So, be present at the live tables and consider if you want to play roulette and guess the number the ball will stop on. Or, you can also enjoy skill-requiring games like Blackjack, where dominating hand combinations state the ultimate lines.

Slots Games

If the gambling industry encompasses any game that is the easiest and most enjoyable among others, it's online slot games. You only need to achieve similar symbols in adjacent reel positions of an active payroll. Asian players are in love with these gambling options, and in 96M Bet, we offer titles from developers like Spadegaming, NextSpin, Mega888, Microgaming, and more.

Sports Betting

Are you feeling like placing some enthralling real money bets on online sports betting? We have your back even then! With the help of 3 providers, named CMD365, MaxBet, and 96M Sports, we thrillingly fill your platter with popular to not-so-popular matches of various sports across the year.

eSports Betting

Online esports betting on popular video games like DOTA 2, League of Legends, FIFA, and more are available for fans of esports gaming. C-Sports, IM Esports and Virtual Sport are all available at 96M online casino.

Fishing Games

Go underwater with a gun and ammunition, target fishes swimming across your sight, and catch as many as you can to win exciting rewards in exchange for them. It's online fish shooting games within a single line. Our online fishing games is overloaded with software from providers like SpadeGaming, Jili, and Joker. Therefore, renowned titles are Fishing War and Fishing Gods are reasonably ordinary sights.

Mobile Support

Gambling has been going through continuous evolution. First, online gambling arrived, diminishing all ways of keeping land-based casino gambling more popular than before. Now, gamblers have witnessed a stiff bend toward mobile gambling. Therefore, 96M Bet also offers a leading mobile gambling experience to players. Similar to mobile phone and computer-based casino gambling, the mobile gambling facility is available for Android and iOS users.

Is 96M Trustable?

Our casino platform is exceptionally safe to use. Hence, we have been one of the most trusted online gambling platforms for Asian and global players. We encrypt each piece of information before sending or receiving it over the internet so that no other third-party entity can capture and discern users' private information. Alongside, you will find your casino account more secure with an extra security layer called 2F authentication. In this log-in security measure, the casino will send an authentication code to your mobile number, and you need to enter that code again during logging into your account.

Seamless Withdrawal Process

The absence of enough and reliable payment methods often creates problems for online gamblers while transacting money from casinos, and it's not that uncommon in the Asian gaming scenario too. But, as a trusted online casino Malaysia, we also keep our integrity in this regard. We accept TouchnGo FPX, EeziePay, and more as payment methods for fiat currencies. Besides, you can also make transactions with cryptocurrencies like Bitcoin, Ethereum, and others. Transactions happen within the least possible time with only a few easy steps.
