## RELEVANT WORKEXPERIENCE

### Project assistant for visual artist

Antonis Pittas, 10/2019- current

Providing coordination, research assistance and advice for art projects, publications and exhibitions. Responsible for planning and communication.

### Assistant curator and research assistant internship

Stedelijk Museum Amsterdam, 08/2018 - 03/2019

As assistant of Margriet Schavemaker (Head of Interpretation, Education and Publication) I worked close with the artist, assisting in coordination, organization and realization of the exhibition.

### Production management art project 'Up Tycoon'

Foundation NDSM-Werf 09/2017 - 12/2017

Preparing, organizing and executing the art project "Up Tycoon" by Jim Whiting (1951, UK) and the communication between various local stakeholders.

### Development department internship

Stedelijk Museum Amsterdam 04/2017 - 08/2017

To gain insight and experience in the financial branch of museums, I held an internship position at the development department that is engaged in raising additional income from individual sponsors, companies and funding bodies.

### Education department Project employee, head of production

Van Gogh Museum 10/2016 - 04/2017

Responsible for the organization and implementation of the young adults programming 'Vincent op Vrijdag' for a freelance period of six months.

### Education department internship

Van Gogh Museum 05/2015 - 01/2016

Providing assistance for the programmer and producer of the young adult's program. Among other things, organized and produced the Museum Night 2015 edition.

### Co-founder, Creative director, project leader and production

Henk Foundation 2008 - 2015

Cultural foundation Henk organized art and music festivals at the NDSM-wharf in Amsterdam. Responsible for the artistic vision, fund applications and programming. Providing artists management and project production. Responsible for the results of the artworks and performances on display.
