**TRANSMOUNTAIN**

Construction Notice

## TEMPORARY INFRASTRUCTURE SITE

We're working in your neighbourhood in Blue River, BC

**April 2022 to September 2023\***

Trans Mountain has begun development work on the construction yard in Blue River, BC and its contractors anticipate concluding the development of the site by early May 2022. Once developed, the site will be used throughout construction, until the third quarter of 2023\*.

The site is located in Blue River, north of Stewart Street and south of 1 Avenue, between Cedar Street and Railway Avenue (see map on reverse).

On-going work at this site will include the following activities:

- Installation of temporary office buildings or trailers to support construction crews building the pipeline and associated facilities during site development.
- Delivery and storage of construction materials and equipment, including stockpiling and staging of pipe.
- Transportation of materials and equipment to and from the site.
- Installation of safety fencing and security systems during site development.
- Pipe bending.

Trans Mountain's goal is to maintain safe work environments and minimize any impacts of these activities to the public and the environment. We will adhere to the following measures:

- Activities will mainly take place between 6am and 7pm Monday to Saturday.
- No work is planned on Sundays or statutory holidays.
- Dust from the site will be controlled using best industry practices, including water trucks and street sweepers.
- Snow removal and storage will not impact adjacent road network.
- Traffic management plans are in place to address increased traffic on the adjacent road network.
- Project vehicles will not occupy off-site public parking space.
- Lighting for worker safety where required; lighting will be directed where practicable.

The public's patience is appreciated as we work to minimize any disruptions or inconvenience associated with the use of these sites.
