

Communication No. 2496

Helmet Numbers Short Track Speed Skating Season 2022/23

1. Use of Dedicated Helmet Numbers

a) The dedicated helmet numbers shall be used at all ISU Events (ISU Championships and ISU World Cup Short Track Competitions), except for the ISU World Junior Short Track Speed Skating Championships where helmet covers will be provided.

b) These dedicated helmet numbers are assigned based on the Overall Classification of the ISU World Short Track Speed Skating Championships 2022 in Montreal starting with number 1 (one) until no. 34 for Women and until no. 46 for Men.

c) For all Skaters who did not participate in the individual races at the ISU World Short Track Speed Skating Championships 2022, the Overall World Ranking of the ISU World Cup Short Track Speed Skating 2021/22 has been taken into account.

d) Skaters who did not participate in any ISU World Cup Short Track Competition 2021/22 and/or in the ISU World Short Track Speed Skating Championships 2022 will receive the next available number, after the helmet numbers already assigned, the first time they will participate in an ISU Event during the season 2022/23, and such Skater will keep this assigned helmet number for the rest of the season.

d) The black numbers on white surface will be glued as oval stickers of the size of 8 x 14cm (height and length) on the left-hand and right-hand side of the personal helmets and shall not be removed during the whole season. The ISU does not accept responsibility for damages to the design/artwork on the helmet incurred when applying these numbers (stickers).

e) The numbers (stickers) will be provided by the ISU in accordance with the below list at the first ISU Event of the season. For those Skaters not attending the first ISU Event, the number (sticker) will be distributed at the first Event of the season the Skater is attending.

2. List of assigned dedicated helmet numbers for the season 2022/23

Women 2022/23 season
