Message Title: High Commitments of Reaching and Discipling – Col. 1:3-11

Questions:

- 1) Read Matthew 28:19-20: What does Jesus command the disciples to do? As a group, take time to meditate on these commands. How can we do this better?

- 2) In Col. 1:3-8, define how the Apostle Paul described the spread of the Gospel? How does that affect the way we reach out with the Gospel?

- 3) Why is the mention of Epaphras important to the theme of the Gospel?

- 4) In Col. 1:9-11, how did Paul pray for the Colossian believers? How does this refine the way interact and pray for one another?

- 5) For your small group: Discuss how you might be able to foster better discipleship relationships within the body of Christ.
