

To whom it may concern,

It's my pleasure to provide this letter of recommendation for Miss Michelle Marais. Michelle has work for one month with our company. Michelle showed excellent skills by consistently making progress with tasks given to her the past month and was a very fast learner. On a personal level, she's charismatic and well-spoken, both qualities that served her well working with people.

Allow me to point out a few of Michelle's strengths.

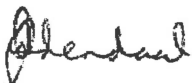

Firstly, Michelle show a lot of dedication in her work and it can be seen in the way she make progress in tasks given to her. She was responsible for treating of sick animals as well as the nutrition on a daily basis in the grower unit. She also got exposed working in the farrowing house which include helping animals give birth, treating of piglets, nutrition and weighing protocols of piglets.

Secondly, Michelle has excellent communication skills. In addition, she is extremely organized, reliable and computer literate. Michelle can work independently and is able to follow through to ensure that the job gets done. She is flexible and willing to work on any project that is assigned to her.

Finally, Michelle has proven herself to be a strong cultural fit here at Topigs for the month she was with us. She's always ready to lend a helping hand to her teammates and contributes during brainstorming sessions and meetings.

In closing, I'd like to restate my strong support for Michelle's application. I'm confident that she will surpass your expectations in her new role. Michelle is driven, self-confident, proactively helpful, and smart, and I know she will continue to find success in working with pigs.
