Para Pharma has established itself as a solid brand in the world of bodybuilding, ever since we introduced ourselves in 2011. We care about quality, because we care about results and health. Furthermore we believe in improvement in those aspects. This is why we work very hard and always try to push ourselves up a notch.

Today was rough...I cried, I cried a lot. No amount of preparation or life experiences prepare you for the loss of a loved one. Especially one who wasn't supposed to be gone yet...someone so close, not that fast, not that sudden. One minute, one day, one week you're totally fine, then out-of nowhere a flood of emotions and memories invade your mind and take over this "control" you thought you had.
