S411, S413, S440 and
S306

A modern office interior featuring a reception desk with a marble top and a wooden wall behind it. The word "Quilter" is illuminated in gold on the wall. Two people are seated at the desk with laptops. In the foreground, there is a lounge area with three light-colored armchairs and three round coffee tables on a large rug with a green and white geometric pattern. The floor is made of light wood, and the ceiling has recessed lighting tracks.
