# CBD Gum- Sublingual Administration

## **Sublingual Administration-**

From the Latin word for "under the tongue", refers to the pharmacological route of **administration** by which substances diffuse into the blood through tissues under the tongue. (source: [Wikipedia](#))

By chewing CBD Gum, you are giving your body ample amounts of time to absorb the CBD into the bloodstream. This leads to high bio-availability of CBD in the body. Thus produces stronger then usual results compared to digesting a similar amount of CBD.

## **Chewing to Peace**

I am becoming an advocate of the EDO products that I have explored. For those years I have never, for a moment, considered that it's got me in any snowball I can slip the gum in my mouth easily. I usually bite into it a couple of times and then I can highly recommend checking it out. It's worth the experiment. While your
