PÂTE À CRÈME FOND DE TEINT

Smooth, tighten and camouflage. Provides the kind of confidence boost you'd get from a pink spotlight and a make-up artist – all in one little smear of colour. Protects you against the effect of years.

FOUNDATION

DREAM FINISH MATTE MOUSSE FOUNDATION

L.C. Isabelle Dupont Finish Matte Mouse Foundation formula is based on a mechanic synergy between a silicon elastomer and a blend of hi-tech powders: perfectly spherical with oil absorber activity, inert, they bind the product in a running movement. Thanks to these raw materials which work as filler, it reduces lines and wrinkles. Its creamy body allows an easy application and a homogeneous result with a beautiful coverage that doesn't dry or clog the skin. It looks and feels very smooth and matte. The treated pigments ensure longwear properties during the day enriching the outstanding touch.
