RV/INTELLIGENCE ALERT - September 9, 2019

(Disclaimer: The following is an overview of the current situation of the world based on intelligence received from several sources which may or may not be accurate or truthful.)

The Epstein case is the catalyst to expose the Deep State Cabal.

The Deep State Cabal's global system of blackmail, extortion, bribes, and human trafficking will be exposed via the Epstein case.

Various high profile players such as the House of Saud, the Rothschild's, Soros, and more will be involved.

James Comey will not be facing prosecution as the Earth Alliance is saving him for a much bigger scandal later on as DECLAS progresses.

President Trump knows the stakes are high and that there is no room for error.

Meanwhile, nations are making plans to drop the US Dollar signifying the end of the US Dollar's status as the World's Reserve Currency (Petrodollar).

Two BRICS nations (Russia and India) recently announced plans to drop the US Dollar.

This signifies the end of the US Dollar's status as the World's Reserve Currency.

Also, President Trump will be withdrawing from the Universal Postal Union, an arm of the United Nations.

This move by President Trump is a step toward securing the sovereignty of the Republic.

In other news, Former Zimbabwe leader Robert Mugabe recently passed away at 95 years old.

This is being done in advance for the implementation of the Quantum Financial System (QFS).

The QFS will be fully implemented once all nations adopt the gold standard via a Global Gold Treaty.

Various currencies are expected to revalue once the nation of that currency adopts the gold standard.
