

CraftYourTown Branding

Please note that our logos are protected under the UK Copyright law. Read more [here](#)

You may use our logos for anything related to CraftYourTown in a positive manor. CraftYourTown is fun and your use for it should respect and show that.

The only rule that applies to Discord server icons and media thumbnails is marked with a '*'

Logos that you are allowed to use:

* The following logo is retired, do not use it.

If you decide to use our logo, do not cover, recolour, tilt, take snippets of, gradient or present it on its own.

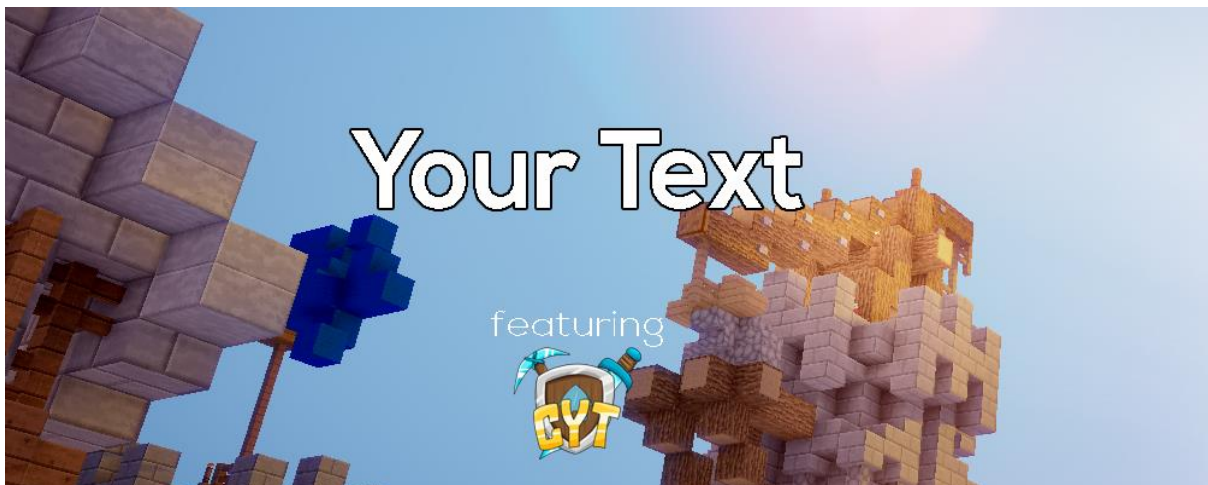

How to use our logo correctly

Do not place it in the corner, behind, or as the main aspect of your use. This will reflect to your audience that we are affiliated with you.

Please make sure that you include 'featuring' in the use and have the logo below it.

Aight that's it. Make it look cool too. Ty.
