“In the Palm of God’s Hands”

LVSA HELPING HANDS

LVSA Helping Hand’s desire is to serve people in need using our corporate resources and those provided by generous donors.

The organization strives to supply basic human necessities like food, clothing, hygiene products, and stationery to support education. Using mobile facilities, we reach out to disadvantaged communities within the country.

VISION & MISSION

LVSA Helping Hands' was literally a dream of the CEO of LVSA Group, he holds feeding the community very close to his heart. It is astonishing to see this dream become a reality.

Helping Hands is centered on selflessness and social cohesion that ensures basic human needs are met: to give every man, woman and child human dignity.

THANK YOU

We at LVSA Group would like to thank all donors for any kind gestures donated to our cause this far and to everyone who will continue to contribute in the future.

You ensure that this outreach touches the lives of many people who have little to no means of providing basics needs for themselves

CONTACT US

If you are aware of any community in South Africa who is not being assisted with basic human needs or would like to donate to our cause with time or funds, please feel free to contact us.

Donations of time, food, clothing, toys, stationery, toiletries or funds will go a long way in ensuring we give dignity to people all over South Africa.
