

The Chat Logs—Jessica ❤️ Manda

Converted from the Meow Mix raw JSON dump of the Twitter DM log between Jonathan/Jessica Yaniv and MandaPandaGrrr. Yaniv's messages are on the left and Mandy's messages are on the right. Most of the URLs—and certainly all of the attachment URLs—are only functional if you're logged in as one of the participants, so I haven't bothered to link them.

People are obsessed

9/13/2019, 10:14:15 PM

Omg hi. I know it's so cringe. Like just get over yourselves

9/13/2019, 10:14:44 PM

I was at ROGUE Wetbar in Vancouver tonight with a reservation. A group of 14 women come in and request to have me removed because I make them "uncomfortable" I've already ordered drinks prior. GM approaches me and tells me that he doesn't know what to do because they don't want me here. I tell him, "are these really the type of guests you want here discriminating against other guests?" He tells me these guests will not go to their table because I'm in the restaurant and pays for my drink. He just wants me out of there. I advise him I'll call VPD because this is hate and discrimination. I hate this

9/13/2019, 10:15:45 PM

K like I hope you don't think I'm dumb but I'm not from Vancouver and I dunno that place but that's awful still.

10/7/2019, 9:31:30 AM

Ugh I'm so cute

10/7/2019, 9:49:51 AM

its hard to respect that part of you. its hard to respect anyone that wants to silence everyone else when your part of a community trying to fight back against being silenced by cis people and your just doing the same thing

10/7/2019, 9:49:59 AM

like if we want our voice they get theirs too

10/7/2019, 9:50:07 AM

otherwise you dont get yours.

10/7/2019, 9:50:23 AM

if you think everyone that disagrees you should be suspended or banned then you shouldnt be saying what you say

10/7/2019, 9:50:28 AM

and i sh ouldnt think what i think

10/7/2019, 9:50:52 AM

but if i want to be openly gay and you want to be trans and you want equality which we should want you shouldnt be trying to silence everyone

10/7/2019, 9:50:54 AM

thats stupid

10/7/2019, 9:50:58 AM

and hypocritical

10/7/2019, 9:51:05 AM

and really kinda embarrassing tbh

10/7/2019, 9:52:11 AM

like your no different then them and they make me cringe.

10/7/2019, 9:53:40 AM

The hate I get is insane. I have to buy a gun

10/7/2019, 10:00:55 AM

you know you give it out just as much though and you purposely instigate it lol you even told me

10/7/2019, 10:01:04 AM

its pretty easy to ignore haters.

10/7/2019, 10:01:20 AM

Yes I do

10/12/2019, 9:34:36 PM

10/12/2019, 9:34:54 PM

Make yourself vulnerable or open up instead of being a jerk to me

10/12/2019, 9:36:11 PM

How am I supposed to make myself vulnerable?! My life is RUINED by these jerks who keep spending this shut!

10/12/2019, 9:36:13 PM

Your just embarrassed of me cuz I'm young but at least I'm trying unlike u

10/12/2019, 9:36:13 PM

*SHIT

10/12/2019, 9:36:20 PM

I am incredibly vulnerable!!

10/12/2019, 9:36:34 PM

Ruinef how

10/12/2019, 9:36:50 PM

I need to have a fucking security company watch me that I fucking pay for, fucking Garda armed security. They're calling me on Monday to open an account.

10/12/2019, 9:37:14 PM

I have a fucking panic button on me at all times. Literally watched by TWO GPS trackers that follow my every move.

10/12/2019, 9:37:29 PM

how are you ruined

10/12/2019, 9:37:35 PM

You know you troll them

10/12/2019, 9:37:51 PM

These jerks contact everyone I associate with trying to ruin relationships. And they manage to! EVERY TIME.

10/12/2019, 9:37:51 PM

But idc in still hear but you act like I'm the plague

10/12/2019, 9:38:02 PM

NO. You're not the plague.

10/12/2019, 9:38:07 PM

Yes I am

10/12/2019, 9:38:37 PM

if they are jerks why do you post everything you post

10/12/2019, 9:38:43 PM

As much as i like you, I cannot do anything with you or have you here. I am constantly watched by cops. Like literally they watch my Twitter and FB ALL THE TIME. There's a whole team watching me.

10/12/2019, 9:38:45 PM

It fucking sucks.

10/12/2019, 9:39:06 PM

They watch my house too. It's under patrol.

10/12/2019, 9:39:06 PM

16 is legal age

10/12/2019, 9:39:31 PM

You didn't answer my question

10/12/2019, 9:39:39 PM

As soon as I step out of my house I am followed around by cops to ensure my safety.

10/12/2019, 9:39:41 PM

Why do you post the stuff you post

10/12/2019, 9:39:54 PM

If you know they'll troll u

10/12/2019, 9:40:07 PM

Why? Cause. There's a lot of stuff that needs to be said. AND yes, I am trying to piss them off, but there's no reason they need to be pissed.

10/12/2019, 9:40:12 PM

The stuff I post is true.

10/12/2019, 9:40:29 PM

And you're right, yeah we could.. BUT it's really risky given what's going on right now.

10/12/2019, 9:40:41 PM

If your trying to piss them off you can't say there's no reason to be

10/12/2019, 9:41:21 PM

And then you can't report them. Either stfu or be a warrior and argue but don't be like omg here im gunna say this to make you mad and report you when you are

10/12/2019, 9:41:54 PM

you know i'm fighting at least another 5 more human rights cases.... It's not over.

10/12/2019, 9:42:01 PM

You're not vulnerable at all to me

10/12/2019, 9:42:15 PM

Or anyone. You don't care if they get mad

10/12/2019, 9:42:20 PM

Or if I get mad

10/12/2019, 9:42:22 PM

I'm fighting Bill Whatcott, EcoChic, Elections Canada, a facial place that refused me, and another waxing salon.

10/12/2019, 9:42:26 PM

I AM.

10/12/2019, 9:42:30 PM

I am vulnerable.

10/12/2019, 9:42:31 PM

You've never cried over me or anything else

10/12/2019, 9:42:39 PM

I'm constantly vulnerable. Really... I actually have...

10/12/2019, 9:42:42 PM

Why ecochic and elections Canada

10/12/2019, 9:43:07 PM

EcoChic... They charged me another \$23 cause I'm a girl for a haircut that took literally 1 minute.

10/12/2019, 9:43:18 PM

Men get \$23 off for MUCH MORE.

10/12/2019, 9:43:27 PM

Gender-based differential pricing needs to be BANNED.

10/12/2019, 9:43:33 PM

and that's what I'll achieve.

10/12/2019, 9:44:02 PM

ELECTIONS CANADA.. fired me cause I'm transgender AND due to my political beliefs about the NDP and my support for Justin Trudeau and his pro-LGBTQ politics.

10/12/2019, 9:46:03 PM

How do you know that's why they fired you

10/12/2019, 9:46:17 PM

They said so..

10/12/2019, 9:46:28 PM

What did they say

10/12/2019, 9:46:39 PM

That seems sketch af

10/12/2019, 9:46:46 PM

I received a call around September 28th from Carol Sheardown, the Recruiter for my local Elections Canada office asking if I'd work a DRO (Deputy returning officer) position at RE Mountain Secondary school. I said yes to the position, and she asked me what days I could come in for training. I told her I had a busy schedule, but I could come in October 5th from 9-12:30. She then told me to come in and bring a void cheque. I then had another call with her in regards to being a CPS (central poll supervisor). She told me she did have some job for me travelling between polling stations but still come in. I did. I also went to the polling station to vote in advance. My strata president, Linda, also works at this elections office.. My information was leaked out by the Carol Sheardown recruiter on October 2nd, where my private email address was inappropriately sent out to about 20 unknown people, most likely trainees, for the local office. This is a privacy violation and I did not allow this to happen. The list was as follows: To: davelehal@yahoo.ca <davelehal@yahoo.ca>, bpfunk@hotmail.com <bpfunk@hotmail.com>, yvettezhou0908@gmail.com <yvettezhou0908@gmail.com>, dhananthi@yahoo.com <dhananthi@yahoo.com>, dwalsh54@telus.net <dwalsh54@telus.net>, jithomas67@outlook.com <jithomas67@outlook.com>, 26slehal@gmail.com <26slehal@gmail.com>, debkulchiski@gmail.com <debkulchiski@gmail.com>, n.dean24@gmail.com <n.dean24@gmail.com>, nat.nmaurer@gmail.com <nat.nmaurer@gmail.com>, irinbrar_05@hotmail.com <irinbrar_05@hotmail.com>, hello@jessicayaniv.com <hello@jessicayaniv.com>, sumankaurbrar@gmail.com <sumankaurbrar@gmail.com> Reply-To: 59016 ADR-REC <59016_ADR-REC@elections.ca> Several hours later, I then received a phone call when I was at the doctor from a woman named Cathy at Elections Canada. I told her to please phone back in 15 minutes. I then received a call back from her advising that due to my political beliefs on my social media accounts and my support for another party, I am not allowed to work for Elections Canada, and also due to the fact of who I am that being a transgendered woman. She then advised me not to come to training on October 5th. I then phoned the main office for Elections Canada to report this behaviour. I told them I know the law, including the Elections Act and I know that the only ineligibility to work is if you've been charged under the elections act, a person's views on their own social media accounts does not make them ineligible, and also the fact that I am transgendered does not make them ineligible. She confirmed that I am correct about this and I should file a complaint. This is when I contacted my lawyers at Watson Goepel. I also submitted my complaint to Elections Canada and received a service ticket # EC-20575932. The person at Elections Canada (Cathy) advised me that due to my political beliefs, a protected ground under the BC Human Rights Code (the Code), and my support for another party on social media, I cannot work for Elections Canada and my employment was now terminated. She also advised me it's due to the fact of who I am, that being a transgendered woman, which is another protected ground under Sex, Gender Expression/Identity. I support the Liberal Party of Canada publically on my Twitter page and the local BC Green party provincially. I have said I do not support the BC NDP,

it's leader, it's VP, and I donate to the BC Green party. I also do not support the federal NDP party due to the riding candidate. And I was terminated because of this, and being transgendered. How is this fair?

10/12/2019, 9:49:13 PM

Everyone posted screenshots saying that you weren't a client of that lawyer

10/20/2019, 9:38:22 AM

Ugh turn off

10/20/2019, 9:38:32 AM

10/20/2019, 9:39:05 AM

Like I know you think it's ok but I honestly think only weak people try to silence people

10/20/2019, 9:52:59 AM

Every time I say something you don't like you go away. You don't respect me: (

10/20/2019, 9:57:27 AM

i had to get rid of him

10/20/2019, 9:57:30 AM

i just had to

10/20/2019, 10:14:29 AM

He'll be back you know that

10/20/2019, 10:14:47 AM

I think I'm going to take a break from you. You really seem angry

10/20/2019, 10:15:13 AM

Why noooo :/

10/20/2019, 10:20:32 AM

Because you're being an ass to everyone and you know it and I don't want a gf that thinks that is ok

10/20/2019, 10:23:46 AM

10/20/2019, 10:34:46 AM

10/20/2019, 10:35:08 AM

10/20/2019, 10:35:13 AM

And if you lie, I'm out

10/20/2019, 10:35:16 AM

Deal?

10/20/2019, 10:36:47 AM

What

10/20/2019, 10:36:50 AM

what's the question

10/20/2019, 10:37:15 AM

Tell me why you like me

10/20/2019, 10:37:19 AM

You can trust me

10/20/2019, 10:37:25 AM

I don't want to hurt you or be hurt

10/20/2019, 10:37:46 AM

And tell me why you prefer girls my age. I just wanna know. I like it but I wanna know. Cuz I like you.

10/20/2019, 10:38:20 AM

You're beautiful, you're nice, you're not judgemental. You get me, and a lot of people don't get me. You have an amazing personality and you understand my personality. Because younger people understand the LGBTQ and they respect it. Older ones don't. They don't understand the LGBTQ mentality.

10/20/2019, 10:39:26 AM

So you've always preferred teens? Would you still like me if I was 17 or 18 or whatever maybe 13. Is it cuz of me

10/20/2019, 10:39:43 AM

It's cause of you.

10/20/2019, 10:41:25 AM

I've always preferred older girls so I understand preferring a certain age.

10/20/2019, 10:41:31 AM

I feel safe talking about this to you

10/20/2019, 10:41:38 AM

Yeah <3

10/20/2019, 10:41:49 AM

What's the youngest girl you'd ever date? Or touch 🙊

10/20/2019, 10:41:56 AM

I know what I think but I wanna hear you

10/20/2019, 10:42:04 AM

🙊🙊🙊

10/20/2019, 10:42:07 AM

18.

10/20/2019, 10:42:11 AM

I'm blushing irl

10/20/2019, 10:42:19 AM

That means you wouldn't date or touch my.

10/20/2019, 10:42:22 AM

10/20/2019, 10:42:31 AM

You know I cannot answer that!

10/20/2019, 10:42:55 AM

10/20/2019, 10:42:59 AM

I'm so done.

10/20/2019, 10:43:10 AM

I DO TRUST YOU.

10/20/2019, 10:43:11 AM

Nobody else has been as nice to you as me and you act like I'm

bad

10/20/2019, 10:43:29 AM

No because I open up to you and I'm vulnerable and you're paranoid af

10/20/2019, 10:47:30 AM

it's not that..

10/22/2019, 9:32:34 PM

This is a major blow with tons of inaccurate information and a total misunderstanding from the part of the Tribunal. The Tribunal was attacked by the anti-LGBTQ and the member personally was attacked, so I can understand why they would do a 360 on me, but I find the ruling completely unfair and unjustified with facts that do not make any sense and are completely untrue.

10/22/2019, 9:32:56 PM

What parts are untrue boo

10/22/2019, 9:33:05 PM

I haven't read it yet but I want to

10/27/2019, 6:49:04 PM

Ask who

10/27/2019, 6:49:40 PM

Any girl in the bathroom

10/27/2019, 6:50:39 PM

I would be cautious cause so many women are total bitches aha

10/27/2019, 6:52:46 PM

I do it a lot tbh

10/27/2019, 6:53:01 PM

They give me one as they think im cisgender

10/27/2019, 6:55:41 PM

I think that's amazing.. I wish I had the confidence to ask for tampons

10/27/2019, 6:56:12 PM

I straight up ask

10/27/2019, 6:56:17 PM

Like I get so scared to ask someone for a pad or tampon I just have to use toilet paper aha

10/27/2019, 6:56:27 PM

How do you know who to ask

10/27/2019, 7:17:58 PM

I just ask

10/27/2019, 7:18:05 PM

The friendly looking ones

10/27/2019, 7:18:15 PM

What do you even use

10/27/2019, 7:18:25 PM

I kinda like pads more

10/27/2019, 7:22:43 PM

Why do you use pads when you still have a dick babe, u know Idc but I'm just curious

10/27/2019, 7:22:49 PM

And I like tampons mostly

10/27/2019, 7:22:55 PM

But at night pads are better

10/27/2019, 7:23:00 PM

I just do ❤️❤️

10/27/2019, 7:23:06 PM

I'm worried abt toxic shock

10/27/2019, 7:23:13 PM

Where do you put tampons right now tho when you use them

10/27/2019, 7:23:59 PM

10/27/2019, 7:24:12 PM

10/27/2019, 7:24:31 PM

Sorry maybe a creepy question, but I never am a judging type

10/27/2019, 7:24:34 PM

10/27/2019, 7:24:46 PM

10/27/2019, 9:05:58 PM

10/27/2019, 9:06:10 PM

Yes!! You start

10/27/2019, 9:06:13 PM

Ask me

10/27/2019, 9:07:01 PM

What are you most excited about about having a pussy 🙊

10/27/2019, 9:07:49 PM

Not having that bulge there. The ability to put things inside of it and that that ill actually be considered a girl fully physically

10/27/2019, 9:09:21 PM

You're always a girl to me

10/27/2019, 9:09:29 PM

Okay your turn 😏

10/27/2019, 9:10:01 PM

Why do you like me so much? What do you like most about me and how do you see me as a girl

10/27/2019, 9:11:55 PM

I feel like I can relate to you so much and you don't judge me either, I see you as a girl because you are one and you make me so comfortable I have never had anyone in my life like that before

10/27/2019, 9:13:27 PM

So you see me as a girl even though I don't have a pussy yet... how come? So many people say otherwise.. if you don't have a pussy you're not a girl

10/27/2019, 9:13:36 PM

What is ur biggest turn on and turn off? 🙊

10/27/2019, 9:14:22 PM

Turn on? Girls with tight pants and girls on their period. When they're super open and close with me.

10/27/2019, 9:14:24 PM

and I have never really thought about your genitals being a real representation of who you are and how you feel

10/27/2019, 9:14:35 PM

Turn off: fakes and liars

10/27/2019, 9:15:16 PM

And 😊😬 I think sex with a girl on her period would be interesting.. just idk how I'd feel

10/27/2019, 9:15:28 PM

I've done it

10/27/2019, 9:15:34 PM

11/5/2019, 11:56:32 AM

I do have a bodyguard. I signed up yesterday

11/5/2019, 11:56:39 AM

11/5/2019, 11:57:13 AM

I finally got one yesterday

11/5/2019, 11:57:21 AM

11/5/2019, 11:57:59 AM

Like an emergency panic button

11/5/2019, 11:58:07 AM

u wouldnt need that if yo uwerent causing so much trouble

11/5/2019, 11:58:36 AM

11/5/2019, 11:58:48 AM

Ok ask@

11/5/2019, 11:58:50 AM

Ask me

11/5/2019, 11:59:23 AM

explain your intersex claim. u already told me you have a dick and u dont have a vagina so why do you tell people you do

11/5/2019, 12:00:52 PM

I do have ovaries and most likely an inactive uterus. Trying to get that scanned. Because im super gender dysphoric. I can't see myself with male parts. I want them gone so I believe and tell people they're already gone so I believe it myself

11/5/2019, 12:01:16 PM

k u dont have ovaries. that isnt even possible. i told you im out if you lie. bye.

11/5/2019, 12:01:32 PM

i spent 3 days looking this shit up and nope.

11/5/2019, 12:01:49 PM

It is possible!

11/5/2019, 12:02:03 PM

My aunt has it too

11/5/2019, 12:02:56 PM

I'm not lying about this!

11/5/2019, 12:03:48 PM

Intersex people are born with sex characteristics (including genitals, gonads and chromosome patterns) that do not fit typical binary notions of male or female bodies. ... the type of gonads —ovaries or testicles, sex hormone levels, the internal reproductive anatomy.

11/5/2019, 12:06:06 PM

what do you do with pads or tampons

11/5/2019, 12:06:26 PM

Pads I wear cause I get a lot of discharge.

11/5/2019, 12:07:23 PM

from what

11/5/2019, 12:07:26 PM

you

11/5/2019, 12:07:27 PM

dont

11/5/2019, 12:07:28 PM

have

11/5/2019, 12:07:29 PM

a vagina

11/5/2019, 12:07:45 PM

My 🍆 🤔

11/5/2019, 12:08:28 PM

so why do you buy tampons

11/5/2019, 12:08:32 PM

like its so fake

11/5/2019, 12:08:49 PM

To give to people... and to carry with me so I'm more female

11/5/2019, 12:10:06 PM

why did you leave those elmo messages for that girl

11/5/2019, 12:11:41 PM

im very forgiving but i wanna know everything

11/5/2019, 12:11:47 PM

and rn you look super bad

11/5/2019, 12:12:09 PM

This is what I sent to her

11/5/2019, 12:12:11 PM

Hey. I need to and want to apologize to you about things that occurred years ago. I feel that I need to, and I need to apologize to you to close that chapter and to make things right. I'm sorry for what I did. I am sorry for the way I talked to you. I was not well after my dad died and I used people considerably, including you. I craved attention, and that attention that I craved was not good. I was a depressive, miserable person that only wanted to talk to people, didn't matter what, to keep conversations going and for them to never end. So I did stupid shit and when I look back on it, I hate it. I hate what I did, and I feel horrible about it. I wish I could go back and fix it all, but I can't. I know that what I did caused you a lot of stress, a lot of mental issues, and for that I apologize. I apologize that I used you. I apologize that you've been made the

centre of all of this crazy controversy. It's not fair to you. No one should ever go through that. I hope you will accept my apology as a peace offering to close this horrible chapter that occurred in both our lives and move forward.

11/5/2019, 12:13:34 PM

why did you sue those women because they werent white

11/5/2019, 12:13:54 PM

That's false

11/5/2019, 12:14:08 PM

It wasn't cause they weren't white

11/5/2019, 12:14:19 PM

And they weren't all brown!

11/5/2019, 12:15:05 PM

k but you obviously lied when u went after them like i can read teh news. i know what happened

11/5/2019, 12:15:18 PM

11/5/2019, 12:17:23 PM

I'm doing stuff to get it fixed

11/5/2019, 12:18:09 PM

how is it wrong it has your chat in it in your own words

11/5/2019, 12:18:27 PM

The thing about immigrants not being clean?

11/5/2019, 12:18:46 PM

11/5/2019, 12:18:59 PM

11/5/2019, 12:19:10 PM

11/5/2019, 12:42:15 PM

11/5/2019, 12:43:19 PM

k now the hard part and the real test

11/5/2019, 12:43:48 PM

ik now you sometimes go by jonathan and thats ok cuz its who you are but i want you to be honest with me then too and just be jonathan no more back and forth

11/5/2019, 12:45:49 PM

No I never do!

11/5/2019, 12:46:03 PM

I have some profiles that are under my old name still

11/5/2019, 12:46:15 PM

I am fixing it as I see it come up

11/5/2019, 12:46:20 PM

you did with the salon people tho

11/5/2019, 12:46:31 PM

and then u got mad when they thought jonathan was a boys name

11/5/2019, 12:48:51 PM

That was before my name change

11/5/2019, 12:48:57 PM

Which was in April!

11/5/2019, 12:53:34 PM

k but why did you message them as jonathan one minute and a few minutes later as jessica

11/5/2019, 12:53:51 PM

like your entire story is garbage and your better off just to tell the truth so we can get past this

11/5/2019, 12:53:56 PM

but you wanna dig your hole deeper

11/5/2019, 12:54:43 PM

Oh cause what Ellie did was change my name (nickname) on the conversation

11/5/2019, 12:54:50 PM

Or rather Jenna

11/5/2019, 12:55:08 PM

They changed it from Jessica to Jonathan

11/5/2019, 1:15:36 PM

you did that with the salon ppl

11/5/2019, 1:16:06 PM

Because it was in 2018 before I switched

11/5/2019, 1:18:24 PM

k ur just fuckin around

11/5/2019, 1:18:32 PM

you told the salons you were jonathan AND jessica

11/5/2019, 1:18:33 PM

11/5/2019, 1:22:22 PM

11/5/2019, 1:23:05 PM

I did tell them I'm Jessica as I didn't change my name on Facebook

11/5/2019, 1:24:06 PM

why did they say they thought jonathan was a boy name and you said that was wrong for them to think that

11/5/2019, 1:36:01 PM

Cause names don't mean gender

11/5/2019, 1:38:26 PM

i think you were trying to trick them...

11/5/2019, 1:38:33 PM

No

11/5/2019, 2:07:10 PM

ok then explain why you used both names

11/5/2019, 2:07:23 PM

im looking at the document right now and it says you contacted them as one name and then the other

11/5/2019, 2:10:22 PM

like ily but i wanna kknow the truth and if you're doing stuff to cause trouble well i guess but i wanna at least know and be in on your antics lol like dont lie to me of all people

11/5/2019, 2:49:15 PM

Sorry I'm here

11/5/2019, 2:49:24 PM

My mom came over

11/5/2019, 2:49:32 PM

Ok I'll explain

11/5/2019, 2:50:51 PM

I had the communications on my Facebook account at the time that was under Jonathan. I was scared to change it as i am verified on Facebook and to lose that verification that I worked so hard to get. So.. I communicated under Jonathan but told them my name is Jessica. In addition, I created a fake account that used to communicate with some people, under Jessica.

11/5/2019, 2:51:06 PM

These people saw Jonathan and some of them just wouldn't talk to me

11/5/2019, 2:51:09 PM

So I used the fake account.

11/5/2019, 2:51:30 PM

One day, I decided to take the risk and change my name on Facebook to my legal name, Jessica, and I didn't lose verification and I was so happy

11/5/2019, 2:51:37 PM

So now, it stays as such as Jessica Yaniv <3

11/5/2019, 3:33:13 PM

you know your lying i know your lying the tribunal said you were lying

11/5/2019, 3:33:19 PM

11/5/2019, 3:33:48 PM

11/5/2019, 3:34:01 PM

I know they said I'm lying

11/5/2019, 3:34:06 PM

They said a lot

11/5/2019, 3:34:09 PM

11/5/2019, 3:34:33 PM

Tell me what you're fixing

11/5/2019, 3:34:37 PM

You don't even make sense

11/5/2019, 3:34:53 PM

It's your own words at the tribunal and in the verdict paper

11/5/2019, 3:35:22 PM

I sent in a reconsideration requests

11/5/2019, 3:36:20 PM

Ok but I believe the tribunal. It really looks like they were right and I believe it.

11/5/2019, 3:40:06 PM

Like im starting to think the stuff im readinf on Twitter is true

11/5/2019, 3:40:20 PM

No it's not!

11/5/2019, 3:40:32 PM

No they weren't right

11/5/2019, 3:40:34 PM

it can't all be lies

11/5/2019, 3:40:43 PM

Why can't we move on?!

11/5/2019, 3:40:59 PM

Uh because you have to deal with this

11/5/2019, 3:41:09 PM

Or else im moving on without you

Like there is so many pictures and videos and stuff and idk how it can all be lies not all of it

11/5/2019, 3:42:10 PM

Let me read the whole thing

11/5/2019, 3:42:41 PM

I know you're not perfect but still i don't wanna be lied to all the time and if there's a future we need to fix this first

11/5/2019, 3:43:21 PM

– Application for Reconsideration – Dear Ms. Cousineau, There are many corrections that need to be made to this decision. I strongly believe that external factors such as harassment from 3rd parties towards the Tribunal and yourself created this decision as there are many inaccuracies towards me and the reasons of filing these complaints. These complaints were not at all racially motivated and I would like that corrected immediately please. I do believe this reconsideration request is in the best interests of fairness and justice towards these providers who did in fact discriminate against me as a transgendered woman seeking waxing services available for women.

11/5/2019, 3:43:30 PM

I also do not believe that the same Tribunal Member should be reconsidering this, due to the fact that she was harassed and abused by 3rd parties and I do strongly believe that the harassment she went through via her personal Twitter account and work email from 3rd parties had some affect in her decision. I want to mention though, that I highly respect Ms. Cousineau for the work she does, however, I do feel that unfortunate harassment that she received played a role in her decision.

11/5/2019, 3:43:43 PM

I have suffered unfairness because of this when all I want was to get the services that my gender can receive, that being, waxing. In addition, the definition of a brazillian wax is the removal of hair from the belly button to the anus. A brazillian wax does not mean any certain type of genitals. In addition, the complaints against both Judy Tran, Merle Norman Cosmetic Studio, and Sukhi Hehar Gill are 100% justified as they all have services that are customarily available to the public, that being leg waxing and in the case of Merle Norman (who does "male brazillian" waxing) as well. In addition to the following corrections: [2] – Inaccurate statement: "Most of them presented as racialized, with English not their first language. "

11/5/2019, 3:43:58 PM

Correction: Merle Norman for example, is not a racialized business and they spoke English. It's also a large franchise and not a small business. As such, I did not target certain ethnic groups and small businesses for financial gain. In fact, as I have said many times during pre-hearing, these complaints are not and were not for any financial gain what so ever, it was to correct and stop systemic discrimination that is occurring in today's society against the LGBTQ2SIA+ community. I find it extremely offensive with the decision stating that I targeted ethnic groups when this is not the case at all. The fact of the matter is, the complaints that did not resolve in mediation, because they did not even go to mediation, were mostly ethnic. The complaints that did resolve in mediation, some were ethnic, and some weren't, but to say I am and have targeted ethnic groups for financial gain is inaccurate and outright offensive. [16] "In cross-examination, she was evasive and argumentative, and contradicted herself."

11/5/2019, 3:44:29 PM

There were elements that yes, I did not feel comfortable answering. I am extremely gender dysphoric and this is a mental issue which I suffer with. This isn't something that I can easily control, and I found many of the questions during cross-examination offensive. However, I did not contradict myself and I wish for this to be corrected. Now, in regards to the service being requested. It was stated that "Jonathan" is a stereotypical male name. Then I raise the question that if "Jonathan" is a stereotypical male name, then why was the service not refused at that moment, as the name that was requesting service was "Jonathan." However, in most instances, if not all, the service was not refused immediately but it WAS refused when I mentioned I was transgender. This is further backed with the recordings with Merle Norman. And this is explicitly the issue at hand and where the discrimination plays out and why these complaints were filed. It was explicitly due to the fact that I mentioned I was transgender. And in fact, ALL of these service providers have no issue doing services on "males" as if they did, again, why wasn't the service refused immediately? They only refused service again, until I mentioned I was transgender. As such, I do believe that the Tribunal was misguided by all Represented respondents, and also did not see that the Unrepresented Respondents did indeed perform the service (scrotum waxing) as requested, because if they didn't, then with "Jonathan" being a stereotypical male name, they would have refused the service before mentioning I was transgendered. In addition, Merle Norman does indeed do scrotum waxing. Reason being, I have had it done at Merle Norman Langley without any issue. I did not return to Merle Norman Langley due to the issues of privacy surrounding that location. In specific, the door to their room faces the lobby where customers can have a peek at a persons genitals if they are unrobed and the representative leaves quickly. I did not feel comfortable in that aspect of it not being double doored.

11/5/2019, 3:45:07 PM

So the statement of Merle Norman not performing the service is inaccurate and they did in fact refuse service on prohibited grounds as they have services customarily available to the public

The services requested are medically necessary for pre-op transgender women seeking surgery. Hair removal is a strict requirement and waxing does indeed help to remove and limit the amount of hair. The strict removal method and medically approved method is electrolysis, however, the procedure is extremely painful and costly. As such, I am of the position that the refusal of services also affects my ability to properly transition, which I may seek as discrimination due to physical disability. However, I am not going to further complicate this issue, but I did want to mention that having excessive pubic hair can be considered a disability as it is to my knowledge a medical issue, that needs to be treated pre-surgery. [46] – If this was indeed the case, that being that I was perceived as male by my name and picture, then why wasn't I refused service BEFORE mentioning I was transgender in all instances? Again, it was only after mentioning I was transgender, including with Merle Norman, that I was refused service. [51] "at the time" needs to be added after "she was not menstruating"

11/5/2019, 3:45:28 PM

In addition, service providers such as Waxology talk about waxing around a tampon string and being on your period not an issue for waxing. They are a professional waxing studio and I know them personally. This is why, when it came to Benipal I asked the question to determine professionalism, as it's seen in several waxing salons including Waxology, such as: a. <https://t.co/VYq8jdpEqO> b. <https://t.co/PUuYrIAkNI> c. <https://t.co/6ycy3Q0hUc> d. <https://t.co/9wWhLkNGV3> e. <https://t.co/3EzBAqkI5V> "Don't cancel your appointment if you have your period. I've seen so many tampon strings over the years I can practically identify the brands." - <https://t.co/3EzBAqkI5V> All of these providers are considered professional waxing companies. As you can see, they all reference tampons and tampon strings. This question was valid in my eyes to determine professionalism of Benipal. As such, I request that all statements relating to as such be corrected.

11/5/2019, 3:45:53 PM

This statement: "In my view, the most likely scenario is that Ms. Yaniv was trying to make Ms. Benipal feel uncomfortable or awkward for her own amusement or as a form of revenge." Also needs to be struck. It is inaccurate. I did not seek "amusement" or a "form of revenge" by asking this question. As seen above, it's a common question to ask waxing providers whom are professional. I do not agree with any statements that I am "racist" towards immigrants. All of these statements are untrue and inaccurate and libelous towards me. I do not have any issues with immigrants. What I have issues with are individuals who are abusive towards others, specifically the LGBTQ and use the fact that they may be an immigrant as an excuse for their outrageous behaviour. [67] I am always in the area early in regards to all of my appointments, I take my time getting places and I do not agree with the Tribunal's statement that this is odd and "unlikely." Yes, it doesn't take 4.5 hours to travel from Vancouver to Surrey on transit, however, given how I travel and stop along the way, for me, that is likely and possible and that's what I would have done. [96] The complaint is justified as the Tribunal has stated: "There is no question that Mrs. Hehar was customarily providing the service of waxing arms and

legs. It is clear from the conversation that Ms. Yaniv's gender identity was a factor in her decision to refuse service. " If individuals can refuse service for any reason because their 'husband's wont allow it' we have a significant problem. I do not agree with the Tribunal's statements in these regards because it opens a dangerous window of opportunity for people to engage in discrimination, and then blaming it that a 3rd party won't allow them. The Tribunal stating that this is a "sufficient to shift the burden to the Respondents to establish a bona fide reasonable justification for the denial." Is unacceptable.

11/5/2019, 3:46:12 PM

[115] The Tribunal has stated that "I am satisfied that the pattern is deliberate and motivated by Ms. Yaniv's animus towards certain, non-white, immigrants to Canada and, in particular, members of South Asian and Asian communities. I return to this below." This is absolutely incorrect. This is not "deliberate" and "motivated" by any means. I only wanted to receive a service. Most of the providers for waxing in these communities are racialized women. Does that mean that we are all required to "give in" if and when we are discriminated against because filing a complaint against these individuals would constitute racism? I do not agree. [116] Not true. As a female, in specific, a transgender woman, going to a salon that may be physically abusive, after being sexually assaulted in previous years, is terrifying. You never know what will happen once you book a service, go in, disrobe. Will you be attacked? Assaulted? Raped? So yes, I communicated with businesses over Facebook Marketplace to talk to them. Having a male sounding voice is dysphoric to me, and it's hard for me to communicate over the phone without getting misgendered, I hate it, and I get defensive when I get misgendered. So for safety, I decided to use Facebook Marketplace. I was never deceptive in my communications. At that time, my legal name was Jonathan and I was pre-hormone treatments. I still had a male physique and to many people, I presented as male. However, I was female. For my own safety, I communicated with them over Facebook Marketplace. This was not "entrapment" or anything as such. This was to ease communication for the issues listed above. The only case where I phoned in, was with Merle Norman and due to the issues presented with other salons getting refused service, I did record it. There was never any deception in any means. In fact, it was quite the opposite given my Facebook presented as male in the public eye.

11/5/2019, 3:46:31 PM

[117] Asking if she'd work around a tampon was not petty nor vindictive, as mentioned in my statements that professional waxing providers are asked this question, as mentioned on their website in FAQ's. It is absolutely incorrect in stating that I was not seeking waxing services. In fact, I am consistently seeking hair removal services in that region as I am pre-op and waiting surgery so I need to remove as much hair as possible from that region. I am not a fan of electrolysis, so I am seeking the cheapest and most effective option for me to help that issue. With such surgeries, hair can grow inside of the vaginal cavity. This is dangerous, and why electrolysis hair removal is necessary. And this is why I am seeking these gender-affirming care services. My

application for costs towards the JCCF, might have been exaggerated in terms of what was requested. However, I was harassed relentlessly by the JCCF and their staff. This conduct is being dealt with their governing body in Alberta. For confidentiality reasons, I cannot discuss what is taking place. Costs towards me: I do not find my conduct at all improper and I find the amount requested for me to pay, unreasonably high. First of all, my business has suffered tremendously after getting attacked by anti-trans activists and my health throughout Spring-Summer of 2019. I simply do not have \$6,000 to pay anyone. I am currently in significant debt that I am working to pay off. I barely eat. I do not buy groceries anymore. I am working promotional jobs to pay for my medications and emergency expenses. As such, I am seeking an alternative to a financial remedy such as community service, if available. I simply cannot afford any amount of costs that exceed \$1000 and I can prove this. Regards, Jessica Yaniv

11/6/2019, 6:53:15 PM

Intimate content?

11/12/2019, 5:55:14 PM

11/12/2019, 5:55:29 PM

Wow

11/12/2019, 5:55:30 PM

Why

11/12/2019, 5:55:30 PM

11/12/2019, 5:57:53 PM

Intimate

11/12/2019, 5:58:01 PM

why does your story change

11/12/2019, 5:58:08 PM

Yeah I tagged it as intimate content

11/12/2019, 5:58:19 PM

so you lied to them

11/12/2019, 5:58:27 PM

No

11/12/2019, 5:58:29 PM

Just be honest for fuckin once

11/12/2019, 5:58:42 PM

Talking about tampons is intimate content

11/12/2019, 5:58:59 PM

Really??? are you serious

11/12/2019, 5:59:04 PM

11/12/2019, 6:00:07 PM

How?! I took down bullying content about me

11/12/2019, 6:00:08 PM

But obviously you have problems

11/12/2019, 6:00:12 PM

You bully people!!

11/12/2019, 6:00:12 PM

I do love you!

11/12/2019, 6:00:18 PM

11/12/2019, 6:01:20 PM

What about turban fuckers?

11/12/2019, 6:01:36 PM

That was a mistake to say

11/12/2019, 6:01:45 PM

Why can't we move past this?

11/12/2019, 6:02:26 PM

I hope the meow mix comes back and every one sees and when you cry about it I hope it comes back again. It's all out there. when you do this you just make it worse

11/12/2019, 6:02:40 PM

Instead of being a good person and giving them something good to write you just be a bully

11/12/2019, 6:02:49 PM

because it needs to be dealt with

11/12/2019, 6:03:01 PM

Are you to9 big of a loser to deal with problems

IT'S ALL REAL!!

11/12/2019, 6:03:40 PM

It's you!!!

11/12/2019, 6:03:44 PM

It's true!!!

11/12/2019, 6:03:56 PM

11/12/2019, 6:12:33 PM

It's hard when they say stuff about my dad!

11/12/2019, 6:12:35 PM

The father beat the mother so bad she lost her hearing and ability to speak clearly to this day. I believe JY called 911 for most of the domestics so it was totally exposed to male on female violence. It affected it.

11/12/2019, 6:12:40 PM

Stuff like this!

11/12/2019, 6:13:05 PM

Do you have any idea the emotional impact this has on me?!

I had such a good relationship with my dad it affected me so much and still does to this day

11/12/2019, 6:16:06 PM

Oh so I'm sure he'd be happy that you're treating the world like shit

11/12/2019, 6:16:14 PM

You have no idea how much I love you

11/12/2019, 6:16:25 PM

Nope. I don't. Cuz you're a bully

11/12/2019, 6:16:37 PM

You think it's funny to shut people down and stuff

11/12/2019, 6:20:39 PM

Ya just run away now

11/12/2019, 6:23:22 PM

Like I'm the only person you fucking have and your a jerk to me

11/12/2019, 6:35:32 PM

I don't see any threat there

11/12/2019, 6:35:34 PM
