Model Ts. So he bought the place from his father. That was in 1915 and he was here until he died."

Reilly's eviction notice is not the first one received at the Mishawum shop. In 1965, Bob Brady was told the building was being taken by the BRA under its Urban Renewal Plan, which took much of the surrounding neighborhood. Before Al Reilly became the proprietor of the garage, he used to

work with Bob Brady. "Bob used to tell me he remembered what this place looked like before they built Schrafft's, even before they filled in the land to build Schrafft's. He said you could see the bows of the ships from here."

Reilly's Garage is the first business venture Al Reilly has undertaken. "Since 1980, I've been on my own. I used to be at Baldwin Street. I left in 1972. Then I used to do some body work for people here and there. I used to come down here and help the old man (Bob Brady). Now, my son Bob works with me," tells Reilly. "This place has been in service to the community since the turn of the century. Why they (the BRA) are doing this, I don't have the slightest idea. It doesn't make much sense."

The plans are to reconstruct Main and Warren Streets from City Square to Sullivan Square. Some of the smaller side streets in between will also be renovated.

Thinking About Selling Your Home?

MORTGAGE RATES ARE AT THEIR LOWEST IN 8 YEARS

For the first time since 1978, several Boston lenders are offering mortgages below 10%. Combine that with a rising spring market and you have a great time to sell your home.

If you are considering selling your home, call on Gibson for an evaluation of your property's sale price in relation to recent sales prices and asking prices of comparable offerings. Ask about Gibson's **co-broker network** and **marketing plan** for your property.

Winthrop Street Triple Deckers Scene Of Four Alarm Fire

by Kathy Giordano

Two triple deckers at 3 to 5 Winthrop Street (between Main and Warren Streets) were heavily damaged by a four alarm fire on Tuesday, March 4th. These buildings, which were not occupied, are scheduled to be renovated as part of the Tontine Crescent development now underway in the Warren, Main, Winthrop, Park, and Henley Street area.

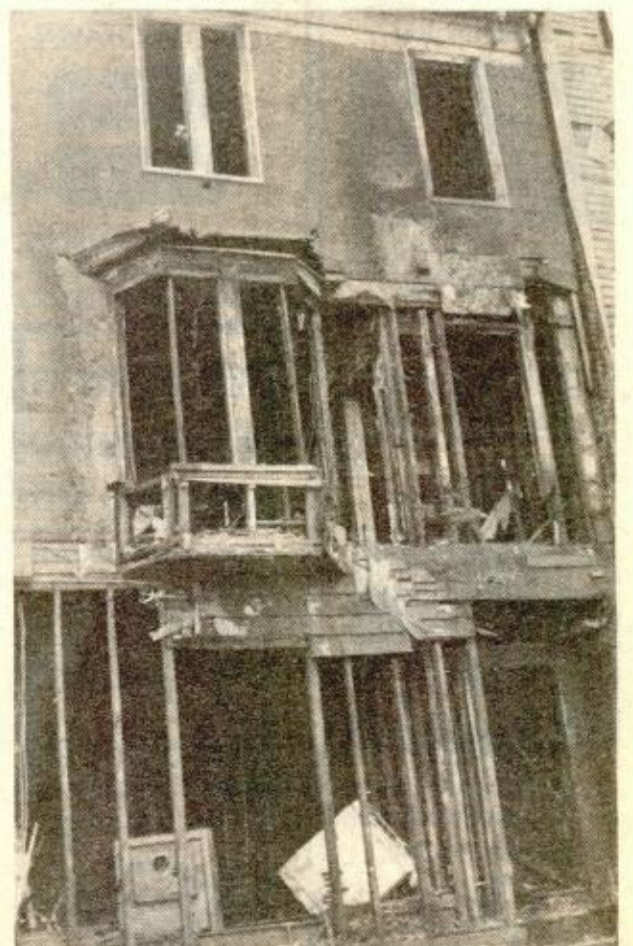

According to a Boston Fire Department spokesman, the engines first responded at 12:45 a.m., reporting a working fire at that location at 12:48 a.m. The second alarm was sounded at 12:49 a.m., the third at 1:01 a.m. and the fourth at 1:08 a.m. The all out was signaled at 4:27 a.m.

The cause of the fire is being investigated by the Arson Squad of the Boston Fire Department.

Jim Adams, developer of the parcel, stated that the fire

should not interfere with plans to renovate the buildings, other than necessitating an increased amount of re-framing in the structures.

Adams stated that the buildings have been secured and the fire debris was cleaned up by the afternoon following the fire.

Men And Women In Films About Ireland

A film critique will be presented by Robert G. Goulet, Associate Professor of English at Stonehill College and teacher of courses in film criticism and dramatic literature on Thursday, March 13, 1986 at 7:30 p.m. at the Charlestown Branch Library, 179 Main Street, Charlestown.

Goulet will present a critical view of the representation of gender roles in classic and recent films about modern Ireland, particularly the

characterization of the fugitives and the women who support or betray them. Scenes from such films as "The Informer", "Odd Man Out", "The Quiet Man", and "Cal" will be examined.

This program is sponsored by the Friends of the Charlestown Branch Library. Everyone is cordially invited to attend. Light refreshments will be served following Goulet's presentation.

Charlestown In Line For New Police Station

By Marianne Martin
"Charlestown is definitely in the plan," assured Mary Nee, Director of the Mayor's Office of Capital Planning, in reference to the City of Boston's Capital Improvement Program, which includes plans for several neighborhoods to receive full service police stations. District 15, the former Charlestown station closed

On Dean's List

Tracy M. McGrath, daughter of Robert and Irene McGrath of Charlestown, is one of nearly 120 students named to the Dean's List at Rivier College for the Fall semester, 1985. To become eligible for Dean's List honors, students must earn a minimum semester grade point average of 3.5 (B+) on at least 15 semester units of credit.

McGrath is a senior at Rivier College.

in 1981 as a result of Proposition 2½, was located at One City Square. Police services to Charlestown are currently deployed from the Area A station on New Sudbury Street in Downtown Boston. According to Nee, the re-establishment of the neighborhood stations should occur simultaneously with Police Commissioner Francis "Mickey" Roache's plans to re-staff the Boston Police force.

Since the improvement plan was announced by Mayor Raymond Flynn in September 1985, Nee states a design contractor has been hired to investigate possible police station locations in the various neighborhoods, which include the rehabilitation of not only the former police stations which were closed, and other vacant municipal buildings, but also city owned land parcels. "Charlestown is a difficult community," commented

Nee, "There's not much in terms of vacant land."

The former Charlestown station is currently home to the Life Focus Center, a multi-service agency for mentally retarded and handicapped individuals. While the facility is among the possible locations, Nee stressed, "We are not looking to evict the agency." Should, however, the building prove to be the best, viable location for the police station, Nee added, a new home would be secured for the Life Focus

Center.

The design contractor should complete his study of the area within the next month. After which, Nee stated, a report will be submitted to the Mayor with recommendations by the design contractor. Once the Mayor reviews the recommendations, a community input process will begin. Since the proposal is still in the pre-planning stage, Nee was unable to cite an expected completion date for the new station.

GETTING PREQUALIFIED FOR A LOAN

Many lenders help prospective buyers to get prequalified for a mortgage loan before they begin a serious house-hunting effort. You sit down with a loan officer, give all of the information about your assets, income and debt, and they can tell you how much of a mortgage you will be able to get under the various loan plans being offered. For a nominal fee, they will do a credit check. If there are any problems with your credit rating, you and the lender can work together to straighten things out.

If your lender prequalifies you, it makes you much more attractive to the seller when you do find a home. This market is so active that many houses have multiple offers come in within days, even hours, after they are listed for sale. If you are competing with other buyers, it will be helpful if you have included with your offer a letter from your lender showing you've already begun the loan application process and appear to be qualified to buy the house. It will also save you and your Realtor a lot of time by eliminating from consideration homes you would not be able to afford.

Century 21, Silva Realty Associates is happy to serve all of your real estate needs. You may call us at 242-7470 or stop by our offices at 142 Main Street.

Each office is independently owned and operated.

Where Is Your Sense Of Neighborhood?

Dear Editor,

I could not allow the letter of Mr. Kuttner in the February 27th issue of the **Patriot**, regarding the proposed sludge transfer sites in Charlestown, to go without comment.

What disturbs me is **not** the fact that Mr. Kuttner does not find the proposed plant offensive and seems to feel that it is a viable use of Charlestown waterfront property — this is obviously his right. What does disturb me is the failure of Mr. Kuttner to consider the town as a whole and support the residents who live in the vicinity of these proposed sites and oppose having such a facility, with the resulting increase in traffic and potential emission problems, across from their homes.

The town united to oppose the closing of the Winthrop Street Fire House several years ago, so that fire protection would be more readily available to the congested area surrounding the Monument and Training Field (including Soley Street). The closing of this station would have had very little effect on the "Top of the Hill" and yet residents of this area actively joined the protest for the good of the whole.

In 1984, residents throughout the town again united in opposition to an asphalt plant proposed for the City Square area. Again, this plant would have had little effect on the portion of the town toward Sullivan Square and yet these residents joined their City Square area neighbors to fight this proposal.

Where is your sense of neighborhood, Mr. Kuttner? Where is your support of fellow residents, whether they live on Soley or Sackville Streets? Charlestown has waged many wars since the infamous day of June 17, 1775 — it has survived, in many instances, only by the caring and support of one neighbor for another. Let us hope that this current battle is not lost because residents in one section of the town don't care what happens to their neighbors in another area.

Treatment Plant Inappropriate For Charlestown

Michael Gritzuk, Executive Director
Massachusetts Water Resources Authority
One Center Plaza
Boston, Massachusetts 02108

Dear Mr. Gritzuk:

We have read with great concern of the preliminary proposals to site a solid waste transfer or treatment plant in Charlestown.

The Bunker Hill Monument and Charlestown Navy Yard units of Boston National Historical Park attract more than 500,000 visitors annually. In recent years, we have worked with the Charlestown community on numerous projects to make the area safer and more pleasant for visitors and residents alike. A solid waste facility appears to be incompatible with this goal. Such a facility may result in undesirable noise, truck traffic, or public health hazards; or other environmental impacts inappropriate to the existing Charlestown environment.

We urge you to carefully consider all potential impacts in siting a solid waste facility in this vicinity and to keep us fully apprised of further developments, studies, and actions relating to this issue.

Sincerely,

John J. Burchill
Superintendent
National Park Service
Boston National Historical Park

Thank You

Dear Charlestown to Charlestown Committee:

It was my privilege to travel with you and your friends on your tour of Ireland. I enjoyed every minute of the tour. Many thanks for arranging such an enjoyable one. Hope we meet again.

God bless you!
Sister M. Simon

Thank You

Dear Editor:

I would like to thank everyone responsible for making our Annual Corned Beef Dinner such a huge success. It was not only a most enjoyable evening, but, actually, the best dinner yet.

A special thanks to Kay Dunleavy, for without her I would not have been able to get to all the places I had to go to make the proper arrangements and also thanks to Betty Donahue, Mary Callahan, Judy Burton, Phyllis Ward, Carol Savinsky, Kathleen D'Urbano and the Knights of Columbus.

I would also like to thank everyone who took chances and congratulate the winners. The winners were Betty Donahue, who won the 25 inch color T.V.; John Smith of Medford, winner of the \$50.00 food order; and Mrs. McPherson, who won the radio.

Mrs. McPherson donated the radio back to the Club, for which we are very grateful.

Many, many thanks to all and God Bless!

Gladys Gauthier, Chairman
Daughters of Isabella No. 1

Thank You

Dear Charlestown to Charlestown Committee:

This is a sincere, but late, thank you for helping to make our trip to Ireland such a great one.

I have a cousin who has a travel agency and he was supposed to plan our trip. When I saw the "Charlestown to Charlestown" tour advertised in the **Charlestown Patriot**, I decided that was the way we should go. I am so glad that we joined your tour. It was the best thing that happened to us.

Everyone was so warm and friendly. It must have been their Charlestown roots.

Thank you again for a great memory. I'll remember you in my prayers.

Sincerely,
Sister Marjorita

The Expo was held in February at the Hubert Humphrey Occupational Resource Center as part of the national celebration of Vocational Education Week. Joseph was one of more than 2,000 Boston public high school students who attended the Expo to learn about local educational and training opportunities. The Career School Expo was sponsored by the Higher Education Information Center in cooperation with the Boston Public Schools, the State Department of Education, the Boston Compact Higher Education Work Group, and the Greater Boston Chamber of Commerce.

Cadet Arthur Florentino, Jr. was recently named to the Dean's List at Massachusetts Maritime Academy. This is Arthur's second year at the Academy to be named to the Dean's List.

eyes on Wednesday, March 26 at 7:30 p.m. at Saint Mary's Church, Warren Street. The Saint Mary's Players, for the eighth consecutive year, present for your pleasure, "Triumph and Tragedy", a re-enactment of the story of Holy Week.

Meet with Jesus and Mary, Sol and Anna, Annas and Caiaphus, Judas and Peter. Listen to the words of John the Apostle. Be transported by the original music.

Take this opportunity to enjoy images and sensations

(continued from page one)

Mishawum Street is one of them. Reilly explains the plan is to not only widen Mishawum Street, but also to change the angle from the present perpendicular intersection with Main Street, directly across from Medford Street, to a new intersection that will occur at a 45 degree angle towards Sullivan Square, in front of the fire station.

"I think it's confusing because you have a fire station here across from where they want to put this street. You'll have trucks coming from Medford Street past the fire station, trying to take a left

onto the new Mishawum Street. If there's ever a fire, the engines won't be able to get by," stated Reilly.

While Reilly says he does not understand the reasoning behind the proposed change for Mishawum Street, he has accepted it. He does, however, want to secure a new home for his business. "I'd be satisfied with a piece of land. Let me build a new place and let the BRA leave me alone ... Maybe somewhere along Rutherford Avenue or under I-93," began Reilly. "If they're going to move one corner of Mishawum Street to the other side, let me put a place on

the new corner. They say they're going to put grass there, which will only turn into state-owned weeds. I've tried to talk to the BRA, but it's like trying to talk to that pole over there."

In past conversations with the BRA, different members of the Authority have told him they would try to help him, but Reilly says nothing has ever come from these conversations. "They're afraid to say yes. They're afraid to say no. And when they do talk, it's double talk. Needless to say, I'm not happy with the BRA."

Last month, Reilly received his 30 day notice from the BRA. "Last Spring when they gave me a 30 day notice, I talked to the BRA and they said, 'Al, stay until the bulldozers come.' This time, it's D-day. They're

moving on it this time."

When Reilly asked the BRA if there was any available parcels in Charlestown where the garage could move to, Reilly says, "I got a flat, blank 'no.' Unfortunately, if there is nothing in this town, I'll have to fold up my operation. I can't move out of town. It doesn't do much good to take a neighborhood service out of town. I don't want a mother to take her kids on a bus to get to me. Here in Charlestown, they can at least drop off their cars and pick them up later, or I can come to them."

What will Al Reilly do come April 1st? "I don't know," answered Reilly. "Right now, we're just trying to finish up what we have and still make a week's pay. You know, April 1st isn't much time."

Children's Films

The Film Program for Children will be held at the Charlestown Branch Library, 179 Main Street, on Tuesday, March 11, 1986 at 10:30 a.m. and 3:30 p.m.

The features will include: "The Kid", in which a lonely boy leaves home to find a friend; Howard, a mallard duck, winters over in NYC

with his new friends, a frog and three mice, in "Three Friends"; and a bear, a rabbit, a crow and a porcupine learn how to share in "The Apple".

The suggested readings in conjunction with this program are: **A Hamster's Journey** by Luis Murschetz, **Friends** by Helme Heine, and **Aesop's Fables** selected and illustrated by Michael Hague.

In addition to the previously mentioned movies, "Smiley" will be shown during the afternoon program. In this film, Jesse finds a lost dog, but is only allowed to keep it until the rightful owner is found. The suggested reading is **Henry Huggins** by Beverly Cleary.

Dean's List

Seventy-two students have been named to the Dean's List for the Spring 1986 semester at Curry College in Milton, according to Edward J. Hastings, Dean of the College. This list is based on Fall 1985 semester averages.

On the roster from this area is Sheliah S. Mahan of 8 Ludlow Street, Charlestown.

from another era. Harken back to the days of your youth when Novenas, the Stations of the Cross, the Seven Last Words and seven churches were essential elements of your faith.

Give yourself an inspirational evening. Not only is the presentation breathtaking, but the evening is a proper prelude to the joys of Easter.

In addition to the performance at Saint Mary's on Wednesday, March 26, the Saint Mary's Players will present the play at Bethany in Framingham on Sunday, March 16th at 6:30 p.m. and at Star of the Sea on Sunday, March 23 at 7:30 p.m.

Race And Primary Language Census

In accordance with Chapter 165 of the Acts of 1985, the City of Boston Listing Board will conduct a Race and Primary Language Census in conjunction with the 1986 Annual Listing of Residents.

The Traffic Supervisors and Police Cadets will visit every dwelling in the City that must be enumerated. This census will begin March 6, 1986 and continue into the spring months. In addition to the regular questions regarding a resident's voting status, questions about each resident's Race and Primary Language will also be requested.

All questions asked are required to be answered by law and are crucial to the City in that the results of the census reflects Representation in the Legislature and Revenue Sharing monies.

Parents And Children Delight To "Clowns Around"

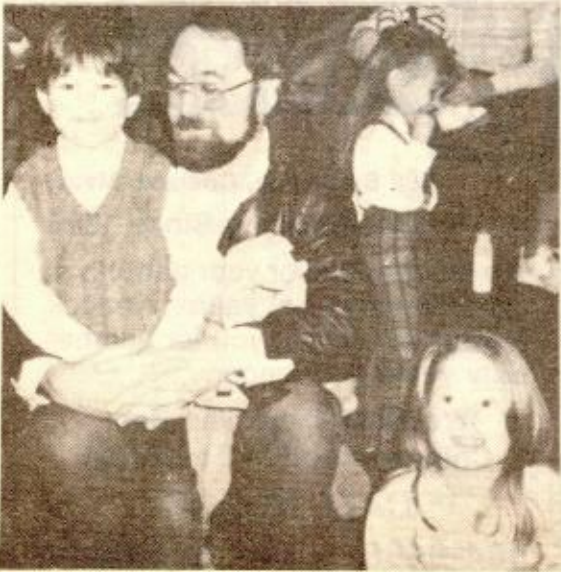

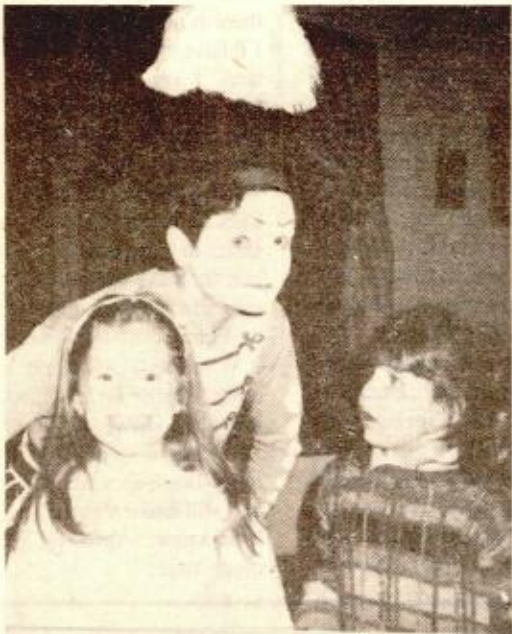

"Clowns Around" delighted a full house at the Charlestown Working Theater recently. These inventive and charming clowns captivated their audience of about 70 children and parents, by playing humorous music, jug-

gling, joking, miming and even riding a unicycle (or a unicycle-rowboat).

Several helpful audience members participated and did a great job holding juggling pins and playing cymbals.

The best part was that it was just as much fun for the parents as the kids!

Don't miss the next event, which will be the Loon and Heron Theater on Sunday, March 16th.

TOYS FOR PUPPS & KITTS WANTS YOU

Toys for Puppies and Kitts are seeking participants for their upcoming lip-sync contest.

Have you ever sang in front of a mirror and dreamed you were Madonna, Michael Jackson or even the Beatles? Now is your chance to perform for an opportunity to win cash or

merchandise. Just lip-sync to your favorite record and let your dreams come true. The contest will be held on Friday evening, June 6, 1986 at 7:00 p.m. at the Charlestown High School auditorium.

For an entry form call 242-5079. All proceeds will benefit the Animal Rescue League of Boston and the M.S.P.C.A.

If you would like to make a donation, make your check payable to Toys For Puppies and Kitts and mail to: Toys For Puppies and Kitts, P.O. Box 225, Charlestown, MA 02129.

F.A.D. - FACTS ABOUT DRUGS

Before we are too hard on our drug using teenagers, we might first consider how we as adults use, misuse or abuse drugs. List the drugs we commonly use - caffeine, nicotine, alcohol, aspirin, tranquilizers - and ask ourselves the following questions: Would I quit using them if they were declared illegal? Do I drink coffee because I like the flavor or because I need it to get moving in the morning? Do I smoke because my nerves are in tatters? Do I take an aspirin at the slightest suggestion of pain? How often and for what reasons do I drink alcohol? Do I use pep pills for extra energy? Do I rely on barbiturates to get to sleep? or tranquilizers?

Our influence on our children is more what we do than what we say. There are many parents who will not talk to their children about drugs because they are unconsciously afraid that their own use will come up in the conversation. To become a "learner" in this area is better than being a "dictator". And when we become partners with our children, it promotes honesty and openness.

Peer influence soon takes over, but parental influence has lasting effects. Education about drugs cannot be separated from education for living. What knowledge and skills are necessary to drug education? First, there is a need for correct information. But information is only one part of education. Knowing the outcome of taking LSD won't stop the user who loves danger.

Education must show how it is possible to make changes in spite of social conditions. Some conditions we live in are grim. But the skill of knowing you are responsible for your behavior and not blaming persons, places or things can be learned.

Gradually teaching children to make decisions and letting them live by the results is very important and another skill to be learned.

Any questions???? Call Mimi White at the Charlestown Clubhouse 242-1775.

State Treasurer Seeks To Return \$13 Million In Unclaimed Funds

State Treasurer Robert Q. Crane has released the names of 26,000 Massachusetts businesses and individuals who are due a \$13 million windfall from abandoned accounts.

Under the state's Unclaimed Money Law, bank accounts, insurance proceeds, uncashed gift certificates, payroll checks, customer overpayments and the like that have gone untouched for at least five years are considered by the state to be abandoned. All such accounts must be reported to the Treasurer, who then attempts to notify the rightful owners or their heirs.

Crane said compliance with the law is improving. "However, there are still

numerous instances where funds should have been returned directly, such as in the case of Boston Edison Company, General Electric, the New England Patriots, and United Airlines," the Treasurer said.

Treasurer Crane noted one important aspect of the Unclaimed Money Law requires that until claimed, all funds are kept in the state's General Fund where they are invested for the benefit of all residents and taxpayers here in Massachusetts.

The following is the list of individuals and businesses from the Charlestown area on the unclaimed money list:

Bunker Hill Administrator Visits Australia

Kathleen Teehan, Director of Admissions at Bunker Hill Community College, is now at Australia's Royal Melbourne Institute of Technology, as part of an exchange program. Teehan, who left on February 23, will stay until June 4. From Australia, she will travel to China, where she will meet with a group of Bunker Hill Community College administrators and teachers as part of a Bunker Hill Community College sponsored trip.

Teehan said, "I see the exchange as an opportunity to enhance my own professional growth and to contribute

to the broadening of international understanding among Bunker Hill Community College and the community." She added, "I am excited for the chance to both travel and learn about the educational institutions of other countries."

Teehan has been working at Bunker Hill Community College for five years. She is a graduate of the University of Massachusetts and received her masters from Suffolk University in Public Administration. Before joining Bunker Hill Community College, she was employed at North Shore Community College.

MATINICUS ELEMENTARY...

Some 20 miles off the coast of Rockland, Maine, one will find Matinicus Island. It is accessible only by ferry ... once a month!

Our story concerns its one-room elementary school, its "Schoolmarm" Suzanne Winkelman, and the entire school body, which consists of Troy Ames and Jeremy Van Dyne (Grade 8), Jay Young (Grade 6), Mike Young and Jody Van Dyne (Grade 4) and Nicky Philbrook, kindergartener - and their efforts to obtain a small computer for use in its unique, "one of a few of its kind left" classroom.

Granted, there are many individuals, organizations and philanthropic groups who would unhesitatingly make an outright gift of such an item, especially for this noble purpose, but Miss Winkelman and her students have opted to go it on their own through an existing Labels for Education Program. They have already amassed over 5,000 labels against a needed total of 80,000, and in the process have learned the value of working together towards an attainable goal, developed correspondence skills to employ in this joint initiative, and are making "Matinicus Elementary" well known in the media ... in order to bring the desirable results.

The project came to our attention through Miss Winkelman's interview on the Saturday night "Ron Robin Show" (WBZ). In a letter received mid-February (in response to our inquiry) she advised that "Sometime soon (maybe already) 'Chronicle' will be airing a program on Matinicus on your Channel 5. Your readers will have a glimpse of our school and ourselves," and provided advice that we know will rebound into a massive outpouring of help by caring people everywhere.

Simply put, they need the following: the front portion of labels from all **Campbell's** soups, beans and juices, **V-8** juices (all sizes); all **Franco-American** products, **Recipe** dog food (canned); **Swanson** canned products; and **Prego** and **Prego**

Plus.

Also needed are the blue-green triangle from the left corner of **Swanson Frozen Foods**, the purchase confirmations seal from **Recipe**, in boxes, and the quality pledge panel from **Mrs. Paul's Frozen Foods**. Trimming the labels will reduce much of the in-class (recess periods) cutting time, and will allow one to send more in an envelope for less postage.

Join us in showing some great youngsters on a pretty isolated piece of real estate in our country how the people-helping-people concept will get them their computer much, much sooner than they even dared dream. Either send them to us for re-transmission, or direct to: **Suzanne A. Winkelman, Matinicus Elementary School, Matinicus, Maine 04851**. You can be sure that she'll share the good news with us when that now extra-special computer is attained. And she has our vote for "Teacher of the Year!"

LOTS OF LOVE BEING SPREAD AROUND ...

We are pleased but totally unprepared for the phenomenal response to our recent "Tell Someone You Love Them" article. Requests for the "I Love You" card came from Charlestown and "Southie" (in droves), most other Boston neighborhoods, many states, and from as far away as Melbourne, Australia.

South Dakota's Father Stack, originator of the project, has

March 19 Designated Daffodil Day

To encourage local citizens to support the American Cancer Society's cancer control programs, March 19 has been designated as Daffodil Day.

"The American Cancer Society offers vital services to cancer patients and provides educational programs that can help the residents of Charlestown decrease their

cancer risk," they said. "The daffodil, because it is the first flower of spring, symbolizes the hope of the American Cancer Society, that cancer can be overcome."

On March 18, flowers fresh from the West coast will arrive in this area for distribution on Daffodil Day, March 19th.

Valerie Maggiasco, Daffodil Day Chair, noted that volunteers are still needed to distribute the flowers. She encouraged anyone interested to call the American Cancer Society, Mystic Valley Unit at 321-8533.

advised that since the program's inception "more than a million of these cards have been sent out," and Father White, Editor of **The Pilot**, commented that "the theme is positive and certainly needed in our fragmented society." Also, we particularly like the comments of a North End requestor, who said "Where love is, God is."

All but a few requests have been filled, and that will soon be remedied with our receipt of a re-order. T.S.Y.L.T. is a year-round, ongoing project, so if you were among those who procrastinated the first around please feel free to request anytime. Simply forward a business-size, self-addressed, stamped envelope to **LOVE**, P.O. Box 133, South Boston, MA 02127-0133. Somebody will love you for it.

WE DOFF THE DERBY TO ...

Newly-wed "Lovebirds" Ted and Mary Jacobs, of Dorchester; to Joe Furgal of Rockland, father of Norma Willett, of Hanson, a potential "Mrs. Massachusetts" for 1986; to Reverend Isaiah Sears of Charlestown, in his retirement; to "Good Samaritan" Charlie Federico, of "Southie"; to Irish Freedom Fighter Kathy Lisowski, of Brookline; to fellow columnist Sal Giarratani and his bride, Fay, of North Weymouth, who are "infanticipating"; to Leo Burns, concierge at the Hotel Charles, Cambridge; to Jennie and Eddie Maroney, "Keepers of the Flame" out in Framingham; to Father Joseph D. Segadelli, in retirement/in residence at St. Julia, Weston; to Constable Ted Hurley, of Winthrop; to recently engaged Rosemarie Clarke, of Greenwich, Connecticut; and to Russ Kelcourse, convalescing at home in Quincy.

A SPECIAL NIGHT FOR A SPECIAL GUY ...

Timothy "Buddy" Hayes (AKA "The Irish Hand Grenade") will be tendered tribute the evening of April 26th, at Florian Hall (The Firefighter's Post), Dorchester.

This testimonial will commemorate not only his Birthday, but his winning of the New England Featherweight Championship forty years ago as well.

"Buddy" has recently been elected to another term of office as President, Ring #4, Veterans Boxing Association, and, added to all of his very many other accomplishments, the bottom line reads "He's a great guy!"

Few there are, in and out of the athletic world who don't know this gent so we're telling you up front - early - in order that you don't become "left out".

Ticket reservations and other arrangements can be made through another fistic great, Attorney Joe Nolan, of Wakefield.

U.S. National Jr. Touring Team, Held Hostage By O'Neil All-Stars, 3 - 2!

by Bernie "Scoop" Kelly

The National A.H.A.U.S. Safety Director, Bernie Michaels, was on hand Sunday afternoon at the M.D.C. Rink as Head Coach, Eddie (Tuxedo) Johnson, prepared his U.S. National Junior Touring Hockey Team for a challenge from his Matt O'Neil Senior League Team, who were putting the National youngsters (ages 15-17) through a strenuous workout before their European tour!

Assistant Coach, John Tibbetts, was very pleased with the heavy workout they were going through, as he knows the capability of the European teams his young candidates will face, and this type of workout is just what the Juniors need.

The tour, which begins on

March 22, 1986 and ends on April 3, 1986, will include visiting eight countries and playing eight games, all in 12 days! Wow, they would have to be champs to do that.

We all wish Head Coach Eddie Johnson, Assistant Coach John Tibbetts, and their staff of coaches, our best, and to all the Junior National Team Players, a hearty "Good Luck Team" from all of us here in Charlestown.

One of the first signs of spring is the annual Call for Volunteers by organizers of "The Battle of Bunker Hill", the annual 10K road race to benefit the Charlestown Boys and Girls Club.

Because the race constantly attracts more and more runners, race organizers Kim Wright and John Iacoi need manpower to make the event a success. The race will take place on Sunday, June 15th, before the start of the Bunker Hill Day Parade.

Volunteers are needed to fill several important positions, including:

Race Course Monitors - stationed along the race route and at the finish line to alert runners to mileage and time.

Registration Personnel for pre-race registration on the day of the event.

Water Station Monitors -

to make water available to runners along the race course.

Finish Line Monitors - to record runners' numbers with correct time of finish and order of finish.

Directional Guides - stationed along the course to

direct runners.

Refreshment Station Monitors - to dispense juice, etc. at the finish line.

Distribution of Posters and Registration Forms - at other road races, gyms, sporting goods outlets, health clubs and throughout

the community.

With your help, this year's Battle Of Bunker Hill 10K road race will be the biggest and best yet. Volunteers of all ages should contact Tom King, Clubhouse Director, at 242-1775 or stop by the Club at 15 Green Street.

RUNNERS get ready for the start of the 1985 "Battle Of Bunker Hill" road race to benefit the Charlestown Boys and Girls Club. Volunteers are needed to insure the success of this year's race to be held Sunday, June 15th, before the start of the Bunker Hill Day Parade.

Pop Warner Corner

Any person interested in playing Pop Warner Football this year, should contact Matt Stillman at 241-7771. The Board will have to know very soon who is interested in playing to see there are enough players to put on the field.

Thank You,
Matt Stillman

BONDING UPDATE

WHAT CAN BONDING DO?

Reshape malformed teeth.
Straighten some teeth instantly.
Restore fractured teeth.
Close spaces between teeth.

Cover stained teeth.
Splint loose teeth.
Repair existing bridges.
Reduce Cost.

SOME ADVANTAGES OF BONDING ARE: Less drilling of teeth; anesthesia is not usually required; procedure may be completed at the same visit; **cost is less** than other methods of esthetic care and bonding is reversible, meaning that the bonding can be removed and done over or another technique used.

REPORT ON BONDING: After several years, using bonding materials at Dental Associates, we feel that this procedure is valuable for certain conditions. Teeth do **look better**; fractured teeth repaired, cavities filled, defects corrected. The bonding material is being used to splint teeth and to fill in between teeth. These materials have proved themselves to be a valuable adjunct to our practice.

Where can you get more information? Call Dental Associates at 242-1616 for a brochure or make an appointment for a no charge clinical examination.

Legislative All-Stars Prorogue ...Then Administer Late Session Defeat To Matt O'Neil All-Stars ...7-5!

by Bernie "Scoop" Kelly

A standing room only crowd of boosters and friends of Matt O'Neil, Sr. were treated to an evening of entertainment when the Legislative All-Stars took center ice for their first encounter with the Matt O'Neil Senior All-Stars last Friday evening at the M.D.C. Rink.

As Eddie (Slammer) Lynch called the team to center ice, Coach Eddie (Tuxedo) Johnson and Assistant Coach Max Smart sent the Matt O'Neil All-Stars out on the ice, sporting their new professional (John Gray) blue and white jerseys, sponsored by the International Brotherhood of Electrical Workers (I.B.E.W.), Local 103, whose President, William Walker, had so graciously approved. We would like to thank him and the members of the Executive Board for their understanding of the needs of the community and providing these jerseys, which depict the Union 103 logo and emblem.

The Legislative All-Stars, led by Head Coach, Malden Catholic's Joe (Swiss Prince) Fidler, who kept the younger O'Neil All-Stars at bay with his balanced lines of young "Rep." speedsters and older, wiser play makers most of the game, until the strategy broke down halfway through the period. Johnson's All-Stars, led by Jimmy (Cobra) Greene, took a pass from D.J. (Comet) Harrington and put a wrist shot over the helpless prone body of the former U.S. Olympic Goalie (1961-1962), Ron DeGregorio, to take the lead at 7:28, making it 1-0.

The O'Neil Stars struck again at 5:58 when Jim (Cobra) Greene hit D.J. (Comet) Harrington, cutting through center with a perfect pass, beating the defense and overpowering the aging "Olympian" Ron DeGregorio, who succumbed to the younger "Olympians". Alas, the O'Neil All-Stars led 2-0.

Eddie (Tuxedo) Johnson, tasting blood, continued the pressure on the highly nervous, aging "Solons", whose obvious heavy breathing showed signs that the State House armor was beginning to crack!

The experienced Head Coach, Joe Fidler, stayed with his game plan and sent the puck into the corners of the less experienced defensemen, looking for the flaw. Suddenly, it happened. Jim (The Fox) Heggy, State House lawyer, found the errant puck and sent it through the split pads of Mike Giordano for the Legislative Stars first goal at 3:32, to make it 2-1.

Many familiar names appeared on the Legislative All-Star line-up with All-Star status, namely Head Coach Joe Fidler (All-Pro, U.S. and Europe); followed by another All-Star, Mark Fidler (Matignon State Champs, B.U.'s High Scorer), who may be heading for a Europe All-Star traveling team; Matt O'Neil, Jr. (Amherst College Captain selected outstanding college player); Tom O'Neil (Fitchburg Generals, National Junior candidate); and Paul Kelly (B.H. College) — all "Townies"!

At 1:22, Mark Fidler unloaded some of his super stick-handling and body fakes, which sent one O'Neil defenseman into fits and skates as he sent a whizzer through the pads of Mike Giordano to tie the score at 2-2.

Mid-way through the second period, Jackie Sullivan, with help from his winger, Darryl (Zip) Locke, faked Ron DeGregorio out of the net with some fancy passing to take the lead 3-2.

Steve Berkholtz (Norwich University playmaker) and the Senator from East Boston, Mike LoPresti, combined on a fine give and go to make it 3-3 at 6:08.

Head Referee Eddie (The Enforcer) Lynch had his hand full of guilty "Solons" who missed important roll calls (Ron McK.) and committed legislative delays and stalls (Paul Skinner). High sticks and illegal elbows (Steve McGrail), (Kevin Connolly), were going in and out of the penalty box (The Slammer), which appeared to have standing room only throughout the entire game.

Charlie Canessa, the famous "Canessa Connection", should have been locked in the "Slammer". He always looked as though he was on a "search and find mission" with Kevin Connolly as his lookout or accomplice.

The O'Neil Stars' right winger, Bob (Terry O'Reilly) Fitzpatrick, was all over the ice breaking up plays, when suddenly he took a perfect pass from "Comet" Harrington and sent it through the pads of Ron DeGregorio at 4:43, making it 4-3, O'Neil All-Stars.

Eddie (The Baron) Johnson seemed very confident, while his opposing coach, Joe (Swiss Prince) Fidler, seemed worried about the sagging Legislative Stars who were gulping at the water jugs, while heavy breathing was seen among the aging semi-retired slower moving players, who asked to remain nameless to protect their families and political weaknesses.

Again, the Johnson Stars pressed the battered, shell-shocked Olympian Goalie "Ronnie De", who saw more rubber in this game than Springfield Tire, when Steve (Rocket) Smith and

Jack (Sparky) Ryle combined on a give and go to send the "Olympian Goalie" into fits of uncontrollable whinnying as the "Rocket" put it between his pads for a 5-3 O'Neil lead at 0:30 of the second period.

As the third period got underway, the more experienced Legislative Stars tightened their passing game and put their hockey experience to work, turning the game around. Fidler's pep talk worked. Steve Berkholtz hit Senator Mike LoPresti with a pass that split the defense and hit the upper net with a wrist shot over Tom Bryson, to make it 5-4, O'Neil All-Stars.

The Legislative Stars were rolling, as Paul Kelly sent former State Senator, now Barrister, Ron McKenzie on a breakaway to put it through the pads of Tom Bryson for a 5-5 tie at 15:06.

At 6:10, Mike O'Neil (All American-Salem State), presently negotiating a professional contract with the Hartford Whalers, put on the after-burners and faked Tom Bryson into a helpless mass of goalie gear before sending it into the upper corner for a 6-5 lead, as the entire audience came to its feet.

The desperate O'Neil Stars were now buzzing the legislative zone for a loose puck. Johnson's assistant, Max Smart, signaled his goalie to the bench for a sixth player up front, when Mark Fidler picked up the loose puck and sent it about 70 feet to an open net for a two goal lead at 0:30 of the final minute, in-favor of the Legislative All-Stars.

Both teams lined up and shook hands to congratulate the Champs and then retired to the locker room for some liquid refreshments and to rehash the shot that went astray.

Director Eddie Johnson congratulated Joe Fidler for his fine coaching and singled out the work of ageless, flawless, Olympian great Ron DeGregorio, who stopped a total of 47 shots, many of which were earmarked for the scoreboard, but were stopped by a flash pad or glove, suggesting Ron still possesses his "Olympian status" which, like good wine, gets better with age.

The Matt O'Neil Scholarship Committee received donations from those followers and boosters who totally enjoyed the evening of hockey. These monies increased the Scholarship

fund, which are earmarked for a qualified boy or girl needing financial help to pursue their education.

Scholarship President, Matt O'Neil, Jr., extended a personal "thank you" from the O'Neil family, including Mrs. Sis O'Neil, to everyone involved in the presentation of this performance in memory of his father's dedication.

Attention All Outward Bound Alumni

As you probably know from your own O.B. adventure, more "Townies" have successfully completed Outward Bound survival courses than any other group of people from any other particular city or town in the world.

The cost of a course at Outward Bound has increased over the years, but we at the Boys and Girls Club still can help defray the cost with scholarships and grants pro-

vided partially by Outward Bound as well as private sponsors. Currently we have approximately ten generous scholarships to become available for courses given in 1986, and in keeping with tradition, I'd like to see our younger "Townies" take advantage of what, I felt, was one of the greatest adventures of my life!

We have alumni in this town who have completed

courses up at Hurricane Island, out west in the Colorado Rockies and down south in the Florida Keys. I'm hoping we can get together to give an "Outward Bound" talk to parents and kids who are contemplating taking a course this summer.

If you can give an hour of your valuable time to answer

their questions and help them decide whether or not an O.B. course is for them, please give me a call at the Club at 242-1775, extension 126 anytime Tuesday through Saturday, so I can arrange a suitable and convenient time for all.

TERRIERS VS. EAGLES

The Terrier Captain, Paul Wilkins, continues to upset the leagues' top teams, but more importantly, they limited the leading scorers, Darryl (Zip) Locke and Jack (Jay) Sullivan, as he brought the Terriers to a 9-6 upset victory before a standing room only crowd this past Saturday noon at the Matt O'Neil (M.D.C.) Rink!

With limited time and space due to the recent challenges by the Legislative All-Stars on Friday night and the U.S. National Junior Touring Team (Barons) on Sunday afternoon, the regular Saturday league game highlights will include only the box score and league standings!

CRUSADERS VS. HUSKIES

The Crusader Captain, Eddie Kelly, had nothing but praise for his goalie, Chuck Smith, who limited the Huskie team leaders, D.J. (Comet) Harrington and Jimmy (Cobra) Greene, to very few net openings, as he turned in 26 saves to keep the Crusaders' hopes alive as they near the season's playoffs! Chuck allowed the "Hat Trick" to D.J. (Comet) Harrington, with two assists for a total of 27 points, which was not enough to take back the league scoring title from Darryl (Zip) Locke, who leads with 30 points.

Note: Darryl (Zip) Locke, watch out, there's a "Comet" about to overtake you!

Correction: The last goal for the Eagles on January 31st against the Huskies, was erroneously credited to Jack Murray, instead of Jackie Sullivan! So recorded!!

Little League News

REGISTRATION
Little League Registration will be held at the Boys and Girls Club, 15 Green Street on:
Friday, March 14 - 6:00 to 8:00 p.m.
Saturday, March 15 - 11:00 a.m. to 2:30 p.m.
Friday, March 21 - 6:00 to 8:00 p.m.
Saturday, March 22 - 11:00 a.m. to 2:30 p.m.
All players must register, including Major League players. Also, players must bring a birth certificate with them to registration. The registration fee is \$15.00 per family.
To offset the fee, each player will be given five booster stickers, priced at \$1.00 each. These belong to the player to sell and keep the money.
In order to be eligible for

Little League, a boy or girl must be eight years old before August 1, 1986 and not 13 years old before August 1, 1986.
Eight year olders will play only in the Minor League. This will give them a year's experience before they move up to the Majors.

TRYOUTS
Tryouts will be held at the Little League Field, Ryan Park, Sullivan Square on:
Saturday, April 5 - 11:00 a.m. to 2:30 p.m.
Sunday, April 6 - 11:00 a.m. to 2:30 p.m.
The Rain Date will be Saturday, April 12th from 11:00 a.m. to 2:30 p.m.
Major Leaguers do not have to try out.

DRAFT
The draft will be held at 8:00 p.m. at Memorial Hall, 14 Green Street, on the Wednesday following the final tryout. John Curtin

Is An IRA Right For You?

by Rick Fentin & Sandra Bromfield
Personal Financial Planners
IDS Financial Services Inc.

During the tax season, many people consider contributing to an Individual Retirement Account as part of an overall financial plan. Since there are so many exciting investment options available, we are constantly being asked questions regarding tax and investment advantages. We hope the following basic information will answer the most commonly asked questions.

Your IRA is not, in itself, an investment. It is not an investment product. Rather, it is a simple plan that allows you to take advantage of immediate tax benefits while it helps you accumulate money over a period of time for retirement. As a wage earner, you are probably eligible for an IRA even if you are covered by another retirement plan. You can open an IRA with several different qualified institutions, such as a bank, credit union, insurance company, or investment firm.

Nearly 40 million people in the U.S. have opened IRAs since 1982, when Congress allowed financial institutions to offer them to wage earners. And as the money in the accounts begins to accumulate, many investors are looking for ways to make the most of their "nest eggs".

Investment options vary widely... mutual funds, certificates, limited partnerships, stocks, bonds, annuities, and money market accounts can be used to fund IRAs. Of course, what you choose depends on your long-term financial objectives.

Proposals Sought By JCS

Kristen J. McCormack, Director of the Mayor's Office of Jobs and Community Services, announced the issuance of Request for Proposals for Fiscal Year 1987. Proposals are being solicited for four categories of programs: Adult Literacy, Human Services, Youth Education and Training, and Adult Employment and Training. These programs are all funded through the Community Development Block Grant and the Jobs Training Partnership Act.

"The Federal Budget process for 1987 has begun and early indications are that domestic spending will be reduced," said McCormack. "While the level of reductions is unclear, we do expect substantial federal cuts. At the same time, we are examining other revenue sources to lessen the impact."

Request for Proposals are available at the Mayor's Office of Jobs and Community Services, 15 Beacon Street, Boston.

For further information, contact Ken Sinkiewicz at 720-4300 extension 208.

All proposals will be due on April 1, 1986.

Many people prefer to invest their IRA dollars in mutual funds because portfolio managers handle the day-to-day business, while investors reap the returns.

We have included a few IRA "ABCs":

- Anyone who gets a paycheck can put up to \$2,000 a year into an IRA. For a one wage earner couple, the maximum is \$2,250.

- The contribution is deductible from taxable income, and all earnings accumulate tax deferred until they are withdrawn.

- Regardless of when you file your 1985 return, you have until April 15 to contribute to your IRA and claim the deduction. Many IRA holders file early and use their tax refund to make their IRA contributions.

- Any money you take out of the IRA before reaching age 59½ or becoming disabled is hit with a 10 percent penalty. Also, you must begin withdrawing money by age 70½ or face a penalty.

- You can open any number of IRAs as long as the total annual contribution doesn't exceed \$2,000 (or \$2,250 for one income couples). For example, your IRA investments could include \$1,000 in a certificate of deposit, \$500 in a mutual fund of \$500 in stocks, all in the same year.

- You can move your money among investments — as long as you have the investment trustees or custodians handle the transactions. You can take possession of the money for 60 days and move it, but you must wait 12 months before doing it again.

- You don't have to make a contribution every year or make the full \$2,000 contribution each year. Many IRAs can be opened for as little as \$50 and allow payments to be made throughout the year. Keep in mind, though, that regular investments add up.

It's important to understand exactly what an IRA is and how it can work for you. The main idea is to establish an IRA that is best for you — and then make the most of your IRA money.

If you have specific questions on IRAs or other financial matters, please contact either of us at the IDS/American Express office at 242-0700.

Electrical Code Licensing Course

A special Massachusetts Electrical Code Licensing preparation course will be offered by the Coyne Electrical Department of Chamberlayne Junior College in Boston starting April 8, it has been announced by William Martin, department chairman.

The seven-week course is designed for those who were in the field before September of 1981 and who are not required to take the 300 (journeyman) or 100 (master) hour license preparation

courses set by the Board of Electrical Examiners.

It will consist of the study and application of the national electrical code.

The course will be taught by Leo Martin and classes will be held on Monday, Tuesday and Thursday evenings from 6 to 9 p.m.

The next code examination by the board after the May 22 completion date of this course, will be on June 7. The deadline for applications for the exam is April 16.

Participates In NATO Exercises

Army First Lieutenant David Gill, son of Bernard J. Gill of 8 Short Street, was involved in a NATO-sponsored exercise by participating in the Army's return of forces to Germany (REFORGER) and the Air Force's Crested Cap exercises.

The exercises are designed to develop uniformity of doctrine, standardize procedures for rapid response to a crisis and demonstrate solidarity in commitment to NATO goals and objectives.

Gill is a company fire support officer with the 3rd Armored Division in West Germany.

He is a 1982 graduate of the University of Massachusetts, Amherst.

Silver Haired Legislators Election

Nomination papers are now available at Council of Aging Offices across the state for the Silver Haired Legislature.

Twenty-five signatures are necessary to run for the Senate or the House of Representatives, and those signing must be 60 years old or over, be a Massachusetts resident, and live in the legislative district where the candidate is running.

All nomination papers

must be verified by city and town clerks and forwarded to the Board of Regents of Higher Education, Room 619, One Ashburton Place, Boston, MA, by Friday, March 21, 1986. A state wide election for the Silver Haired Legislators is scheduled for Thursday, April 17, 1986.

For further information, please contact Estelle M. Shanley at 727-7785.

Free Flu Shots Still Available

The flu season has started in Boston. But it is not too late to get protection. Boston's Department of Health and Hospitals still has influenza vaccine available for high risk individuals. Elderly or chronically ill city residents can receive a free flu shot as part of Health and Hospitals' continuing preventive health program. Since last October, the department has distributed 37,000 doses of the influenza vaccine through neighborhood health centers and other community health facilities and hospitals.

For most people influenza is not a serious illness. However, Health and Hospitals does recommend immunization for those high risk individuals most vulnerable to the effects (including pneumonia) of influenza. Individuals at high risk are:

- those over age sixty-five
- those of any age with chronic illness, such as heart disease, respiratory problems, diabetes, or kidney disease
- and those confined to rest, nursing or convalescent homes.

The influenza vaccine is a safe and effective means of preventing serious illness. The vaccine is available at neighborhood health centers throughout the city. Individuals not already ill with the flu are encouraged to get a flu shot now. Contact the Bunker Hill Health Center at 242-5700 for more information.

Bunker Hill Receives Funding For New Co-Op Program

Bunker Hill Community College was awarded \$119,700, as part of a five year grant by the U.S. Department of Education to begin a Cooperative Education program. The newly created program is headed by Jessica Rogers Dill, former Director of Career Services at Bunker Hill Community College. She says, "The program is beneficial because a student learns and develops skills where they are needed most, the workplace."

Unlike many other Co-op programs, Bunker Hill is a parallel program that re-

quires students to both work and attend classes. Students who participate in the parallel program will still receive their Associates degree in two years. The program will initially place 90 students and Dill anticipates 100 percent participation within five years. Bunker Hill Community College, newest of the Massachusetts community colleges, offers 24 - two year Associates degrees and short term certificate programs.

Charlestown Police Line

From the desk of
Deputy Superintendent Ronald X. Conway
Commanding Officer, Area A
Downtown, East Boston, Beacon Hill, Charlestown

On February 20, 1986 at 5:00 a.m., Officer O'Reilly, assigned to Area A, responded to 635 Main Street relative to an assault. Upon the Officer's arrival, the victim stated that while walking, he was assaulted by two unknown males. The victim stated he fought them off and fled on foot to safety. This incident is to be further investigated.

On February 22, 1986 at 8:00 p.m., Officer Bollen, assigned to the A4061 car, responded to Green and Main Streets relative to an assault on three Navy officers. Upon the Officer's arrival, the victims stated that they had just left the store when they were approached by several youths who beat them with their fists. One of the sailors was thrown to the ground and kicked by one of the culprits. All three victims were transported to Massachusetts General Hospital for treatment of their injuries. One victim was held over night. This incident is to be further investigated by Area A Detectives.

On February 23, 1986 at 4:50 p.m., Officer Murphy assigned to the A4051 car, responded to 191 Bunker Hill Street relative to vandalism. Upon the Officer's arrival, the security officer on duty reported that the building is under construction and that three unknown males threw a rock through the window causing minor damage, and fled the area.

Boston Police Explorer Post 1212-15

A meeting of the Boston Police Explorer Post will be held on Thursday, March 13th at 7:00 p.m. at 55 Bunker Hill Street.

Young men and women from 14 to 20 years of age interested in the Explorer Program are urged to come down to a meeting or call 242-0270 and ask for Steve DaCorta for more information.

Steve DaCorta,
Advisor

Police Community Relations Meeting on Tuesday, March 11

The monthly Police Community Relations Meeting will be held on Tuesday, March 11, 1986 at 7:00 p.m. at the Kent Community School, 50 Bunker Hill Street. All are welcome to attend.

On February 23, 1986 at 6:30 p.m., Officer McCann assigned to the N1021 car, responded to an apartment on O'Meara Court relative to threats. Upon the Officer's arrival, the victim stated that some unknown person was banging on her door and when she answered the door she discovered a bag on fire in her hall. It was quickly extinguished by victim. No property damage was reported. The victim was advised to call police if there were any further threats.

On February 24, 1986 at 2:00 a.m., Officer Mokler assigned to the A406A car, responded to a radio call of a break in at the Barrett's on Boston Harbour Restaurant. Upon the Officer's arrival, the cleaning crew stated they discovered the rear door broken into and believed property had been taken. This incident is to be further investigated.

On February 24, 1986 at 3:20 a.m. Officers Cuddy, Lydon, Connolly, Bates, Merino, all assigned to Area A, responded to 105 Main Street relative to a break in. Upon arrival, Officers observed four males on the fire escape on the second floor. The culprits, at this time, attempted to escape and were apprehended by the Officers. All four suspects were from the Charlestown area. One Officer sustained an injury to his arm when he fell, attempting to make the arrest. Also found at the scene was a stolen car still running, which had been stolen in Malden earlier in the day. The suspects will be arraigned on Breaking and Entering and other complaints.

On February 25, 1986 at 6:35 a.m., Officers Jackman and Traynor assigned to the N102A car, responded to a call for assistance at 232 Main Street. Upon the Officers' arrival, the victim stated that while she was delivering her paper route, she was accosted by four unknown white males in a blue and white Mercury. The culprits stated, "Stop or I'll shoot," and chased her down Main Street. A search of the area was conducted and the suspects identified. This incident is to be further investigated.

On February 25, 1986 at 10:50 a.m., Officers of the Housing Police responded to an apartment on Walford Way relative to an assault with intent to rape. Upon the Officers' arrival, the victim stated that while she was walking on Walford Way, she was approached by a male operating what looked like a yellow and beige Lincoln or Cadillac and was asked directions to East Boston. At that time, the suspect grabbed the victim and pulled her into his vehicle by the window. The victim stated the culprit was partially dressed. The victim managed to break free and flee the area. A search was conducted by the police to no avail. The Sexual Assault Unit was notified.

Charlestown residents are being asked to assist the Boston Police Drug Control Unit with any information concerning drugs. All information will be held in strictest confidence. Call 247-4697.
