12.) In Pairs skating, one of the most important qualities is synchronicity between the 2 partners. There are cases though in which synchronized 'moves' are rather unlucky than wanted - like when Aljona Savchenko & Bruno Massot both splat in synch on their solo jumps in their SP, in last seasons CoR. (And they had to laugh about it at the end themselves!)

Will there be another case of synchronized side by side falls at CoR?

Yes	13 (42%)
No	18 (58%)

13.) Nearly made it - only Ice Dance missing! Who will be the ID winners at CoR?

Piper Gilles / Paul Poirier	0 (0%)
