

Skrill

1. How to create new SKRILL.com (MONEYBOOKERS) account.

- 1.1. Visit the official site at <https://www.skrill.com/en/>
- 1.2. Click at the "OPEN A FREE ACCOUNT" button.

- 1.3. Type your email address (use your main email that you are using on a daily basis). Create a password and CONFIRM it by typing it 2nd time and PRESS "NEXT" button.

- 1.4. Type your PERSONAL DETAILS (remember to use the REAL ONES! – account will be connected with your bank account/credit card) and press “NEXT” button

DD = DAY OF BIRTH

MM = MONTH OF BIRTH

YYYY = YEAR OF BIRTH

The screenshot shows the Skril website header with the logo and 'NEED A BUSINESS ACCOUNT?' link. On the right, there are links for 'ENGLISH' and 'LOG IN'. The main content area is divided into two parts. On the left, there is a circular icon of a smartphone and the word 'EASY' in large letters, with the text 'Pay with just your email address and password.' below it. On the right, a white card titled 'PERSONAL DETAILS' contains a progress indicator with '2' in a blue circle. The card has four input fields: 'First Name' (with placeholder 'Enter your first name'), 'Surname' (with placeholder 'Enter your surname'), 'Date of birth' (with three separate boxes for 'DD', 'MM', and 'YYYY'), and a dark grey box with white text: 'Used to authorise transactions & access our helpdesk. DD-MM-YYYY'. At the bottom of the card are 'BACK' and 'NEXT' buttons with arrows.

Use your REAL personal details. They will be connected with your bank account.

- 1.5. Pick your Country and the Currency that you're using from the lists. (for example: If your WALLET currency is in EUR you will be still able to send us USD – Skril will automatically exchange the currency)

Remember that you won't be able to change the currency of your WALLET after the account creation.

The screenshot shows the Skril website header with the logo and 'NEED A BUSINESS ACCOUNT?' link. On the right, there are links for 'ENGLISH' and 'LOG IN'. The main content area is divided into two parts. On the left, there is a circular icon of a padlock and the word 'SECURE' in large letters, with the text 'Keep your financial details private every time you pay.' below it. On the right, a white card titled 'COUNTRY & WALLET CURRENCY' contains a progress indicator with '3' in a blue circle. The card has two dropdown menus: 'I live in' (with 'Norway' selected) and 'I use' (with 'NOK - Norwegian Krone' selected). Below these is a dark grey box with white text: 'You won't be able to change your wallet currency once your account has been opened.' This box is highlighted with a red border. At the bottom of the card are 'BACK' and 'NEXT' buttons with arrows.

Use real information about your Country and Currency!

- 1.6. Type your Home Address (remember to use the your REAL home address – account will be connected with your bank account/credit card) and press “NEXT” button

- 1.8. **Congratulations!** You created a new SKRILL.com account! Now you need to check your email and accept the registration through the sent link.

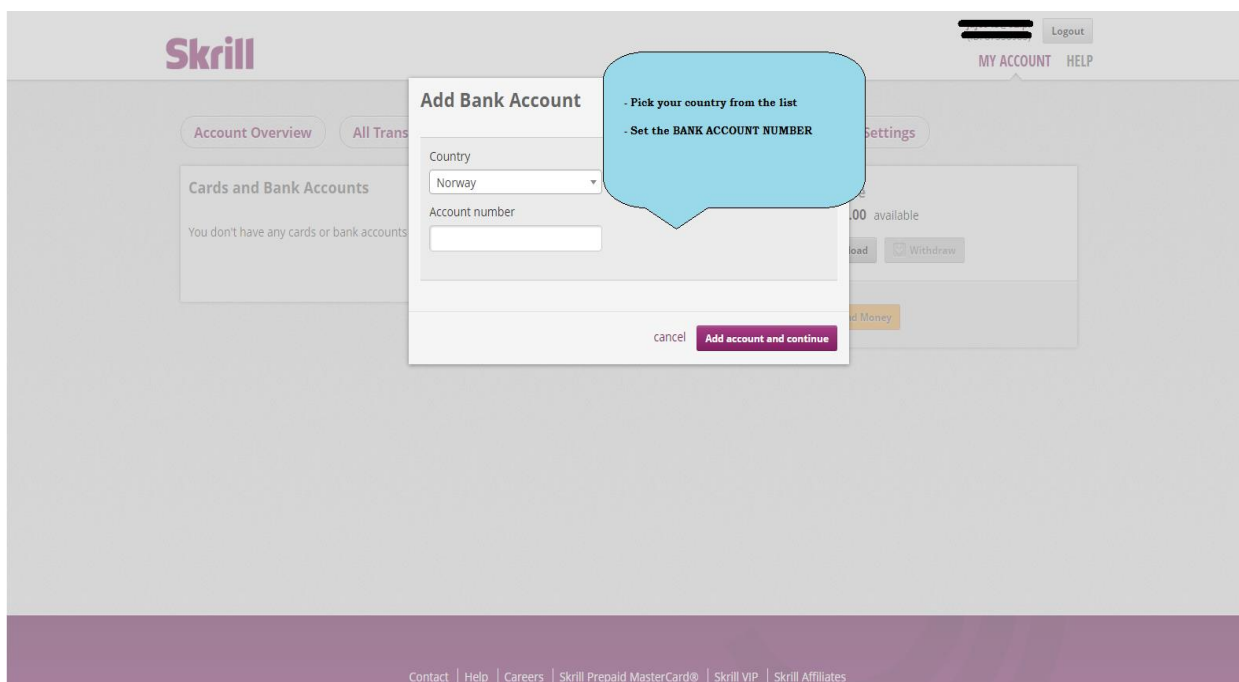

2. Adding bank account, credit/debit card to SKRILL and verification.

2.1. BANK ACCOUNT

- 2.1.1. Log in to your SKRILL.com account and go to "Cards and Bank Accounts" and press "Add Bank Account".

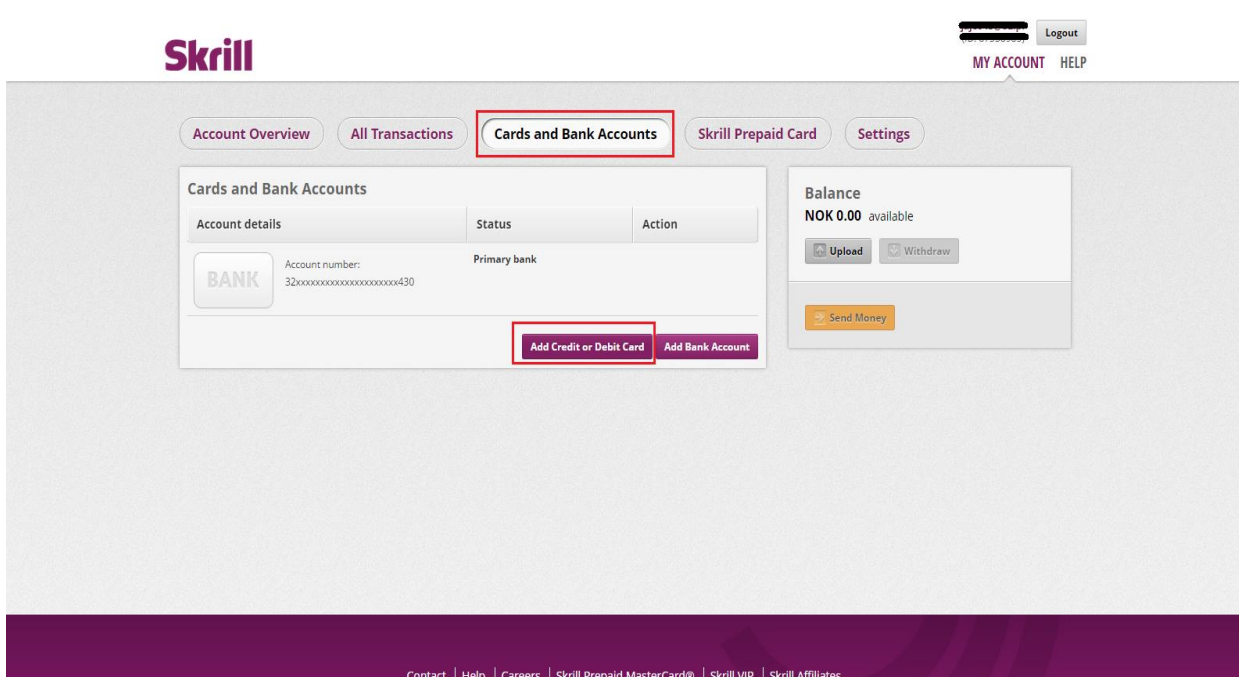

- 2.1.2. Select country that you live in from the list and type in your bank account number and press “Add account and continue”

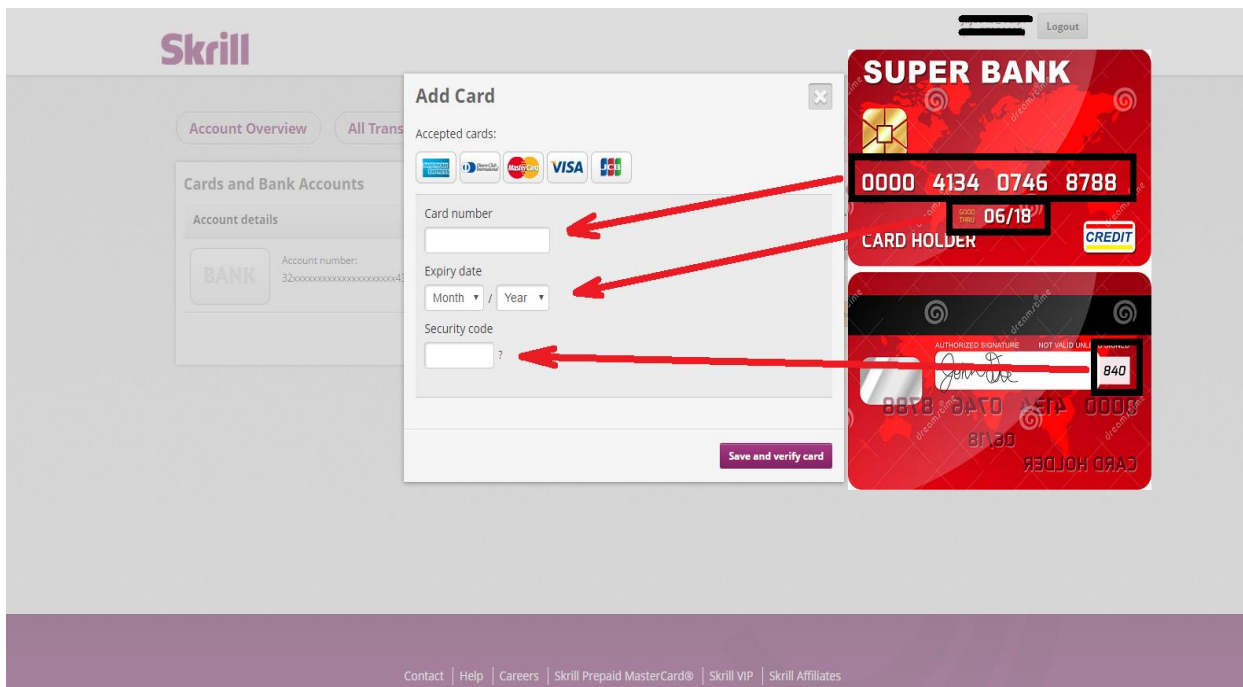

2.2. Credit/Debit Card

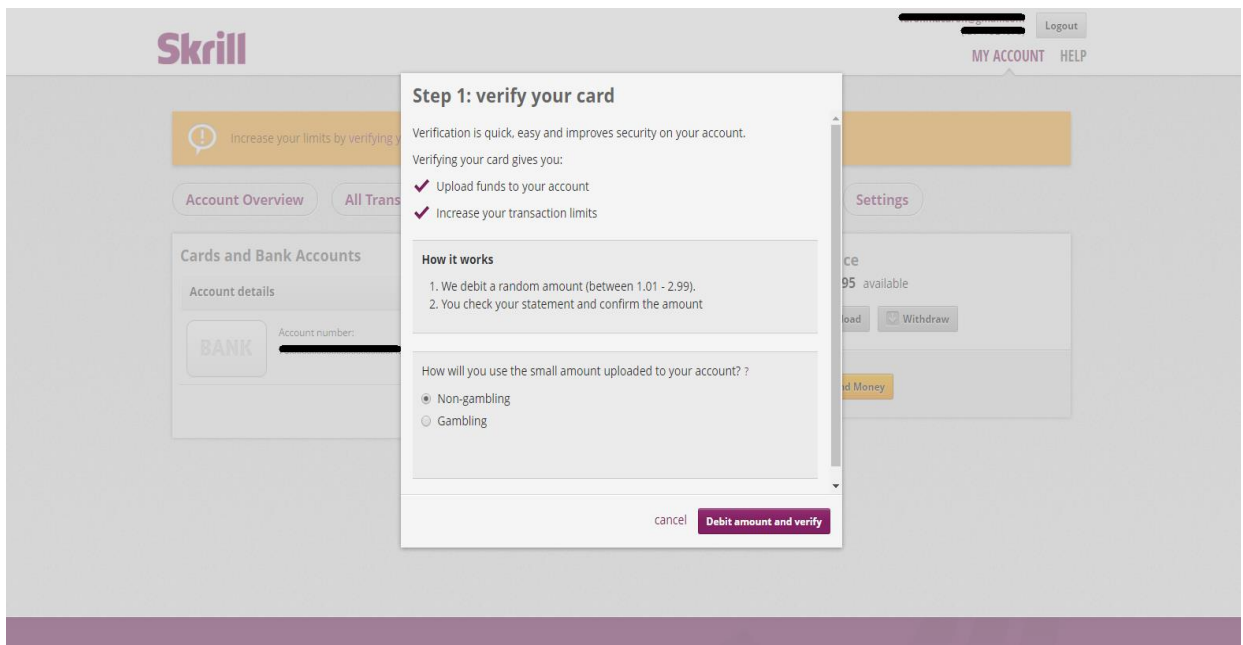

- 2.2.1. Log in to your **SKRILL.com** account and go to “Cards and Bank Accounts” and press “Add Credit or Debit card”.

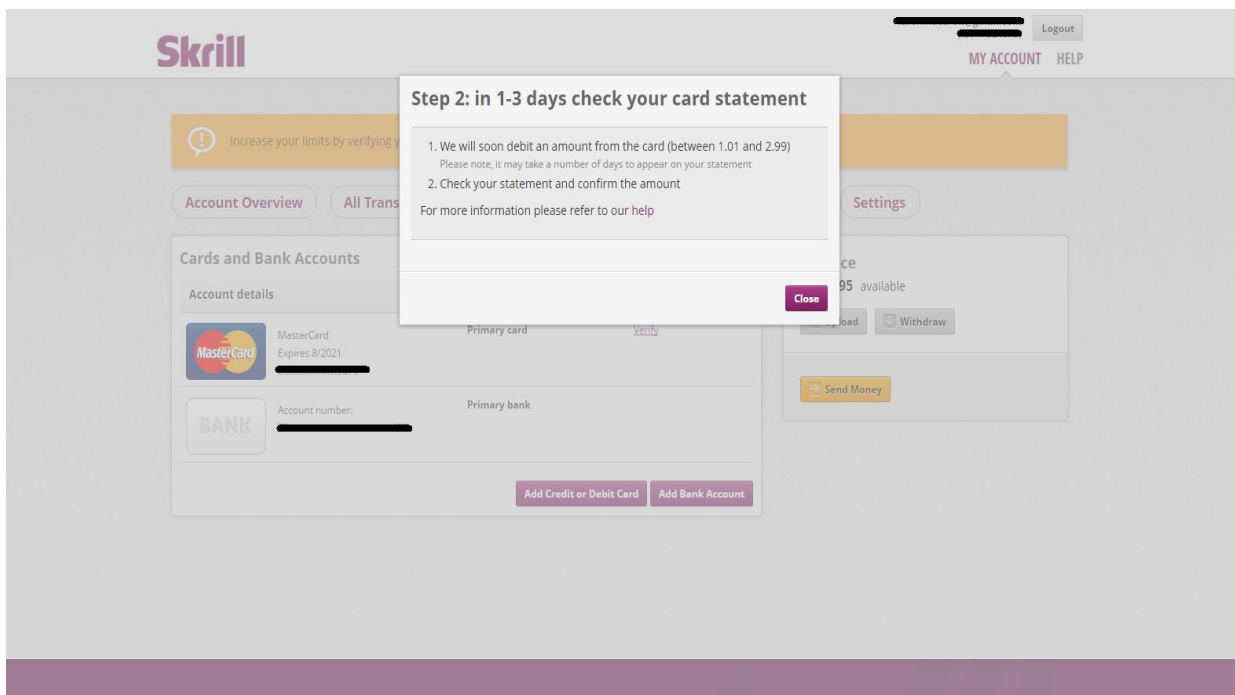

2.2.2. Fill up the information about your Credit / Debit card and press "Send and Verify".

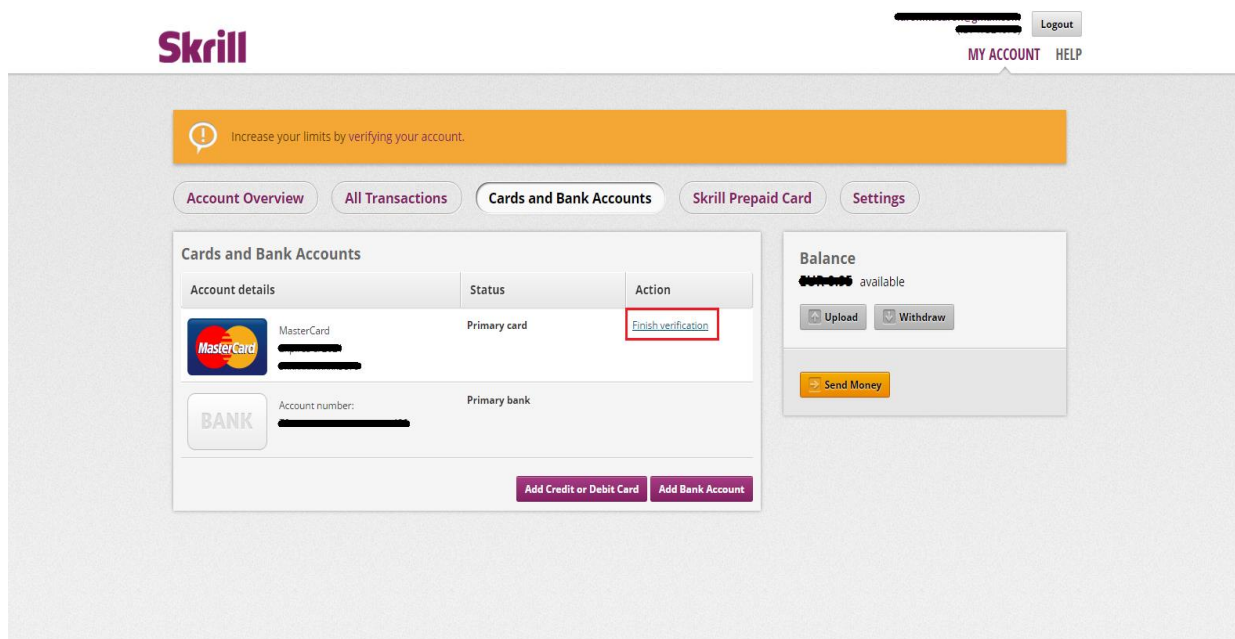

2.2.3. After you'll add the card, click on the "[VERIFY](#)" button next to it and proceed with the steps:
Skrill will debit a small, random amount from your card between 1.01 and 2.99

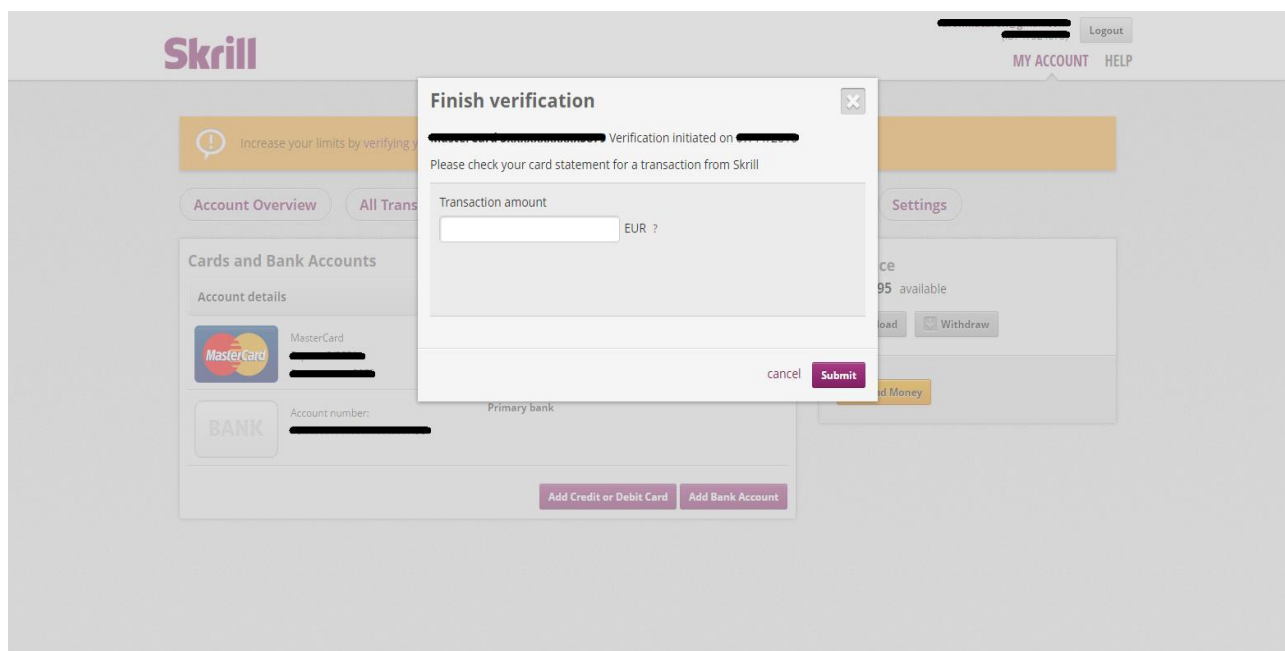

2.2.4. Check your bank or card statement for this amount and copy it.

2.2.5. When you know how much was debited, log into your Skrill account and confirm this amount by clicking on "[Finish verification](#)" button near the card.

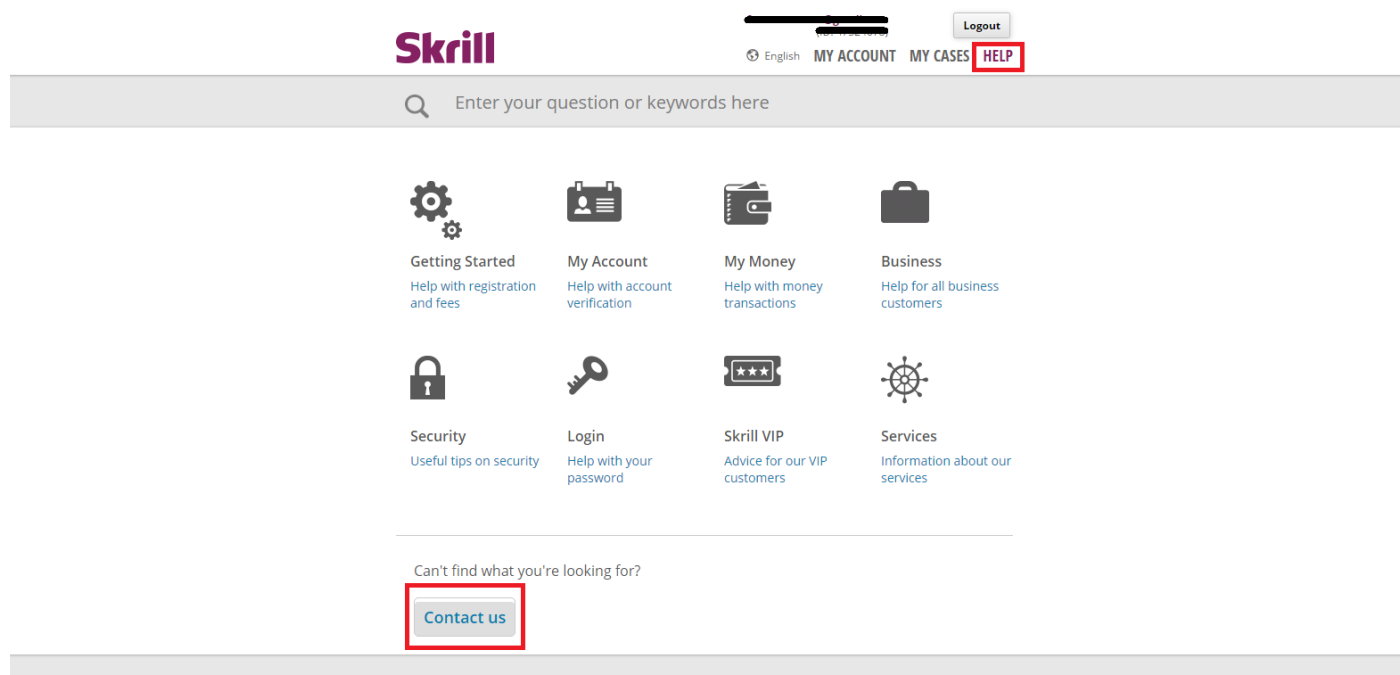

2.2.6. Type the amount into the box and press “**Submit**”. Now you can use your Card in payments/transfers.

REMEMBER!

Everything depends on how quickly your bank or card issuer displays transactions on your account and how you access your statements, this type of verification can take anything from a few seconds to a few days.

The fastest way to verify your account is to contact with SKRILLs customer service by phone using one of the selected numbers from the list below (they will guide you through the steps).
