

## **In 2021, where can I buy Ripple (XRP) in the United Kingdom?**

With a market capitalization of nearly \$90 billion in January 2018, XRP is the third most valuable cryptocurrency by market capitalization, after Bitcoin and Ethereum. Sounds intriguing, and you'd like to get your hands on some of those coins? There are various ways to purchase Ripple (XRP) in the United Kingdom:

### **Create an account with a cryptocurrency exchange like [Binance](#).**

Check the status of your account (some exchanges may ask you for an ID verification, especially if you are going to use GBP or any other fiat currency.)

- Select and confirm your selected payment method in the Deposit section.
- Select your pair (for example, GBP/XRP) under the Markets section.
- Enter the amount you want to spend or the amount you want to buy.
- Confirm your purchase by double-checking the details.

## **How to Purchase Ripple in GBP**

Purchasing XRP is becoming easier by the day. Crypto-to-crypto and fiat-to-crypto transfers are now available on practically every exchange.

### **What does this imply?**

Assume you have some BTC coins that you'd like to convert to XRP. This is a crypto-to-crypto exchange. It's a fiat-to-crypto transaction if you want to buy Ripple with your GBP or Euro.

### **What are the many ways to purchase a Ripple coin?**

- Bitcoin/Ethereum
- Card (credit/debit)
- Transfer of funds via bank (UK Faster Payments, SEPA Transfers)

Let's have a look at some of the exchanges where you may easily invest in Ripple using your own currency.

### **Binance**

Binance now accepts GBP for the purchase of some crypto coins, including XRP. That's fantastic news, as Binance is one of the most popular cryptocurrency exchanges with the lowest trading costs.

**What is the best way to trade? Here's how to do it step by step.**

Make an account for yourself.

For fiat transactions, use a government-issued ID to verify your identity.

Assign a Payment Method to your credit card.

Choose how much money you wish to spend in GBP.

Choose an XRP coin and a purchasing option.

Purchase the Ripple cryptocurrency.

### **Fees for buying Ripple on Binance:**

The 2.5 percent transaction fee is charged by the London-based payment processor, and it takes an average of five to 20 minutes for the acquired assets to reach a Binance wallet. To learn more about all of the fees, go to this website <https://www.cryptoexchange.org.uk/buy-ripple-uk/>.

### **Limits:**

Binance's limit structure is relatively straightforward; there are simply withdrawal limits. Every 24 hours, Level 1 confirmed accounts can withdraw up to 2 BTC. Every 24 hours, verified Level 2 accounts can withdraw 100 BTC. Filling out a simple Know Your Customer (KYC) form and submitting evidence of identity, among other documents, are required for verification.

### **CEX.io**

It's simple to buy Ripple (XRP) on CEX.io. Faster Payments, i.e. free and immediate GBP deposits (up to £250k), are also accepted by CEX.io.
