We are People every one in face of European's crime !

And here is The One World !

According to the significance of the facts, the pursuit of the opposition to the steps of the freedom of unification with the peoples, and thus also the cessation of the growth of unity of the world, is an act of criminal deed.

A criminal act that builds a global network of organized crime policies by organizations and governments of countries, state services and civilian groups, at the level of development beyond that of the power of majority democracy recognizing International rights, thereby harming their importance and the true value, legitimacy and importance of the attainable authority full decline in real praxis and thus influencing the development of defense strategies against crime.

Today, a crime at the level responsible for the prosecution of all the persons involved and their life imprisonment, constant interrogations and death sentences.

Today, the crime in our own performance of the levels of the worst crimes of humanity, the genocide that exceeds the statistics of the Second World War, the number of countries with a damaged state border and their national base and the civilization losses, today we humans together with the law of justice and our claims for defense against crime, responsible forces capable of stopping the crime, and also punishing all available offenses at the time of today's level of criminal opposition, as well as the right of activation of weapons of mass destruction and the launching of civilization disposals as the only way of achieving the right to justice and the victory of legal rights.

Therefore, in order to prevent the growth of a terrorist network from the sides of all states, nations and politics, stopping the creation of organized crime in the name over the state, exceeding the statistics of the greatest crimes of human history, and thus causing the risk of disasters leading to global wars and civilizations the practical use of weapons of mass destruction.

All people of the world stay in the risks of civilizational disasters or neocolonization and damage of their life's with freedom's !

Today, the Federation of the Status of the Right, full of the legitimacy of its development and its recognition of all principles of legal law, with the right of its territorial ownership and the distribution of the right of jurisdiction, de jure, the register of the right of the population, to unite humanity and all peoples in peace, friendship and diplomacy,

Today, in a world of seven billion people, each with the right to take the federal citizenship and the recognition of the One World goals,

Still active over 200 governments of countries with the legitimate sovereignty of their state, having their rights to federalisation and world unification,

The number of independent movements and organizations and armies leading their interests and development to their own self-determination continue to be sovereignty, nowadays with the right to federalize with the federation, and thus to achieve the right of its growth on behalf of the legitimate government and the basis of its own territories, 1,500,000,000 people, as the nation's largest nation, at the same time with the number of groups averaging over the budgets of 300 movements around the world, including three hundred new governments,

Thus, the present-day values, and always the interests of the future society of the mandates and states, the nations, and the dominance of world politics and the law of the act, are unstoppable in the process of justice under the supervision of repeated control of many states of the federation and unity of mankind,

Thus, also by the right to defend its own right by the act of civilization liquidation of opposition entities holding crime and terrorist interests,

Therefore, confirming the obligation of all states to establish their judicial process in international cooperation and to initiate the trial of all persons of the criminals of politics, state services and states in order to minimize the consequences of the risks of civilization losses and such extinction, meaning much more significant losses than the value of crime people and their greatest contribution for the present and the future of your countries.

Each government of the country has the right to have an immediate trial of all persons who are active in organized crime with the Central European Terrorist Alliance, as well as the people in the bilateral diplomatic co-operation of Terrorist Alliance, thereby supporting the stabilization of the terrorist organization and the growth of force at International level, and many face risks to the status of civilization destruction and the emergence of global wars. All states, all governments, all people all in the world is faced the losse and risks of damage by the crimes !

On the basis of International rights, every human being in our world has full rights to his act of bringing an action against each of the courts around the world, enabling all states and courts to have a global judicial proceeding, such as the Act of the International Criminal Tribunal Punishing all Persons Criminally Responsible only for disposal.

Anyone who forbids the rights of One World, World Unification with States, as well as the blocking of diplomatic rights, liberties and development, makes this criminal a responsibility to claim the lawsuit before all the courts of all the states of the world because every nation is affected by its rights and abilities position.

In case of danger, be the act of only one time terrorist oposition, all people worldwide have therefore granted their rights on the defeating enemy be the Weapon's of Mass Destruction:

The Population of Europe: 800,000,000 people (standard 2017)

The Population of World: 7,000,000,000 people (standard 2017)

The Population in current genocide be Europe: 370,000,000 people (1998-2017)

People in the risk of European threaten of war: 7,000,000,000 global

The Federal population losse be Europe: 3,000,000,000,000,000,000 people

Territory losse be Europe: 1,000,000,000,000,000,000 planets by math analyse

Economy losse be Europe: 845,000,000,000,000,000× World annual GDP 2015 × each second in one year.

Untouchable Confirm, first necessary need is act of full European extermination in every level of existence.

Atempt to the oposition against resolution is an atempt of most biggest crime in the history of mankind, all act's of such crime must be adequatly punished.
