I-INV	Class I - Invitational Other cars deemed eligible by the organisers. No driver restrictions.

The Shakedown community extends a heartfelt thanks to the rural fire brigades and all emergency & volunteer services, for the protection of life and property this summer.

Unofficial spotter guide produced by the Shakedown Facebook group. Time and talent constraints, and potential late announcements mean that 100% accuracy is not assured. Liveries may not be 2020 Bathurst versions, but are used if they're close enough to ID the car. Working with what we have here. BYO marker of doom. Author twitter: @gruso
