

## LIST OF PAKISTAN-TEHREEK-E-INSAF OFFICIALS WHO OWN CONSTRUCTION/CONTRACTING FIRMS AND WHO DONATED TO ERIC ADAMS' CAMPAIGN

*The following individuals are construction or contracting business owners who are involved with Pakistan Tehreek-e-Insaf (PTI), a registered foreign political party. Each individual either holds an elected position within the American and New York branches of PTI, or in one case is closely aligned and sympathetic to the party. All but one of these Pakistani New Yorkers have donated to Eric Adams mayoral campaign.*

*This is very likely an incomplete list and may only include a portion of Adams' donors who belong to PTI and own construction companies. This list is also only a smaller subset of PTI officials who contributed to the Adams campaign.*
