Kingsway Community

I googled Community and this is what it said. "Being part of a shared space, whether physical or virtual, gives people the chance to be inspired, solve problems, share humour, vent their frustrations and share their achievements. People who stay within a community are the ones that agree passionately with its values and with these shared beliefs, trust and togetherness, there's no limit to what they can do for their community. Bring together like-minded people who are headed for the same goal undoubtedly, nurtures a rewarding and engaging community." This statement screams "Kingsway" all over it! Enjoy August 2022!
