There comes a time in everyone's life when savings are not enough, and it can be pretty challenging to obtain funds for financial needs. Many people cannot handle such unexpected financial emergencies in their lives.

Canada Car Cash is here to help you by offering a secure and reliable vehicle title loan where your car's lien-free title is used as collateral. This way, you can get the cash you need without losing anything. These loans are also known as vehicle equity loans or car collateral loans.

You can borrow up to \$30,000 with us, depending on the equity value of your car. The equity value is calculated based on the market value and the working condition of your vehicle. You can quickly get a [Car Collateral Loans Canada](#) by following these easy steps.

3 Easy Steps to Get Approval for Car Collateral Loans in Canada

We understand your situation, and thus, our loan process is simple, streamlined, and convenient. Here are a few steps:

---

**Step 1: Apply for the loan**

You can apply for getting a loan in three simple ways:

You can call us (toll-free) at 1-844-598-7631, and one of our loan agents will brief you about the details that need to be known and help you throughout the process.

You can visit our office nearest to your location and apply there.

You can apply online by filling out the application form within the comfort of your home. This form will not ask you deeply personal questions; it only asks for your name, contact number, make and model, the year of purchase, and email address.

## **Step 2: Documentation & Inspection**

In this step, you'll have to submit a few documents and bring your car to our office nearby your home. This is so that the equity value will be calculated.

Remember, you will be eligible to get the loan if your vehicle is not older than ten years. Required documents are:

You own a lien-free vehicle.

Proof of your legal age as per your respected province.

The driver must possess a valid Canadian license.

Car registration and insurance should be in your name.

You must provide proof of permanent residency.

Another set of keys for your car.

### **Step 3: Get the money you need**

Once the paperwork is over, and after inspection, you get the approval within minutes. Then you can collect the money you need and take your vehicle and enjoy.

Thus, the entire process of getting a car collateral loan in Canada is fast and easy.

If you need and are interested in getting the loan, you can apply online on the [website](#) or call us (toll-free) at 1-844-598-7631.
