Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

Bet type	Level of difficulty	Explanation and expectation
Win	U U U	Your horse must finish 1st; payoff determined by the win odds.
Place	U U	Your horse must finish 1st or 2nd; payoffs better than to show.
Show	U	Your horse must finish 1st, 2nd, or 3rd; modest payoffs.

Exotic multiple-horse bets

Bet type	Level of difficulty	Explanation and expectation
Exacta*	U U U U	Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds.
Daily double	U U U U U	Pick the winners of two designated consecutive races.
Pick 3, Win 4, Pick 5, Pick 6	U U U U U U	Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager.
Triactor*	U U U U U U U	Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses.
Superfecta*	U U U U U U U U	Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible.

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

Race 1 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 HIGHMOON SUNSHINE was easiest kind of winner when she dropped back down to this level on November 27th. Filion wasted no time in sending her to the lead and she maintained a healthy margin throughout before running up the score in the stretch to win by nearly six lengths in 1:53 flat. It was her third start off the claim for trainer Richard Moreau and she spent the first two taking on much tougher in the condition ranks. This mare gets put right back in for the same price that she was in for last week and is a prime candidate to double up. She is our clear top choice to kick off the card.

#6 MISS ROCKADALI raced much better last week when she was put into play from the nine-hole and sat an inside trip to finish second to our top choice. She had turned in four consecutive lackluster performances prior to that but might be able to build on her most recent effort.

#3 PATRICKS COOKIE has been on the edges in the class since getting claimed back by Stephen Davis. She slipped out off the pylons last week to grab cover second-over but did not advance on her rivals in the stretch. She draws inside again this week and might be able to land on the ticket at a decent price with a similar trip.

#5 PRETTY HOT is making her third start back off a layoff of more than three months and now returns to the claiming ranks for the first time since 2017. She took on condition foes here and at Flamboro in her last two and might enjoy the reclassification tonight.

Held at racetracks across the province, the Ontario Sires Stakes (OSS)

is a series of races specifically for horses sired by a stallion standing in Ontario. Since 1974 the OSS program has been promoting the breeding of quality Standardbred horses in Ontario and providing economic incentives to breed, buy and race horses in the province.

When you come out to watch the OSS races you are helping to support your local community's breeders, owners, trainers, grooms, vets, blacksmiths and more!

Race 2 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 MAJOR MUSCLE drops back down to the bottom condition, where she enjoyed her most recent victory on September 24th when she won by three lengths in 1:54.2. She did not get a check in her three subsequent starts in NW8000L5 and finished fifth in her most recent in the class above this but was placed seventh because of a pylon violation. This mare will come into this race off nearly a month and typically that would be a reason to shy away but that most recent victory at this level came when she was off three weeks. This looks like a soft spot for her to get back in the win column, but she will need to show more than she has in her last few starts. Top call.

#4 SO NOT COOL drops down two notches on the class ladder to the bottom condition and is making his third start back after being off for nine months. He produced a solid effort in his latest when he made late gains and gamely chased a pair of decent trotters to the wire in the stretch. This gelding was a winner when he dropped down to this level back in January and he finds himself in a soft spot where he has a chance to return to the winner's circle. He should not be ignored.

#1 CANTABERNET draws the pole position and drops back down to this level after two starts in NW5000L5. He has been no worse than fourth in nine of 11 tries in this class this year and figures to get a favorable trip tonight. He can land somewhere on the ticket.

#2 DONATO LANE was one that we tried underneath last time at long odds and our prospects looked good until the three-quarter pole. He gets put back in the same class and will now make his fourth start back after nearly a year off. This gelding might take a step in the right direction one of these weeks by sticking around at a big price.

Race 3 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 SCOOTNROLL got a nightmarish trip from the second-tier in his first start out of the barn of Gregg McNair last week. He got away ninth off the gate and then ended up fourth-over before McNair took him back to the pylons to save ground on the final turn. They then encountered traffic trouble in the early part of the stretch drive before shaking loose to close well to be fifth. He came his back-half in 54.2 and his final quarter in 26.2. This gelding has won 10 of 15 and has only missed the board in two of those starts. He gets his nose on the gate tonight and should be brave off his latest effort. Expecting McNair to have him forwardly placed and this one gets our top honors in the first leg of the Valedictory.

#8 BIG SIR just missed by half a length last time after being driven aggressively from the outermost post. He came into the race under similar circumstances that our top choice faces tonight because he was a victim of a difficult journey from the trailing post in the start before. This gelding sped through early panels of 27.2 and 55.2 but was unable to hold off Walk It Talk It on a track that was graded two seconds off. McNair opts to drive our top choice, but he picks up a suitable replacement in Trevor Henry.

#3 BEE TWO BEE rolled wide around the final turn to finish third to Reagan Blue Chip in his latest in NW3, after a blowout score in NW2 on November 23rd when he won by six lengths in 1:51.4. This colt has seemed to turn a corner and gets a significant post position advantage over the two above. We will still give that pair a slight edge, but he is logical choice to hit the ticket.

#4 WINDEMERE FRANK was never in contention in his first start out of the barn of Carmen Auciello last week. He got away eighth off the gate and never advanced on his rivals and the tepid pace on the front-end certainly did not help his chances. That was this gelding's first start in nearly a month after shipping in from PEI and it is possible that he improves significantly tonight.

Race 4 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 VILLAGE ARTIST made steady gains throughout the mile last time to finish third. She got away ninth from the eight-hole and saved ground on the final turn before closing along the pylons in the stretch. She came her back-half in 56.4 and her final quarter in 28.2. This filly hails from a barn that has won four of their last nine and now picks up the services of the circuit's leading driver in Sylvain Filion. Last week marked her first start in a claimer and she was racing off just three days rest. She gets back into a regular rotation tonight and gets our top billing in here.

#1 KIT drops back down the condition claiming ranks after taking on much tougher foes in the Harvest Series for the past three weeks. She faded after being forwardly placed in both the second leg and the final but managed to finish second to Lyons Tilt Hanover from off the pace in the opening leg on November 21st. This filly was a winner at this level on October 29th and raced decent in all four of her efforts in this class. She finished sixth in her latest try in here but was stuck behind a tiring rival which did not help her chances. Expecting her to utilize the pole position to her advantage to finish underneath, as she has done when being the runner-up in five of 23 this season.

#3 WANNASHAKEYOURTREE moves back north of the border and rejoins the barn of Nick Gallucci. She has not raced since September 22nd but comes into this off a decent looking qualifier where she got the better of Alleysonme As. This filly adds lasix for the first time in her career and cannot be dismissed.

#8 RIDE THE WIND has been put into the claiming ranks for the first time in her career. She has six wins on her resume in just 15 starts, with her most recent victory being a front-end score in NW10000L at Flamboro Downs on November 5th. She was the runner-up in her most recent effort and does not appear to be out of place in here. This mare draws an outside post but sports enough early speed to overcome it early. She can grab a share.

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 SPORTY TORI finally draws a decent starting spot after starting from the dreaded nine-hole for three consecutive starts since transitioning back to the big track from Western Fair. She was used hard early in her effort on November 20th and was game in the stretch to claim the place spot. In her next start on November 27th, she ran into traffic trouble but shook loose late to finish third. After a couple of big efforts, Henry opted to take her back off the gate last time and she did not have much of a chance when she sat last for much of the mile. She closed well to finish fifth and came her back-half in 55.1 with a final panel of 27.2. This mare should be breathing fire off that effort and now draws on the center of the gate. Bob McClure is back in the bike tonight and she is our best bet on the card.

#1 KLOOF STREET drops down a class and was a winner at the level below this two starts ago. She was no match for a difficult group of mares last time but fits well with this group. Four of her six wins on the season have come in higher classes than this one and she gets to work from the pole position tonight. This mare loses McClure to the one above and picks up the services of James MacDonald, who was aboard for her win two back. Using underneath.

#7 SKATER CHICK was a determined winner last week in NW5000L5 from the trailing post when she grinded down a rival in deep stretch to score by a nose. It was an encouraging effort, especially considering it was her second start back after missing a month when scratched out of a scheduled start on November 14th due to sickness. This mare's connections are firing on all cylinders and she is worth a look on the bottom end of the exotics.

#2 THIS DRAGON ROCKS got the better of our top choice on November 20th but got a much more favorable trip. She has spent her last two starts in NW12000L5 and has not been a factor. She typically races competitive in this class and should grab a share.

BEST BET: #5 SPORTY TORI

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 BEYOND BETTER was an impressive winner of the final of the Harvest Series on November 20th and followed it up with a solid effort in NW5, where he closed well from way out of it to finish fourth. He came his back-half in 54.2 and his final quarter in 26.2. He did not really have any business getting a share of that one and it was against a quality group of horses that would stack up well against what he faces tonight in the opening leg of the Valedictory. It seems that he gets better with each start and has come home in 27.2 or better in four of his last six. This gelding has missed a week, but he has performed well under those circumstances before. He will have to overcome the outside draw but still gets our top honors.

#3 WHAT THE LUCK has won four in a row at the Meadows with none of those victories coming by a margin greater than a neck. He relocates north of the border and will now hail from the barn of Don Lindsey, who had a pair of winners here on Monday. This gelding has won seven of 12 this season and should not be taken lightly. Using underneath.

#5 COLD CREEK CABO was a pumped-up winner on the front-end last Saturday when he held a comfortable margin throughout and scored by as much as he pleased in 1:52.4. Jamieson appears to get along well with this gelding, as they have paired up for two wins in as many starts. He got things his own way on the engine last time but should be confident coming into this one with three wins in his last six starts. He can hit the ticket.

#4 CAPTAIN VIDEO was gearing up from the backfield in his debut on the circuit but made a break in stride on the final turn. He then jumped it off in his qualifier on November 20th but then returned on a snowy morning two weeks later with an impressive win in 1:55.4 over a track that was three seconds off. He is one of a handful of high-percentage winners in the field but might be difficult to trust.

Race 7 Selections**THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#5 RUBY ON RAILS broke stride in the second leg of the Harvest Series and failed to make the final. She produced a decent effort in the opening leg on November 21st when she rallied to finish third to Lyons Tilt Hanover. This filly returns to NW2 where she finished third to her stablemate, Nice Kitty Hanover, last time and disappointed as the odds-on favorite in the effort prior to that. She gets reunited with Bob McClure tonight and this pair teamed up for her first score on the circuit on September 17th. This does not look like an overly difficult group and it might be an opportunity to take back some value on one that was heavily touted at this level not too long ago.

#7 BEAUTY BAYAMA reemerged to claim the show spot last week after getting swarmed on the final turn. It looked like she might back through the field at the head of the stretch but she still had no answers for either Admityourewrong or the dominant winner, Nice Kitty Hanover, in the stretch. The conditions were not ideal, and it is very possible that she shows further improvement in her second start for Jeff Gillis. Using underneath.

#1 SOMEWHERE NORTH moves north of the border to the barn of Meg Crone from Harrah's Philly and will make her first start on the circuit in NW2. She won two of her first three starts stateside with her most recent coming in NW3. This filly was scratched out of her most recent scheduled start and will come into this contest off a month. We would have likely rated her higher if not for the time off but she still merits respect on the ticket.

#6 ADMITYOUREWRONG popped the pocket on our second choice early into the first turn last time and was clearly second best to a dominant winner in Nice Kitty Hanover. This filly has been no worse than second since joining the barn of Richard Moreau and should grab another slice of it tonight.

#2 WINDSUN AZAR looks like a logical one to side with in this NW2 event. He was a winner two starts back in this class but had trouble advancing first-over last week before finding his best pace late to finish third to a pair longshots. He gets reunited with Bob McClure, who was at the controls for his win in here on November 19th and drawing inside certainly helps his chances against a field that does not look overly difficult. The pick.

#9 BIG CITY NEWS made some late gains to be fifth in here last week after going overland for much of the mile. He came his back-half in 56 seconds flat with a final split of 27.4. This colt just missed by a neck to our top choice three starts ago and finished fourth on November 26th. He will have his work cut out for him from the outermost post but sports enough early speed to overcome it if Drury decides to utilize it off the gate. Using underneath.

#1 MOONSHINE WILLY made a break from the rail behind the gate last week and gets the same starting spot tonight. He hit the board in his five starts prior at Western Fair and might have a chance to hit the ticket if he behaves himself. He will likely need a favorable trip but should go off at long odds.

#8 DAGGER WATCH moves up to NW2 and draws an outside post but might be able to close into for a piece if there is some early pace. He was too far out of it last time when his rivals went pedestrian fractions on the front-end. He came his back-half in 55.2 and his final split in 27.3. This colt should go off at a big number and might be able to spice up the bottom end of he exotics.

Race 9 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 SWEET HEAVEN took way more support than we were expecting last week when we made her our top choice in the Preferred. We thought she might be on the right side of value, but she was nowhere close, going off at 6/5 after finishing a blocked fifth in this class the week before. This mare did not race poorly, and she was used hard in the early stages of the race against Major League. She should enjoy the reclassification to this level, and she should get an easier go of it when forwardly placed tonight. She is the one to beat in our books.

#8 KENDALL SEELSTER was the runner-up in the Preferred last week to Lit De Rose and was beaten by three quarters of a length. She was blocked in the early part of the stretch drive but shook loose up he cones late. This mare has not missed a cheque in the five starts since joining the camp of Jason Ryan. Jamieson typically has this one in the right spot and she figures to get another big piece of it in landing underneath tonight.

#1 BORN A DRAGON made late gains from way out of it in the Preferred last week after getting away last from the second-tier. She came her back-half in 55 seconds flat and her final split in 27.4. This mare gets the pole position tonight and should get away in a much better spot. She has hit the board in her last two efforts in upper condition classes and should get a piece of it from the fence.

#9 GIAS SURREAL was never able to get into the race last week in the Preferred and now returns to the condition ranks where she enjoyed a victory four starts back from off the pace. She will likely have to follow that same script tonight form the nine-hole but could be dangerous for a barn that has been hot as of late.

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#1 MAJOR BATTLE drops back down to NW3 draws inside for a second consecutive start after having outside posts for the three before that. She sat well off the pace against tougher last week and closed on the inside late to finish fifth. This filly has been no worse than fourth in her last four in this class and was a winner in here on October 30th. She retains the services of Sylvain Filion and should be difficult to beat from the pole position.

#9 VINTAGE WHEY closed from out of it last time to finish fourth at this level. She got away eighth off the gate and came her back-half in 56.1 and her final split in 27.4. This will now mark her third start back off a lengthy layoff, but she will have to work from the dreaded nine-hole. She campaigned well here last winter and is not an impossible result.

#3 GOLDEN LEADER made a decent account of herself in the Harvest Series by finishing fifth in the final after picking up cheques in each of the legs, including a runner-up finish by a neck to Filter Hanover on November 28th. She loses her pilot from her last couple of starts to our top choice but picks up James MacDonald. She can hit the ticket.

#2 FUN ON A BEACH went an inside trip to finish fifth in her latest in here on November 20th but was then scratched out of a scheduled start the following week due to sickness. She comes into this off a few weeks but should get spotted well from another inside draw. She might be worth using on the bottom end of your trifectas and supers at a price.

Race 11 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 BOADICEA never did get room along the pylons in her latest when she was bottled up in the pocket in this class on November 27th. She was a solid winner in NW8000L5 three starts ago but this winner of more than \$500,000 is still a long way from her best, which we saw last season as a sophomore. This mare gets an inside post to work from and picks up the services of Jody Jamieson for the first time in her career. She is likely to be forwardly placed and might be tough to beat if she if she can produce an effort that is even a shade of her best. Giving her the edge in the final dash of the night.

#2 BETTOR TRIX N was a winner in the class below this two starts back and has been no worse than second in her last four. She went back to Flamboro Downs for her latest effort and was the runner-up to Manhattan Night, but that rival had a major post advantage over her on that occasion. This mare gets an inside draw tonight and should be firing off the gate for McNair. She has a winning chance.

#5 JIMBELINA was in tight quarters between horses in the stretch last week before getting up for fourth on the wire. She has now finished in that spot or better in her last five starts at this level, since winning in NW5000L5 on October 30th. She figures to get a decent trip from the center of the gate and can hit the ticket.

#6 SO LONG DARLING finished third in the Preferred-2 in her first start back off a four-month layoff at Flamboro Downs on December 1st. She moves back to the big track tonight and has been competitive at this level and above in the past. This mare should be better tonight and cannot be dismissed.

#10 SEX APPEAL finished third at this level on November 27th from the eight-hole but now must leave from trailing post this evening. She might have a chance if she does not get away too far out of it but the unpredictability of that starting spot deters us from ranking her higher.

PLEASE NOTE:

In the unlikely event that bets can not be combined into a host track's pools before the end of a race, Federal Regulations require that such bets must be refunded. Refunding bets at some sites can affect odds and payouts at the remaining sites.

FEDERAL REGULATIONS AMENDMENT

In the unlikely event prices are posted based on an incorrect official order of finish, associations must stop paying those prices as soon as the error is discovered.

The corrected prices will then be calculated and paid, including the correction of all account-based wagers. This change in the Regulations reflects existing standards in the United States.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

	CLAIMING RACES	CONDITION RACES
2 year olds	100%	50% on 2020 earnings
3 year olds	50%	25% on 2020 earnings 50% on 2019 earnings
4 year olds	25%	25% on 2019 earnings

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

C.P.M.A. Regulation Changes
 Effective January 1st 2012
 CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

Smoking Regulations

The Government of Ontario is committed to improving the health of residents through the implementation of the *Smoke-Free Ontario Act*. Recent changes to the Act, which came into effect on January 1, 2015, further restrict the use of tobacco products in restaurants and bar patios. Smoking is now prohibited in all areas where food is served or sold or offered for consumption or in areas that are operated in conjunction with an area where food and drink is served or sold. The City of Toronto has also enacted restrictions on smoking in public places by requiring that smoking is not permitted within a 9 metre radius of an entrance or exit to a public building. Please refer to signage posted throughout the facility and the site to determine where smoking is permitted.

THE MORNING LINE reflects the track oddsmaker's estimate of what each horse's odds will be at post time. The actual odds are established by the amounts wagered by the public on each horse in the win pool.

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, an agency of Agriculture and the Minister of Agriculture. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or locally at 613-759-6100 or E-Mail: cpmawebacpm@agr.gc.ca

RULES AND INFORMATION REGARDING CANADIAN HARNESS AND FOREIGN SEPARATE POOL EVENTS

GENERAL

All pari-mutuel pools are calculated and distributed in accordance with the regulations and directives as issued by Agriculture and Agri-Food Canada ("the Regulations"), under the approval and supervision of the Canadian Pari-Mutuel Agency. The Canadian Pari-Mutuel Agency can be contacted at 1-800-268-8835 or 613-759-6100 or Email: cpmawebacpm@agr.gc.ca. A complete version of the CPMA regulations can be found at <http://laws-lois.justice.gc.ca/eng/regulations/SOR-91-365/>.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Triactor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3 & PICK-4 BETTING

The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively.

Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 5 BETTING

The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively.

If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.

PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST & OLD TICKETS

WEG issued tickets or vouchers are valid indefinitely, however, they cannot be cashed at a mutuel teller after 2 years from date of issue. Please mail tickets, along with your name and address, to Mutuel Manager, P.O. Box 156, Rexdale, Ontario, M9W 5L2, keeping a photocopy for future reference.

For "Lost Tickets" originally sold at a Woodbine Entertainment Group racetrack or Teletheatre, please enquire at the Mutuel office at Woodbine, Greenwood Teletheatre, or Mohawk. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

The Woodbine Entertainment Group deducts and retains the following percentages from wagers placed at our own licensed sites which are then shared with the horsepeople, host and simulcast associations and the Ontario Racing Commission.

WOODBINE/MOHAWK LIVE: Win, Place & Show: 13.65%. Trifecta & Pick 4: 21.7%. Double & Exacta 17.2%. Jackpot Hi-5 & Pick 5: 11.7%. All other 23.0%

Horsepeople receive a further 2% on all wagers, except Trifecta wagering where it is 4%. The Ontario Provincial Government retains 0.5% on all bets placed in Ontario. The Canadian Government (through a revolving fund cost recovery basis) retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

While every effort is made to provide accurate information in the program, Woodbine Entertainment Group assumes no liability for errors or omissions.
