PTE Academic Test :

Pearson Test of English is a world-famous test conducted to check the student's proficiency in English. If one is preparing his mind for studying in University in Abroad or getting PR of UK or Australian visa then he/she has to go through this test. The PTE academic test includes the listening, speaking, reading and writing sessions which are covered in maximum 3 hours sessions.

Curious candidates can also fix their **PTE test** in 24 hrs and can receive the results in 5 business days. And the best thing about this test is it provides flexible dates. Interesting fact is that in 2014 test sessions took place for 300 days.

The candidate can select the test center from about 150 locations. PTE is authorized by the government of UK and Australia. PTE test is accepted and demanded by universities like Harvard, Yale and Insead. There are plenty of institutes in which the candidate can send his score to, so he has abundance of options to choose.
