

# August Eight Market News Death and obituary Report.

DID I NOT TELL YOU THEY WERE COMING, THAT IT WAS ONLY A MATTER OF TIME?  
This was what Miyetti Allah meant when they said they were setting up a nationwide vigilante to protect Fulani interests. Despite my repeated warnings over the years, the one Nigga-area clowns failed to take notice. Market News of if but when. By the time Fulani must have finished dealing with you Zoo idiots, you plight will be worse than that of a impoverished Hausa peasant.

Thankfully gossipers and sabo will be slaughtered too. In your next life, some of you Zoo animals will learn how to discern and reason things through on time. Keep talking trash about a New Nigeria and Igbo presidency as hardened Fulani Jihadists are busy slaughtering and taking over your land.

Ndi Ara!.

You always say the truth,our pastors and prophet never tell us they are coming so we can prepare,they only told us that buhari is the messiah,the best and a prayer answered.

You've been saying it but people perish for lack of knowledge...however if the US are genuinely concern let them do the needful.

Mazi Nnamdi Kanu good morning. Please you cannot do politics with the blood of our people rather we can shield ourselves and use the blood of the politicians and their families and teach the zoo a lesson and make known to janjaweed that we will not spear any living being that have life in them in the zoo when it begins. Please mazi lead us to the promise land regardless of the efulefus.

A DAY IS COMING THAT WE WILL MATCH. IF OHANAEZE STAYS ON OUR WAY, WE CLEAR THEM ALONG WITH THE ENEMIES.
