## From The Chairman

### Chairman Olly.

Well what a busy year it's been for us.

Shows including Bucket and Spade (thanks Jules & Phil for sitting with me after the show)! Cliftonville where the new "Yellow Beast" first appeared! My new Ex RAF 110 Defender with low mileage, River Country Fair featuring the Invicta Landrover Club display team performing Swan Lake in trucks wearing Tutu's to the sounds of Electric Light Orchestras Roll over Beethoven, it started well and then went downhill from there! You just had to be there to see it. Chilli Farm where our very own Green Machine in the capable hands of Stu pulled a 16 ton truck around the arena and we caught sight of the lesser spotted Andy from up north (time we had an article from there). The band in the beer tent on the Saturday night were top class.

John Clark turning into our Communications office by giving out so many membership forms, even showing great dedication by running after trucks, surprising people in car parks and petrol stations with plenty of new members joining to prove it (keep it up John).

Ted's Geo-cache was a great fun afternoon out with a terrific BBQ at Ted's (thanks Irene & Ted for the cooking and organising), evening Fish and Chip run (thanks Richard) followed by a quick lane trip, and even a Landrover birthday party.

London to Brighton to finish the year? No No No as we still have our Christmas party to go.

Your Chairman Olly x

## OTTO'S JOTTINGS.

Hi fellow Landy lovers, the show season is now finished and it's been a busy year. We had a good turnout for the London to Brighton again this year and everyone seemed to enjoy the day which was once again blessed with good weather. As is normal for me I ended up getting lost even though Steve was calling over the CB "this exit Ted" I decided it would be nice to go on a mystery run around Gatwick airport which was most uplifting, anyway I decided to meet everyone at Pease Pottage services as I would never catch up which cost me a £60 fine for staying for more than 2 hours! Still it was nice watching all the various Landies turning up on the run.

We are hoping to organise a club holiday next year as it hasn't happened the past couple of years for various reasons so once Xmas is over and done we will start putting our heads together to get things organised.

The Xmas party is nearly upon us so I hope you've all got it in your diaries? (SAT 3rd DECEMBER 7pm at WHITSTABLE FOOTBALL CLUB) any items you have for the raffle would be most welcome. We have live music from Goldtrack who are a great band and some other little surprises in the entertainment may also pop up, it is £5 per adult which will help us with the catering.

We will hopefully be doing a boxing day off road day at the Elham site and this will be organised by Phil Webber so if you are interested in blowing the Xmas cobwebs off the truck contact Phil.

Time for a coffee now so I look forward to seeing you all at the Xmas party.

OTTO.

## **Hi Everyone.**

Well what a year, can't believe its AGM time again.

It's been a great summer show season visiting both the old favourites and new shows which will be favourites from now on I'm sure. We have met lots of interesting people from all walks of life and the weather has been on our side with only a couple of damp shows, though the Cob Web was cold, very cold.

JC would like to say thank you to all those who came to his 40<sup>th</sup> birthday party at the Viking ship at Pegwell Bay and a bigger thank you for all of his cards and presents, badges and balloons, the sunny afternoon was spent in the company of great friends who all love Landrovers with a rendition of happy birthday too. Who's birthdays next? It might have started a trend?

See you all out there soon Jules.

*The name missing from the list was Guy Fawkes, easy now isn't it? They were the other members of the Gunpowder Plot.*

*During a search of the House of Lords at about midnight on 4 November 1605, Fawkes was discovered guarding 36 barrels of gunpowder, enough to reduce the House of Lords to rubble and was arrested.*

*The thwarting of the Gunpowder Plot was commemorated for many years afterwards by special sermons and other public events such as the ringing of church bells, which have evolved into the Bonfire Night of today.*
