

Club Connection

Big News for Teens

We believe all youth deserve a safe, fun place to go after school. So we're always looking for new ways to better serve our Club Kids; that's why we are offering new teen program hours Monday through Friday from 3:30 p.m. to 8 p.m. We have converted the Games Room back into the Teen Center to accommodate our teens until afterschool programming ends. As we remodel the room we are accepting donations in the form of gently used furniture (bar stools and table), XBOX 360 games, and table games (foosball, Ping-Pong, and air hockey.)
