

SHORT TERM EVS OPPORTUNITY FOR CREATIVE (WANNABE) ECOLOGISTS!

WHAT? Association Žmergo, based in Opatija (north coast of Croatia), is looking for enthusiastic, highly motivated and creative European youngsters coming from Erasmus+ Programme Countries, to experience 2 month group volunteering service on Kvarner Bay during summer in the field of sustainable development with focus on culture and creative industry in the framework of strategic EVS project

WHO? Žmergo is an NGO with 24 years of experience in promotion of sustainable living and "green" lifestyles, volunteering and active contribution of each individual starting with his/hers community towards global one.

WHEN? We will welcome a group of EVS volunteers in a 2 month period (59 days of service excluding travel days) **from 20th of July to 16th of September 2018.**

FOR WHOM? Highly motivated young people aged 18-30, creative individuals with sustainable views and awareness of power of each individual for a positive change, interested in "green" topics, team- workers with healthy, positive and "we can" attitude and creative approach towards problem solving. Good with hands or willing to learn new crafty, DIY skills. All young **artists and musicians**, candidates who have interest in **cultural management**, audio-visual fields are also welcome (Photographer, Graphic Designer, Video wizard (producer and artist), IT and all-rounders).

PROJECT Sustainability in environmental activism on cultural topics is a strategic EVS project focused on the theme of environment protection and sustainable development with emphasis on sustainable, Zero Waste Culture (ZWC).

Volunteers will participate in activities related to project of European Capital of Culture – Rijeka 2020, participate in organization of a Zero Waste Festival by developing series of activities based on the Zero Waste principle. All above aimed at addressing environmental problems, motivating different target groups for active participation based on cultural and artistic content as well as through production of following audio visual materials with purpose of informing about, promoting the project and disseminating results. Also,

žmergo

guided by coordinator, volunteers will create large-scale installations made out of different type of waste that will straighten ecological awareness of all participants, local citizens and guests of Rijeka.

OFFERING / SUPPORT IN LEARNING PROCES / MENTORING / INTERCULTURAL EXCHANGE / TRAVEL / ACCOMODATION / FOOD / POCKET MONEY / SOCIAL NETWORKING

EVS volunteers will be accommodated in shared gender based rooms (2 beds per room) in Student Dormitories 2,5 km from the city centre of Rijeka, European Capital of Culture in 2020. All meals will be provided by Žmergo. In addition, volunteers will receive daily allowance of 4€.
