Part 1

This happened some years ago but I found my diary that I kept again, so I hope you like me sharing my encounters because I have some amazing memories from that time and I also met my current wife working there. I haved changed all the names through out the story for the sake of privacy.

I was a student in Belgium at the time, I was in my first year of university, and summer seemed near. I didn't have a lot of friends at uni as I decided not to join any of the student clubs, I was a bit of an introvert. My life consisted of school, study, sleeping, and hanging out at my room. I didn't have a lot of sexual expierence non at all. I dated some girls but it never led to something. The semester ended and I was looking for a job to kill some time in the summer. I heard of some people that did a summer job abroad like working on a camping or a hotel or something. That sounded really interesting so I went online and started searching.

I found some local campings but something warm and sunny was my prefered choice, and then I came across a really interesting application, it was resort on Ibiza and it looked amazing, it had a picture of the beach, a nice restaurant, and lots of beautiful people. I saw that they were looking for people to work the whole summer, from Jule to August. The payment was great, the hours weren't long, it seemed like too good to be true. It said it: We are looking for an enthousiast, energetic young people, with an open mind, ready to spend the whole summer here. You will meet and greet, serve meals, serve drinks, and have a great time! You have to be atleast 18, speak at least English and it's nice if you also speak Spanish. You can stay at the resort for free during your summer. We love to have you work at our exclusive lifestyle resort. It sounded very fancy and at the time I didn't know what I was up to.

I just decided to send in an aplication. Theres was a sign up form on the website so I filled it out and sent it in, and a week later I got an email that my application looked good and that they wanted to skype with me, which I accepted.

The next week I met with them via skype, a beautiful woman named Isabela with a Spanish accent greeted me and asked me to introduce myself. I told her that I was a student and that I liked to travel and that I spoke a little Spanish. She seemed very friendly and charming. She asked me how old I was and what kind of work I was looking for. She explained to me that it was a pretty private resort and asked me if I knew what I was getting into.

She said that it was a really private resort where rich and successful people came to have fun. They were mostly from all over the world so English was a requirement, she said that I didn't have to worry about speaking Spanish or anything as most people spoke English. We talked for a bit and she told me that she would let me know if I was hired or not.

A couple of days later she emailed me and told me that I was hired, and that if I wanted to go through she would book a plane ticket. The time came for me to leave, I packed my bags and went to Brussel Airport to meet my new employers. The flight had a bit of a delay but eventually I landed on Eivissa, the flight was pretty short and I was pretty tired. A taxi was waiting for me at the airport.

The car drove me to the resort, we drove through a gate were the security guard checked my passport, they seemed really professional. We arrived at the resort and it looked amazing. There was a long road with tall palm trees on each side and beautiful villas on both sides. We

passed the villas and arrived at the main building. The resort was not too large and it seemed empty. We parked in the lot and went into the building and walked to the receptionist. Behind the desk sat a very cute girl, she introduced herself as Julia and she was from mainland Spain, she had brown eyes and nice tan skin and she wore her blonde hair up in a ponytail. She greeted me and I told her that I was a student and that I was here on a job, she smiled and told me the manager told her that there was a new guy coming. She told me to wait a minute and that she would call her.

Minutes later the woman who I spoke to on Skype arrived, Isabela. She was a really pretty, tall woman, with dark brown hair and brown eyes, she wore a beautiful white summer dress. She was absoluty gorgeous. She greeted me and introduced herself and asked me to follow her to the office. I entered and sat down, she sat next to me behind the desk and asked me how the flight was, she said to me that I probably noticed that the resort was empty, and she explained that they were still in preparations to open for the summer holidays. The resort would open in 2 days, and everyone on the team was getting ready for the opening. She told me that I was joining a very close and exciting team, some of the staff members were locals and some from mainland Spain but most of them were just like me people from around mostly europe working a summerjob. She told me that she had seen my application and that I sounded really nice and she really wanted me to join the team.

Than she said to me: "So as you know this is a swinger resort so that means that we have to keep the environment relaxed and the guests satisfied, there will be a lot of sex around you but you told me that you are open minded so that will be no problem." I honestly was a bit shocked and I know I sound stupid, but until this point I didn't really now this was a swinger resort, the site refered to the resort as an exclusive 'Lifestyle' resort but at the time I didn't know that that means swinging. I had heard of swingers before but never actually seen it in real life.

"Oh, you didn't know? She asked me "Didn't you read the site description? You should read it before applying. She seemed a bit annoyed, "Okay if you are not ready you can still change your mind and go home, nobody will be offended." But I didn't really care I was on a beautiful resort so I just wanted to take the job so I replied: "No it's fine, I would love to join the team." She said than that she was glad I was ready to go.

She told me that because this is a exclusive resort there are a lot of ground rules I should follow. She said that she would teach me how to act and how to treat the guests.

She said that I would have to greet all the guests at the entrance and I had to remember to smile a lot, she told me that the guests are very important and that they can be pretty generous with their tip. She told me that I should always refer to them as sir or madam. Also the guest privacy was really important, she told me that a lot of succesful people visit the resort so no pictures or videos were alloud, she also told me that it is common for some celebrities to visit the resort so it is best not to mention any names. She told me about the exclusivity and that all the visitors go throught a screening process. She explained that they were really picky about who they allowed in the resort and that it was mostly wealthy and famous people from all over the world.

I'm going to be honest I don't really like hanging around these types of people but I didn't really care at the time.

After signing the papers she told me that one of the staff members will show me around and show me my room that I would me staying in, we walked out and there stood a blonde girl she was super pretty, she looked to be 20 or so, she introduced herself as Nina. She looked really fit, her body was really toned and she had big perky boobs, she also had long legs and a really nice ass. A typical Dutch girl with blue eyes and blonde hair When she intoduced herself I could hear that she had a Dutch accent.

That was nice as I also spoke Dutch, Flemish Dutch but we could still understand eachother. Isabela told her to show me around and to my room as she was really busy today.

Nina showed me around the resort, she told me that this was her second year working here and that she really loved it. She told me that they had a lot of fun with the guests, and that most people were really cool. She told me that the guests usually arrived early in the day as there was a lot to do. She told me about Isabela that she was a former Spanish model who is married to a wealthy buisness man, she owns the resort, but that she runs the place. He visits every now and then but usually stays at home with his family. Nina told me that the guests were always super generous and that it was always fun, the most important rule was to smile and greet everyone with a warm smile and to make them feel welcome.

She showed me around the lobby and then the pool, there was a nice pool with a outside bar, there were hottubs and a sauna. She told me that around 120 guest stay at the resort. There were rooms in the mainbuilding and there were some private villas in the grounds. All the staff members who didn't live on the Island itself stayed on the second floor of the main building except for Isabela who stayed at one of the houses on the grounds. She told me that the rooms were great, they were all really big with a balcony, a double bed and an en-suite bathroom with a nice shower. We visited the outside bar, there were two people working there, a guy and woman, the woman had light brown skin and Nina told me that she was Spanish from african decent, she reminded me of Nathalie Emmanuel. She was 27 years old and lived on the Island, Nina introduced me to her and she was named, you know what let's call her Nathalie for the sake of the story, and than to the guy, he told me his name was Christos but everyone just called him Chris, he was from Greece and around 24 years old, he seemed like a really nice guy.

Nina told me that they both worked on the bar outside and that the've been working here for quite some time. Nina also told me that some of the staff still have to arrive. We ran into a boy around my age and he told me that he arrived a few days earlier his name was Luca and he was also 19 years old. He looked really fit and he had light skin and dark hair, he told me he was from Italy and that he studied abroad in Barcelona. This was also his first summer working here so he was pretty excited. I noticed that everyone was really attractive and seemed to be in a really good mood. They also seemed very welcoming. I my own opinion I think I'm not ugly but also not like a model, I am pretty tall at around 1,88 (six, two) and I am a bit skinny and I have brown hair that I usually keep short, I have brown eyes.

We than went to the lobby again and Nina asked me if I met Julia, I told her that I did when I came in, she told me that she is 22 years old and that this was also her 3 year working her and she and Nina have become really good friends. We walked throught the restaurant and she introduced me to some more people, the manager of the staff of the restaurant was a 35 year old woman called Saga. She was Swedish and a very beautiful blonde with blue eyes. She was very polite and welcoming. Nina then showed me to my room she told me that she lives at the end and that next to me lives another friend of hers named Olivia but she wouldn't arrive until

some time. She showed me the room and I could see that there was a bed and a tv and a little desk and a shower. And a nice view on the pool, I saw the beach in the background and Nina told me that was a private beach for guests from the resort. Someone dropped of all my luggage at my room and Nina left me so I could settle in. I was really happy that I took the job it seemed like a real dream job, spending your summer at a beautiful resort with beautiful people, I unpacked my clothes and looked around the room. I opened some cabinets and there was a pack of condoms, I guess every room has them as Isabela told me that safety is very important on the resort and everyone is tested.

After sometime Nina knocked on my door and told me Isabel wanted me to be down in my work clothes in 30 minutes, which meant that I had 20 minutes so I had to get ready. I went to the bathroom and changed into my work clothes which consisted of white shorts and a white polo-shirt with the name of the resort on it. I was also given a nameplate to wear around my chest so people would know my name, it was white with blue writing and my name. I grabbed a small bottle of water and went to the lobby. Isabel was wating for me when I got there. She gave me a big smile and told asked me if I enjoyed the tour, she looked really amazing I could tell that she was a former model as she had a really nice figure. She had long dark hair, with light brown eyes. She was very beautiful and tall and had a amazing body in her dress, I was really intimidated by her.

She told me and Nina could help with cleaning up the stools around the pool.

I went to the bar and Nina was waiting for me. She also was really beautiful, Luca was there too and I said hi to him and then we started to clean the stools up. I was really curious and I asked Nina what it's like when the guests arrive and she told me that usually they are really cool people and that it's always very fun. She also told me that sometimes they do some drinking and dancing and that the parties can get pretty wild. "Get ready for a lot of nakedness and sex" She said. I was a bit shocked by this and she noticed. "Don't worry you will get used to it. We all do. The more you are with the guests the more used to it you get." She said. I was wondering if any of the staff ever got involved and decided to ask, "Sometimes some of the staff decide to get involved but it doesn't happen that much, I was invited a couple of times by a hot couple and had some fun but not that much" I was surprised how open she was, "But must of the staff are in relations and not into swinging." She continued. "But you get hit up a lot by the guests.

We worked for about 3 hours and a got to know Nina and Luca better, they were really nice and friendly. We finished cleaning and than we went to the restaurant to get some food. Isabela was there and she was really nice, she sat us at a table with two other staff members, their names were Ava and Martin and they were from Norway they were really fit and they both had insane bodies, Nina told me that they were a couple and that they were the inhouse masseurs and that they both give couple massages to the guests, we sat down with them and ate a big meal. We talked about how the season was going to start. After dinner we did some more work around the resort as Isabel walk to me and told me that I was almost done for the day and could enjoy some free time, which I was happy about because I was really tired. She told us to join her at the pool to relax a bit. So we went back to our rooms and changed into some swimsuits. When I walked out I waited a bit for Nina and when she walked out of the door I couldn't believe it, she was wearing a blue bikini and her body was amazing, she had nice boobs and a very nice butt. Her legs were also really toned and long. She was really fit and had a nice toned tummy and a beautiful figure.

I was doing my best not to stare at her so she didn't think I was weird but man she was so sexy, when we walked out Luca was already waiting he was wearing red swimmingshorts, he was a very fit guy, with light skin and dark hair, he was also wearing a nice looking pair of shades, we walked towards the pool were Isabela was already waiting. She was wearing a white bikini and I never saw such a beautiful woman. Her body was amazing. Her tits big and her legs were amazingly long. You could tell that she was a model as she looked straight out of a magazine.

She greeted us all and told us to relax as this would be a busy week. I took my seat on the edge of the pool and felt my heart pounding in my chest. I'm here in a beautiful place with all these beautiful people and they are all so friendly and I'm here to have a good time. We lay down and Chris from the bar brought us some drinks. We talked a bit about work and then we started to chat about movies, music, etc. Nina and Luca were really funny and I felt myself slowly getting used to this place. Isabela got some sunscreen and asked Luca to help her, as he was next to her, Fuck I thought lucky dude. I could see that Luca was having the time of his life. He applied sunscreen to himself as he was probably afraid to ask Isabela to help him.

Luca handed over the sunscreen to me and I also applied it to myself but Nina volunteered to apply some on me as she could see that I was struggling a bit. It felt really good having her rub it into my body. After I was done Nina lay down on her stummach and asked me to put some sunscreen on her back, her body felt amazing and I felt really turned on. I tried to hide my excitement as I didn't want to offend her or anything, I did my best not to be a perv and enjoy this. I finished rubbing she thanked me and turned over, to my and Luca's surprise she took of her bikini top and rubbed sunscreen on her chest, man this was getting better and better. In a lot of countries in Europe it's pretty normal to sun topless so this wasn't that weird. But seeing her tits out in the open made me really happy, they were not huge but perfect size, they looked very firm. She noticed me and Luca staring and laughed a bit, "Get used to it, you'll be seeing a lot more, this is a swinger resort" Isabela also told us not to try to stare at the guests when they arrive as it might offend them. I was a bit embarresed that she saw that I was looking at her boobs but she was nice about it. We lay there for a while until the sun went under and as I was pretty tired I went to my room.

When I went back to my room I was very horny, I tried to calm down a bit but I couldn't stop thinking about Nina. I had the feeling that she was interested in me, I rubbed one out and went to sleep.

Part 2

The next day I woke up well rested, this was the last day before the guests came so we all had to do some hard work, some washing up and prepare the rooms, cleaning, and so forth, so I was up at 6:30am, I took a quick shower and put on my uniform, and we all met up in the restaurant around 7am, the breakfast was really good and Isabela talked us throught the day. Nina me Luca, and a new girl who was arriving later today will be responsible for checking all the rooms and houses before the guests arrive, we had to make sure if there were enough towels, soap, clean bedsheets, you name it. So we finished breakfast and we got to work, Isabela gave us some carts with roses, champagne, condoms, and other things we had to put in the rooms.

We all split up, and I went to the villas, this was the first time I entered one, I wouldn't call them villas, they were more like bungalows but everyone refered to them as villas so I did too. They had a living room a nice big bedroom and shower and big bath and a nice little privatebackgarden with hottub and a sun bed. Some of them had a view on the ocean which was really nice, they must cost a lot. The whole place was beautiful and had a really nice vibe.

Isabela told me that some of the villas were bought by frequently visiting guests in those there is probably stuff inside, she told me not to go throught private stuff ofcourse. So I put the items in each room. After finishing that I went back to the main building to help out there. Around 11:30am Isabela called me over and she told me how I was supposed to greet the guests, help them to there rooms, and to serve them. She told me I will do a lot of roomservice, and sometimes I have to be attached to guests the whole day to help them out. She suddenly said: "You are alowed to join in if you want if the guests invite you, as long as it doesn't interfere with your work." I was a bit surprised by this and didn't know what to say, I honestly don't expect to be invited in any kind of way but I was a bit happy that Isabela mentioned it.

After some instructions from Isabela a new girl arrived she gave Isabela a hug so I assumed that they knew eachother, they started to speak Spanish to eachother. "This is Sofia she lives not far from here she works here regulary" Isabela said, Sofia looked at me with a smile and came in for a hug. Sofia was very pretty she had dark brown hair, big brown eyes, and really nice tan skin. She was probably around the same age of me, she also looked really fit, she had a beautiful figure and she was wearing a red tanktop and shorts and looked amazing.

"Nice to me you" She said to me with a spanish accent and smiled, she then walked to Isabela and they started talking. She seemed really energetic and friendly, I just stood there with a smile on my face, wow why is everyone here so fucking hot I thought, than I saw Sofia walking to me, "So you are new here" She asked me, "I am," I answered. what do you think of the resort so far" She asked me, I could tell that she was flirting with me and it made me feel happy, "It's amazing, I can't believe I'm actually here." I said. She smiled and said that she would show me around the resort. "When the guests arrive things get wild so you better get used to it" She said with a flirtatious tone in her voice. Isabela told Sofia to change and get ready, I had a half an hours of rest until Sofia came back and we had to go through some of the rooms in the main building. Isabela told us that they always wanted a romantic atmosphere and so we put rose pedals on the ground, dimmed the lights and put candles on the tables.

She also told us to make the lobby more inviting with flowers, candles, and other decorations and to make it more romantic.

Me and Sofia talked a lot, and damn she talks a lot, not in a bad way, but she is really extroverted. She was almost told her entire lifestory while we were working. She was from Madrid and moved to Ibiza about 10 years ago, she loves the Island and has been here for some time, but she told this was her last year on the Island as she wanted to go back to Madrid and study. "I am one of the few ones who is single here," She said, "What about you, do you have a girlfriendnd? "She asked.

"No I don't have a girlfriends." I said, she looked at me and smiled, "Than you are going to have a lot of fun here, believe me, all the other staff are in relations and don't swing so they don't get involved. I heard that Nina once joined a couple who were swinging but I never met them."

I felt a bit daring and asked her: "Do you often join in?"

She laughed and said "Yes I do I'm not a prude." She told me that she likes sex and that she is a healthy young woman. I loved her personality, she was really fun and nice. We later met Luca and Nina for lunch and talked about the day, after diner we went back to work. "Wow Luca is pretty cute" Sofia said to me, "Yeah I think he is also single.'

"Very nice to know" She said and smiled. "And what about Nina she is Dutch like you right? She is fucking hot" She said. I turned red a bit, "I'm from Belgium not Dutch, but yes she is cute." I answered.

Sofia laughed and started to tease me, "I can tell, I can smell the arousal, but unfortunately for you she has a boyfriend". What really? That was a bit of a shock for me as she let me rub her in with lotion yesterday and showed us her tits, I thought she was flirting with me but maybe I'm just a bit slow. Sofia looked at me and smiled, "Ow you didn't know she was dating, don't worry you will be hit on by so many people you won't know what to do."

After working we went back to our rooms, for a bit of rest. at 19:30 we all met up at the restaurant for a big diner with all of the staff, this was a tradition a day before the resort opened. We had a nice dinner but we weren't allowed to drink to much as we had to be fresh for the big day. After dinner me Nina Luca and Sofia hanged out for a bit in the lobby and chatted. I was wondering were Julia was I hadn't seen her today much. Nina told me that although she works as the receptionist she is a bit of a introvert and doesn't hang out with the other staff as much after work she normally meets up with her boyfriend or hangs out with only Nina.

Suddely two people entered the lobby a boy and a girl, they looked a bit older than me. Sofia stood up and hugged them both and introduced them to me and Luca, "This is Olivia and Manuel" they introduced us to us but Olivia didn't seem to care much about us. "Olivia is from Italy and Manuel is from here" Nina told me and so Olivia is my next door neighbour. Olivia is beautiful, she had really long dark hair, and had an amazing figure. She was very pretty but didn't seem to care much about anything, she seemed a bit bitchy, Manuel was really handsome, tall brown hair and brown eyes, he seemed kinder than his girlfriend. They went straight to there room and didn't talk much. Sofia told us that there flight got delayed a lot so they were probably very tired. Sofia also told us that Olivia was her best friend. As the

evening went on Luca and Sofia started flirting with eachother, and I couldn't blame them as she was really hot. And I was talking to Nina, she told me that can come over as a bit of a Bitch because she is very confident and direct but she if you get to know her better you will see that she is very nice and caring.

The conversation with Nina was very nice I had the feeling we could become very good friends, I had it hard not to dream away in her beautiful blue eyes but than I remembered she had a boyfriend and stopped myself from thinking about her in that way. Speaking of her boyfriend, she told me that they have been in a relationship for a year now, and he didn't care that she was working in a swingers resort as he trusted her. She told me that she was interrested in swinging but her boyfriend was a bit more reluctant so she mostly tried to keep it to herself. She told me that he was visiting in a couple of weeks. Isabela waved at us and joined us she looked amazing as usual she told us that she was really excited for tomorrow and asked us if we were ready for the big day. "Yes ma'am" I answered.

"Do you guys want to hang out in my hottub for a bit?" She asked, everyone agreed. We went to Isabela's house which was really beautiful, it was probably the best on the resort. Her husband was a famous Spanish buisness man and he was usually not on the island but Isabela told me that he was on the island right now. She gave us a small tour of the house and we one for one went in her bathroom to change, Nina was the first to get changed and just like yesterday she looked amazing in her blue bikini, Luca got changed and Sofia really seemed to enjoy him, Sofia came out in her bikini and this was the first time I saw her in her bathsuit, she was a bit thicker than Nina in the hips but her body looked amazing, her chest was really firm and her stomach was toned. She had a navel piercing which looked nice on her, she looked like a Spanish girl you'd see on Instagram. Luca was almost drooling over her.

Isabela got changed into a the white bikini from the day before and when she walked out everyone jaws dropped, she is is so beautiful, she had a perfect body and looked amazing. "What are you guys waiting for, let's go to the hottub." Isabela said with a smile, I sat oposite of Isabela and I had it very difficult not to stare at her big chest. I could see that everyone was enjoying themselves very much, she suddenly said: "My eyes are up here" I was so fucking emberassed, I could feel my face turn red. She laughed a bit and continued "I'm joking I'm used to it."

Everyone laughed, but I still felt a bit emberassed, she gave me a wink.

The conversation went everywere first we were talking about traveling, then music and Sofia began to talk about sex. I felt a bit left out the conversation as I had no expereince in this area, Sofia suddenly asked me: "And you how was your first time?" I responded: "Uhm that hasn't happened yet." Everyone was like "Really?" And Nina asked me how that could be. "Well it's my first year of uni and I haven't found the right person so" I said, Isabela told me that I was in the right place as it seemed like there are a lot of people here who would be interested. "Don't worry I'm sure you will have a great time here, we can even wingman for you" Isabela said and Sofia and Nina said with excitement" YESSS!!!" I didn't expect that at all, I was surprised by this sudden support but it was very nice. "Let's get him laid!!!" They all joked. The conversation went on for a bit but around ten we all decided to go to our rooms and have a good night rest before the big day.

The next morning I woke up really early I was excited for the day, today was the big day, I showered and put on my uniform again. I went downstairs to the restaurant and Nina Sofia

and Luca were already waiting, Julia also sat at our table, I saw Olivia and Manuel sitting a bit farther away. I sat down and said hello to everyone, the girls looked really nice in there uniforms. We saw Isabela who seemed a bit stressed as she was walking around a lot, we couldn't blame her as this was the opening. She told us that the first guests will be arriving in 3 hours so we had to finnish our breakfast quick and start working. Everyone finished their breakfast and started to get ready. Isabela gave us some last minute instructions about what we were supposed to do, and then she walked away. We had 3 hours to finish the last preparations for the guests, so we did. We put the last finishing touches in the rooms and the lobby, we had some flowers and candles everywhere. We finished by cleaning the pool and putting some small umbrellas in the chairs.

Then the first guests came. What was clear to me was that they all seemed rich and very successful. They were also extremely attractive, the couples ranged between the ages of 20 and 50. Everyone was super and excited for the start of the summer. Isabela greeted each one and Julia welcomed everyone. I was instruced to help Julia checking in the guests, and it went well. After a couple of hours it became a bit quieter. At the reception, a couple came in that really caught my eye. They were a tall, attractive couple in their 30's, they looked amazing and seemed to be very wealthy, the woman was really hot, she had blonde hair, light brown eyes, she was very pretty, and her body was amazing as she was wearing a nice white summer dress, she looked like a model. The man next to her was also very good looking. They were speaking english, but they had an amazing spanish accent. The man was tall and he had dark hair with light brown eyes, his body was in really good shape, he looked like an athlete and he was extremely good looking. Isabela came to them and gave them both hugs and spoke to them in Spanish. Julia told me that the couple were really good friends with Isabela and her husband. He was a photographer and she was a model. And that this was the second year they came to the resort. Isabela turned towards me and said "This is Carlos and Daniela" They are very close friends of mine.

I introduced myself to them, "Welcome to the resort" I said and smiled. "We are looking forward to a fun summer." Carlos said. "Can you help them with there luggage?" Isabela said to me as it was a bit quieter Julia could handle reception on her own. "Ofcourse!" I said and walked to there luggage. I grabbed both of there bags and asked them if they wanted to follow me to their villa. They told me they would and followed me to the villa, I helped them get in, and gave them the room keys, I helped them with some of there bags, I got there bags to the rooms. They told me this was the second time the've been here but the first time they only stayed for a couple of days and they didn't really get involved in any way. Carlos seemed really nice and he had a really big smile, Daniela seemed very charming but she was a bit more quiet than Carlos. He asked me if I could help them unpack so I did, Carlos told me about his work and how he met Isabela at a shoot and they had a lot of fun together, he also told that he has been together with his wife for 14 years.

We talked a bit more as I was helping them unpack. They told me to put some clothes away for them and I saw they both had a lot of sexy underwear. Daniela saw me looking and smiled. After I was done I was about to leave but Carlos said they wanted to give me a tip: "We heard it's kind of a tradition to always tip the lugageman, so is it okay if my wife gives you a tip?" He asked. I was a bit taken back by this "Yes sure" I said without knowing what to expect. Daniela suddely came closer to me and started to massage my shoulders, she was wearing a really tight dress and as she came closer her boobs looked amazing. She started to massage me in a very sensual way. I was completely overwhelmed and I was a bit worried if Carlos would be okay with this. But he seemed to enjoy it as he just watched, Daniela suddely

dropped to her knees and began to massage my thighs and then she came even closer and pulled down my pants. "Is this okay?" She asked with a really sexy Spanish accent, I knodded, I was really surprised and really turned on.

She looked up to me and said "We want to thank you for the help, let me take care of you."

She began to massage my balls with one hand, she had a firm grip and she looked really hot doing this, her other hand massaged my cock through my underwear. "Uhm that feels great" I said. I saw that she was a bit nervous and shy but also very excited. She smiled and kept going. "Can I pull them down?" She asked, I could feel my cock growing and I didn't want her to stop. I nodded and she pulled down my boxers, my cock was really hard and throbbing. She wrapped her hand around my cock and began to stroke me, I could see that she Carlos was really enjoying the show. She stroked me for a minute, when Carlos said: "You know this is the first time my wife has touched another man" I looked at him and felt very lucky, this was also the first time I was touched down there by a someone other than myself. It felt really good.

"Can my wife put it in her mouth?" Carlos said. What? did he just ask if his model wife can suck my dick? I was completely blown away, I looked at Daniela a beautiful face and she looked very hot, but she seemed also a bit surprised. I looked at Carlos and asked him: "Are you sure?" He smiled and said "She has never done it before but she would really like to try."

I looked at Daniela who seemed really turned on and she just looked at me with her beautiful eyes. "Go ahead honey" He said to her, I felt her lips coming closer and I suddely felt a warm wet tongue on the tip of my dick.

"Ooohh" I let out as Daniela licked the tip of my cock. Than put her mouth around the head, I could feel her tongue moving around and than she started to suck my dick, I looked down and I saw my cock go into her mouth. Wtf is happening right now, this was the first time ever I felt a warm mouth around my dick in it felt beter than I could have dreamed, nobody is going to believe me, my first ever blowjob by a Spanish model while her husband watches. Daniela kept going and kept sucking my cock she looked me in my eyes and it felt amazing, I felt over the moon the luckiest guy alive. Carlos just watched and looked at her sucking my cock. She pulled my cock out of her mouth and looked at me. "Do you like that?" She asked, her spanish accent made it so hot.

I was completly taken back, I tried to find my words but could not. "My wife is really good at it" Carlos said, Daniela kept looking at me while sucking the soul out of my body, to remind you I was still a virgin such a beautiful woman sucking my dick, holy shit. I felt my cum rising in my balls. "Oh Daniela I am going to cum" I said.

"Don't worry you can cum in her mouth, we don't want a mess" Carlos said. Daniela kept going for a few more seconds and I started to shoot my cum in her mouth, it felt amazing, and she kept on sucking me until I was all dry, she pulled her mouth off my cock and looked at me. Damn shit she swallow it? She stood up and gave me hug and said "Thank you, I really enjoyed it."

Carlos came over to and gave me a highfive: "That was fucking hot man I hope you enjoyed my wife, this was her first blowjob to another man." I told him that it was great, I mean she was the best thing I ever felt. "I am so greatful and lucky." I said. I thanked them and pulled

up my pants. I left there Villa and was a bit scared that Isabela would be mad that I was away so long. and saw Isabela who was busy talking to some guests in the lobby. She looked up to me and gave me a warm smile. "Hey are the guests taken care of?" She said. I told her they were and she smiled and said: "Great work! Did they gave you your first tip?" I told her what happened. Isabela was a bit surprised "Serious they never swung before, this was her first time with another man right?" I said that I thought so.

"Omg I am so happy for you, did you enjoy your first blowjob?" She asked with a huge smile on her face. I felt emberassed and shy but also happy. I told her that I really enjoyed it. She said "That's great, we have a lot of fun on this resort, and you just started, you will have lots of fun, I am so happy to hear that, and damn you are a lucky boy your first blowjob by Daniela she is freaking hot!" She gave me a hug in excitement and I felt my heart pounding in my chest, my cock still had some blood in it. Isabela looked at me and said "Go get some rest it's going to be a very busy day, I can't wait to hear Carlos and Daniela side " she said with a big smile. I went to my room the rest a bit before going to work. I couldn't believe what happend to me today, it was all unreal when I walked out of my room Sofia, Nina and Luca were there.

Sofia gave me a big hug and said: "We heard you got some action with Carlos and Daniela" I told them everything that happend, Nina and Sofia looked at me with big smiles. And Luca gave me a fistbumb "Damn nice work dude she is fucking hot" he said. Sofia than gave me a kiss on the cheek and said "That was great I am so happy for you." Nina also gave me a big kiss on the cheek and said "I knew you were going to enjoy this place." This day was the greatest in my life and I was just getting started.

Part 3

I still couldn’t believe what happened today it was unreal the rest of the day was pretty busy since it there were still guests arriving throughout the day the resort was getting busy and bussier it now felt like a real resort, the emptyness of the last days felt a bit awkward and weird, we now had to get used to the crowdedness of the resort. I helped Isabela out a bit more, and also got to meet some more guests, Sofia and Nina really enjoyed the action I had with Carlos and Daniela, they could see that I was very happy about this.

When I walked around the pool there were so many attractive couples, it was hard not to stare at them and they all looked so happy and relaxed and happy, everyone looked amazing. People were chatting with eachother, some people even making out. There were topless women everywere. If heaven exists I am definitely there.

Julia was the one who kept up with the incoming guest and kept the lobby busy. She seemed very calm for someone who has to deal with all the incoming guests, literally the opposite of Isabela who seemed really stressed out. I helped Julia out a bit more at reception, “Wow I heard what you did, 3 days here and already getting involved, that was quick man" Julia said and laughed, I felt my face turn red. I didn’t expect that from her as she normally is a bit more quiet, she normally hangs out with Nina, and Sofia when they aren't busy. “But good for you, they are really hot” She added.

Suddely I heard Isabela call me over and asked me to help her with some errands around the resort. She was in her element today. We did a lot of cleaning and other tasks around the resort.

I ran into Olivia and Manuel later that day who were helping out in the bar outside, I hadn’t spoken much to them and I have a feeling that Olivia doesn’t like me that much. Manuel came up to me and said: “Shit bro you got lucky I heard what happened in Carlos and Daniela's villa today, she is crazy hot! What the hell man" Wow things spread like wildfires around here I thought to myself. He also gave me a highfive, meanwhile Olivia didn’t seemed interested and just continued working. “I heard this was your first experience, well done man, your first ever blowjob from a model, bet your friends are not going to believe that at home” He said and smiled. I didn't know if I should be proud of this or not. He saw that I was a bit embarrassed and laughed. We talked for a bit before he had to go back to work, Manuel seems like a genuinely nice guy, Olivia tho, didn’t speak a word to me only some cold stares, I felt a bit intimidated by her.

I walked out to the pool where Sofia was busy helping out with the guests, there were a lot more people at the resort now, all the staff were busy, and I had to get used to all the attractive people around. Sofia was really mingling with all the couples, they seemed to really like her. I could see that she was very friendly and had a lot of charm. She was like flirting with everyone, it was really fun to see, I wish I was that social. She seemed like she was having a lot of fun with all the couples.

After helping a bit with the guests Sofia came to me and asked: "How did you like your first day here?" She said with a smile. I told her it was great, "Good to know, you were a hit with all the couples here." I smiled and thanked her. "Did you enjoy your blowjob today?" She said with a flirtatious smile. I blushed and looked around in embarrassment, but no one seemed to hear her. I just told her I enjoyed it. "I knew you would" She said with a big smile. I was

getting more comfortable around her and felt that we had a great chemistry together. Isabela told me to help Nina and Luca who were out on the beach cleaning up some stuff. I haven't been to the beach much so I was excited, as soon as I got there I saw Nina and Luca were staring at something. As I walk towards them I saw what they were looking at, "Don't stare took much it makes it oblivious" Nina said to Luca, up in the distance there was a couple in there 40's making love, the woman was on top of the man, he had his hands on her hips, as he was helping her ride his dick, she was moving up and down really fast. I was shocked and didn't know what to do, this is the first time I ever saw a woman have sex, I was mesmerized by the scene. "Come on Luca, back to work get used to it this is a swinger resort" Nina said. They hadn't noticed me yet, "Ow hi your here to help us out" Nina said

I told her that I am and she smiled,"Fuck bro did you see that couple over there that so hot" Luca said to me with excitement, he looked at me and I saw he was turned on. He then said: "Look at her ride him so fucking good." I couldn't blame him it was hot, they were super attractive, and I've never seen anything like it before, yes on my laptop but not in reallife. "Come on boys stop staring, we have work to do" Nina said "Beside, believe me sex on the beach is not as hot as it looks like, you get sand everywhere, it gets messy and dirty," Me and Luca looked at each other and laughed and we went back to work.

But I still couldn't help but think of the couple. I imagined myself in that position, having sex with a beautiful woman like that, she was nicely tanned and had an amazing body her boobs were really nice, the man was a nice build too. But when I looked for them again they left, I was a bit bummed about this, but then Nina came to me, I think she knew what I was thinking and said: "Don't worry you'll see alot of stuff like around" with a wink, "And by the way please try to hide that, it's not really professional with guests around" she said pointing at the growing tent in my pants.

I could sink in the ground at that momemt, I had to explain myself and I felt very embarrassed, she looked at me with a smile and said: "Don't worry I was kinding, but just don't make it to obvious" Nina said, Luca laughed at the situation and we went back to work.

It was nice working on the beach but I forgot to put on sunscreen and I burnt myself a bit, so when we were done I went to my room to put some lotion on my body. I ran in to Isabela again who seemed a bit more relaxed as the first wave of guests settled down. She asked me how my first day went and she told me she talked to Daniela and Carlos and told me that they really enjoyed it. It was a bit weird to talk about with my boss but it's a swinger resort so openmindedness is key. And I thanked her for the opportunity to go with them, as I had a feeling she was also involved in it. She told me what was going to happen these first weeks and that more guests will be arriving throughout the week, but the first day was always the most stressful for her. "There are also a lot of activities we organized for the guests you will help out it that, and if you have free time you should check them out, they are a lot of fun. Ava and Martin organize a lot of them, they give couple workshops like massages. Tomorrow there is going to be a couples tantraworkshop giving by some experts. And every friday night there is a big lifestyle party" She told me a bit more about the events, and that they are mostly for couples.

After that she went back to work and I helped out at the outside bar for a bit. I got to work with Nathalie and Chris who I haven't really spoken a lot too before. I found out that Nathalie was married and that Chris was engaged. They were very friendly and asked me how my first day went. I told them what happend. Chris told me that he is one of the only staff member

who participates in the swinging lifestyle, he talked about his experiences and it was a lot of fun to her about. It was a very interesting concept for me having fun with other peoples partners and also sharing your own. Nathalie told me that she doesn't and she isn't really interested in it. I helped them with giving drinks to the guests, everyone was very nice and casual about everything. People were half naked just chilling next to the pool. I saw Carlos and Daniela approaching and they waved and smiled to me. They said down and Daniela smiled at me. Carlos gave me a hug and said: "We wanted to thank you again for the help in our villa, that was awesome, thanks for taking care of my wife" He said with a big smile. Than they ordered drinks from me and acted like it was the most normal thing in the world what happened to me. I gave them the drinks and they said thank you and continued talking. Carlos asked me how the rest of the day has been and I told him it was nice, I asked them about there day and stay and they told me that after I left they had the best sex ever and than they went to to beach for a while. They seemed very relaxed and happy.

I served the drinks to Sofia and Luca who were having some time of their own. Sofia was busy telling Luca about her latest adventures. And that she had been flirting with an older couple in the pool who invited her to join them later in the day, but she wasn't sure yet.

After my work outside was done I met up with Nina for diner. We talked a lot and it was nice to have someone to talk to. Although we knew eachother for only 3 days it felt like we have been friends for a lot longer, we got along so well. She told me that she too was invited a couple of times over the day but since she has a boyfriend she always declined, she also told me that she was single she had joined in a couple of times. "It's a bit harder now with my boyfriend still in the Netherlands, we both have needs you know haha and I'm not going to see him for at least a month" She told me that I should enjoy my time here while being single. When diner finished Isabela walked up to me and asked me to come with her. I hugged Nina goodbye and told her I would she her in the evening. We walked to the side of the kitchen were some roomservice carts were standing. One of the carts and a bottle of wine on it with two glasses and some chocolate. Isabela gave me a warm smile and told me that these carts were for villa 14. She winked at me and told me "good luck".

I took the cart to Villa 14 and I immediately realized thay it was Carlos and Daniela's villa, when I arrived there door was open but I still knocked: "Roomservice".

"Yes come in I heard Carlos say" I opened the door and my jaw felt to the floor Daniela was completely nude and riding Carlos cock. My heart was racing. "Ow sorry I'm so sorry I didn…" I said but Carlos said: "No don't worry come in" I felt very awkward but I was taken back by the beautiful Daniela, her body was perfect. I couldn't help but stare at her tits bouncing up and down as she rode her husband cock. Her round ass and small waist looked amazing. I didn't know what to do so I just stood there for a moment.

"Can you pour us two glasses of wine" Carlos said to me. I nodded and poured them some wine, they continued to have sex. It felted like straight out of a porn movie, but they didn't seemed to care at all that I was there, they actually seemed to like it. But yeah it's a swingerresort so what should I expect.

"We never had someone watch while we did it but we like to try, you can stay if you want" Carlos said. I had never done anything like this and I felt very awkward but also excited and I decided to stay. I was in awe with Daniela and couldn't keep my eyes of her I was getting very aroused. "Sit down and enjoy yourself" Said Daniela with her sexy Spanish accent, I

took a seat in front of them on the floor and watched them have sex. Carlos was now grabbing her ass as he was fucking her harder. “You can also come closer if you want” Carlos said with a smile, I was stunned for a moment, but my hornyness took over and I stood over and stood close to the bed. Carlos saw that I was in awe with his wife chest. “Go ahead you can touch them if you want” Carlos said, I hesitantly put my hand on her breast and squeezed it.

This was surreal for me, this was the first time in my life I touched a woman's breasts. It felt amazing her soft skin in my hands and her hard nipples in my fingers. I kept massaging her tits. It felt like the best thing in the world. I could see that Daniela was also enjoying it. She looked at me and saw that I was really enjoying myself, I was getting very erect and she noticed. “Shall I help you out?” She asked while moaning and fucking her husband harder.

I was in awe and couldn't talk. I nodded as she grabbed my crotch, “pull your pants down”. I pulled my pants down and she grabbed my dick out of my underwear and started rubbing it. Her hands felt amazing again. She stroked my shaft up and down and played with my balls a bit. “Can I put it in my mouth again” she asked. I looked at Carlos who gave me a big smile and said: "Go ahead she really liked it earlier”. And for the second time that day I felt the warm embrace of her amazing mouth engulfing my penis while she was still riding her husband. “Fuck that is hot” Carlos said. She let out muffed moans as she was now fucking her husband harder. She started to move her head up and down and sucked the soul out of me, but this time I wanted to last a bit longer, it helped that I already came earlier today from her help. She sucked me off for a while it felt a bit different from earlier but that’s probably because she had it harder concentrating while being fucked by her husband.

“Do you want to have a try” Carlos suddenly asked me. I was really taked back by this question, did he just really asked if want to fuck his model wife? I didn't even think about this, I looked at Daniela who nodded, and she looked at me with her big brown eyes. She took my dick out of her mouth and Carlos came up from underneath her. He grabbed a condom from there nightstand and gave it to Daniela.

“We always wanted to do this, we talked about it for a long time, and we thought you were so nice earlier today that you are the perfect person to be the first ever to do it beside me with my wife” Carlos said. I felt honored but I also wanted to be honest. “I have to say that this is going to be my first time ever” I said, “Ow damn really are you serious” Carlos said, “are you sure you want your first time with my wife”. To be honest I couldn’t be more sure Daniela is so beautiful you would almost be the dumbed person on earth to reject this offer. “No no I want to I just wanted to let you know”.

“Don’t worry my wife is amazing she will give you the best experience ever so just enjoy yourself okay, if you want to stop just say something” he said reassuringly. I lay down on the bed and Daniela crawled between my legs, Carlos sat down were I sat earlier as Daniela ripped the condom out of the packed with her mouth and put it on my cock. She put a bit of lube on it as she grabbed it and guided it towards her pussy. She slowly lowered herself and for the first time in my life I felt the warm welcoming embrace of a woman around my cock. I looked at Daniela and she looked back with a warm smile and than she slowly moved her hips up and down. I could feel her wetness and warmth and the amazing tightness around my shaft, it felt better than I could ever imagine as I looked up at Daniela’s amazing body moving up and down. I had the best view as she rode me.

She put her hands on my chest and kept going up and down, she was very slow and sensual and it felt amazing. In the meantime Carlos was jerking himself of, and it felt a bit weird but at the time I couldn't care less as I had this amazing woman riding my dick for the first time ever. Daniela slowly started to pick up the speed as she was fucking herself up and down on my cock. It felt incredible, I could see her nice tits bouncing in front of me and her abs flexing and her thighs moving up and down. She grabbed my hands and put them on her ass, I started to move my hands up and down her butt and squeezed her ass cheeks. I didn't know where to look anymore as I saw all of this beauty right in front of my eyes, the beauty and passion in her eyes, her smooth body, her amazing chest. I already felt my orgasm coming up as I tried to fight it. But her pussy just felt too good, I came really quickly and my cum exploded inside of the condom.. Daniela kept going for a while and slowed down as I came and she let pulled my dick out of her pussy. She took of the condom and licked me clean. This was one of the hottest things I've ever experienced. My dick was super sensitive so I it felt a bit weird.

Carlos than stood up and grabbed her from behind started fucking her doggystyle. It was so hot to see her ass bounce as she got pounded from behind. Carlos almost came instantly and filled up his wife pussy with his cum, it was really sexy to see him cum. After he pulled out she gave me a hug and went to the toilet to pee and clean up. Carlos looked at me and smiled "How was that ey?" he said with a laugh. "It was one of the best experiences of my life." I told him, "You are a lucky man" I said. Moments later Daniela came back with a towel and a wet facecloth for Carlos and me, and we sat together on the bed and talked for a while. I thanked them for everything that happened today and put my clothes back on. "You should probably head back before Isabela gets mad at you" Daniela said.

So I said my goodbyes and took the cart back to the restaurant were Isabela and Nina were waiting. When I approached Isabela started smiling. Like before I had a feeling she had something to do with it. "And how was your first time" she asked me. I felt a bit embarrassed but I said: "it was amazing" she gave me a big hug and said: "Yeyy I'm so happy for you, I think I'm the best wingwoman around here". She told me that earlier went she talked to Daniela and Carlos that they mentioned there fantasy and that they really liked me so she thought it would be great if I could fulfill this fantasy and she helped them plan this. She is the best boss ever I thought to myself. Nina also gave me a hugg and congratulated me with my sexual adventure.

We talked for a bit and Isabela went back to work. Just like the day before in the evening after work we met up with Luca and Sofia. "Omg, I want to know all the details" Sofia told me. "Damn you lucky dude" Luca said and I felt a bit of jealousy coming from him but it was all good as he also added: "This place is fucking amazing." When I was telling the story I could tell Sofia was getting turned on by it, even Nina seemed to get a bit excited. After we talked a bit it got late so we decided to go back to our rooms. I could tell that Sofia was really turned on by the story and I was getting more and more used to it around her as she was constantly flirting with me and Luca. When we got to our rooms I received a message from Sofia. "Shit I can't stop thinking about your story it was so hot, I am so turned on by it." I was very shocked by this and didn't know what to respond. So I just typed back "It was really hot", she responded by "with 3 laughing emojis" followed by "Gonna think about it tonight thank you, see you tomorrow GN with a kissing emoji"

I went to to sleep thinking about what happened today and I couldn't wait what the rest of the summer had in store for me.

Part 4

I woke up feeling really good, the first day with guests has been the best day of my life and this was only the first day. This day went by almost the same as yesterday par the sex unfortunately, there were some new couples coming in, I did helped out everywhere on the resort, met new couples, talked with my coworkers etc. In the evening I felt very tired so I went to bed a bit earlier without hanging out to much.

The following day I only had to work half a day and I had the rest of the day off. I helped around the pool and bar a bit and went back to my room to relax for a while. Sofia told me she was also free for the afternoon and she asked if I wanted to hang out by the pool. I agreed and I changed to my swinging shorts and waited in the lobby for Sofia, Nina and Luca were free in the morning but had to work during the midday so they couldn't come.

"Hey! Timo" I heard Sofia say. She looked amazing, she was wearing light pink bikini, it looked very nice on her, her body looked amazing and I could see that she really took good care of her body.

She saw me checking her out and said: "Ugh boys" with a teasing smile. We went to the pool and she asked if I wanted i hang out in one of the hottubs around the pool. The first thing I thought to myself is, do I want to get into a hot tub in a swinger resort, but Sofia saw that I was reluctant to go in so she told me that it was forbidden due to hygiene for the guests to have sex in the hottubs or the pool, (not that it didn't happen). So we sat down in a normal hottub and talked a bit about our day, "Did Isabela tell you about the Tantraworkshops?" She asked me. I had no idea what it was so I just asked her: "What's that?"

She said that it was a tantra workshop which is a lot like a massage, but it was more about having sex than a massage. "Yes she told me but I honestly didn't know what it was" I replied, "Since yesterday every day this week there is a workshop for couples given by 2 experts and I heard from people who went yesterday that is was a lot of fun" she said. It sounded really interesting to me and I was curious so I asked her how it was. She said it was a lot like a massage, but you get naked and it focusses a lot on spirituality and connections. She never been to one either but she read about it.

"I really wanted to go today and I asked Luca but he had to work this afternoon, so I'm going with him Friday" She said, I could tell she was excited for this. "If you want we can go this afternoon, I saw there were still some spots open, and it's for couples only so if you're down" She asked me with a smile. I was a bit shocked at this but also very interested in it. I thought for a moment but then I said: "Sounds nice let's do it". She got so excited and happy that I agreed. "You know that were are going to see eachother naked and touch eachother right?" she asked me, I was a bit taken back by her question. "Uh yes, I guess" I said. She gave me a reassuring smile and said: "Don't worry it's going to be great." Than suddenly we heard two people approaching,

"Hey guys is it okay if we join you in the tub?" I looked over and it was Manuel "Olivia is joining in a bit later" He said to us.

Sofia looked at him nd said: "Ofcourse", I just smiled at him and said: "Yes sure" Manuel took off his shirt and sat down on the side of the tub. "Did I hear that right Timo? You went all the way with that model? That was really hot, Nina told us, I am so happy for you bro". I was a

bit awkward and said “thanks it was a great experience” we laughed and talked for a while. When I saw Olivia approaching. I was taking back by how beautiful she was. With her long brown hair deep brown eyes and perky nose. This was the first time I saw her in her bikini and jesus let me tell you. She has pretty big breasts and a small waist with round butt, nice long legs and a toned stumach. She was pretty tall so she really looked like an Italian goddes. Unfortunately I still think she is a bit of a bitch to me. She got in the hottub with us and hugged Sofia she talked a bit to her and only gave me a cold “Hi Timo” before continuing her conversation. I talked with Manuel who I really got along with.

Nina approached us “Wow guys I’m so jealous of you would love to join, but do you guys want something to drink”

We all ordered cocktails and Nina went to the bar to get them for us. I started to talk about football with Manuel, as I found out he also used to play when he was younger. When Olivia said: “Jesus Manu can you not talk about football for like 1 day”. Again I just had the feeling Olivia didn’t like me and I just responded: “Why you are in a conversation with Sofia right? You don’t hear me complaining about you guys talking about some celebrity gossip” Maybe not a smart thing of me to say as Olivia gave me a cold stare, but before it got to heated Nina arrived with the cocktails. And it seemed to diffuse the situation, we all cheered our drinks and we changed subject.

“We can’t be staying to long because we have to get ready for the workshop in the afternoon” Manuel said, me and Sofia were a bit surprised, “Omg you guys are going too?” Sofia asked.

Manuel replied with: "Yes it sounds like a lot of fun I didn't know you guys would go, it's for couples right?", “Yes we know but I asked Timo if he wanted to go with me today” Sofia responded. Manuel looked at me and smiled and just said “Nice” we laughed a bit as Sofia was happy that they were also going. “It’s going to be so fun we can all go together!” Unlike Sofia I was not that happy that they were also coming, as Olivia and I didn't seem to get along very well, I didn't really want to spend more time with her than necessary, seeing the look on her face Olivia probably thought the same. But we just kept quiet.

We drank our cocktails and we went back to our rooms, I changed in some short and a simple t shirt when Sofia knocked on my door. I opened the door and she was standing in front of me in a white croptop shirt with blue shorts and slippers. She looked stunning and I was blown away as she said: “You like my outfit?” “Yes! it looks really good on you”. She smiled “Thanks although it doesn’t really matter as most of the workshop is without clothes”. Ow yeah shit I almost forgot about that. “Does this also mean I get to see Oli..” Nah forget about her I thought. “Are you nervous” she asked me. “Yes quite a bit, I’ve never been naked with a lot of people before, and before yesterday I was still a virgin” I said.

She just looked at me and smiled, “Don’t worry Timo I bet it’s going to be a lot of fun, and I am going to make sure you have a lot of fun” She said reassuringly and gave me a hug. I really like Sofia she is so open and excited about everything, so easy to talk to. And not to forget super attractive, a typical Spanish girl, you know what I mean, pretty eyes, nice body, nice smile. The hug ended and we walked towards the lobby, were Manuel and Olivia were waiting for us.

Shit I also almost forgot that they are also going, I just decided to try to ignore Olivia and have a fun time. We followed Manuel and Olivia towards the spa area of the resort, next to

the beach. We entered the room were there were already some couples waiting, Manuel told me that a lot of workshops and events take place here. We were instructed to sit in our couples so Sofia and I sat down at the front row next to Olivia and Manuel. I looked around and there were about 8 couples including us. Some were a bit older than us and some were around 40. But like everyone at this resort they were all attractive, the screening process seemed to work.

Whe waited for a bit when two people came in, they looked a bit like the hippie type and the woman seemed around 40 and the man around 50. They introduced themselfs as Gaia and Jason, they were from the US and they toured around Europe giving workshops. Gaia had black hair and dark eyes. She had a slender body with a nice chest. She was pretty attractive, Jason was bald and had a small grey beard, he had a bit of a dadbod but was still muscular they were both pretty tall. They sat down in front of the group and started to talk about themselfs and told a bit about tantra and spirituality, which they described as: "sexual practices that involve love and intimacy". They were really friendly and laid back and their accents were very calming and deep.

They first started with some rules, they began that communication and consent are the two most imporant thing to have for a tantra workshop to be successful. They told us to always ask for consent and if you were uncomfortable with anything you had to communicate it immediately. They told that because we were on a swingers resort that this workshop is a bit different than they normally do. And told us that there is going to be a lot of nakedness and touching, and if anyone was not okay with that we can leave at any moment. They asked all the couples if they ever experienced tantra before but only one couple said yes. A couple asked Gaia if this was going to be sexual in nature and she said that there is going to be some sexual contact but that is not the goal, they are going to focus a lot on spirituality and connecting with yourself and your partner. They instruced us to sit in a circle, and we started of with some breathing exercises. It was very relaxing, Gaia and Jason were both really nice and they kept encouraging us to relax and breathe deeply.

After a while they started telling us about the basics of tantra. I'm not a spiritual person at all and never done any medication or things like that before so this was new for me, but it felt nice trying something I normally wouldn't do. This made me realize how far I've come in the last couple of days, back in Belgium I was a bit of a quiet person not really going much, and now look were I am and what I'm doing.

We finished up the introduction and now the most nerve wrecking part begin. "We now want to ask you to take of your clothes and get naked with eachother, don't worry it's normal, if you are not comfortable with this please let us know, and also everyone is welcome to leave at anytime, you will be reimbursed for today's activities". But nobody left or felt uncomfortable, nervous yes but not to the point that I wanted to leave. I started undressing and couldn't help to look around me. This was the first time I was going to see Sofia naked and vice versa, and I was even going to see Olivia and Manuel naked. It was a bit of an awkward situation, as nobody really wanted to start first. The couple behind me were the first to take their clothes of and when I looked behind me they were both fully naked and hugging eachother. Sofia than took of her clothes and started taking off my t shirt. She looked at me and I looked at her and we just kept looking at eachother while she undressed me. I was standing in front of her now completely naked and she smiled at me, it felt a bit awkward but it was all good. She looked amazing without clothes, her brown eyes looking right at mine, she was not the tallest so she had a really cute body, nice perky tits and very great curves.

I was trying my best not to get hard as I couldn't hide it now as I was wearing no clothes, I looked around and the men all had penises in all shape and sizes, I'm am not the biggest I think just above average around 6inches. But there were some big ones and small onces around me. The women look all amazing some a big bigger some small some big boobs some small boobs. Gaia and Jason were also joining in, Gaia had an amazing body very slender tall with nice big breasts. Jason had a small belly but was still fit, his penis was not the biggest but he seemed very confident. I looked over to my right and Manuel and Olivia were the last ones to get naked, Manuel was really good in shape tall, lean and muscular with a nice tan. And then Olivia, holy shit. She looked amazing. I saw her naked body for the first time and it was perfect. Her long dark brown hair reaching down to her perky tits, I could see her nipples poking through her hair. She has a very fit body, a real hourglass figure you can that she worked out a lot, she was tall with the most amazing tits I've seen amazing hips and great legs. She looks like an Insta model who seemed to good to be true but here she was.

All these beautiful people made it hard for me not to get hard. And it was already on the rise, but luckily for me I was not the only one. But Jason reassured us: "For the guys here, don't worry it's only a natural reaction especially with all these beautiful people around us. We were instructed to stand in the circle again. "Look around you, and look at all these amazing bodies, you are all so beautiful, and this is going to make you feel amazing, it's a lot of fun, and don't worry your body is amazing, everyone here looks amazing, just relax and breathe with us alright, try to focus on your breathing for now while you look around the room and admire everyones body" Gaia instructed us. I did as I was told and looked around and I looked at Sofia. She gave me a reassuring smile and we looked around the room. Everyone was checking out everyone, some were looking at us, others at eachother, a lot of people seemed really turned on. We were instruced to get back in pairs of two again with your partner, we sat at the front row again with Manuel and Olivia next to us.

We were told to kneel infront of your partner and hold hands to connect we did and I sat opposite of Sofia, it was a really tender moment as everyone was just staring into their partners eyes, it was a very intimate moment. I could see that Manuel and Olivia were very close and connected, they looked so good together, they were very attractive and it felt great that I was able to sit with someone so amazing like Sofia. After connecting with your partner Gaia told us we were going to start of with the women. All the women were told to lay down on there back. Gaia and Jason went around to and handed out massage oil to all the men. They went back in the front and Gaia lay down in front of Jason, Jason instructed us to put the oil in our hands and to massage our partners feet, first we had to rub the oil in our hands. Then Jason told us to massage the soles of Gaia's feet, she told us to massage slowly and concentrate on her heels, the arches and around the toes.

I did with Sofia what Jason told us and massaged her feet for a while, it felt really good and she looked at me and smiled. We continued up her legs, I massaged her calves, up the knees, her thighs. Touching her body felt so good, her soft skin, the feeling of her toned muscles, her beautiful legs, it was very intimate and she just looked at me with a warm smile. We were instructed to now move on to the next leg. When I got to her thigh I could tell she was turned on by my touch as I saw a wet stain on her crotch. I massaged her other thigh and her legs were nice and firm.

Jason instructed us to not touch any of her intimate parts just yet and we moved on above the waist. I kneeled down and was looking down at her face, she smiled at me and looked at me in the eyes. We were instructed to use the oil again and to massage our partners chest and

stomach. He than instructed us to focus on the boobs, I still had a hard time believing that I was doing this, I was touching another woman's boobs again and it was amazing. It felt like my fingers were made to be there, I could feel all her softness and hard nipples, I was so focused on Sofia that it felt that we were alone in the room. Her chest felt amazing as she let out a soft moan when I massaged her tits.

Gaia encouraged this as it was a good form of communication to let your partner know how you felt. So when I massaged her boobs I could tell she enjoyed it, I was not going to lie that I was rock hard. But can you really blame me, when I came down to earth a bit I decided to look around to the other couples, Jason massaging Gaia's chest looked great you can tell that he done it a lot before, I looked over to my left and saw Manuel massaging Olivia's boobs, she also seemed to be enjoying it as she was closing her eyes and softly moaning. I couldn't help but look at her tits, they looked amazing, she has such a nice body, and I almost seemed to forget how she acts towards me.

After a while Jason instructed us that now we were going for a more sensual part. The Yoni is what they called it, it is the women's vagina. We were told that we could start off by kissing it, if you feel comfortable enough with your partner. Sofia looked at me and I smiled and kissed her vagina. I've never had my mouth there before but it felt good, Gaia told us to do it slowly and kiss it as a sign of love and passion, she instructed us to not go to far in just yet, but to just kiss it. I could feel that she was really wet, it was a lot of fun for me kissing her vagina as I was looking up at her, she kept saying how much she loved what I was doing. It felt really good.

After a while Jason told us to use our hands to massage it. We were told to focus on the clit, we were instructed to use the oil again and use the fingertips of your right hand. I look over at Jason how he did it as I was not experienced at all. I followed the same movements he did, slowly going up and down, but going a bit faster everytime, it felt amazing how I could control her pleasure, it was like I was in control of the entire thing. Gaia told us that it is very important to be attentive to what your partner feels, but Sofia seemed to love it. Her moans were so cute and soft, and she kept telling me how good it felt.

Jason told us that this is an important moment as you can feel your partner and know how they react. After a while Jason said: "Now it's time to go in deeper, we are going to go slow okay, we will take it slow, no need to rush. Take your time and if you want to I heard Gaia moaning. Take your time and start off by using the oil and use the thumb of your left hand to massage the lips a bit, slowly at first. Go in a bit deeper, feel what is there, if you find something sensitive that you want to concentrate on don't worry about it and continue. The whole room echoed the moaning of the women, some louder, some softer. T

I kept going in and out slowly with my thumb, I looked at her face and her eyes were still closed. She just kept letting out soft moans, I went back to kissing her pussy, I heard one of the woman let out an intense moan as she orgasmed, it was a good thing to know that this was working. We were told to use the oil again and massage the clit with our index and middle finger.

"Keep going slowly at first, then we want you to go a bit faster, I hear Gaia instructing us while she was moaning. Sofia was also getting loader and suddenly she came loudly, I've never seen anything like that before. She came for about 5 seconds and it looked amazing, the

way she was breathing heavily and her body squirming, it was incredible. I felt proud of myself as this was the first time in my life I made a girl cum.

A lot of the women followed after Gaia came what was really hot to see and next to me Olivia squirmed and moaned loudly. It was hot to see everyone cum and I couldn't wait for the men to do the same.

Gaia told the woman to just relax for a moment before we continued, after a while Sofia sat up straight and gave me a hug: “That felt amazing Timo, that was the most intense thing I ever felt in my life. “Everyone give your partner a deep kiss” it’s a bit crazy I’d had a blowjob a had sex, made a girl cum but I haven’t kissed anyone yet on this resort. I looked Sofia deep in the eyes as I gave her a deep kiss, it felt like she was really into it and I was too.

After a while Jason instructed us to move on to the next part, which is the Lingam a.k.a the penis. Now the women were in charge and the man were instructed to lay down on their backs.

The girls were instructed to start with our chests and work down without touching the penis just yet, I looked over at Manuel who had a pretty impressive package, it put mine to shame as Olivia was massaging his body, Olivia looked over at me and saw me looking but she just ignored me and continued. The women moved down to our legs

Jason instructed us to use the oil and focus on our calfs, we were told to focus on the muscle groups in there. Sofia was looking at me and she could tell I was enjoying it a lot as she was massaging me, it felt great and she smiled. “Now for the best part ladies, put some oil on your partners penis and massage it with both hands, slowly at first, then we want you to go faster, no need to rush, keep massaging it with your fingers. I felt Sofia’s small soft hands on my dick and it felt amazing. She stroked it up and down. “Now ladies use your palm and spin around on his tip” she showed on Jason how to do it and the rest followed suit. Sofia palmed the tip of my dick and the sensation is indescribable. It felt really sensitive but also really good.

Behind us we heard one man groaning as he came all over his partners hands. Gaia told us not to worry or hold back, luckily although it felt amazing I could hold myself decently well.

“Since we are on a swinger resort, for the next part I would love a volunteer I can demo on” Sofia instantly put her hand in the air as Gaia looked at us and smiled “great!” I also need a couple who want to volunteer on my husband Jason. The couple who’s man just came volunteered and Jason went over there. Gaia sat between my legs. Shit am I going to get a handjob from the instructor? I looked at Sofia and mouthed thank you, she smiled.

“First of all do I have the consent to touch you” she asked me

I replied: "yes please go ahead".

She put some oil on her hands and started to massage my legs. Her hands felt amazing as she massaged my legs and calfs. “Okay ladies for the next part I want you to use two hands and put some oil on it, then take each hand on one side of the penis and rub it like you are starting a fire.” She did exactly this to me and it felt amazing, her experienced hands on my dick felt really good, I saw Manuel also enjoying his handjob. I looked around the room and I could

tell that everyone was really enjoying their handjobs, I saw Olivia look over to me as she was staring at my dick as Gaia was using it as instruction, it was surprisingly hot to see her look.

“Go ahead have a try, Gaia said to Sofia” Sofia did the same as Gaia did and I felt a pair of extra hands on my balls, as Gaia was massaging them. Jesus two woman on my dick it felt great. No it was a bit harder not to cum. “Is it okay if I use me mouth?” Gaia asked me and Sofia. I was shocked but I wanted to try it.

Gaia looked at me and said: "This is totally your call, don't worry we won't make you do anything you're uncomfortable with". “No we like it go ahead” Sofia said.

“Okay for the next part we are going to use a bit of oral, and don’t worry the oil is eatable ” Gaia said to the women. She lowered her mouth and started to swirl her tongue around the tip of my penis while she stroked the shaft. It felt amazing. She was a pro at blowjobs and I could tell. I felt her saliva dripping onto my balls and down my shaft. I let out an audible groan as Sofia smiled at me.

“Join me” Gaia said to her. They both took turns using their mouths on my cock, here was I laying at the front of a room full of couples while heading head from 2 beautiful woman a young girl around my age and a older woman who was experienced with it. At that moment I could die happy and be satisfied.

My first double blowjob ever felt great, I felt the two tongues swirling around my cock, one using their mouth on the head and the other one just using their tongue on the base of my shaft. I heard some men cumming and I was close to, Gaia put her mouth on my tip and started sucking. This brought me over the edge. “Shit I’m cumming” I said with a loud moan and I shot my load into her mouth. She kept swirling her tongue around my head while she took my load in her mouth. I was groaning loudly as I had the most intense orgasm of my life. Gaia looked at me and swallowed. “Thank you” she said with a smile. As she whiped the last bit of cum from her mouth. “Clean the last parts” Gaia said to Sofia and so she did. Sofia gave me a big smile and kissed me on my forehead.

In the meantime Gaia went over to Manuel and Olivia, and treated Manuel with the same double blowjob as she did to me. This was the first time I looked at Olivia sucking dick, and she seemed great at it. She was super focused on the blowjob while Gaia and her sucked Manuels dick in unison. It didn’t take long for Manuel to shoot is load inside Gaia’s mouth. I sat up and looked behind me as I saw wife of the man who came early going down on Jason, he let out a groan and came inside her mouth. She showed it to her husband and swallowed it. It was weirdly hot to see, Sofia and I were enjoying ourselves seeing all the men cum and all the women swallowing. After everyone came Jason and Gaia went back to the front and instructed us to relax for a bit. And handed out bottles of water.

“For the final part of this workshop we are going to end with a nice massage, and since you are all swingers I assume, I would ask you to switch partner with the person next to you” Gaia said. I looked over to the left of me and next of us were of course Manuel and Olivia, this was going to be awkward, Manual enthusiastically stood up and walked towards us.

“Are you guys okay with this” he asked us, I looked over at Sofia who seemed to share the same enthusiasm as Manuel and said “Yes sure!” We looked over at Olivia who seemed a bit more reluctant but just nodded. She was still a bit far away so Manual and I decide to switch

places, I gave Sofia a kiss and went over to Olivia. “I’m super excited we never swapped before but we have talked about it” Manuel said to Sofia.

I sat down in front of Olivia who gave me a bit of a awkward smile. Yeah this was going to be a bit awkward. But I looked at her body and could help but be excited. She was so hot a real 10/10.

“We going to finish with the woman, so ladies lay on your stomach and gentlemen get on top of them and start to massage their back, keep it nice and slow and focus on the lower back a bit more, here you go, she gave us each a bottle of massage oil.“ Sofia and Olivia did what they were told and I sat in between Olivia's legs, her ass looked amazing it stood out like a peach it was nice and round. Damn lucky dude Manuel I thought to myself. But I looked over at Sofia and remembered today I was just as lucky as him, she too looked amazing. And her ass was super fine. Manuel was excited and started to rub Sofia her back. I felt a tiny bit of jealousy but I than looked in front of me and saw his beautiful girlfriend so I instantly forgot about it. I dipped my hands in the oil and put them on her lower back, I started off slow and focused on her lower back, I slowly moved up and down. Her body felt super soft and smooth and it felt amazing to touch her. It was really intimate as I could feel her ass cheeks and her back muscles flexing. I was getting hard again, and my erection was poking into her ass.

She felt it and said: “Can you maybe sit a bit lower so I don’t feel it poking me so much” With a bit annoyed voice. I instantly did as she said and I continued rubbing her back.

“Now you can go lower to her ass” Jason instructed. But Olivia turned around, “Sorry Timo but I don’t feel comfortable yet having another man touching my ass” I felt a bit disappointed as I would have loved to feel her amazing ass but I respected it of course and just continued rubbing her back. When I looked over I saw Manuel massaging Sofia's ass cheeks. Sofia looked at me and smiled Manuel did the same, she was clearly enjoying her self. I was still rock hard as I continued rubbing Olivia’s back still felt amazing and I was happen to have to opportunity to see her naked and touch her. We continued for a little while.

“Okay people that was it for today, I want you to hug the person who you are with right now and return to your partner”

Olivia and I stood up and hugged I felt her amazing bare chest against and I could smell her perfume, she smelt great. It was a bit awkward as I felt my erection pressing against her stomach. The hug was pretty short and for the first time at the resort she let out a little smile to me. We returned to our partners and put our clothes back on. We all thanked Gaia and Jason for the workshop and we returned to our rooms. On the way back Manuel and I talked a bit and he told me how amazing it was, that we were both lucky to experience our first double blowjob from Gaia, and that he was really excited to swap for the first time. They returned to Olivias room next to mine, and Sofia joined me in my room. We were still a bit worked up from the last massage and we decided to get in the shower together.

We started making out in the shower and she put her hand on my dick and started to rub it. I could feel the water running down her back, I could feel her soft skin and I loved the feeling of her breasts against mine. She went on her knees and took my dick in her mouth, she used her hands and mouth to jerk me off and it felt great. She kept using her mouth and I could tell she was really enjoying it, she looked up at me with her big brown eyes, her tongue was swirling around the head and her mouth was going up and down my shaft I came on her chest

and after she cleaned the cum I went down on her. After we both had our orgasms we dried of and met with Nina and Luca for diner. We told them everything about the diner, and also what we did together. I felt a bit bad for Luca as he and Sofia seemed to be interested in eachother but to my surprise he really enjoyed the stories we told him. “Damn that’s so hot I can’t wait to go too this friday” Oh yeah that was right. Sofia and Luca were going again this friday. But to my surprise I didn’t feel any jealousy too. I was excited for Luca to experience to same thing I did. And to be real honest I really liked Sofia but I was not in love with her. And she already told me that she wasn’t planning on settling down with one partner as she wants to enjoy her sexual freedom.

Luca told us that he also got his first experience at the resort, not in his first ever as he wasn’t a virgin like I was. But he told us that he received a blowjob from married woman, he met at the pool. We were all very happy for him, “sorry guys no interesting story from me” Nina said jokingly. We all laughed and enjoyed our diner, what an experience this had been.

Part 5

When I was in my room that evening I was thinking about the last few days. When you are there it is sometimes a bit difficult to realize what happened in the outside world. It was strange to think that back in Belgium I was still a virgin. But here I am having experienced so many amazing things and it feels so great and so natural. But I know that the sexual experiences were amazing but for me as someone who didn't have a lot of friends back home the friendships I made were so special to me. I already formed a really good friendship group with Luca, Nina and Sophia, even Manuel was becoming a friend of mine. I just felt very lucky that I could be in this position, the thought of this gave me a good night sleep.

The next day was a very busy one, I again helped Julia at reception and in the afternoon I worked a the pool bar. You would think that it would become normal to see topless women and sex around, some of the staff member were desensitized to it, but not me. Every time I saw a couple having sex, or a topless women walking by, it was like seeing something new and amazing. I loved every moment of it. I met Carlos and Daniela again at the pool and they told me that they had there first ever couple swap and I was happy for them. They said that they never felt such an intense connection like they had that day, it was definitely one of the best experiences of their life. I was wondering what it felt like to have a couple swap, to see your partner with someone else. They told me that they had the most amazing time at the resort since opening up their relationship and they were very grateful that I helped them with that.

I was done around 6 and got to my room to relax a bit and change for diner. I went to the restaurant were I saw Julia and Nina sitting and talking. They were not wearing their uniforms so I reckoned they were also done working for the day.

"Hey is it okay if I join you guys?"

"Sure" Nina and Julia both responded. I sat down at the table, and ordered some pizza from the menu. We talked a bit about today and work but the conversation quickly changed to their boyfriends. Julia's boyfriend was going to visit next week and she was clearly very excited, he knew that this is a swinger resort but Julia told us that both of them weren't interesting in participating. I mean even without the swinging and beautiful people this resort is still amazing. Nina told us that she and her boyfriend are thinking about maybe opening up their relationship a bit more.

"No we are not going to have an open relationship, at all. But just thinking to spice it up a bit more since we are not seeing each other for some time" She said.

I felt a bit left out in this conversation but I just listened and nodded my head a few times. When we were done we ran into Luca and Sofia in the lobby they were both wearing there swimwear and they had a towel and sunscreen with them.

"Hey! are you guys want to join us to the beach" Luca asked

"Yes! Sounds fun" I responed

"No sorry I'm going to facetime with my boyfriend" Nina said

“Also a no more me sorry guys” Julia said.

I was a bit disappointed because I liked hanging out with Nina and with Julia as she doesn’t hang out that much. But going with Luca and Sofia is still fun.

“I’m going to change I’ll meet you guys there” I said to Sofia and Luca

“Great see you!” Sofia said as she and Luca walked towards the beach.

“I think they are really into each other” Nina said. And I honestly think so too, even after the things I’ve done with Sofia before, but like I said earlier Luca didn’t seem to mind at all, quite the opposite actually. I hugged Nina and Julia goodbye and went to my room to change.

I walked towards the beach that wasn’t that busy anymore as the sun started to set. I saw Luca and Sofia sitting on a blanket, the lay next to each other and Sofia was topless. Although I’ve seen her completely naked before she is still stunningly beautiful. Her breasts looked amazing, as I approached closer I saw Sofia’s hand rubbing Luca's thighs. I quickly grabbed a towel and laid it down next to them.

I greeted them and said:

"Hey sorry for interrupting” I said but to my surprise they didn’t seem to care.

“Hey bro” Luca said

“Hey!” Sofia said with a smile while still rubbing his thighs.

I looked over at Luca, he had an erection, I felt a bit awkward but I just tried to ignore it. Over in the distance we saw a couple getting out of there clothes, Luca and I recognized them as they were the same couple who were having sex here a few days earlier. The were getting fully nude and I saw the man looking at us but he didn’t seem to care.

“That’s the couple we saw fucking righ?” Luca said

“Yes I think so” I replied

“You guys saw them have sex? Omg that’s so hot I hope they do it again” Sofia said.

Her wish seemed to be granted as they started getting handsy right away. They got in a sixty nine position and I saw her pussy getting devoured.

"Look at that, isn't it sexy" Sofia said. I could tell Sofia was really getting turned on. As she moved her hand up to Luca’s crotch and rubbed his dick through his swimming trunks. He seemed to be very comfortable with her as he was not fazed at all. He let out a small moan as he also to put in hands on Sofia her thighs. They were really enjoying the show, and I felt myself too getting aroused by both the couple and Sofia and Luca. The couple were really going at it, they were in there late 40’s but still looking good, and they really seemed to enjoy being watched.

I looked over next to me and Sofia was now fully stroking Luca's dick through his swim shorts. She pulled it out and started jerking him off.

"Look at them going at it" Sofia said to me.

She looked at me with a big smile.

Look at down at me and also noticed my erection,

"You want me to help you out too?" She asked with a big smile. I looked over at Luca and he didn't seem to care as he was fully concentrated on the couple having sex. He just smiled and gave me a thumbs up. But as I already had fun with her at the workshop, and I didn't want to ruin Luca's intimate moment with her I told her that she should focus on Luca instead. They both seemed to be a bit disappointed but she took her other hand and now used two hands to stroke his dick.

The couple left their 69 position and the woman climbed on top of the man, she was really hot, they both seemed of South-American origin. And the man was on his back. She put her arms on his chest and pushed him down on the ground, she then grabbed his dick and put it inside of her. She saw us watching and Sofia jerking of Luca and she gave us a big smile.

"Fuck that's so hot" Sofia said as she jerked Luca off faster. He was also fingering Sofia,

"Do you guys want to get closer?" Sofia asked us

We both looked at each other and Luca responded: "hell yeah"

They both looked at me now and I was just like "okay why not".

Luca tucked his dick back in his trunks and we took our towels and moved closer almost next to them, the couple seemed to like it as they were making out really passionately, and we got to see them fucking better, the woman was going fast and deep with her hips.

Luc and Sofia went immediately back to mastrubating as we all enjoyed the show. The man looked at Sofia and her amazing chest, he probable really found it hot to see this young couple enjoying themself while he was fucking his wife. He started groaning loudly and came inside her. She hopped of her husband and went to one of the beach bathrooms, while the man enjoyed himself watching Sofia and Luca. When she came back the man asked us: " Can I watch my wife sucking you guys off?"

I looked at Luca who seemed to be excited about it. He immediately said: "Yes that's sounds great".

As he stood up and walked towards her and put his dick in her mouth.

It felt a bit awkward for me as I was only watching, but I was excited about seeing Luca getting a blowjob from the woman. The woman seemed really good at it and Luca looked liked he was in heaven. Sofia sat next to me and smiled at seeing Luca getting head from her, she started rubbing my thighs but this time I allowed her too as I though Luca wouldn't mind while he got his cock sucked.

I felt her hands going into my swim shorts, and grabbing my dick. I just looked at her and smiled. I decided to play with her amazing boobs a bit, and when I looked over the husband was already hard again and playing with himself while staring at his wife and Sofia's wonderful chest. And I couldn't blame him seeing such a hot young girl really turned him probably.

"Do you also want some?" The woman said as she suddenly looked at me. Sofia looked at me and said "Go for it" and smiled. I though yeah why not and I stood up and walked towards her. Luca took his dick out of her mouth and sat down next to Sofia again. As the woman grabbed my dick and guided it towards her mouth. She looked at Luca and Sofia as they were still enjoying the view and looked at me. She started sucking me off, and I felt lucky again to get a blowjob again, but swingers seemed to be really kind, especially to younger people. She mouth felt amazing as she kept looking at me with her big eyes. I could feel her tongue swirling around the head of my dick. I could tell she had a lot of practice. It felt amazing as she put my whole cock in her mouth. When I looked over at Luca, Sofia was not jerking him off anymore but she was now lowering her mouth towards his dick. I saw Luca smiling at her and she started sucking his dick.

While this all happend the man was still playing with himself and enjoying the show. The woman looked at me and put my dick out of her mouth for a second: "Are you enjoying yourself?" She said with a thick Argentinian (as Sofia later told me) accent.

"Yes it feels amazing"

"Are you close to cumming?" She asked with a sexy voice

"Yes very close" is said

"Good where do you want to cum" she replied. Her husband really seemed to enjoy his wife's dirty talking to me. And although I really enjoy cumming inside women's mouth as you'd probably can tell from the earlier stories I wanted to try something I saw in porn but never did myself.

"Can I cum on your face?"

"Ofcourse I like that" she said

She sucked me off faster and faster while I felt myself getting closer and closer.

"Are you ready" she asked

"Yes" I said

"Over all over my face" she replied

I pulled my dick out of her mouth

She looked at me and opened her mouth, and I stroked my dick really fast. I couldn't help but to moan loudly as I came. I shot my first load onto her face, and she opened her mouth and closed her eyes as I hit her tongue, then I shot another big load. It was super hot for me,

seeing a married woman open her mouth and let me shoot my load all over her face. Her husband also enjoyed the show as I saw he was also jerking off to it. As the last bit of cum escaped my dick she grabbed it and put it in her mouth to clean it all up.

“Thank you” she said as she held one eye closed. The husband really enjoyed this as he came too while he looked at me.

Sofia and Luca also enjoyed the show and not long after Luca came inside Sofia’s mouth.

It was a very special experience for me and I had a great time with the people here on this swinger resort, the couple next to us left shortly after we were done and I returned to my friends. We all jumped in the sea for a bit to clean up and went back to the resort.

“Jesus guys that was so fucking hot” Sofia said to us we all agreed and as we talked about it on our walk back to the resort.

Sofia and Luca didn’t seemed to be done yet and they went back together into Sofia’s room.

I wasn't jealous of them, not even a little. I enjoyed the connection between them, I hope they are having a lot of fun, I know I am.

I got back to my room and took a shower for to clean up from the beach when I was done I was preparing to go to bed when I suddenly heard a knock on the door.

“Hey Timo are you there” I recognized the voice it was Nina

I opened the door and she walked inside

"Hey how was the beach?” She asked me. I told her everything that happened and see seemed to really enjoy the story.

“Omg that sounds so hot, you are really enjoying yourself here don’t you” She said with a big smile.

We talked for a bit, as she told me about her factime call with her boyfriend. She told me that her boyfriend is going to go on exchange to the US so they won’t be seeing eachother for a long time.

“So we decided on some new rules to spice it up a bit while we are long distance. We are both not allowed to go with someone else but we decided that, as I am working here that I can watch but not participate. I really enjoy watching people have sex so I loved that I’m now able to”

She said.

We continued talking a bit about her sex life and that she was really missing her boyfriend right now. I felt really sorry for her.

She had to go as it was getting late so we hugged goodnight and she left.

I also went to bed and went for a goodnight of sleep.

The next day I woke up early as I had to work the whole day again. In the morning I worked together with Nina around the pool again, I also worked behind the bar for the first time as Chris was coming in later today. Nathalie showed me around and learned me how everything worked. She is really kind and also really cute she is a bit older, she is married and planning to have kids soon. I get why the guests at the bar like her so much, she is easy to talk to and of course very beautiful it's hard not to dream away in her eyes as she talks to you. When Chris arrived he took over and I had some lunch in the restaurant.

Isabela saw me and decided to join me at the table! "Hey Timo, haven't spoken to you for a bit" are you enjoying working here?

"Yes very much so thanks for giving me this opportunity" I said back.

"All the staff here really seems to like you, and I don't have to tell you that the guests do too" she said hinting at the fun I already had with some of the guests. "I think I already mentioned it before but every friday we have a big party here at the resort, so tonight is going to be very busy. And with party I can guess you know what I mean" she said

"Like an orgy" I asked

"Yes exactly, this is going to be the first one of the season so it's going to be packed, I know that you are tonight but I would really appreciate if you can help out. I promise you, you will like it" she said with a sexy smile.

"Of course I'd love too! I'll be there" I said back

"Amazing, and btw can you help me clean up around the beach and the spa in the afternoon? I have to do some office work so I'll join you later if you can start after lunch?" she asked me

"Sure!" I said. We talked a bit more as she told me her husband, the owner of the resort will be coming next week. After lunch I walked towards the beach and started cleaning some trash, I did that for around a hour and moved to the spa area, when I walked past the room were I had the tantraworkshop I saw people inside and I decided to have a look.

They were already nude in a circle doing breathing exercises, but when I looked in I saw Luca and Sofia inside, that's right they were going together today. I watched as they went through the same things we did, massaging each other rubbing each other ect. And when Gaia asked for a volunteer again Luca and Sofia hands shot into the air, of course Luca also wanted to experience the double blowjob me and Manuel got.

Just like the our workshop Gaia started of with a nice handjob to Luca and continued with a blowjob. But I was surprised to see Jacob also coming over, it seemed that they also volunteered for him. He lay down as I saw Sofia massaging his penis. And not long later she put it in her mouth, while Gaia was sucking of Luca. As Jacob was in his 50's and Sofia was around my age it was a bit weird to see. But Jacob really seemed to enjoy the young hot girl going down on him. I remember Sofia telling me that she really likes older couples, so it wouldn't surprise me if she was enjoying it as much as he did. Gaia and Sofia were really

going at it and I started to fee really excited. And I could feel my erection grow, I was enjoying show when I suddenly heard:

“Ah so there you are I was looking around the beach for you” I heard behind me it was Isabela.

I was shocked and embarrassed and Immediately try to hide the tent that was growing in my pants.

“What are you doing he.. Owww you are spying on the workshop are you” She said.

“No no I was just looking if everything was clean here” I stumbled out of my mouth. Isabel could tell that I was lying and started smiling, “No don’t worry I won’t tell anyone, do you like watching?” She said. I didn’t know what to say, I’ve never thought of myself as a voyeur but after all what happened the last week I seemed to enjoy watching. “Yes, I think so” I answer. “Don’t worry you are on a swinger resort, people know you are watching, most guests probably like that, hell even I like watching from time to time. But it’s more that you have work to do and you can’t be standing here spying on your friends when we have cleaning to do.” She answered, I couldn’t tell if she was mad, disappointed, or just toying with me but I said. “I’m sorry I’ll get back to work” in the corner of my eye I saw Jacob cumming into Sofia her mouth, and that didn’t help my erection.

Isabela looked down and noticed it, “Timo Timo Timo, you perv, you can’t be walking around like this while working. You know what I’ll will clean up the rest and you get someone or yourself to take care of that. You know what let me call Daniela” She walked away and started calling, I didn’t know what to do so I just stood there awkwardly. She came back and said “Villa 14 be there in 10 minutes, Timo, don’t do this again during working hours alright”

I just nodded my head and said sorry.

“Have fun, and don’t take too long, after you finish come back her and help me clean okay? We need to be done before the orgy tonight” I thanked her and went of to villa 14.

I honestly couldn’t tell if this was some kind of prank or she was just really the best wingwoman in the world be I soon found out.

I knocked on the door and Daniela opened it, she was wearing a beautiful red lingerie set and like always looked amazingly hot. “Hey Timo” she said with her sexy Spanish accent but before I could say anything back. She dragged me inside the room and started making out with me, I was a bit taken aback as this was not what I had expected. She grabbed my polo and threw it over my head. In the chaos I could she Carlos sitting in his underwear on the couch with a glass of wine, “Hey man” he said with a wink. Daniela was all over me as I felt her hot model body pressing against mine she wasn’t waiting around and instantly dropped to her knees as she took of my pants and underwear and grabbed my dick. I was getting excited and started to feel a lot of adrenaline as I was doing this with Daniela, her Spanish accent and perfect body made it feel even more exciting. She took me in her mouth again what felt amazing as always.

She kept working me over for a while. While I looked around and saw Carlos just enjoying the sight with a glass of wine, I laughed a bit. She stood up and lay on the bed. “Go down on me” she told me, she was really in the mood it seems and her enthusiasm turned me on as I dove in with my mouth to her pussy. Only went down on Sofia two times, I didn’t have a lot of experience and I just winged it and tried my best, but she was really enjoying it as I swirled my tongue around her clit, and put some fingers inside her pussy. “Fuck me please” she said as it seemed that there was no time for foreplay. Carlos threw me a condom and I tried to put in around my dick. As I’ve never done that before myself I stuggled. Carlos laughed and Daniela sat up and helped me roll the condom on my penis.

She lay down back again and I lined up my cock in front of her wet pussy. And for the second time in my life I was going to have sex. Last time she was on top and I only lasted about a minute so I was glad that I can now be on top and I hope I last a bit longer this time. I put my dick in her pussy and I started slowly moving in and out, Carlos sat back down on the couch and watched me fuck his wife. I started going faster as I looked at her incredible body beneath me. I put my hands around hee breast and then her waist. As she really seemed to like the feeling she told me: "Faster and deeper please" So I went harder and faster and went as deep as I could.

It felt amazing as she was enjoying herself so much, I put my hands on her tits again and she smiled at me.

Carlos interrupted: “Timo buddy tell me are you more of a ass man or a boob type of guy”. I found it a bit weird that he asked me while I was pounding his wife in front of him but I just responded: “Ass” to be honest I really like both, but I lean slightly more to ass. “Amazing” he said, “then you should really try her on all fours, her ass and body look amazing from behind” he said. I looked at him and gave him a thumbs up. Daniela heard the conversation so decided to turn around and get on all fours and. Wow let me tell you Carlos wasn’t lying she looked amazing from behind. Her big round ass and small waist stood out towards me as I couldn’t wait to fuck her this way.

I spanked her ass a few times and then aligned my cock in front of her pussy. I was a bit surprised to take controll like this, but I just really horny, and how couldn't you be with this beautiful wife bending over infront of you. I put my dick back in her wet pussy and grabbed her hips and started thrusting. I felt myself getting closer and closer as I could see Carlos enjoying the show from the couch. I grabbed her ass cheeks with both hands and spanked them a few times. She was moaning really load, "play with her clit while your fucking her, she really likes that" Carlos said. I had a bit of difficulty finding it in this position but she helped me and guided my hands towards it. It did what Carlos told and she was moaning really loudly. Her ass looked so amazing bouncing up and down against my waist. It jiggled like jelly and it felt more than amazing.

She let out a really loud moan as she came all over my dick. She looked back at me and said:

"Thank you that felt amazing, are you close?"

I nodded as I slowed down fucking her, I was so horny that I just let it out: "can I cum in your mouth?" I asked her.

I could see she was taken back a bit by this question, but it soon turned into a smile. She took my dick out her pussy and turned around and dropped straight to her knees. She pulled of the condom and started jerking me off fast. She looked up at me with those sexy brown eyes and said:

"Of course baby you can cum in my mouth" I had never heard her speak like that and it was really turning me on. I took over and started jerking myself into her mouth, it was so sexy seeing her with her big brown eyes on her knees with her tongue sticking out waiting for my cum. She knew exactly she was doing as I blasted cum inside her mouth. She closed her eyes and just waited for it, I loved the feeling of shooting my cum inside of her mouth. She swallowed as she looked at me. "Fuck man that was so hot" Carlos said from the couch.

She sat down next to him and said "Do you want to go next?"

I saw Carlos smile and say: "Hell yes"

She walked over to him and dropped to her knees, wow she is still super horny, I thought. It felt bit awkward but I promised Isabela not to stay to long, so I very awkwardly said: "Uhm thank you guys but I really have to go" Carlos just winked at me and said: "No problem, I really enjoyed it, and I bet you did too" I nodded and smiled. I cleaned myself up a bit in the toilet, and waved goodbye and went back to the beach. Isabela was waiting for me, she saw me and said: "You look like you had a fun time" I blushed and she could see it, "Now back to work".

Part 6

I continued cleaning the beach and spa area with Isabela, I still had a bit of adrenaline flowing through me from the amazing time I had with Daniela and Carlos. And it was hard not to think about Daniela's amazing ass. As the orgy tonight was going to take place in the same room as were the workshops were held we waited for the last workshop to prepare the room for the big event. As me and Isabela walked in the room Gaia and Jacob were getting there last things before they were leaving.

"Hey you came in my mouth a couple of days ago right?" Gaia said with a devious smile. Isabela looked and me and rolled her eyes a bit jokingly "Of course you did".

"Im only kidding, I didn't knew you worked here, your girlfriend was here again btw, but with a different boy, you must a have a interesting relationship" Gaia said.

I felt a bit awkward and answered "She is not my girlfriend we are friends"

"Ah okay thank explains a.., no not really but I'm not here to judge any kind of relationship, she was amazing today again, and Jacob really enjoyed it with her. It doesn't happen that much that people volunteer for him especially not such a young beautiful girl, you are lucky" she said. Isabela just looked at me and said "I'm not even going to question what you guys are all up to hahaha". Gaia told us that this was there last day at the resort and that they'll be traveling to there next destination to give workshops.

"We are having a big lifestyleparty tonight, you are welcome to join" Isabela said to them.

"Sounds fun, we'll look into it"

Gaia responded, she and Jacob grabbed there last things and they left.

A professional cleaning team went through the whole place and cleaned everything for the party tonight. "I think you are not going to believe your eyes tonight" Isabela said to me.

"This place is going to turn into one big fuck fest, there is going to be sex everywhere you look so I'll hope you are prepared for it" Isabela continued. I blushed again and told her I would be fine. "If you liked watching the workshop, you are going to have the time of your life, all these hot couples making love, I really enjoy watching it" she said.

Because I still had a bit of adrenaline running I just asked the question: "have you ever joined in?" She laughed a bit answered with a smile:

"No, no I haven't you know I'm married and my husband is not really into orgies, and it's a bit weird for me to sleep around with the guests. I am going to be honest with you I was tempted a couple of times. It's hard when you work here and see all these beautiful people have sex not to join in, but I have never no."

She responded. I think it is really cool of her to be so honest with me, and that she doesn't try to cover anything up. She is really an amazing person and I enjoy working for her. "And unfortunately for you it's going to be very busy so there won't be time for you to join in" she continued. I couldn't tell if she was joking but I said:

"Oh well"

We cleaned up around the place and finished at around 6 o'clock, we walked back past the spa were I haven't been much yet, it's very nice there is a nice pool, sauna and massaging area. "You really have to go for a massage sometime, Ava and Martin are amazing at there jobs. Just as she spoke about them we ran into Martin, Martin is a really big muscular Scandinavian guy, Nina told me that he and Ava almost live in the gym.

"Hey boss!" Martin said to Isabela

"I was just talking about how good you guys are at your job to Timo" Isabela said.

"Feel free to come by sometime, we normally only do couple massages so if you can bring someone with you that would be great" Martin said.

"Sounds great!" I said

He said goodbye and we continued to the main building.

I met up with Nina, Luca, Julia and Sofia for diner in the restaurant as we all started to talk about the orgy tonight. As this was the first time for me and Luca working here we never been there.

"You guys are going to love it, but since we are working you probably can't participate. There was a guy that used to work here that still always participated while working but it cost him this job" Sofia told us.

I looked over at Luca and he gave me a big smile. He was super excited about the party tonight.

"Have you been before?" Luca asked Nina and Julia

"Only once, I had to fill in that day for someone who was sick so I worked at the orgy, but it wasn't for me. I didn't really like it so I don't work friday nights anymore" Julia said.

"You prude" Sofia said jokingly.

"Yes a couple of times, but never participated, I'm also working tonight so yeah" Nina said.

"Why didn't you ask me?" Sofia said with a teasing voice to Luca, "Because I already know the answer" he replied and we all laughed.

Sofia told stories about the orgy parties she had been to in this resort, she really is a wild girl but I really respect her for living her life like that. She told us how she hooked up one time with a famous Spanish celebrity couple after an orgy and Luca really seemed to enjoy her stories. We finished eating and went back to our room to prepare for the big night. The men were all supposed to were black suits and the women black dresses as this was the first orgy of the summer. All the staff were given white suits and white dresses so we stood out from the guests. We were there to provide snacks, drinks and make people comfortable. I put on my suit, but left the jacket of as we were allowed not to wear it because of the heat of that day.

We were given bowties but that too wasn't a must for tonight, so I decided not to wear it. Luca, Nina, Sofia and I decided to meet up in Sofia her room, before shift started. I met up with Nina who looked amazing in her white dress. Her slender body really fitted the dress.

"Omg look at you, you look great in the suit it really fits you" she said to me

I felt flattered and told her she looked amazing as well and she said:

"Let's go to Sofia's room" we knocked on the door and entered. Sofia was still doing her make up and Luca was still getting dressed.

"Sorry guys we were a bit busy" Luca said, we looked at Sofia's bed that was messy and with the smell we could guess what they were doing before we came. Nina and I looked at each other and laughed a bit.

Luca decided to put on the whole suit as in his words "He is Italian and Italian were suits all the time no matter the temperature". But I had to say the suit fitted perfectly on him. Just like Nina Sofia looked amazing in her white dress, she is more curvy than Nina so she filled up the dress nicely. We all looked great and we were ready for the big night. We headed to to beach area were the party was going to take place, the kitchen staff was preparing food and Nathalie and Chris were busy making the drinks for the guests. Isabela was also wearing the white dress, Luca and I looked at each other and when we saw our boss in that dress and we didn't even had to say a word. She looked insane. She saw us approaching and started to smile. "Omg omg you guys look amazing"

she said while hugging us all, and feeling her body press against mine in that dress felt amazing. We were given instructions by her that when the guests arrived we had to hand out the glasses of champagne.

About half an hour later the first guests started to arrive everyone was wearing there suits and dresses and when everyone arrived and stood outside it felt like some scene out of a James Bond movie. We handed out the glasses of champagne to the guests as I recognized most of them from waiting at the pool. Daniela and Carlos were there and they gave me a hug and three kisses on my cheeks. They told me that this was their first orgy ever and that they were really excited. Isabela took over from me and started to talk to her friends in Spanish. In the crowd I also recognized Gaia and Jacob, it was a bit weird to see them in a suit and dress and they didn't really seem comfortabel in it as the are bit more hippie like. A dj was playing some music and everyone seemed to have an amazing time. I told Nina that it looked like a normal party but see assured me that, it will change a lot tonight. Luca asked if Manuel and Olivia were working tonight, but Isabela said they weren't.

The sun went down and it started to cool off a bit and I was very happy about that as the suit was not really nice in this weather especially when you are running around to serve food and drinks and stuff. Luca is his full suit didn't seem to be affected but he told me he is used to this kind of weather.

Around 11 the crowd started to move inside, we now helped in the wardrobe as everyone was getting undressed. The women took off their dresses and revealed their lingerie that was hiding underneath it. I've seen most of them in their bikini's around the pool but it still excited me very much to see them all in lingerie. The men took off their suits and walked

around in there underwear. It was about to go down. The dj also moved inside and started to play some more sexy music. Luca and I were a bit disappointed as we were stuck in the wardrobe and we couldn't really see anything. After some time we started to hear moans coming from inside the room and people were clearly having sex. Luca tried to see if he could see anything but to no avail. Isabela came to us, and saw what we were doing.

"I'll take over the wardrobe, you guys go in and serve the guests some drink and have fun" she winked at us and relieved us from the wardrobe. When we stept into the orgy room our jaws dropped to the floor. Everywhere we looked people were having sex, in every position and every combination possible. Women were having a man in the mouth and in their pussies. Guys were having blowjobs from 3 women at the same time. People were switching swapping it looked unreal.

"Holy shit" Luca said. Nina came to us and said "Don't stare to much we've got work to do" I just smiled and said sorry, while I looked around in wonderment, it was amazing. The room was filled with sex noises and moans. We handed out drinks to some of the couples who were kissing each other or having sex on the couch. We refilled the lube, the condoms. It was so erotic watching all these beautiful couples going at it. It was hard to focus on our work while this was going on. Sofia told us that most of the time we should stay in the corner of the room to make sure that everyone has what they need. The couples seem to really like it as they kept on having sex everywhere. Nina and Sofia didn't seemed to be bothered at all probably because they've done this some times before. But Luca and I were completely overwhelmed by the sight.

I looked over and saw Daniela riding a dark handsome man while Carlos was fucking his beautiful dark skinned wife from behind. It was a sight to behold, Daniela called me over for a drink.

"Do you want to join in" she asked me. I unfortunately had to reject her offer as Isabela told me not to while I was working tonight. I looked over a bit further and saw Jacob with an Asian woman while Gaia was taking two men one asian and one blonde at the same time. There were people from all ages and ethnicities fucking and it was so great to see. Older people fucking younger people, people fucking each others partners.

"Shit bro it's so hard not to join in" Luca told me, Sofia interrupted "I know right" as she was standing next to us.

A man came up to us and asked for some more condoms, we gave him a bowl and he went back to his wife.

We just stood there for a moment to enjoy but Nina told us to get back to work.

People were starting to finish up and there was a lot of cum going everywhere, Nina even accidentally got some on her dress. Some people were already leaving as the crowd started to get smaller.

"Look over there" Sofia whispered to us, "that's Jacob and Gaia with the couple Timo hooked up with"

I looked over and saw the beautiful Daniela riding the older Jacob while Gaia was riding Carlos, they all seemed to be really enjoying themselves.

"Holy shit that's hot, did you know I sucked his dick?" Sofia asked me. I saw her doing it but I didn't want to tell them I was spying on them at the workshop earlier so I just acted a bit surprised. "What a lucky guy, first you get a blowjob from the most beautiful girl here and now a model is on top of him, I hope to be like him when I'm his age" Luca said, "most beautiful girl?" Sofia said as she turned a bit red from the compliment. They both finished inside there own partners as more people began to finish and leave.

the place was now empty and it smelled so much like sweat and sex. Isabela came in and asked Luca and I how our first orgy was.

We both looked at her and I said:

"Just Wow"

"Ha-ha, that's what I thought too, she replied. We waited for the last guests to leave and Isabela told us we were done for the night.

The four of us walked back to the main building. "Fuck I'm so turned on right now" Luca said, and honestly I was too, watching all those couples going at it really excited me.

"Do you guys want to hang out at my place for a while?" Sofia asked.

We all agreed and headed to her room. "I have to get out of this suit" Luca said as he just casually started to strip down. He sat there in his underwear as we evaluated the night. We all could tell that Luca was still very excited as he was sporting a massive tent in his underwear. I even saw Nina peaking a few times.

As we were talking about the evening Sofia and Luca started to get a bit handsy once again, she rubbed his legs and we saw her hands a couple of times near his boner.

"You guys wouldn't mind if I take of this dress right it's a bit tight?" Sofia said to us, and of course Luca and I said no and Nina nodded her head. She stood up and slowly pulled her dress off, revealing her lingerie underneath.

It was amazing as she was now in her black bra and panties. Now there were two people in their underwear. I could see Sofia had wet spot downstairs as she was clearly very horny while still touching Luca's legs. Just like on the beach Sofia just put her hand inside his underwear as we just sat there. I looked over at Nina who normally is not really comfortable with this but now she didn't seem to care, I had the feeling she actually was enjoying it a bit.

Sofia and Luca seemed to forget that we were there as they got more heavy handed. Sofia looked at me with that devious smile of hers as she pulled down Luca pants and started to jerk off.

"Ow wow" Nina responded as she looked at his impressive boner. This was the first time she saw it and she didn't seemed to bothered by it.

“Sorry guys we are just really worked up, if you feel unfortunately you can leave” Sofia said

I looked over to Nina who responded with: “I made some new rules with my boyfriend, I can watch but not participate” she said.

I remembered but I also was surprised by her, I really thought she was going to leave.

“Ow in that case” Sofia said as she dropped down on her knees in front of Luca and took his dick in her mouth. I saw Nina look over at me and smile. I felt a bit embarrassed for some reason and started to blush. I know she told me that she liked to watch but I’ve never actually see her do it. I saw her eyes bright up and her cheeks turned a bit red as we were watching Sofia giving Luca an amazing blowjob. Luca really seemed to like us watching as he threw his head back in the chair he was sitting in and moaned in pleasure. It looked so sexy seeing Sofia on her knees in front of him and his dick disappearing inside her mouth. He threw his head back again as Sofia grabbed his dick and started jerking him off while she sucked him off. They moved to her bed as he lay down and she was between his knees.

Meanwhile me and Nina were looking from the side, this plus the orgy from earlier really got me going so I was really turned on. I have felt her mouth on me before so I know how good Luca was feeling right now. Luca and Sofia switched positions and he was now between her legs. I could tell he was a lot more experience than me as his tongue work seemed amazing. Nina looked over at me and smiled. We both couldn't look away from them as they were really getting into it. Luca was going faster and faster as Sofia was moaning really loud. I could tell Nina was turned on by this. Luca grabbed a condom, from a box that was already half empty I assumed that they been doing this for a while now. He put the condom and as he started to penetrate her she screamed in pleasure. It was really hot to watch to see them two fuck. As I started to play a bit with myself. Luca fucked for a while and than put her on all fours. She has a really big nice ass so this was super hot to see, when suddenly Luca looked at me and Nina: “Wanna join in?” He asked, I saw Nina blush a bit as she rejected the offer “No sorry, I’ll just watch” she said. I on the other hand was intrigued by his question, “Come Timo just go for it” Nina encouraged me. So I stood up and walked towards Sofia who was getting fucked from behind. She told me to undress and lay in front of her.

I took off my suit and got into position, this was the first time showing my cock to Nina, when I was nude I could see her looking st my cock as I laid down. She looked at me and winked, I felt so flattered that she was here watching me. I could see Luca fucking Sofia from behind as Sofia took my dick in her mouth. I started to enjoy myself, Luca was fucking her like crazy and she was giving me an amazing blowjob. It was a weird experience fucking with friends like this, but I really enjoyed it. When I looked over at Nina I was surprised to see that she was playing with herself a bit through the dress she was wearing. She caught me staring turned red and stopped.

Luca was really going at it, what a sight it was Sofia was sucking while Luca was pounding her amazing ass from behind. I couldn’t help myself to peak at Nina who was playing with herself again.

“Want to swap?” Luca said to me

“Are you sure?” I said

"Sure, it will be fun" he said. Sofia looked at me and smiled: “I promise you it will be fun” she said.

I stood up and switched position with Luca he handed me over a condom and I put it on, this time without help. I was thinking to myself, this was the third time I was going to have sex, and I’ve never done it without other people in the room, maybe there is something wrong with me. But I put the thoughts away as I looked beneath me were Sofia’s great ass was pointing at me. I lined up but before I could enter Sofia said: “Wait a sec” she stood up and walked towards one of the bags on the floor she grabbed something and gave it to Nina, “Don’t worry I cleaned it after I used it” she said. She gave Nina her vibrator and she returned on all fours. She took Luca’s dick in her mouth and waited for me to enter. I was a bit shocked by the whole situation, but I really wanted to fuck her.

I aligned my dick with her pussy and started to push. She was very tight as she felt her warm pussy around my dick. I started to thrust inside her slowly and she moaned loudly. I was enjoying it a lot but she told me to go faster. I started to fuck her harder, while she was still going at it with Luca. I grab her ass a bit tighter and I fucked her harder and harder. I felt so good inside her and she also seemed to enjoy it. She was screaming in pleasure, her moans and the slapping noises that Luca and I were making, filled the room. I didn’t expect Nina to make use of the vibrator but she was holding it against her underwear underneath her dress. This was so hot to see, she was really enjoying herself watching us fuck. Sofia seemed to be really enjoying it as well as she was getting closer and closer.

I grabbed her hair and pushed her on Luca’s dick a bit as I fucked her and it just turned me on even more. After some time she turned around and said “let me ride you”. I lay down on the bed as she sat on me reversed this gave me a great view of her amazing back. Luca stood up in front of her and put his dick back inside her mouth. I looked at Nina who was now letting out small moans, as I heard the vibration coming from the toy. We made eye contact for a brief second as we were both having a great time.

Sofia started to moan loudy as she came all over my dick. She slowed down a bit but after some coming down she went back to riding me again. Watching her ass bounce up and down on me felt amazing. She was fucking me so good. I put my hands on her ass again and started fucking her faster and faster. I was getting really close and I came inside my condom. I told her that I came and she got of me. I walked to the bathroom to throw away the condom, and when I went back Luca was fucking her face. Nina wasn’t playing with herself anymore.

And it looked like she already came, fuck did I mis her orgasm. I heard some chocking sounds coming out of Sofia and Luca let out a big moan, he threw his head back and said:

"Shit"

Sofia opened her mouth and took a big gulp. He sat down on the bed.

Sofia stood up and looked at me with a smile. "Wasn't that great? she asked me"

I was still processing what had just happened. “I’m so glad you enjoyed yourself too Nina, I always wanted to do this with you” Sofia said to her. Nina seemed a bit embarrassed by the whole night but she smiled and said: "Thanks for this, I didn't know I would like it so much".

"I'll text you later tonight” she said to Sofia.

This was an amazing experience and we all gave each other big hugs. Luca stayed at Sofia’s room and I walked back to mine with Nina.

“Wow that was something” I said to her as we walked back to our room.

"Yeah that was crazy, I have to say I really enjoyed myself, I hope you did too" Nina responded with a big smile.

"I did I really did" I told her.

I can’t wait to tell my boyfriend about this I hope he’s still up. We hugged goodbye and I went back to my room. I slept like an angel and the next morning a took a nice long shower. I was free for the day and decided to head into town for a bit. I here for about a week but I haven’t left the resort at all. I asked the group if anyone wanted to join, but they all had to, either work or do something else just I decided to go alone.

I explored the town for a bit, it’s a typical Spanish town with lots of people. It felt really nice to just walk around the streets. I decided to go to a market, Ibiza is such a nice Island. I sat down next to a palm three on a bench when I received a message from Nina.

“Hey Timo! Are you still in town? Olivia asked to join her and Manuel to the spa but I don’t want to third wheel, Sofia is working are you down to join?”

I had to admit that I was enjoying a bit of a time off alone and even after the workshop I still didn’t like Olivia that much, but I wanted to help out Nina so I responded:

“Yes sounds fun, I’ll be back at the resort in about an hour”.

“Amazing we meet up in the lobby!”

Part 7

I sat in the shuttle back to the resort, I looked out of the window and it was beautiful, I've been to Mallorca before but not Ibiza, and I now get the hype around it. I looked out over the sea and saw some big yachts, and expensive boats. I always wondered what I would be like to be have or be on a boat like that. I was really enjoying my time here and I never wanted it to end.

I arrived at the resort and got out of the van, I went to my room to change in my swimwear and then walked up to the lobby. Nina was talking to Julia at reception, she was bend over the desk in her blue bikini. As she was bending over I saw some guys behind me staring at her, but she didn't seem to notice it. I really couldn't blame her as she looked great in her bikini she has such a fit body, she told me that she played tennis a lot and used go on runs all the time and you could tell. I walked up to the desk and heard them talking:

"Yes he's coming tomorrow I'm so excited!"

"Stop it, I'm so jealous of you, I haven't seen my boyfriend in a month, and I haven't had sex in a month either"

They saw me approaching and stopped the conversation, I said hey to both of them and they responded.

"Hi, are you ready? Nina asked me.

"Yes" I answered,

"Shame that you have to work to have to join us sometime!" Nina said

"I'm free this weekend so maybe me and my boyfriend can hang out with you guys!" Julia responded

"Omg girl stop talking about your boyfriend" Nina said jokingly

We said our goodbyes and me and Nina waited in the lobby for Manuel and Olivia.

"Olivia didn't seem to happy that I brought you with us, did something happen that I didn't know?" Nina asked me on a more serious note.

"Nothing that I know of, she just doesn't really seem to like me, and I don't get allong with her, I really like Manuel though he is such a nice dude".

"Really that is still going? I thought you guys massaged eachother naked at the workshop, how does that still not work out?" She said with a smile.

I turned red a bit and forgot that she knew that,

"I did indeed rub her back but and she was nice to me at the workshop, but still I think it will never work out. I just think she is a bit to arrogant"

We continued our conversation but we were interrupted as Manuel and Olivia showed up.

"Did I hear my name?" Olivia said

"Yes I was talking about what a good friend you are" Nina quickly said.

Olivia smiled and hugged Nina. Olivia was wearing a white bikini and I still couldn't get over the fact how good she looks. Manuel is also a good looking guy and already caught Nina staring at his abs a couple of times, I wish my body looked anything like him. Manuel was wearing red swimming trunks. He saw Nina and gave her a hug, he came to me and we gave eachother a "Hey dude how is it going type highfive". Olivia said high to me but no hug or even a handshake, that was not really a surprise. I walked next to Manuel behind Olivia and Nina towards the spa, we both looked at there hips and asses when they were walking ahead of us, Manuel knocked on my shoulder and gave me a wink, "Nice view right?" he said. I smiled back at him and nodded my head. I've never been to the spa before but it was really nice, the outside area had a two pools one warm and one cold, and on the inside there was another pool. I was told that this was the first year the spa was open, they had only the massage rooms before but last year they build a whole new spa area. There was also a sauna and a massage room were Ava and Martin gave massages, I was told they were really nice, so maybe I had to try one today. We went to the lockers and put our slippers and stuff inside, and we headed towards to outside area, it was pretty quiet at the spa. Most people were probably at the beach, at the pool or at the market in town.

We sat outside the outside area on some chairs, the sun was shining and it was nice to just relax, "Do you guys want to check out the sauna?" Manuel asked us. "Sure sounds great" Nina responded. Olivia and I also agreed, we headed towards the sauna and there was a big sign on the entrance, it said 'No clothes allowed'. I have to say that this is really common in Europe and almost all saunas were nude and mixed, so that this was the case on a swinger resort shouldn't surprise anyone. We all looked eachother, "I mean the three of us already saw eachother naked" Manuel said and now we all looked and Nina. Nina got red a bit and said "Sure why not".

Olivia looked at her and asked? "Is your boyfriend okay with this?" Nina told her about the new rules they made, "Looking and be looked at is allowed just no participation", It sounded very familiar with a Dutch saying we always used to joke about in Belgium, "Kijken kijken niet kopen" or "Look look don't buy" "Sounds good to me" Olivia said. We returned to our lockers, and we took of our clothes. I honestly was excited to see Olivia nude again, and this was the first time seeing Nina nude so I was super excited. I heard Manuel doing the same thing as we all were changing and I could see him peeking at us as we changed. I looked over at Nina who was completly nude and looked amazing. I already saw her breasts before but never the whole thing. She was tall and her boobs very perky, I was drooling at the sight of them, she was slender, very fit all over and had a great ass legs and hips. I looked over at Olivia and she looked as amazing as I could remember, with her hoursglass body, big boobs and a very round ass. They both put there stuff in the lockers and walked into the sauna, we followed suit. The sauna was nice and warm and smelled nice. The girls sat down on some benches and we took one across from them.

I know it's a bit inappropriate to stare at people in a sauna, or even worse get a boner. And normally saunas don't have any sexual tension, but here on this swinger resort with my beautiful friends (and Olivia) it was different. And as they sat opposite of me and Manuel it

was hard not to look, I could see Manuel peeking at Nina's body a few times as I assumed he also never saw her naked. The heat was making me sweat a lot, and I could hear Olivia and Nina talking about some people in the resort. I caught them looking at omy boner a couple of times but. After a while I actually felt relaxed and felt my erection going away. We were talking about a lot of things like movies and music. Olivia started to talk about her time on exchange in Paris. She was a bit of a posh girl so maybe that was why she didn't really like me.

"I'm getting a bit hot guys wanna hit the cold pool outside?" Nina asked us. "Yes sounds great" I responded as I was starting to sweat a lot. We walked outside and Nina jumped right in the cold pool.

"What the fuck" she screamed. We all laughed a bit at her and we all joined her in the cold pool. We swam around for some time to cool while we were swimming we saw a older Asian couple sitting on recliners on the side of the pool. They were both fully naked, the man looked around early 50's and the woman mid to late 40's. And althought there age they did look good, the asian woman was small and but had a nice curvy body while the man was a bit bigger but more on the skinny side. I saw him looking at Olivia and Nina while his wife was looking at me and Manuel a couple of times. When we got out of the pool the four of us went in one the hothub next to the spa pool. We sat down and relaxed for a while, it was nice seeing Olivia and Nina boobs sticking out above the water.

I saw Olivia knock on Nina her shoulder and the both looked at the Asian man. Me and and Manuel also looked over and we saw thay he was sporing a full boner and that his wife was jerking him off.

“It’s your fault for being so hot, you probably turned him on to much” Manuel jokingly said to Nina and Olivia. Olivia gave him a bit of a cold stare but Nina let out a small giggle.

After a while they stood up and came towards us,

“Can me and my wife join you guys” he asked, with an accent.

“Sure come in” Manuel responded, Nina and Olivia were a bit more reluctant both they both agreed as did I. They sat between us and the girls and introduced themselves Chan and Hua, they were from Hong Kong and this was the first time visiting the resort, Chan told us that he had a business he met the owner of the resort through the business and that’s how they ended up here.

They seemed pretty nice and we had some conversations, I could tell he was having a hard time not looking at the girls’ chests. His wife didn't seemed bothered by it and was looking around the spa, taking in everything. She looked very good for her age, she had a very nice body and nice big boobs. She seemed to be really interested in Manuel. During our conversation I saw her hand underwater playing with her husband. We all saw it but nobody said anything, Chan looked at Manuel and said: “Can I ask you a strange question?” he continued.

Manuel responded: "Sure I guess"

"We are new to this but my wife has never been with another person before, would it be okay if she gave you a blowjob. She told me that she really likes you and it's one of my fantasies to see my wife doing that" We were all taken back by this question, especially Manuel.

"Uhhhh.." he said as he looked over to his girlfriend for confirmation, Olivia blushed a bit and said:

"It's okay with me" and she nodded. I was a bit surprised I knew Gaia had given him a blowjob at the workshop but I thought that they had a pretty closed relationship, but maybe they were willing to open it up a bit. Manuel let out a big smile and said "okay sure I would be honored" to Chan and Hua.

Hua looked at her husband one more time for confirmation, she gave him a kiss and moved over between Manuel's legs as he sat up on the side of the hottub. He took out his dick and she gave it a few strokes before she started to give him head. Hua looked back at her husband he just gave her a thumbs up. She seemed to be enjoying herself a lot with the young Spanish man, as soon as she saw the thumbs up she took his impressive boner inside her mouth and started to suck it. "Ow wow" her husband said. I looked at the girls and they were intrigued with the blowjob, Olivia seemed to enjoy seeing her boyfriend with the married woman, and Nina just seemed to enjoy the show. But the person who way enjoying himself the most was probably Chan.

Hua was giving a really sloppy blowjob as Manuel grabbed her head a bit tighter and pushed her into his dick. The sounds of his dick hitting the side of her face while she was sucking it sounded very erotic to watch. His moans and grunting sounds were also pretty exciting to hear.

"Is she good?" Olivia asked her boyfriend with a devious smile.

Manuel just responded: "Fuck she is great" as he kept on moaning.

She took his dick out of her mouth and started to jerk it, spit was dripping out of her mouth, but that was what made this so much hotter.

Chan sat up the side of the hot tub too and asked if he could mastrubate while watching his wife give Manuel a blowjob, we all said it was okay. He was very turned on and his dick was standing straight up. It wasn't the biggest just below average. He started to stroke himself slowly while watching his wife sucking off Manuel. Hua seemed to be getting really into the blowjob as she was moaning loudly.

"Can I maybe touch your girlfriend a bit" Chan suddenly said, Manuel looked over at Olivia, who was pretty aroused and although a bit reluctant nodded as she enjoyed the show. "Yes sure" Manuel said, Chan looked at Olivia and said: "can I touch you" she smiled at him and said: "Yes" he brought his left hand to her chest as he played with his dick in his right hand. I was honestly totally baffled by this as would never expect Olivia of all people to let her be touched by an older stranger man.

Nina as seemed surprised but she was to focused on the blowjob in front of her to care to much. It officially wasn't allowed to do any sexual acts in the hottubs as it was not really hygienic, but we were all to aroused to care. Chan was playing a bit with Olivia's left boob a

bit as she was really turned on by all of this. I even felt a bit of jealousy as she didn't allowed me to touch her more than here back at the workshop. I felt a bit left out but that soon changed when Hua ask if she could touch me too. I nodded as I felt her hands playing with my balls. I saw Olivia her hand rubbing Chan's inner thigh as the touch of this young beautiful woman was a bit to much for him and he seemed very close to cumming. Hua noticed and let go of my balls and Manuels cock to hop over as she went to her husband and put his cock in her mouth so not to spill in the hot tub water. He came instantly but one shot missed her mouth and landed on Olivia's left boob she seemed a bit disgusted at first but she than just wiped it off and acted like nothing happened.

Hua went back over to Manuel and finished him of too as he came in her mouth. She swallowed and let out a big smile.

It was an amazing show. It was one of the best blowjobs I have ever seen, even if it was kind of a strange situation. Hua and Chan said goodbye and thanks Manuel and Olivia for the experience and left the spa. Olivia went over to Manuel and they started to make out. "Fuck me that was so hot" she said to him.

"sorry we are going to have to go back to our room and clean up" Olivia said, and they too left. Nina and I knew exactly what they were going to do, and it was a bit more than cleaning up. That left me alone with Nina fully nude.

"Well that was something" she said as we both burst out laughing.

"Did you not feel left out a bit" she asked me.

"Yes a bit but it's nice to watch and Hua played with my balls a bit" I said

Nina smiled: "Ow really? I didn't see that so your probably still hard and feel a bit blue balled" she said. And honestly I did I was sporting a boner and I was still aroused.

"Sorry I can't help you with that, maybe Daniela or Sofia is available" she said teasingly.

We were interrupted by Martin who recognized us in the hot tub.

"Hey guys! We saw you sitting here and we still have a spot left for a couples massages you guys want one?" He asked us.

Nina and I looked at each other.

"Yeah sure" we both said in unison.

Great you can come in 5 minutes and you can keep your clothes off. He said as he went back to the massage rooms. I honestly almost forgot that Nina and I were both still naked you really get used to it. Martin didn't even to seemed faced by Nina her nude body, he probably sees nude couples all the time on his massagetable and is desensitized to it all.

We got out of the hubtub and walked towards the massage table, and I came out I was still sporting a raging boner and Nina burst out laughing.

“Maybe you should take care of that before we start the massage” I turned red but ignored her as we went to the massageroom together. Ava and Martin told us that they were going to be back in a minute and we can lay down on our stomachs in the meantime. We walked inside the room and it was really zen. There were two massage tables next to eachother and the room had a big mirror on the ceiling, and I saw my reflection standing next to Nina her nude body. The walls were all made wood and there was some bamboo all around. and there were some candles around.

We both lay down on our front and it felt a bit awkward to lay on the massage table with my boner but I tucked it between my stomach and the table and lay down. Not soon after Ava and Martin came in and Nina and I both felt their hands on our backs.

They started to massage our backs and the feeling of their hands was amazing.

Ava and Martin had very good technique as they moved around on our bodies and worked out the stress and tension. Ava was massaging me and Martin Nina, as I was laying face down on the table I couldn’t see what was happening but Ava’s hands felt amazing. I knew what she looked like. She was insanely fit and looked like a Scandinavian goddess. Her amazing massage honestly didn’t really help getting my boner down as I was getting more excited.

As they were massaging us Nina told them about what happened in the hot tub and how I was blue balled. They both found the story very amusing as I felt a bit embarrassed. After a while they asked us to turn around and face the ceiling as I could not hide my hard on anymore.

“Ow hello hahahaha” Ava began to laugh, it seemed you were blue balled really hard. She said as she continued to laugh. I turned red as a tomato and I turned over to look at Nina. Who was also laughing,

“Honey relieve him a bit of his stress” Martin said to Ava. Ava looked at Martin with an are you serious face, but agreed. “We normally rarely do this with couples but since this is your first massage and I feel a bit bad for you will hell you out.”

“Don’t worry I know you have a boyfriend, you just get the regular massage” Martin said to Nina.

“Just relax and close your eyes a bit” Ava said to me. She put a lot of oil on her hands and started to rub my legs. I felt a bit embarrassed but I enjoyed the massage, as she rubbed her way up my legs she also gave me a few nice touches.

"Mmm" I let out an involuntary moan and Ava said:

"Someone is enjoying this massage" she grabbed my balls a bit and massaged them. I tried not to show to much pleasure as this was still a massage but it felt so nice.

Nina was just watching Ava work her magic on me and Martin was continuing with her legs. Ava hands felt amazing. She grabbed my dick and started to slowly stroke it, I couldn't believe it. I looked at Nina who had a big smile on her face as she saw what was happening. She mouthed the words "lucky dude”

I didn't say anything back but just kept on enjoying the massage. She stroked my dick up and down has her oiled hands felt so good. She also played with my balls and it felt amazing. She was a bit rough on the stroking but I didn't mind, I knew she was just trying to make me cum.

She got a bit faster as she was jerking me off and I could feel myself getting closer to cum she grabbed a towel put it over my dick and I came in it. I let out a moan and I saw Ava her looking at me and smiling as I came. She kept stroking it all the way out. I felt so amazing, “Better” She said with a smile.

I tried to get a word in but nothing would come out, I was still speechless by what she did.

“I guess that’s a yes” she said as she cleaned up the rest of my cum with the towel and threw the towel away.

“Now get back on your stomach and we’ll finish the massage” she said.

We both turned around and laid down again as Martin finished up Nina’s massage. I felt great coming down from that intense orgasm while getting my back rubbed.

They both finished up and I felt as relaxed as ever. We thanked them for the amazing massage and they told us to come back soon, but that I shouldn’t expect this special treatment the next time. Nina and I went back to the lockers and put on our swimwear again, I took one last look at Nina amazing nude body as she put her bikini back on. We went back to the main building as we left the spa, we talked about the spa on the way back but Nina told me she had to call home so we seprated and I went back to my room. I had a quick shower to wash of the massage oil, and took a small nap. I woke up and looked outside my room, and I saw a very familiar couple.

Part 8

I saw Nathalie laying at the pool next to a dark tall muscular man who I suggested was her husband. This was the first time I saw Nathalie in her bikini, her boobs were great, very big and round and her ass, she had an insanely big ass that I've never really noticed. I stared at her body for a while while looking outside my window, when I suddenly heard a knock on my door.

I didn't lock my door, and the door swung open and Sofia entered.

"Hey Timo!!" She said enthusiastically, I was a bit in shock "Sofia! You can't come into my room like this".

She laughed "why not?".

I didn't respond because I just realized that I was only wearing boxers.

"Timo" she said as she looked at me.

"What are you looking at" she said as she saw me stare outside the window. She took a look herself and saw Nathalie outside.

She looked back at me and smiled.

"You perv are you spying on Nathalie"

I turned red as a tomato and said: "What no, I just happened to see her"

Sofia let out a laugh, "Sure" she said.

"She is so fucking hot and her husband is two, I would love to join them but unfortunately they don't swing" Sofia said with a devious smile.

"So what have you been up to today" she asked me. I told her I went to the spa with Olivia Nina and Manuel.

"Did anything hot happen?" She asked

"Wait before you tell me, can I suck your dick while you tell me?"

"Uhhmmm" I didn't know what to say as I didn't expect that question.

"Is Luca like okay with that?" I asked,

"Ofcourse, he even told me to go to you as he was busy working". She replied.

"Ow if he is okay with it sure" I said, wow Luca is a real good friend.

"Yeeey" she said as she dropped to her knees and undid my boxers. She grabbed my dick and gave it a few strokes.

She opened her mouth and stuck it inside, she took it all the way to the base and let it slide out of her mouth. I just stood there looking at her, as she sucked my dick. She gave me one of her amazing sloppy blowjobs and it amazing as always, I love how she really enjoys it as she looks up to me with her big eyes.

“So what happened at the spa” she asked me while still giving me a blowjob. I told her about the Asian man and his wife.

“Omg I don’t believe that, Olivia? That is not the Olivia I know.” She was really surprised about the fact that Olivia let the older Asian man touch her and she even touched him back a bit.

“I can’t believe it, it seems they been experimenting with their relationship” she said with my dick in her hands and went back to sucking it.

“It sounds so hot tho, same you were left out, I would have sucked the guys dick if I were Olivia” she said

“You know I like older guys right, and I’ve never been with an Asian man before”.

“Yes you mentioned it a few times I said”

I continued to tell what happened as she sucked me off harder and harder her tongue was moving around my dick and she looked at me while doing it.

She used a lot of spit and it felt amazing.

I told her about the massage and what happened there,

“From Ava, wow that is so hot, you lucky dude!” she said

She gave my dick one last hard suck and I came inside her mouth.

She swallowed it all and took my dick out of her mouth.

She stood up and said:

"Thank you that was so hot”

She got on her tip toes and gave me a kiss on the forehead.

“Luca is staying at my place tonight again, so if you and Nina maybe want to join again” she said.

"Sorry, I have to do somethings” I said, I really wanted to join but I couldn’t.

She smiled at me and said "Okay, maybe some other time".

I put my boxers back on a as she said: “Isabela told us about a great beach were we can maybe go tomorrow, you are free tomorrow too right?”

I knodded.

“Great I’ll ask Nina and Luca too, Olivia and Manuel are working, maybe I can ask Julia too as her boyfriend is arriving tomorrow”

She walked out of the room, and closed the door.

I had some food delivered to my room, and spend the evening calling home.

The next day I woke up at 8:30 as we planned to go to the beach around 10. Sofia told me Nina and Luca are joining in too, Julia wanted to spend some time with her boyfriend alone, but if we were still there in the evening she was willing to join.

I grabbed my stuff and my swimwear. We met up for breakfast as Isabela offered to bring us to the beach, she told that it was a 20 min drive from the resort and that is was a desolate beach were not a lot of people come. So after breakfast we got in her car and she dropped us off at the beach.

"Have fun!" she said before driving away.

We saw Isabela wave from the car as it drove away.

The beach was really nice, there was no people at all and the sand was white. There were some palm trees and we could see the sea in the distance.

Sofia had a towel and umbrella she brought with her, we all laid down our towels.

“You guys wouldn’t mind if we go topless right?” Sofia asked.

Luca and I looked at each other and shook our heads.

“No that’s what we thought” as they both of the girls took of their bikini top. I’ve seen both girls boobs before but it’s always nice to see them in the sunlight. Sofia’s were bigger than Nina’s but they were both perfect in their own way.

We lay there for a while and after some time we swum in the sea, Nina made us lunch that we ate on the beach.

“So we have some new for you guys, but Luca and I are girlfriend and boyfriend”

Nina and I looked at each other but I couldn’t say I wasn’t surprised, as they really seemed to love each other, the only thing I was surprised about was that Sofia told me she was ready to tie herself down to one guy. But they explained to us that it was more of a open type relationship and they could still play with other people.

We congratulated them both as we opened a bottle of Italian white wine Luca brought.

It was a really nice day we had a lot of fun talking, swimming, sunbathing.

In the afternoon we all lay on our towels, I looked over at Luca and Sofia, and Luca and Sofia being Luca and Sofia there hands were all over each other again. Nina noticed too, “you guys can’t stay of each other for two seconds” she said jokingly.

Luca just said:

"I know I have no self-control" and winked at her.

“Your just jealous because you haven’t had sex for over a month” Sofia said.

Luca and Sofia both burst out laughing.

Nina let out a laugh too.

"Yes I can't believe it either" Nina responded.

Sofia climbed up on top of Luca,

“You guys don’t mind do you?” she said.

Nina just smiled and shook her head, Luca looked over at smiled.

Sofia just sat on top of him with her bikini bottoms still on. They started to make out as Nina and I just sat there watching them.

Sofia pulled down Luca's bottoms and started to stroke his dick. Luca put his hands on her ass and gave it a little spanking, which made Sofia moan in the kiss.

Sofia broke the kiss and sat back up again. She was sitting on top of Luca her dick, and she started to stroke it.

This was the second time Nina and I watched them do this, and Nina seemed to really enjoy watching her friends have sex. I could see it in her face that she was turned on, and I was too. Luca threw Sofia on her back and went down on her. Nina started to play with herself again through her bikini bottoms. Sofia was moaning loudly as she came from Luca’s tongue. They switched up and now Sofia was going down on Luca.

Nina put a finger on her clit and pushed it against her clit. She moaned louder than before as Sofia gave Luca a great blowjob. Nina really seemed to be focused on the scene in front of her and it was super hot to see her enjoying herself while she was still topless.

I for once decided to play with myself to as I pulled my cock out of my swimming shorts, as Luca entered Sofia with his dick.

Nina looked over at me playing with myself and I saw her cheeks turn, she then suddenly pulled of her bottoms and was now like all of us completely nude. She took 2 fingers and put them in her mouth and then brought them down to her pussy. She was moaning louder and louder, and it seemed like she was getting even more aroused as she watched Luca and Sofia having sex.

I stroked my dick harder and harder as we both played with ourselves while watching our friends fuck.

I personally was more focused on Nina playing fingering herself as I've never seen her do that before. We both made eye contact a couple of times as she looked at me while she played with herself.

Sofia let out a loud scream as she came all over Luca her dick,

"Fuck I'm cumming!" she screamed. They changed position and Sofia climbed on top of Luca. Nina also had an orgasm as she moaned out and came from herself. Unlike last time I didn't miss it, it was so hot seeing her cum like that.

Sofia saw us playing with ourselves,

"holy shit omg, that is so hot" she said as she looked at us.

Nina blushed a bit and looked down.

Luca looked at us and smiled.

Sofia gave Nina a thumbs up and smiled as she saw that she just like her just had an orgasm.

When I looked around the beach I noticed that we weren't the only ones enjoying the show. I saw an old man watching us, he was in his 60's and slightly overweight. Since this beach wasn't part of the resort I didn't recognize him. We all saw him and Nina seemed a bit disgusted but Sofia and Luca didn't seem to mind at all. To my surprise Luca even waved at him to come closer. As Nina didn't feel that comfortable she put her top back on as the man came closer.

He sat down on the sand next to us and looked at Sofia.

"Hi I'm sorry if I was staring, I've never seen people having sex on a public beach, I thought that was illegal". He said with a thick Spanish accent. He couldn't keep his eyes of the beautiful young Sofia riding Luca fully nude.

"No problem for us, you can stay if you want" Luca said.

I knew Luca was into this but didn't know it went this far. He told us that his name was Pablo and that he lived close to this beach for almost 40 years. When heard loud noises he decided to have a look at what was happening, and then he spotted us. He apologized that he spied on us for a while but he couldn't really help himself. He told that he is alone in his house and just watching two young beautiful people doing it on a public beach, was really hot to him.

Sofia smiled at him what made him blush while still riding Luca.

"If you want to watch us you can watch us, you can even play with yourself if you want. I really would like that" Sofia told him with a sexy voice. This was to good of a deal to reject as the man as he lowered his pants and got his dick out. It was on the smaller side around 10cm (4inches) but he was well-groomed, it wasn't big or hairy.

“Enjoy the show” Luca said with a smile, I knew Luca liked being watched but I didn’t expect this from him. Nina still seemed a bit disgusted as the old man started to stroke his dick.

Sofia rode Luca with passion as she made eye contact with Pablo quite a bit , Luca pulled her head to his and whispered something in her ear. Sofia let out a devious smile and looked at Pablo, who seemed to have a bit of trouble to get it hard.

“Do you want me to help you with that” she asked.

“Really?” He said very surprised

“Sure come closer” Sofia said

“Is that okay with your boyfriend” he asked.

“Yes it is, enjoy yourself” Luca said to the man while thrusting inside his girlfriend.

The man stood next to Sofia as she grabbed his cock and started to play with it. She then to my and Nina’s surprise took his still soft dick in her mouth. The old man was very surprised and looked down at her with wide eyes.

"Holy god” he said and let out a groan as he felt Sofia’s young wet lips around his dick.

She was stroking his dick hard while sucking it and I could see he was getting harder and harder.

Luca smiled as he saw his girlfriend giving the older man a blowjob.

He pushed her down a bit on Luca her dick as she sucked his dick faster, while still riding Luca.

“You can touch my girlfriend if you want” Luca said to Pablo, he looked at Sofia who nodded.

He reached around and grabbed her boobs and massaged them a bit. Sofia moaned a bit while still sucking off the old man. Luca really seemed to enjoy sharing Sofia as he did with me and Jacob before. He was letting out some groans as he looked over at the old man who was having time of his life with his girlfriend. “It has been so long that I had a blowjob, my wife died 8 years ago.

The old man said as Sofia sucked his dick. Sofia put in his dick out of her mouth for a second. “Sorry to hear that but I’m glad to help out” she smiled at him and put it back in her mouth. She was looking at him with her big beautiful brown eyes. She really seemed to enjoy it, she didn’t lie was she said she liked older man. And Luca was enjoying it to as he felt himself coming close.

He pulled out his girlfriend as he was fucking her without a condom and as he didn’t want to accidentally cum on the old man he just came on the sand. “Damn that is so hot” he said. Sofia was now on her knees sucking the man. When she suddenly looked over at me, “Timo do you have a condom with you by any chance?” She asked me. I always carry one in my

wallet since being on the resort. I handed it over to Luca who gave it to Sofia. She looked at Pablo and asked “Do you want to fuck me” with a very sexy voice.

“Only if you want to, and if your boyfriend allows me to” he said.

“I really want to” she said and Luca gave him the thumbs up.

Sofia unwrapped the condom and put it on his penis. She pushed him down on her towel and climbed on top of him. She sat on his dick for a while and moaned loudly as she felt his dick inside her. The man let out a loud “Oh god” as he felt her tight pussy around his cock. She really seemed to enjoy herself and Luca didn't seemed bothered by sharing her with the old man, to opposite, he was having the time of his life watching his girlfriend started to ride the old man.

Sofia started to thrust her hips back and forth faster and faster, she looked at Luca who smiled at her.

I was weirdly hot seeing the young Sofia riding the older man with her amazing body. I looked over at Nina and I couldn’t tell if she was just curious, excited or absolutely disgusted by the whole ordeal. But like me she couldn’t keep her eyes of it. Sofia really gave him a good ride as he was groaning louder and loader. He grabbed her tight waist as she was riding him, and it seemed he was about to cum as he let out a loud groan.

"I'm going to cum" he said with a heavy breathing. As soon as he said that Sofia climbed of the man and got on her knees between his legs. She ripped of the condom and took him in her mouth.

“Oh god, oh god” the man said as he felt her blow him one last time before he came in her mouth.

Sofia swallowed everything as the old man was letting out loud groans.

“My god, that was amazing. It has been so long since I had sex, and I never thought I would have it with such a young hot lady, thank you for giving this old man the time of his life” he said as she gave him a hug.

“And thank you for allowing me to to this” he said to Luca. Luca smiled at him and ask how Sofia was.

“She’s amazing, your lucky to has her as your girlfriend” he replied.

He said his farewells as he went home. Sofia noticed me still having my boner out, as I didn’t cum from mastrubating. She crawled to me and took it in her mouth, and it didn’t take long for me at all to also cum in her mouth after seeing the whole scene.

Luca have his girlfriend a big hug and told her how hot that was. Sofia asked Nina what she thought. “It was different but as long as you enjoyed it I’m happy” she said. Sofia told she always wanted to fuck an old man and that this was definitely the oldest she had. Luca told that she told him and that he really wanted to watch it happen and today was the perfect opportunity.

We talked about it for a while as we became hungry and decided we wanted to return to the resort. Nina called Isabela, and in the car ride back we told her what happened.

“You dirty girl” she said to Sofia. “I bet he had to time of his life with such a beautiful young hot girl” she said with a smile. “And Luca you enjoyed watching that?” You guys are weird she said jokingly as we returned to the resort.

When we came back we saw Julia talking to a boy who I assumed was her boyfriend.

“Hey guys! Sorry we couldn’t join at the beach” She said but I guess it was better that she wasn’t there as she probably would get a heart attack if she saw what happened.

She introduced her boyfriend to Luca and I as Nina and Sofia already met him. His name was Mattheo and he was a tall but Spanish boy with brown hair and brown eyes. He was studying in San Sebastian but told us he isn’t Basque. He seemed a bit shy, but nice. “We are heading into town for some food soon, wanna join” Julia asked the four of us.

“Yes! Sounds great” we answered okay let’s meet here at the lobby around 6 okay? We all agreed as we headed back to our rooms to get changed and clean up a bit.

Part 9

I took a short shower to clean myself of the sand from the beach. Since we were going for diner in town I decided to wear a nice blouse and some linnen shorts, I put on some cologne and headed down to the lobby were Julia and Mattheo were waiting. I greeted them as they told me Manuel and Olivia were also joining. Not long after everyone was in the lobby, the girls all were nice dresses and looked absolutely stunning. The boys were all wearing dress shirts or blouses except for Luca who was wearing a whole ass suit. Luca and Sofia came walking in hand in hand what was kinda wholesome.

"Omg omg you guys look amazing, I have such beautiful staff members" Isabela said as she saw us standing in the lobby. She fixed a taxi for us to get into town and said "Have fun kids, and be safe" while we headed to the taxi. The taxi dropped us of at a nice Japanese restaurant Julia booked for us and we walk in and sat at the table. I sat in between Olivia and Mattheo. We all had some amazing sushi and I got to know Mattheo a bit better, I spend the almost the whole diner talking to Julia and Mattheo. It's really nice to hang out with Julia as she doesn't do it often but when she comes it's always fun. She is just super nice and cute and very kind. I have a real soft spot for her and I hopes she hangs out with us more often. I talked to Mattheo a bit who seemed shy at first but when he opens up to you he is a really funny guy. He studies history and politics in San Sebastian and he is a real good storyteller. I had a lot of fun talking to both of them combined with the amazing sushi we were served I had an absolute blast. Olivia who was sitting next to me on the other side almost didn't speak a word to me, the only think that came out of her mouth was if I could hand over the water. But she talked a lot to Luca who she did seem to like, they haven't spoken much on the resort but since they're both Italian they had a lot of things common. After we were finished dining Mattheo offered to pay the bill, be we all agreed that we should just split it so we did.

We were all having a good time and we all had some energy left to have more fun so we decided to head into a bar. And from then on I can't remember much of that evening I knew I had an amazing time, but some tequilla shots later and I was drunk. We danced and went into a club were we stayed until Luca ran into an argument with some big Spanish guy in the club so everyone thought it was best to leave. When we left we were all still a bit drunk and when we walked passed a beach we didn't even had to say anything we just looked at each other and walk on the sand. We all stripped of our clothes and ran into the water. As it was dark and I was drunk I didn't see a lot, I just vaguely remembered seeing Julia topless but covering her boobs up with her arms, but it's a very blurry image, what was a bit of a shame as I hadn't see Julia naked before. We splashed a bit around in the water and we were having the time of our lives. When we got out the water we all put our clothes back on, and because none of us brought a towel we all just got our clothes wet but it was pretty hot that night we it didn't really matter and honestly we couldn't be bothered. We all started to hug each other and telling how much fun we have had in the first week and days. It was so nice to have such a nice group of friends around here to spend my free time with. I was living my best life, and that night (although I don't remember a lot) was one of the best and most fun nights I have ever had.

Even Olivia was nice to me that night, when we got into the taxi we were all talking about how much fun that was and that we should do it more often, Julia told us that she has to hang out with us more as she had so much fun. It was nice to hear and I agreed wholeheartedly with her. But I was very tired and fell asleep in the taxi. When I woke up again Nina was dragging

me to my room and wished me a good night after putting me to bed. It was really nice of her to do that.

The next day I woke up with a bit of a headache, Isabela heard that we stayed late so, the amazing boss she is, she let us start a bit later. At breakfast we were all very hungover and we barely spoke to each other. Luckily for us there was some festivities in town so a lot of guests were not at the resort. Isabela didn't want us to work like this serving guests do we got some cleaning duties around the resort. Olivia and I were instructed to clean the beach and spa a bit. Although she was nice to me for a bit last night it was back to normal again, and she mostly ignored me. I still don't know why but we just couldn't seem to get along, but I just accepted it as you can't be friends with everyone.

After we were done cleaning I had some lunch and Isabela told me to help Sofia clean up around the pool.

We talked a bit while we worked, she told me when we came back yesterday night Luca threw up a couple of times, but she had a lot of fun. When we were cleaning we saw a couple that was probably new to the resort sitting at the pool. They were pretty young what was kind of unique as most couples around were at least in there late twenties around here. But they were probably in the earlier twenties. The woman reminded me a bit of Dua Lipa and the man looked like an athlete because of his build. She had a wedding ring around her finger so they were probably married.

"Wow they are super hot" Sofia told me as she looked at the couple sitting at the pool, they both had their eyes closed enjoying the sunlight on their skin.

The woman opened her eyes and looked over at us as she heard Sofia talking. Sofia, the extrovert she is just decided to walk up to her and started talking. When Sofia came back to me she told me that they were from Croatia, they arrived here yesterday. He name was Mila and she was 23 years old and his name was Ivan and he was 24. They recently got married and this was there first time ever visiting a swingers resort.

Sofia and I had a two hour break and we decided to go for lunch. When we sat at a table in the restaurant the Croatian couple saw us sitting there and walked towards us.

"Hey! Mind if we join" the woman said

"No, sure!" Sofia told them.

They introduced themselves to me and we talked for a bit, they were really nice and Ivan was quite into Sofia as he couldn't stop flirting with her. Mila was wearing a white blouse over her bikini top that was shining through the blouse. I could see her amazing chest, they were both really fit and had amazing bodies, Ivan told us he was an athlete and Mila was too, and you could tell by how great they both looked.

"We are staying at one of the villas outside and we have a hot tub, want to hang out there?" Ivan asked the both of us. Sofia and I looked at each other, "sure we still have about an hour left of our break lets do it" Sofia said. We walked back to the villas as Ivan said he would prepare the hot tub. The villa looked almost exactly the same as the ones I've been before,

with a nice living room and private backyard and hot tub. Mila offered us some wine but we had to refuse as we still had to work after this.

I realized that both Sofia and I didn't bring any swimwear as we were still in our work outfits.

"The hot tub is ready!" Ivan said to us from the backyard.

"Great!" Sofia responded as she just started to strip completely nude right there in the middle of the villa living room. I just thought to my self fuck it why not, I followed and did the same. As we both walked outside to the hot tub I could tell that they were both a bit surprised to see us naked. As Sofia got into the hub tub I could see them both drooling over her nude hot body. Especially Ivan who just couldn't keep his eyes of her. They both kept on their swim wear as they both entered the hot tub, but swimwear or not, they both looked insanely hot. Mila had a really fit body, with a insane butt and medium sized breast. Her tummy was very toned and she had amazing hips and legs. She had a piercing in navel and a small one in her nose. She had a small tattoo on ankle. Ivan was very lean and muscular he had a sixpack and a muscular chest. His arms were covered in tattoos and he had some on his legs as well.

We sat down in the hot tub and talked for a while, after some time I even forgot that I was completely naked in the water. After some time Ivan and Mila got up from the hub tub and went to the kitchen to grab a glass of wine.

"I'm so turned on right now, they are so hot, have you seen there bodies it's insane" Sofia said to me.

"Sit on the side lets give them a show when they return." Sofia said to me. I just did was she told me to do and sat on the side of the hot tub.

She sat between my legs snd before I could ask what the plan was she was sucking me off.

She went deepthroating me as I saw Ivan and Mila walking back with the wine.

They looked at us and saw Sofia sucking my dick in the water.

Sofia made eye contact with Mila as she was bobbing up and down on my cock. "Omg" she just sat, "wow" Ivan let out. I saw Mila whisper something in Ivan's ear as they both put there wine away they just got and entered the hot tub. To my surprise Ivan sat on the side next to me as Mila sat next to Sofia in the water. Mila torn down Ivan's shorts as she too started to go down on him. Ivan was packing some serious heat, a lot bigger than mine was, and probably the biggest I had seen on this resort. I was impressed by how Mila could deepthroat him in the water like that. He was really into it as he was grabbing Mila hair and holding it while she gave him a great blowjob.

Sofia was doing amazing things to me as well, but I could tell that she was really focused on Ivan's dick. I also couldn't help but look at Mila her mouth work seemed amazing, I noticed she also had a piercing in her tongue and wondered what it would feel like. Sofia looked over at her,

"Wanna swap?" She asked her, everyone was surprised by this blunt request as Mila looked over at her husband and back at Sofia.

”We’ve never done that before but we would like to try”, they swapped positions with each other, the beautiful athlete was now between my legs and Sofia’s between Ivan’s. I could see her eyes widen up as she looked at his massive boner. Mila looked up at me big her dark beautiful eyes as she grabbed my cock for the first time. She then looked over at her husband for one more time as he nodded. I felt her lips wrap around my dick and it felt amazing. I could tell she was nervous as Ivan told us this was the first time ever experiencing an other partner as they’ve been together since their first year at highschool.

I could feel the piercing rubbing against the tip of my dick as she swirled her tongue around. It felt a bit strange at first but she was really good with it and I really enjoyed it. As I was a quite a bit smaller than Ivan she had no problem fitting the whole thing in her mouth.

Sofia was having the time of her life sucking on Ivan’s big meat. She tried to deepthroat it a couple of times but to no avail. The way Mila looked up at me with her nervous eyes and moved her pierced tong around my cock was amazing. This was also the first time I really noticed the wedding ring on her hand, and although this was not the first time with a married woman seeing the ring on her finger was a bit weird to see as she was sucking my cock. But it was a real turn on for me having someone’s wife sucking on my penis. After some time she grabbed Sofia head and they started to make out.

“Holy shit” Ivan let out as he watched his wife go at it with the beautiful Sofia. It was great to see them touch each other while they were making out. Mila grabbed Sofia head and put it back on her husbands dick. She later joined in to give Ivan his first ever double blowjob. They were kissing and licking his cock and making out at the same time. It was super hot to see, and Ivan was living his best life.

The two girls were doing an amazing job as Ivan came in both their mouths. After Ivan came they crawled over to me, they made out with his cum in there mouth and went down on my penis. Having those 2 girls going down on you is one of the best experiences I’ve had.

They kept going back and forth sucking me off while they were making out with each other. They both looked up at me with insane lust in their eyes as I too came in both of their mouths. They started making out again after I finished and they where really turned on. After some time we dried of and left the hot tub. As the girls hadn’t had a orgasm yet they were almost grinding each other.

“Do you guys want to stay for round 2?” Ivan asked me and Sofia. I looked over at the clock and we really had to go back to work. And me and Sofia reluctantly had to deny his offer. I was very disappointed as I really wanted to go the extra step with the beautiful Mila. But we really had to leave. So we hugged them goodbye and after cleaning ourselves up a bit we went back to the pool to work.

On our way back we saw Julia and her boyfriend Mattheo walking hand in hand towards the beach. She saw us and waved and smiled to us. Julia’s smile is so cute as my heart melted for a bit when I her that beautiful smile of hers. We returned to the pool and went back to work. We hope’d to maybe see Mila and Ivan at the pool but they were probably busy with each other back in the villa.

It was very quiet at the pool and we didn’t have that much to do.

“Fuck that was so hot, and I’m still so horny” Sofia said to me. I looked over at her as she bit her lips.

“Me too but we have to finish work first” I said.

“That’s easy for you to say, at least you already got your orgasm, Mila and I didn’t have a chance to cum”

Sofia was really horny as she started to grind her ass against me.

“Come on I really need someone inside me, we can be quick so Isabela wouldn’t even notice” Sofia said as I felt her big ass grinding on my crotch. It was really hard to say no to this beautiful girl especially when she looked with lust at me with her big brown eyes.

“okay okay, lets be quick” I said. She pushed me over into one of the beds that stood on the side of the pools.

“Not here, can’t we go back to our room” I said.

“No I need you now” she replied as she almost ripped of my shorts. She sucked me until I was hard and laid down with her legs up.

“What are you waiting for” she said with her devious smile.

I lined up my cock in front of her pussy, “no wait, Luca allows me to fuck you but you need to do it safe, only he can go in raw” she said. I was a bit disappointed as I really wanted to know how it felt like without but Luca is to good of a friend, and consent is key so of course I accepted her request and grabbed a condom from my shorts. Since working here I always carry them with me as on a swinger resort you never know when you need them.

I put the condom on and put my dick inside of her, she was super wet as I put her legs on my shoulders and started to thrust.

Sofia was moaning loudly as I fucked next in the pool. She was very tight and it was so hot to see her tits bouncing up and down. I grabbed her boobs and played with them a couple of times which made her let out some even louder moans. I looked around to make sure nobody saw us but luckily for me there was no one around. Not that I mind people watching more that I was nervous as we were doing it during our work hours.

But her pussy was to good to focus on that. After some time she flipped over and got on all fours. It doesn’t matter how many times I see it but every time she get’s into the doggystyle position I get super turned on. Seeing her amazing big ass bounce against my waist as I fuck her is so hot to see. Her pussy felt tight and amazing, and when I started to play with her clit a bit she came all over my cock. I slowed down a bit but when see came down for her orgasm she told me to speed up again. I felt amazing and I felt so grateful for Luca to allow me to do this with his girlfriend.

I was really enjoying myself and I was almost hypnotized by the bouncing and jiggling of her ass. I was super focused as I suddenly felt a hand on my shoulders.

Part 10

I was a bit shocked as I sprang out of my focus, I looked who it was and I felt my heart skip a beat when I saw it was Isabela.

“So here you guys are, I couldn’t find you” I stopped thrusting into Sofia but Isabela pushed my ass forwards and put me back in, “No no, don’t stop now you always finish what you started with”. Sofia turned around and saw Isabela too. “Ow shit, I’m so sorry” we both apologized to Isabela.

“We talk after” she just said as I continued to fuck Sofia. Isabela was rubbing my shoulders a bit as I slammed into Sofia’s ass, it felt a bit awkward to have my boss here while I was having sex but her hands felt really good and I couldn’t believe what was happening. “Although you guys shouldn’t do this right now and here, It’s really hot to watch” Isabela said. I was really close to cumming as Sofia turned around and got on my knees for me as she knew that I like to finish in the mouth.

That is when one of the most surprising things happened. Isabela ripped of my condom and started to jerk me of inside Sofia’s mouth. I looked at her surprise but Isabela just smiled at me and told me to focus on Sofia. Having my cock jerked of by my insanely hot ex model boss was one of the best feelings I had ever felt. The sensation of having my cock inside Sofia's mouth and getting jerked off by Isabela was amazing. Sofia was looking at me while sucking me off and I could see her loving this as she let out some sexy moans while Isabela kept stroking me. I came all over Sofia mouth and even some semen landed on Isabela’s finger, she put the finger in Sofia her mouth and told her to lick it off.

“Guys I know that you are all young and hot and have a lot of hormones flowing through you but you really can’t do this anymore.” She said

“You guys are getting paid for these hours, so you really just have to wait until your break or till your done working.” She looked at us a bit serious. Sofia and I both apologized as we promised her this would never happen again.

“You have to work an hour extra today and tomorrow” she told us. She gave us both a slap on the ass, “clean yourselves up, put your clothes back on and back to work” she said. We could tell she was a bit disappointed in us, “btw, thank you guys for the show it was really hot to watch” she said as she walked away.

Sofia and I looked at each other stunned as we couldn’t believe what happened.

“Did Isabela just jerk you off into my mouth” Sofia said with a shocked look on her face.

We got back to work as Isabela told us to stay out of trouble. We felt awkward in ourselves, but the rest of our work day was quite quiet. I was thinking about Isabela the whole time, I couldn’t believe my boss, the beautiful Isabela jerked me off. And I knew it was only for like 5 seconds but it felt amazing.

After we were done and did the extra hour we met up with Luca and Nina for diner.

“You did what???? You got a blowjob from that athlete AND Isabela jerked you off” Luca said. I could tell that he was really jealous, not for the fact I experienced it with his girlfriend or that I even fucked his girlfriend but more for the fact that I experienced it from Mila and Isabela. “Dude you are so damn lucky, that Croatian athlete is so fucking hot I wish I got a blowjob from her” He said.

“Relax baby, they are here for 2 weeks so enough time for you to enjoy her as well” Sofia said as she grabbed Luca’s had as he gave her a smile.

“I really can’t believe Isabela did that to you” Nina said.

“You guys really got of lucky, but she seemed to really like us” Nina continued. Sometime later Julia and Mattheo joined us at the diner table. They told us how much fun they had with us yesterday and told us that they were really having fun.

“It’s a bit weird seeing people have sex around you and all the beautiful topless women” Mattheo said as he was talking about the resort. “Mattheo!” Julia said to him as she gave him a soft elbow.

“Yeah did you hear Timo got a handjob from Isabela” Luca said to him.

“Really? She is super hot man, she reminds me of a prime Monica Bollucci” Mattheo responded. Julia seemed really uncomfortable with us talking about sex and stuff as she quickly changed subject.

“Are any of you guys free tomorrow afternoon, we really want to explore that beach you guys went to earlier” She said.

“No sorry I have to work in the afternoon” Luca said

“Same” Sofia continued.

“I’m free” Nina said

“Yeah me too” I responded.

“Great do you guys want to join me and Mattheo” Julia asked us.

“Yes great idea sounds fun!” Nina said,

“I’m down” I said to Julia, thinking to myself what happened last time we were there. Yeah let’s not talk about that with Julia, I immediately thought.

“Great, I’ll ask Isabela if she can bring us there again!” Nina said.

I honestly really liked the idea, and couldn’t wait to hang out with Julia a bit more, and also Mattheo who I really got along to.

“Maybe I can Olivia and Manuel to come along too!” Julia said.

I was a bit more disappointed by that, as I really wanted to hang out with Julia and just the four of us. Now Olivia was probably going to be there as well. But before I could say anything Nina respond to her “Yes they probably be free as well ask them too!”. We finished diner and hung out in the restaurant for a while. But as we were all still a bit tired from the day before we all called it quits and went to bed.

I lay in bed thinking about how lucky I was and how hot Mila and Isabela were, I lay in bed thinking about what an amazing time I've been having here.

The next day I woke up to my alarm ringing in my ears. I wanted to stay a bit longer in bed but I had to get ready for work. I took a shower put on my uniform and went down for breakfast. It was pretty quiet at the buffet today and I was starving so I loaded up my plate with the good food. I was almost done with breakfast when Nina sat next to me.

"Good morning" she said to me as she ate her toast. We talked a bit about what to expect for today, she was really excited to hang out with Mattheo and Julia, she really liked them both and seemed to have a soft spot for Mattheo. When I looked up from my plate I saw that Julia and Olivia were sitting at a table on the other side, but we decided to stay at this table as Nina knows by now that I'm not particularly font of Olivia. "I think I need to put you two on a boat and fight it out or something" Nina said to me.

I couldn't help but laugh at the joke and looked back that it wasn't really a joke, she seemed genuinely dissapointed that I didn't get along with Olivia as it was a good friend of hers.

"Maybe I can talk to her this afternoon at the beach a bit" I said to Nina, who smiled at me.

"Yes, do it, I bet you will get along once you get to know her." I doubt it I thought to myself.

I spotted Isabela who was approaching our table, she wore a very short dress that showed off her legs and amazing body, but this was not the time to admire my boss.

"Goodmorning guys, had a goodnight sleep" she asked Nina and me.

It was a bit awkward to look her in the eyes after what happened yesterday, but Isabela seemed to act like it was the most normal thing in the world.

"Could have used some" I responded.

"So Julia told me you guys are coming with them to the beach I brought you last time" she said to us. "Yeah we are meeting up at the lobby around 1pm I believe" I told her.

"I have to hang out with you guys some more, but I have a lot of paperwork to do so I can't join you guys at the beach. Maybe next week!" she said with a smile.

"Aww that unfortunate but I understand" I said.

"I really wish I could come, do you guys have any plans in the evening?" She asked us.

"No I think not, we have no plans, Julia and Mattheo are on a date and Olivia and Manuel were going to some cafe with some people from here" Nina responded to Isabela.

"Great do you guys want to come over tonight for some drinks, I will ask some other staff too!" She asked us.

"Sounds great, sure we are in" I said, after what happened today I'd love to hang out with her some more.

"Perfect, I'll be done around 7pm, see you guys later" she said as she walked away.

I couldn't stop myself from checking out her perfect ass as she walked away.

"Stop staring at your boss you perv" Nina joked.

"Sorry it's hard not to stare" I replied with a smile.

After breakfast we headed to the pool and worked. A lot of people were having breakfast outside so it was really busy. After a while the pool got quite a bit more quiet and Nathalie and Chris showed me around the bar some more, as it went great the last time.

Nathalie showed me how to use a tablet to put drinks in there and I learned a bit of Spanish as we practiced making some drinks and mixing the drinks with the right amount of ice. They showed me how to make some cocktails, it was really fun. I also liked working with Nathalie as she is always nice to me and was fun to be with. She told me that her husband is visiting right now but she still had to get some shifts in. I remember seeing them at the pool the other day. When it was 12:30 I was excited to get ready for the beach trip, but Isabela approached me.

"Where are you going?" She asked.

"Oh to the beach with Julia and the others" I responded.

"Don't you remember what deal we made yesterday?" Isabela asked me, she wasn't mad but seemed disappointed.

I totally forgot, I had to work overtime for the next two days.

"Sorry, I didn't remember" I said and she could see that I was dissapointed.

"Sorry but I have to keep my staff on the line, but because I feel a bit bad for you I will bring you to the beach after okay?" She said with a smile.

"Yeah that would be great!" I said excitedly.

"Great, meet me at the lobby around 1:45pm okay?" She said as she walked away.

I told Nina that I was going to be there later, and that they shouldn't wait on me and I continued working at the bar for a bit. After I was done Nathalie and Chris told me to have fun at the beach as I headed to my room to change. On my way back I ran into Sofia and Luca who had to work the afternoon.

"Are you coming to Isabela tonight?" Sofia asked me.

"Yes I am, are you going to go?" I asked.

"Yeah she asked if we could, I heard Nathalie and her husband will be there as well." Sofia said with a smile. I haven't hung out with Nathalie outside of work so that was nice. I told Luca and Sofia that I would see them tonight and continued to my room.

As promised Isabela waited on my with her car keys in her hands at 13:45 in the lobby.

"Ready to go" she asked me with a smile.

"Yes I am!" I said.

She opened the door for me and we drove towards the beach.

"I'm sorry that you had to work overtime" Isabela said as she drove.

"No problem, it's not your fault, we knew that it was a risk yesterday we were just a bit.... you know" I replied.

She smiled at me "Yes I was young myself too you know" she said with a laugh.

"But it's nice to see you all have a good time, It's important for me that everyone can get along. And you are having the time of your life as well" She said.

I smiled and responded "Yeah I am, I'm really having a lot of fun here on this island, and I've been so lucky to work with you as well, it's just amazing."

"You know when I first saw you I thought you were going to be more a quiet type but you have been making friends rather easly, I'm really proud of you" Isabela said to me with a smile.

I was flattered and she seemed to be very proud of me. It was nice to hear it from her. But she was right when I came her I was the quiet type, I still am sometimes. But this place and the people I've met hear really helped me come out of my shell and it made me more confident.

"We're here" she said as she parked the car. I opened the door and thank her for driving me her.

"Did you brought your condoms?" She said jokingly.

I turned red as she continued "I'm only joking have fun, I see you guys tonight" she said.

I was still a bit embarrassed but I couldn't help but smile. I walked down the beach towards Julia and Nina and Mattheo and I saw Olivia and Manuel too. They waved to me as I approached. Mattheo and Manuel were playing football while the girls sat on their towels watching the guys. When I came closer I looked over at Julia, I've never seen her in her bikini before and damn was I impressed. She had a red bikini, and she had a really impressive body. I've never really seen it before as her uniform is a bit oversized. Her boobs were pretty big and she had a perfect small toned tummy, her ass was round and perky. She was stunning, and I couldn't but be impressed.

"Finally" Nina said to me as I approached.

"We thought you'd stay back at the resort" Julia said with a smile.

Olivia gave me a little wave, but didn't say anything.

"Heyy Timo come on join in you played football before too right?" Mattheo said.

And before I could sit down he passed me the ball.

I joined the boys and we we played some ball. I looked over at the house is the distant were the old man from last time came from, but it seemed quiet so I reckoned he wasn't home.

The girls were giggeling as they watched us play around in the sand. When we got tired of football asked the girls if they wanted to join us in the water. Us being boys we told them to go first so we could walk behind them.

We all looked at the girls swaying their perfect hips as they walked into the water. Manuel, Mattheo and I all looked at eachother and smiled. We gave eachother highfives "Nice!" we said in unison. The girls heard that and started to giggle and started to run towards the sea. We started to chase them as we were screaming and laughing. We splashed eachother with water and then jumped on Nina and Olivia, who to my surprise was laughing the loudest. She seemed to have a really good time, and it was nice to see her not staring at me with that cold stare of hers. When I jumped on the girls my hand accidentally touched Olivia's ass, I expected her to be mad at me but she didn't even notice it as she was having fun splasing the other boys.

After a while the girls got tired of running and we all just got out of the water. The vibes were amazing and everyone was having a great time.

When we were getting out the water we got some drinks form our bags and sat down on the sand.

Julia looked really stunning in her bikini, she had her hair up in a messy bun which made her look even sexier. Not to forget how amazing Nina and Olivia looked. Nina looked as cute as ever, and Olivia was still smoking hot as always. But as I've seem them in their bikini before and even more. I was focussed on Julia's surprisingly insane body. We grabbed some beers as we enjoyed the sun on our skin. I was sitting next to Julia and I was slowly getting more comfortable around her. I tried to not stare too much at her, but damn did she look hot. I didn't want to be disrespectful to Mattheo so, I quit looking at her for the time being. They all started talking about there relationship and I felt a bit left out. I've never had a relationship before, and I was the only one here without one. Manuel noticed that and he looked at me. "And Timo how has your lovelife been going? It seems the women around her like you" he said with a smile.

I could see that Julia was looking at me from the corner of my eye. I was a bit embarrassed, and it was nice of Manuel to say something but I felt weird to talk about this. "Not good really, I have hooked up with some women her but most were already in relationships" I said.

"Ow damn they all cheated with you?" Mattheo asked.

"We work in a swinger resort you dummy" Julia said to her boyfriend

Mattheo started laughing, "Ow yeah shit stupid of me"

"No don't worry about it man, it will come" He continued.

"Yes you are a really nice guy, you will find someone" Julia said

I was a bit flattered by them, as I was feeling really lucky with these friends.

"We will help you find someone, like Isabela always helps you getting late" Nina said.

I turned red again but everyone started yelling. "Yeah!!!! we'll be your wingcrew"

Even Olivia seemed to be excited but she also had a glass of wine and some beers already, so I thought she was a bit tipsy. I laughed and responded "Thanks guys but I'm really fine here, I think I just have to wait for the right moment"

We all laughed a bit and continued our conversation. After a while we all laid down on our towels and started sunbathing again.

"Are you guys okay if I take my top off?" Nina asked us, she knew Olivia Manuel and I would be okay with it as she always does it, but she wanted to make sure Julia and Mattheo were okay with it.

Mattheo looked over at Julia, "You know my anwser to that" he said to his girlfriend, Julia smiled and responded "I've seen you naked already babe, It's fine."

"Nice" Nina said as she took off her bikini top.

"I join you as well, don't want any tanlines" Olivia said as she removed her top.

Mattheo was drooling, and turned red, he couldn't believe his eyes. I mean I can't blame him, I had exactly the same reaction when I saw them both topless for the first time.

Julia saw her boyfriend dribble over her friends as she gave him a elbow in his side to bring him back to reality.

"Come on put some sunscreen on me" She said to her boyfriend.

Julia seemed not comfortable with getting topless so she kept her top on, as Olivia also gave her boyfriend Manuel a bottle of sunscreen to put on her back. Nina looked over to me, "Guess I have to ask you for help" she said. I smiled at her and she sat up and laid down on her stomach. She had a amazing body as well, with her perky round ass that was perfectly sized. I was excited to rub her in again as I did on the first day on the resort. I put some lotion on my hands and start to rub it into her body. I was very careful as I didn't want to cross any boundries as she is in a relationship. But I did love rubbing her body, and even more now as she was topless. She was so nice to touch and the way she lay on her stomach while I rubbed her back was super hot.

Manuel looked over at me and was admiring Nina's body. I knew he had a soft spot for her and he looked at her with lust in his eyes. Out of no were he asked "Do you want to swap?" He asked me. I didn't respond but Nina turned around to look at me with a smile. I knew she would be okay with it as she too had a soft stop for him.

"Uh yeah sure" I said to him. I could see Julia and Mattheo looking a bit weird as Manuel and I swapped positions. I was know rubbing Olivia's back in as Manuel was rubbing Nina back with sunscreen. Olivia didn't even really react to it but it seemed she didn't mind it. It was nice to rub her back again as I did before at the workshop, and she had an amazing body. In the corner of my eye I could see Manuel rubbing Nina carefully as he too didn't want to cross any boundries. As I went lower with my hands I was anxious that Olivia would tell me off again and not let me go lower as she did at the workshop. But to my surprise she allowed me to rub her lower back. I couldn't help but smile as she let me go lower. Manuel looked over at me rubbing his beautiful girlfriends lower back as he said: "Don't forget her ass, don't want a red ass". Was he serious? Was he suggesting me to rub his girlfriend's perfect ass?

I didn't want to do anything Olivia didn't want so I asked her. "Is that okay". And she unexpectedly let out an "Uhum" in response. I was over the moon as I finally got the chance to rub her incredible ass. So I put some lotion on my hands and went down to her butt. It was super soft and smooth as I rubbed it in, it was better than I ever could imagine. Mattheo was looking at us with big eyes and a bit of jealousy, while his girlfriend just ignored the whole thing and layed on her stomach with her eyes closed. Unfortunately for Manuel Nina didn't let him rub her ass, as she did it herself. Manuel kept looking at me rubbing his girlfriends ass, as I was unsure if he liked it or if he was jealous. I was really turned on and I felt my hardon press against her soft ass, and unlike at the workshop she didn't say anything. After about 20 seconds of me rubbing Olivia's ass she let out a "thank you" as I took that as my sign to stop. Manuel and I switched back again and layed down on our towel. I couldn't believe I had just touched Olivia's incredible ass. It was the most one fo the most beautiful asses I've ever seen, and it felt amazing to be able to touch it. Nina still lay on her stomach and looked over at me and whispered: "You are hard again aren't you" I responded: "You can't blame me can you?"

I joked back. She let out a smile, "Ughhh boys".

We lay there for a while but it was a bit unconfortable for me with my boner. And it really didn't help that when I looked over I saw Manuel playing with Olivia's ass while she was rubbing his thigh. It seemed that I wasn't the only one turned on.

"We have to go a bit earlier as we have to get ready for our date night" Julia said to us as she and Mattheo said there farewells and called a taxi.

"Thanks for the lovely day, it's been awesome" We said to them. And it really was I was glad Julia has come out of her shell a bit more and hung around with us.

We had still some time left before Isabela came to pick us up so we decided to stay for a while.

"I hope that guy from last time doesn't show up again" Nina said to me

"What guy?" Manuel responded, ah that's right we never told them about what happened here last time.

"Uhhm I don't know if we can tell" I said

"No now we are curious" Olivia said

"Believe me Luca and Sofia won't care, they probably get turned on from sharing the story" Nina said.

I guess she's right, and we explained what happened here last time.

"Whhhaattt? He let that old man have sex with Sofia?" Olivia said shocked

"Yeah" I responded.

"That's crazy, but I bet that he found it really hot, Luca seemed to be really into sharing her" She said

"And Sofia probably have an amazing time as well, I know she liked older guys" Manuel said.

They seemed a bit shocked by the story but they also seemed a bit turned on, they already were but they started to fondle eachother more. I could see Olivia's nipples turning hard.

"Damn that old man is a really lucky guy" Manuel said.

"You think Sofia really came from that?" Olivia said.

"Yes she told me, she really enjoyed it" Nina said.

"We never had sex on the beach" Manuel said to Olivia with a grin.

"Haven't we" Olivia let out as she knew exactly what he meant.

"Is not that good, I told Luca and Timo this before but, you'll get sand everywere." Nina responded.

"But it seemed to work for them" Manuel said

He started rubbing Olivia's inner thighs, "do you want to try?" Manuel said as he looked into Olivia's eyes. She looked at me with those eyes of hers and it was clear she wanted to try but she wasn't sure as Nina and I were there.

"What here? Right now I don't know" She said but she was clearly considering it.

"Yes it will be fun, I know how horny you are" Manuel said as he put a finger in her bottoms and felt how wet she was.

"I don't know" She said biting her lip.

"I mean we can leave you guys be if you want" Nina said in response

"No no, no need for you to leave, Then you will have to pay for a taxi while Isabela is arriving in about an hour. and besides you already saw us in the hot tub and Timo saw us at the workshop" He responded. It seemed that Manuel really wanted us to stay, I looked at Nina and she shrugged her shoulders.

We looked at Olivia who now had her hands in Manuels' pants and she was rubbing his cock.

"Ohh you are so hard already" She said.

Manuel didn't answer he just grabbed Olivia's tits and squeezed them. She moaned loudly as we watched him squeeze those big breasts of hers. Nina and I both enjoyed the show as they were both insanely hot together.

"Are you sure we can do this?" Olivia asked Nina and me.

"If you are' I said.

"I don't mind" Nina responded.

"Okay" Olivia said with a smile.

Manuel pulled her bottoms off and they started to make out heavly, Nina and I looked at eachother and in amazement. It was so hot to watch these two making out, and I could tell Nina was super turned on by it. Manuel pulled Olivia's bottoms away and lay down between her legs. He grabbed her boobs and squeezed them while he licked her pussy. Olivia let out a load moan as Manuel started to turn up the pace. Her hands were on the back of his head pushing him into her pussy. I looked at Nina who was biting her lip, as she watched the Spanish hunk go down on the Italian goddess. Olivia and I made some awkward eyecontact and I couldn't help but think this was really hot.

As she stared with lust right through me. She was moaning louder and louder as Manuel kept licking her. I couldn't believe what I was seeing as the beautiful Olivia was getting her pussy licked by the amazing Manuel.

He grabbed her tits and was massaging them as he kept licking her clit. she then let out a really intense orgasm as her hands pulled Manuels hair back. She moaned out loudly, "Oh god" she said. After she was done she let out a big smile. And before Manuel could say anything Olivia pushed him on his back and started and pulled his trousers down. I could see Nina stare at his erection with big eyes as in dissapeared deep inside Olivia's mouth.

Nina and I watched Olivia suck off her boyfriend with lust in our eyes.

"That looks amazing" Nina said, she was really turned on by this. She pulled her bikini bottoms of and started to play with herself. Manuel looked at her pussy as she rubbed it and grabbed Olivia's head to push her further down.

"Wow Nina" he said as Nina smiled back at him.

As I still had a massive boner I decided to play with myself too through my swimming trunks.

After a short blowjob Olivia pulled her boyfriends cock out of her mouth pushed him down and began to lower herself on him. This was going to be the first time seeing them have sex and it was so hot. Olivia lowered her goddly body onto Manuel and began to ride him slowly. She let out some moans as Manuel grabbed her ass. Nina looked at us and said: "Does it look good" I nodded at her.

She looked me in my eyes and played with her tits as her eyes drifted away to watching Olivia and Manuel have sex.

Olivia seemed like a pro and rode Manuel with ease. They looked at eachother with lust as they made love.

Manuel was holding on Olivia's perfect boobs as she was going up and down on him. Manuel couldn't decide where to look as his eyes switched from his amazing girlfriend riding him and Nina playing with herself. I too had that difficult decision to make as I was now jerking myself off.

Nina crawled closer to Manuel and Olivia and sat next to them. She was intrigued to watch her two friends have sex. She looked over at Olivia's big boobs, "You look so hot riding, your boobs are so amazing I wish mine were as big" she said to Olivia.

Olivia smiled as she knew what Nina meant as she grabbed one of Nina's hands and put it on her chest.

"Holy shit!" Manuel let out. He was enjoying the feeling of Nina's small hand on his girlfriends chest.

"You feel amazing" Nina let out with lust in her eyes. As her other hand was pleasuring her own pussy.

I sat on the other side of them and felt a bit left out, but Manuel the great friend he is helped me out.

"You want to touch her too?" He said as he pointed at his girlfriend's breasts.

I nodded and reached out and grabbed Olivia's right tit as Nina was playing with her left. I felt her warm skin under my palm and her erect nipple through my my fingers, they felt amazing as they bounced up and down.

"It's so nice" I said with a smile.

Nina smiled at me while she played with her other tit

"You guys look so hot together" Nina said to Manuel.

Nina and I were playing with Olivia's tits as she continued to ride Manuel. Olivia didn't seem to care that I was touching her boob, she seemed complety lost in the moment as she rode her boyfriend. Nina was moaning really loudly as she came. She kept playing with herself a bit after she came.

"Did you just cum?" Manuel said with a laugh as he looked at Nina next to him.

"I'm sorry" Nina said with a smile as she let go off Olivia's boob.

I still was playing with her right boob, and with myself.

"I'm very close" Manuel let out. As soon as he said that Olivia pushed my hand of her breast and lifted herself of Manuels cock. She started to jerk him of really fast as Manuel let out some groans as he reached his orgasm. Olivia kept jerking him off and he let out a loud groan and started to cum all over Olivia's hand, half of his cum landed on Nina's leg. "Ow wow" She just said.

"Omg I'm sorry Olivia said" As she grabbed her towel and started to wipe the cum off of her hand and Nina's leg.

"Don't worry, it has been awhile that someone came on me" She said jokingly.

Manuel smiled at her and looked over to Nina and I: "That was so hot!"

He looked down at me and saw that I was still hard. I again was the only person who didn't get of. "Maybe ..." But before he could finish his sentence we heard a honk. As we quickly covered ourselfs up. We looked over and it was Isabela in her van, she waved at us and we saw Sofia and Luca sitting next to her. They waved at us as we quickly got up and dressed and walked over to the car.

"Hey guys how was the beach?" She said

It seemed that they were just to late to witness the show. We got in the van as Isabela told us Sofia and Luca wanted to go with her to pick us up. In the middle of the van inbetween Olivia and Luca, Nina and Sofia sat in the front with Isabela driving. And Manuel sat in the back alone.

They're were all a bit tired from the adventure we had, but I was still very horny as I didn't get someone to relieve me. Isabela looked in her mirror and saw me sporting my tent.

"By the looks of Timo's excitement it seemed you guys had fun again" She said with a teasing smile. Everyone looked at me and my boner and I turned red again.

"Omg what did you guys do?" Sofia said excitedly.

"We went in the water and then we just sunbathed on the beach and chatted a bit" Nina said

"What about that tent?" Sofia said with a laugh.

"Ow that is because Olivia and Manuel gave us the best live sex show ever" She casually let out.

Everyone was started laughing

"Really?" Luca responded

"Fuck why did I miss that" He said with a disappointed voice.

"Ughn you naughty guys, can't behave for a second can't you" Isabela said mockinly.

"Give us the details" Sofia demanded.

Manuel continued to tell everything that happened in detail.

"Omg that is so fucking hot" Sofia said

"Call me the next time I will be over right away" She said to Manuel.

"And Timo you got blueballed again?" Luca said as he patted me on my shoulder.

"Yes, but it's fine" I said

"Doesn't look like it" He responded while pointing at my tent.

"You know what, Sofia switch places with me and take care of him" He said.

he started to climb to the front,

"No wait I'm driving Isabela said" But it was already to late as they both climbed over eachother and switched positions.

Sofia said next to me now, "Hey!" She said with an excited voice.

Isabela looked over in the mirror to us, "Ughhh you horny juveniles, just don't make it a mess I don't want to find cum on the seats" She said.

As Sofia started to lower my shorts. "Don't worry he likes to cum in mouths" She said before devouring my cock.

"Ohh holy shit" I let out, it felt so good after being hard for so long.

She looked at me with her beautiful brown eyes while she was sucking me off. I saw everyone peaking at me as I was in the middle of the van getting a blowjob from Sofia. Even Olivia next to me seemed to look at my dick as it went in and out Sofia's mouth. It didn't take long for her to make me cum, I grabbed her head and pulled it into my cock as I felt my orgasm coming. I let out a loud groan and started to cum in her mouth. She grabbed my cock and moved it up and down as she swallowed my load without spilling a drop.

She gave me a smile and licked her lips. "That was fast, that must have been a great show" She said, I saw Olivia next to me blushing. "Yes you guys done back there?" Isabela said.

We both nodded as we continued the ride back to the resort.

After we arrived we quickly went to our rooms and changed as we plan to meet up at Isabela's place for diner and drinks.

Part 11

I went for really quick shower and put on a polo and shorts. I heard a knock on the door,

“Hey Timo can I come in” I heard Nina say.

I opened the door and she came in, she wore a black dress with a low back, it was really hot.

She was carrying her phone in her hands and gave me a big smile.

She sat next to me on the bed,

“That was so hot at the beach, I couldn’t keep my eyes of them they are both so hot together, I almost came just from watching them have sex and you jerking off in the background. And it was so sexy when you played with Olivia's tits, you really seemed to enjoy it. I thought you were going to join in.”

“I don’t think Olivia is that far yet, and I certainly don’t think she will ever let me join in. She only let me touch her because she was so in the moment” I replied.

“Yeah that’s true but it seemed it’s getting better between you two, and you have to say she is fucking hot” Nina said. Yes and I never denied that but I still think she doesn’t like me.

“Is your boyfriend still okay with all this?” I asked her

“Yes, even better he likes it. Every time I do something like this we FaceTime after and he is really into it. We even spoke about new rules but I’m not ready for that yet.”

Nina replied, when she received a message from Isabela.

She is ready, let’s go to her villa. We were the first to arrive, when Isabela opened the door Nina and I were overwhelmed by how good she looks. She was wearing a very tight dark dress with a low back, that showed off her beautiful body. It was a nice change to see her in a dress instead of her normal work clothes.

We greeted her with a hug and she immediately ordered us to sit down as she was preparing diner for us. We both looked at her back when she was cooking. There is just something about her, she has this whole sexy aura around her. Every time she walks by the pool you can see all the guests looking at her and admiring her beauty. It doesn't help that she has an amazing body, a really nice personality and is a really kind. I noticed that Nina was checking her out as well, she looked over at me and just mouthed “Wow”. We heard the doorbell ring we assumed it was Sofia and Luca but it was Nathalie and her husband. I recognized the man from the pool, he was very big I think around 1,94 (6ft4) and very muscular, he was wearing a thight black polo and he seemed like the guy you don't want to mess with. Nina was impressed by his size, he was definitly tall dark and handsome. Nathalie was wearing a sexy red dress. She had a huge cleavage and her amazing body was wrapped in the fabric.

He looked at Isabela with a smile and greeted her with a kiss on the cheek, Nathalie gave Isabela a hug and kiss as well, they came over to us and Nathalie introduced her husband to us.

"Hey guys, you look lovely this evening this is my husband Ramiro" She gave us both a hug and Ramiro have me a very firm handshake "Nice to meet you" he said.

"Likewise" I replied.

Isabela came to us with a tray of drinks "Sofia and Luca are running a bit late". She said. Nina and I looked at each other and let out a small laugh, they were always late and with out saying a word we both knew what they were doing. Ramiro and Nathalie sat down and we talked for a bit. Ramiro's looks didn't represent his personallity as he was really soft spoken and seemed very nice. He told us that he was a personal trainer and a semi-professional boxer. So my thinking was right, you don't want to get in a fight with him. After some time Luca and Sofia came in and we all sat down at the table for diner. Isabela made some amazing Albondigas paired with Patatas Bravas what quickly became some of my favorite food here in Ibiza. We talked some more during diner, I was very hungry as I still had to adjust at the Spanish eating times as I was used to eating at 6 back home. But it was delicious nevertheless and we thanked Isabela for the amazing food that she cooked. And amazingly nobody's dresses or clothes were creased or damaged from the diner.

After diner we helped Isabela with the dishes and we sat in the living room, Isabela grabbed 2 bottles of wine and gave everyone a glass. She didn't want us to drink to much as we all had to work the next day. Our conversation from diner continued as we talked about our experiences here.

"I don't know how you can do this so long with your husband away" Nina said to Isabela

"Hahaha, it is hard isn't it, especially for you as you are still young" Isabela replied to Nina

They were ofcourse refering to the sexless summer they have been having.

"But you have been enjoying yourself here, I heard the stories" Isabela said to her

Nina blushed a bit, "Yeah It's really nice to watch, and I really enjoy it but you have to admit it's hard not to join in with all these crazy hot people around here. It's just so impressive that you managed to do the whole time that you been working here" Nina said

The rest of us were all intrigued by there conversation.

Isabela responded: "Actually, I have joined in a couple of times". We were all a bit shocked by this convension, but you know she did jerk me off a bit so it wasn't that big of a surprise. We all looked at her with big eyes.

"My husband actually allowes me to join in if I want, but I never went the whole way, as I still don't feel comfortable with that. But believe me I've been tempted a lot of times and invited more than I can remember." She said.

We were all curious about the times she did join in.

"Now we want to know the details" Sofia said daringly

"Okay okay, I've been eaten out by some women. And by some guys. I had a massage one time and Ava and Martin both ate me out it was amazing. I've gave some short handjobs to some guys, the last one some of you were there so I don't have to tell you about that" She said teasingly while looking at me and Sofia,

"And I gave two blowjob, a very short one of like 5 seconds to a friend of my husband because I lost a bet, and the othertime. This is actually kind of a weird story but, a couple of years ago there was this guy working here. He was a virgin and didn't have any experiences before, he was very excited to work here as he really wanted to feel how it was to have a blowjob. But after 2 mothns of working here he didn't succeed in hooking up with someone at all. I felt really bad for him and on the last day my husband said I should give him one. So we talked about it and I gave him one in my office. He lasted for like 30 seconds but yeah" She said. We all looked at her with big eyes, "That was nice of you" Sofia said.

Luca looked at me and whispered: "Damn that dude is so lucky, imagine getting your first blowjob from Isabela"

"But that is all I've ever done here in my 8 years managing here. If never had sex with anyone other than my husband here. And you know it is actually nice because when we do it, after not seeing eachother for a while it is amazing. And besides, as you girls know we have a lot of toys available to fill in the void" She continued, "But you know I'd like to get more involved as my husband really wants me to, so you never know".

Nathalie and Ramiro seemed a bit shocked by her story, Ramiro probably thought about his wife and what crazy staff she is working with here. Nathalie seemed a bit awkward but also excited.

"You can always join us" Sofia said jokingly.

"I will keep that in mind" Isabela said while whinking at Sofia and Luca.

Luca turned red instantly and I could tell, he was really turned on by even only the thought of Isabela joining them in their activities.

We talk a bit more, and I saw Ramiro touching Nathalie's inner thighs they were cleary turned on, when they suddely said. "Sorry guys but we have to go, I have some early appointments tomorrow" Ramiro said. We said goodbye to him and Nathalie. I was a bit dissapointed as I would have like to hang out with them for a bit longer, but they were probably busy with otherthings back in there room.

"I would love to have a drinking night with you guys sometimes but not today" Isabela said

"Or am I to old for you guys" She continued.

"No it's fine" We all said and we told her that it was a great idea, and we should do that sometime.

It was getting a bit late and Luca and Sofia were all over each other like always.

"Sorry guys we I'm super horny, so I think we are going back" Sofia said as blunt as always.

Luca looked over to me and Nina, "You guys can come over and watch again if you want" He said.

But Isabela interupted them: "After all these stories I've heard I'm actually really curious what it's like so if you are confortable with it you can do it here if you want" Isabela said.

Luca turned red and Sofia was shocked by this. But I could see they were both extremely excited by the prospect of Isabela watching them

Luca looked over at us, "Are you guys okay with that?" He asked.

I could see Nina biting her lip as she was thinking about it.

"Yeah it would be nice to watch here" She said

I agreed with her aswell.

Sofia and Luca didn't let any time pass by as they started to make out and undress eachother.

Sofia was wearing a sexy black lace thong and a bra, her body was absolutely amazing, she had perfect breasts and a flat tummy.

Luca was wearing some black boxers as well.

"Oh wow" Isabela said as she was a bit surprised by the young couple's speed.

Luca pushed Sofia on her back and started to rub her nipples with his fingers.

Isabela just sat next to us, we could smell her perfume and it smelled amazing,

"Oh you two look so beautiful" She said to them.

"So do you guys like pleasure yourself while watching" She asked Nina and I

We nodded at her as she looked at Sofia's breasts being played with by her boyfriend.

"Omg Sofia they are so big" Isabela said.

Sofia responded: "Thanks I like yours to" Isabela gave her a smile.

"Don't be shy" She said to Nina and I who were a bit reluctant to play with ourselfs with or boss between us.

We both put our hand in our pants and started to rub ourselves. Isabela sat we her arms crossed just intrigued by the young couple making love.

Sofia and Luca were exchanging oral pleasure on eachother, Sofia was sucking his cock as Luca ate out her pussy. Isabela was just looking at their hot bodies moving together.

Sofia got on all fours and put her big ass in the are.

"Jesus girl, your ass is amazing" Isabela said, she seen her with me in this position before but just like me she was still impressed the second time she saw it.

Luca was having a bit of trouble with his erection, maybe because of the wine, but probably the nerves of having Isabela watching. He rubbed himself a bit in the hope of getting hard, but it didn't work.

Isabela suddely stood up and stood next to him, "Can I help you with that?" She asked.

Luca looked at her very surprised and didn't know what to say and just nodded.

She spat on her hand and lowered her hand to his penis and started to jerk him off. Luca just looked at her with lust in his eyes as he enjoyed the feeling of Isabela's soft hand around his dick as she gave him a smile.

Nina and I looked at each other, she seemed shocked as she couldn't believe that Isabela did that. But we were both impressed by her softness and confidence, she was really hot in this situation and I could see how Luca was turned on by her. She grabbed Luca's hand and placed it on her amazing ass, as he started to knead her ass through her dress. I felt a bit jealous of the way Luca was touching Isabela, but I guess she also jerked me off so I couldn't complain to much. Nina was rubbing herself faster and I could see the excitement on her face.

She started to pull her dress of as she revealed her amazing lingerie. Isabela looked at her with and said, "Wow Nina you are so beautiful" As she continued rubbing Luca. Luca was hard in an instant and was looking at Isabela with a big smile. She grabbed his dick and guided it towards Sofia's wet pussy. Sofia let out a loud moan as Luca entered her. Isabela looked at him, "Have fun" She said, as Luca thanked her for her help. Isabela returned to the couch and sat between me and Nina again. She saw Nina playing with herself as she stood up again and walked to her bedroom. She came back with a vibrator and handed it to Nina. Nina thanked her and placed the vibrator on her clit, Isabela looked over to Sofia and Luca who were both now fucking eachother. Isabela was smiling as she saw Sofia's pussy being drilled by Luca.

"I get why you do this, watching this is so hot"

Althought she seemed turned on she didn't touch herself as Nina and I did. I was jerking myself off as Isabela looked at me and smiled, "are you enjoying yourself too?" She said.

"Very much so, it was hot seeing you do that to Luca" I said.

Isabela blushed a bit, "I thought it was the right thing to do"

Nina was moaning a bit as I heard the vibrator getting louder. Isabela put a hand on her inner thigh "Is that okay?" She asked Nina, Nina just nodded as she continued playing with the vibrator.

Sofia was moaning loudly too as she had an orgasm. She now lay down flat on the stomach as Luca continued to fuck her. Isabela also started to rub my thight and it felt amazing having her soft hands on me while I was jerking myself of.

Isabela sat a bit more forwards and placed my left hand on her ass, and allowed me to touch it like Luca did before. It felt amazing better than I could have ever imagined. Her soft ass in my hands was making me almost cum, but I didn't want to yet so I slowed down my pace and continued to massage her ass.

Nina was moaning louder and louder, as she came from the vibrator.

"Omg that's so hot" Isabela said as she watched Nina play with herself.

"Thank you, it's feels so good" Nina said in a weak voice.

Luca slowed down a bit with Sofia and looked at me, "You want to join in again?" He said with a smile, Isabela looked over at me with a smile too. But I was enjoying myself to much with Isabela's ass and I denied to offer.

"No you continue, it nice to watch" I said to him.

Isabela looked at me a bit surprised as I just rejected Luca's offer to fuck Sofia again but she continued to massage my thight with her hand.

I felt myself close to cumming as playing with Isabela's ass felt amazing. "I'm close can you grab a tissue or something" I asked Isabela, I was going to cum very soon but I didn't want to cum on the couch. Isabela quickly picked up a tissue from the table as placed it on top my my dick, she took over as she started to jerk me of into the tissue. Nina looked at me very excited as she saw Isabela jerking me off. I felt great having her hands on my dick again. As I continued playing with her ass I let out a groan and came inside the tissue.

"That was hot!" Isabela said to me as she cleaned my dick up with another tissue. She stood up and threw it away, I could barely believe what just happened as I came down from my orgasm. Luca came on Sofia's back and ass a bit later too and grabbed some tissues to clean her up.

"Thank guys that was so amazing, I felt like I was your age again, this was so hot" Isabela said to us with a smile.

She was happy we had fun and seemed to enjoy watching us.

Luca and I still were in disbelieve over the fact that she jerked us of both and even let us touch her incredible ass. Nina was also in shock, but seemed to love it.

Sofia went to the toilet and we all got dressed. It was getting really late so we were are preparing to leave. We gave eachother a big group hug as Isabela thanked us for the amazing night. Sofia and Luca left and as I was about to leave Isabela said something to me.

"Daniela and Carlos are leaving in two days, they would love to have you over tomorrow before they leave" She said to me.

I was very excited about seeing Daniela again and thank Isabela for the offer.

We gave eachother a hug and Nina and I went back to our rooms, before I entered my room. Nina gave me a hug. "That was so amazing again, I really love doing this with you guys, it makes me forget about the sex I'm not having. So thank you, you lucky guy, with Isabela again" She said to me with a teasing smile.

"And sorry if this sounds a bit weird but can I ask you someting?" She said to me

"Can I join you to Carlos and Daniela?" She asked

I was a bit confused but it was a great idea, so I responded with a big smile.

"Yes, if they're okay with it." I said

Nina gave me a hug and thanked me.

"Great, can't wait for tomorrow".

I entered my room and directly went to bed, I dreamed about the surreal day I had. The whole thing still felt so unbelieveble. If you told me a month ago that I would be jerking myself of to my friends having sex, while my boss was watching too, I think I would have never believed you. But here I am having the best time of my life. Crazy things really happen on these swinger resorts.
