

WE NOW OFFER ONLINE BILL PAY

— PAY YOUR BILL ANYTIME —

To better serve you, we now offer online bill pay. When you receive your next statement, you can opt to pay the bill online versus mailing us your payment. You can also create an account to view your payment history, statements and create your own wallet.

Best of all, it's free, secure and *super easy*.

HOW DOES ONLINE BILL PAY WORK?

- 1** Soon you will be getting an email from us titled ePay Portal Invitation This will have a link so that you can create your account.
- 2** To create your account, you need to create a password and password recovery question.
- 3** Once you are registered, you'll be able to view or pay your bills and manage your payment arrangements, notifications and view receipts.
- 4** You can also create a wallet to speed future payments.
