

OVER 40 YEARS OF  
EXPERIENCE TO PROVIDE A  
COMPLETE HIGH LEVEL OFFER

# A KNOW-HOW OF **EXCELLENCE** FOR **SHIPBUILDING**

# LEADING SHIPBUILDING COMPANY

OUR COMPANY WAS FOUNDED IN 1973 BY MR. REMIGIO MINI, FOUNDER AND OWNER OF RM SRL.

RM can carry out every necessary step needed for a new project (and/or refit), from the feasibility study to the final commissioning.

Thanks to our reliability, qualifications of our employees and up to date technologies at our disposal, we are able to guarantee a variety of services carried out skillfully and efficiently.

TRADITION  
TECHNOLOGY  
PASSION
