

# Shelter Je-hoon prepares career change with comedy movie

Lee Je-hoon wasn't always an A-list actor. He got his start by appearing around several impartial films, which often parlayed in to his eye catching role within "Bleak Night. "

Along the route, Lee provides achieved a new broad array of work intending from a new rebellious high school graduation student in "Bleak Night" and an icon associated with first love in "Architecture information and facts, " to some sort of fun-loving thief in "Collectors. micron

After a few years of performing, the 36-year-old said he / she feels a lot more accountable to not simply lead the cast though the entire crew and manufacturing team.

"In the previous, My partner and i didn't speak upwards about the issues relating to often the movie crew, " he or she said. "I was occupied understanding my lines and even trying to help maintain often the continuity. Yet I've appear to realize that this really is important for us, while characters, to encourage often the crew and create the particular perfect setting so that they can bring out the best around themselves. "

Lee explained the "Collectors" script received him capable to be with set and that's those that have made him decide to perform the motion picture.

"The persuasive premise plus the fact the fact that it is a amusing caper movie about finding misplaced treasure were this main reasons why My partner and i decided to go with this film, " he / she said. "I experienced the lot of lines and am starred in almost every single field of typically the film, playing contrary other actors. As the primary storyteller, I felt required to deliver the enjoyment weirdness of each character. "

The cast furthermore includes stars Jo Woo-jin, Lim Won-hee plus Tibia Hae-sun. According to Lee, the group had the natural link.

"We were being all possessing so a great deal fun, and I consider that shows in the particular film, " he reported.

"My experience with Jo and Lim was awesome. When My partner and i first examine lines with them, something funny occured and all of us all just started laughing. That was a true blessing to just laugh on photographic camera and off camera. inches

Lee's many scenes together with Shin, who plays professional curator Yoon in often the video, were omitted while in post-production, considering the general flow of the story.

"It's unclear if the two really have feelings per some other or are simply playing mind games, " Shelter said. "But I guess they are really similar in some sort of sense that they work with each other to achieve what they want. I wish I could meet once again having Shin in a good

rom-com or melodrama. micron

"Collectors" is Lee's first of all humorous, which was some sort of challenge regarding him.

" <https://ambasciatorilibrishop.com/> tested out comedic, so it was thrilling to be part of one in order to challenge personally that way, micron he / she said. "I hope this audience can have while much interesting watching typically the film since the cast acquired making the idea. "

Even offers said he or she has become more buzzin and even richer after starring in the picture.

"Because I relate to often the character a lot, my personal character has changed right after playing the role involving Kang Dong-goo, " this individual said. "I hope people see everyone as an actor who also always aims to try fresh figures and reinvent myself. "
