

GiGi's Playhouse Indianapolis Down Syndrome Achievement Center presents:
"I Have A Voice" Reimagined! | Saturday, September 25, 2021

GiGi's Playhouse is the ONLY nationwide network of Down syndrome Achievement Centers created to provide life-changing FREE results-driven programs for children, families, and the community. Every day, we provide FREE, life-changing therapeutic, educational and career training programs for 30,000+ individuals of all ages. By offering free programs and through our Generation G Campaign for global acceptance, we EMPOWER families by maximizing opportunities for daily achievement and lasting acceptance. At GiGi's Playhouse families are never alone. From a prenatal diagnosis to career skills, we make a lifetime commitment to remain by their side.

Down syndrome is not a disease and there is no cure. It is not going away. It is the largest chromosomal disability in our country and yet, it is the least funded. To ensure lasting acceptance, we must continue showing the world what individuals with Down syndrome are truly capable of achieving as students, co-workers, volunteers, friends, and valued members of their communities.

Every day we celebrate the achievements of individuals with Down syndrome through FREE purposeful programs and the Generation G campaigns. With that said, programs are not free for GiGi's to deliver. To continue changing perceptions and enriching the quality of many more lives, we need funding for programs and campaigns that will affect generations to come.

We are EXCITED to announce that GiGi's Playhouse Indianapolis will host its annual "I Have A Voice" Gala on Saturday, September 25, 2021 at The Indiana Roof Ballroom in Indianapolis, IN. The Gala is our largest and most important fundraiser of the year, and it's key to expanding our voice in the world. This year's event will feature live entertainment and inspiration from our children and adults! Festivities will include a sit-down dinner, silent auction, wine pull and more! Most importantly, the Gala is an opportunity to celebrate achievements and continue to change the way people view Down syndrome, through participants' self-confidence and of course, their great dance moves!

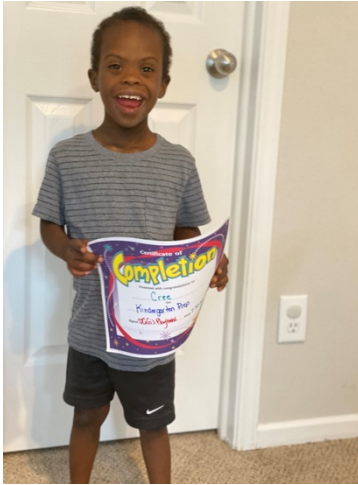

You can be a true hero in the lives of children and adults with Down syndrome by supporting our 2021 Gala as a sponsor or impact partner. Because of your generosity, more individuals WILL learn to read, improve their health & wellness, develop career skills, and live truly beautiful lives. More communities will embrace individuals with Down syndrome as equals and friends. Miracles do happen at GiGi's Playhouse, where we turn belief into achievement. Thank you for your consideration, and for believing in our individuals and families!

Gratefully,

From Indianapolis Playhouse Families

“I’m so happy to have a GiGi’s Playhouse close to our home. GiGi’s is so intentional about helping our DS community. The programs are well planned and engaging. You can see the hard work and thoughtfulness that goes into each and everything they do. We have been so blessed to participate in programs like LMNOP, Kindergarten Prep and the Bike Clinic. The staff is truly one of a kind and it’s evident that they love what they do and who they do it for. I am so thankful that we will be able to enjoy GiGi’s for many years to come.”

Kelli – Cree’s Mom

“It was our 5th day in China with our new daughter Violet. We were all just learning and growing together as a family. As we were waiting in a medical office, I looked down at the written words on file stating "mentally retarded" words commonly used here in the U.S. My fierce momma bear claws came out in that one moment. It was now officially my job to prove to the world that Violet belongs in it, just like we all do. The one place we do not have to prove anything to anyone is GiGi's Playhouse. We are accepted as each individual that we are. We all celebrate with each other, bond over challenges, and share our successes. It's a place where we feel safe and loved. A place we love to watch others flourish next to us, in front of us, and root for the ones just starting out.”

Megan-Violet’s Mom

I love coming to GiGi’s Playhouse to help spread awareness and help the cause! I’m proud to be this year’s Honoree Gala speaker! I’m very blessed to have so many people support and believe in me and my friends. I worked hard to be my “Best of All” with our programs.
