### Safety Instructions

**Warning:** Fire, electric shock, damage to keyboard device could occur if the following instructions are not obeyed

1. Keep away from microwave radiation source
2. Do not place heavy objects on this product
3. No dropping and bending
4. Keep away from oil, chemical, or organic solvents

## FAQS

• **What if I don't have a Type-C port, only Type-A?**

A: You can always use a Type-A to Type-C adapter.

• **Does the keyboard come with different color light options?**

A: Unfortunately, the keyboard is only equipped with a white backlight. However, you are able to cycle through 3 different brightness options.

• **Will this work on a Windows computer or with my Surface tablet?**

A: The keyboard will be compatible with your Windows device. Please be advised that the HotKey labels were designed for Apple so they may not correspond with your Windows device.
