

PETITION FOR THE RECALL OF MAYOR GARY JOHNSON
PURSUANT TO SECTIONS 77.650 THROUGH 77.660 RSMO.

Pursuant to section 77.655 RSMo. (2022) this is a recall petition for Mayor Gary Johnson. **The petition must be signed by at least 25% of the total number of registered voters in the City of Jennings and must be filed with the appropriate county clerk or election authority within 60 days after the date of the earliest signature on the petition.**

The petition is based on the following reasons:

Gary Johnson has engaged in misconduct in office, incompetence and has failed to perform his duties as mayor in that he has failed to properly care, manage and control the City of Jennings. He has failed to communicate with the council. He has acted unethically and unlawfully, consistently violating the Missouri Sunshine Law and Jennings municipal code. He has failed to preserve peace and good order for the City of Jennings. His actions have brought great financial and legal peril to the city. He has embarrassed the city. He improperly and illegally terminated and/or constructively discharged vital city employees. He repeatedly and illegally attempted to stop city council members from meeting with each other and residents. He unilaterally and improperly "stopped" the city center project- a project voted on by the council and overwhelmingly approved by the residents to provide a safe haven for our elderly and our youth- bringing litigation and great financial risk to the viability of the city. He has weaponized the city and its building department against city officials that disagree with him.
