Easter Service At 'USSConstitution'

USS Constitution will host an Ecumenical Easter Sunrise Service on board the ship's spar deck on Sunday, April 16 at 8 a.m. The service will be conducted by Father Joseph Baggetta, Lt. Cmdr. (USN - Retired), a former USS Constitution chaplain and currently the US Coast Guard district chaplain. Immediately following the service, refreshments will be served in the Hull Room, located in Building 5 in the Charlestown Navy Yard. All are welcome.

Where's The Easter Bunny?

MICHAEL DOHERTY finishes his lunch and awaits the arrival of the Easter Bunny at last Sunday's "Kids Day," an Easter celebration for the children of St. Francis de Sales Parish.

City Of Boston Celebrates Patriot's Day

Mayor Thomas M. Menino will launch the 220th Patriot's Day celebration in Boston on Monday morning, April 17, at 9 a.m. with a flag raising ceremony on City Hall Plaza. The annual ceremonies, which commemorate the famous midnight rides of Paul Revere and William Dawes that occurred on April 18, 1775, will continue at King's Chapel on Tremont Street where there will be memorial services

at the grave of William Dawes. Further on at the Granary Burial Ground, a wreath will be laid at the grave of Paul Revere. The Patriot's Day parade will march from City Hall Plaza to the North End where ceremonies will continue. The reenactment of Paul Revere's ride will commence at the Paul Revere Mall on Hanover Street in front of the Old North Church at 10 a.m.,

and pass through Charlestown shortly thereafter. This year the rider is Trooper Darin Reale of the Mass. National Lancers. He will be escorted on his ride through Charlestown, Somerville, Medford, Arlington and Lexington by Lt. Richard Reale. The Patriot's Day ceremonies are coordinated by the Mayor's Office of Special Events and Tourism. All events are free and open to the public.

The NPS Steps Up Enforcement Of Pet Regulations At The Bunker Hill Monument

The National Park Service (NPS), the city of Boston Code Enforcement Police and Animal Control Divisions are intensifying the enforcement of pet regulations, in response to growing city-wide community concern over an increase in unleashed pets and pet waste. The increased enforcement, by the NPS at the Bunker Hill Monument and the city of Boston throughout Charlestown, is aimed at the few irre-

sponsible pet owners who repeatedly fail to obey existing animal leash and waste disposal regulations and ordinances. The NPS, the city of Boston and the Charlestown community encourage all pet owners to help us protect the historic Bunker Hill Monument and Charlestown by obeying the following regulations:
 • Pets must be leashed at all times on a leash not over six (6) feet in length. Among many concerns, unrestrained and uncontrolled animals pose a seri-

ous safety risk to people (especially small children and the elderly) as well as to other pets.
 • Pet owners must clean up after their pets. Animal waste that is not cleaned up poses serious health risks, especially for children.
 • Pets running-at-large or unattended may be impounded. Pet owners may be charged for kennel or boarding costs, veterinary fees, transportation costs and disposal expenses. Unclaimed animals will be turned over to

Enforcement Of Pet Regulations At The Monument

(continued from page 1)
the city of Boston Animal Control Division.

The above regulations exist for the health, safety and enjoyment of all visitors, neighbors and their pets.

Pet owners who fail to obey any of the above regulations will be issued citations. Federal fines apply to violations at the

Bunker Hill Monument and in the NPS section of the Charlestown Navy Yard. City fines and penalties apply to violations throughout Charlestown.

The increase in the use of citations to help correct this problem comes with the support and encouragement of many citizens, neighborhood groups and

pet owners in the Charlestown community.

If you have any questions related to the Bunker Hill Monument, call the NPS at 242-5641. For questions and issues related to Boston city pet regulations, call the city of Boston Code Enforcement Police at 635-4896 or Animal Control at 635-5348.

THE REAL ESTATE WEEKLY

Carolyn Sideman, Monument Properties

THE LENDER'S APPRAISAL PROCESS

Once the buyers and sellers agree on the price and terms of a property, it's not over, at least not if the buyers are planning to obtain financing from a bank or mortgage lender. The lender's appraiser must agree that the price is in line with the property's market value.

To do this, the appraiser looks for three properties that have sold recently and that are similar to yours in size, location and amenities. He starts with your home, listing all of its features, then compares yours to the three "comparables." He'll take each one, starting with the selling price, then he'll add the value of each feature your home has that the comparable home lacks and subtract the value for your features that are not found in the comparable. If your sales price is in line with the adjusted sales prices of the comparables, you're in good shape. If the appraisal indicates the price is too high, the Realtors have their work cut out. Often, by supplying new comparables, we can work with the appraiser to justify the selling price.

For professional advice on all aspects of buying or selling a home, talk to the professionals at **Monument Properties**. Come by our office at **85 Warren St., Charlestown** or call us at **241-5900**.

Bunker Hill Community College To Present A Children's Theatre Production

The Storybox Players of Bunker Hill Community College (BHCC) will present Tale Spinners, a children's theatre production, on Wednesday, April 19 at 10 a.m. It is open to the public free of charge.

Tale Spinners, an original play created by members of the Children's Theatre Workshop, is based on a series of African folk tales recounting the exploits of Ananse the Spider.

After Ananse is tricked by Turtle, he decides he needs to accumulate some wisdom. He manages to

gather some wisdom from the other animals and he puts it to good use in performing a series of tasks to win title to the stories which bear his name. Although he manages to keep the stories, he loses the wisdom he gathered.

The performance by The Storybox Players will be directed by Ruth E. Ivers, professor of theatre at BHCC, and will be held in the college auditorium (A-300).

To obtain additional information, contact the director at 228-3260.

★ **Licensing Board Hearing . . .** The petition of Angelo and Sippio Trodella went before the city of Boston Licensing Board on April 12 seeking to obtain a 7-day malt and wine license for their new Italian restaurant, Cafe Luna, which will be located at the site of Blossom's restaurant in the Charlestown Navy Yard.

Bill Galvin, chairman of the CNC Basic Services Committee, held a meeting of the committee on April 10 to review the application. The members of the committee approved the petition with the following restrictions:

1. The Luna Cafe will not serve malt and wine after midnight; and
2. There will be no television in the cafe.

Galvin reported on the meeting to the CNC Executive Board that voted to support the recommendations and a letter was

forwarded to the Licensing Board.

Manager Angelo Trodella made the presentation at the hearing. Judy Evers, community liaison from the Mayor's Office of Neighborhood Services, brought with her the letter from the CNC, noting the two restrictions. She told the board that the Mayor's Office supported the petition with the provisos. She added that "at the community meeting on Monday, the petitioner offered his site to non-profits four times a year to be used for fund raisers. I commend them on their good neighbor policy."

Also speaking in support of the license was Amy Chardavoyne, aid to Boston City Councillor Diane Modica, and Robert E. Kenny Jr. Richard E. Dolby from the Nary Yard Association presented a letter that included two additional provisos: Entertainment would be limited to background music with no live entertainment or disco, and the outdoor seating area on Second Avenue would be cordoned off and controlled by restaurant staffing.

Capt. Ron Conway, commanding officer of Area A of the Boston Police Department, submitted a letter in opposition to the petition.

The board was due to act on the petition later on Wednesday.

★ Public Improvement Committee . . .

The Public Improvement Committee held a hearing on April 6 in Boston City Hall relative to the change in name of "A" Street, Charlestown. Attorney George Bachrach made the presentation before the committee which was chaired by Department of Public Works Commissioner Joseph Casazza. It was a unanimous decision by the committee to name the street Bunker Hill Industrial Park.

★ **390 Main Street . . .** The Boston Fire Department (BFD) was called to the elderly housing at 390 Main St. at 5 p.m. on April 6. David Walsh, BFD spokesperson, reported that an electrical wall furnace unit overheated and the insulation was ignited causing a short circuit. He said that the damage was estimated at \$500.

★ **CNC Approves City Square Zoning . . .** Zoning for the City Square Neighborhood District has been approved by the Charlestown Neighborhood Council (CNC). Members of the CNC have requested that the Boston Redevelopment Authority (BRA) vote on the proposed zoning at the next BRA board meeting.

Members of the CNC have worked

with planning consultants and the state's Division of Capital Planning and Operations for over two years to ensure that neighborhood concerns were properly addressed.

"In many ways the end of the zoning process represents a beginning for the planned development for City Square," noted Marisa Lago, BRA director. "The BRA will see that zoning is adopted as quickly as possible so that the community can move forward with other developments planned for City Square. A strong, community-supported zoning plan is a real plus to any development project to ensure community goals and objectives are addressed. BRA staff is looking forward to continuing work with Charlestown residents."

The BRA is scheduled to vote on the zoning this month and will recommend approval to the city of Boston Zoning Commission for final adoption.

★ **Board Of Appeal Hearings . . .** The city of Boston Board of Appeal held hearings on April 11 relative to Charlestown properties:

- Bennett Development Inc. (by Bruce Daniel) sought a variance from the Boston Zoning Code to establish legal occupancy of 288 Bunker Hill St. as a three-family dwelling. There is no record of occupan-

cy in the Building Department.

Evers from the Mayor's Office spoke in favor of the petition "since it has been an existing condition for many years." The board approved the petition.

- Bunker Hill Ltd. Partnership petitioned to change the legal occupancy of 340 Bunker Hill St. from a school to two apartments and erect a gable roof structure for a second floor. In a second petition, Bunker Hill Ltd. Partnership petitioned to change the legal occupancy of 342 Bunker Hill St. from a school to a 24-unit apartment building.

Evers told the board: "I support the proposal since it has been through the community process. The developer changed the original plan at the request of the residents." She added the the "CNC has asked for public meetings to update the community as the development goes forward."

Resident Rosemary Kverek brought her support to the board, along with a letter from the Charlestown Preservation Society approving the project. Chardavoyne stated that Modica supported the proposal with updates to the community. Tom Jones from Carpenter's Local 218 supported the plan as long as it means work for residents in the area. The BRA recommended approval. The decision by the the board was approval of the plan with design review.

Kerasiotes And Coxe Officiate At Groundbreaking For New City Square Park

Secretary of Transportation James J. Kerasiotes and Secretary of Environmental Affairs Trudy Coxe participated in a groundbreaking ceremony for a new City Square Park in Charlestown last week. The park was made possible by the opening of tunnels under City Square to traffic that formerly used the elevated ramps between the Tobin Bridge and Route 93.

"Here is the promise of the Central Artery/Tunnel Project," said Kerasiotes. "By removing those ugly, decrepit ramps from over City Square, we have restored Charlestown's link to the waterfront, given the community several acres of new parks and provided for a new lease on its economic future. Meanwhile, in Boston, we have begun construction of the underground expressway that will someday allow us to remove the elevated central artery and re-knit the North End, Waterfront and Chinatown back to the downtown."

"Urban parks like this

one bring open space to our neighborhoods and make them accessible to everyone as part of their daily experience," according to Coxe. "Charlestown has waited a long time for City Square to be reclaimed as its civic center and restored as a gateway to Boston. This groundbreaking represents the first significant step in the redevelopment of City Square for the enjoyment of all the residents."

"This is a great day for a neighborhood that has lived for decades under the shadow of elevated rapid transit tracks, highways and off-ramps," said Richard Voke, the State Representative whose district includes Charlestown. "This park is the beginning of a new future for Charlestown and gives the rest of the region a glimpse into the future once the elevated central artery is removed from downtown Boston."

Kerasiotes, Coxe, Department of Environmental Management Commissioner Peter C. Webber, Central Artery Project Director

Peter Zuk and Mass. Highway Department Commissioner Laurinda Bedingfield gave reporters a brief tour of the site, pointing out where the pedestrian paths will enter the park and bring visitors to a central plaza area. They noted that the park will feature a sculptured fountain, an open lawn area, seating, a wide variety of trees, shrubs and seasonal flowers, as well as an exhibit on early Charlestown residents and buildings.

The design of the park was done by the award-winning Boston architectural firm, The Halvorson Company, in collaboration with sculptor David Phillips of Somerville. McCourt Construction of South Boston was awarded the construction contract with a low bid of \$1.9 million.

The Friends of City Square Park and the residents of Charlestown have worked with both MHD and DEM throughout the reconstruction of the Central Artery/North Area project.

CHARLESTOWN'S state Rep. Richard A. Voke, House Majority Leader, addresses the gathering of residents and state officials at the groundbreaking ceremony for the new City Square Park. Voke was instrumental in obtaining the state funds that will make the park a reality.

FRIENDS OF THE CITY SQUARE PARK took part in the planting of a tree officially marking the start of the construction of the park. Shown (l. to r.) Joe Trepiccione, Bill Galvin (hidden), Rich Johnston, Gov. Ken Stone, Annette Tecce, Dan Kovacevic, Jan Mastracola and Don Amaya.

Killilea Fund Chairman and Past National Historian Jim Conway commended Commander Richard B. Amirault, USN, commanding officers of USS Constitution, his executive officer, crew and their predecessors for their commitment to the Charlestown community.

He cited their continuing support of the Bunker Hill Day Parade, the Legion's Memorial Day and Veterans' Day Masses held at St. Francis de Sales Church, the countless veteran memorial and hero square dedications in over the past 20-plus years, as well as the workers and van they provide annually in support of the Townie Santa program and their help at the Thanksgiving Dinner at the K. of C. Hall as some of the examples of their contributions to our community.

The Killilea Fund of Post 26, A.L. underwrote the cost of the hot and cold buffet provided by Bob Collier Catering, the music by DJ's Brian McKinley and Sean Feeney and the beer, wine and soft drink open bar.

Essay Winners - Last week our essays entitled, "What I'd Like To Be When I Graduate From College and Get

From Jerry's Desk...

One aspect of my job as club director that I have always enjoyed is hearing from past club members. Many of these members, who go back as far as when the Green Street Clubhouse opened in 1918, come in the front door for one last visit, walk the halls, and tell me stories of their days as club members.

Recent visitors have come from San Francisco, Detroit, and even from a North Sea oil rig. This particular club member learned short-wave radio at the club in the 1940s and now operates the radio on the oil rig. He related that he faithfully sends out the Charlestown call-sign once a month just to see if any other club members are still out there doing short-wave.

I just recently received a call from Paul Mitchell who now lives in Medway. Paul is being honored Sunday, April 23, by the Good Government Association for his contributions to Medway town government. He has

served as a Selectman, Planning Board Member, Zoning Board Member, and has chaired numerous other committees. Paul attributes his interest in government to Dec. 2, 1935, when he served as Mayor of Boston for "a few minutes" along with four other Boys Club members. He still has the Globe article which pictures him standing with Mayor Mansfield in his city hall office along with Arthur T. Burger, director of the club. Congratulations to Paul and all of our alumni who sometimes have moved far away, but have never forgotten their club and their community.

Annual Boys & Girls Club Golf Tournament - The annual tournament is set for Friday, May 26 at the Round Hill Country Club. Applications are now available at the club. Sign up soon as our tournament always fills up quickly.

My Masters or PhD" were judged carefully and fairly, and these club members were the winners:

Older Named Semi-Finalist In Presidential Scholars Program

Robert V. Antonucci, commissioner of the Mass. Department of Education, announced that 14 Mass. high school students have been named as semi-finalists for the prestigious United States Presidential Scholars Program. Among the students is Malka A. Older of Charlestown, who attends Boston Latin School.

The semi-finalists are

chosen for their accomplishments in the areas of academic and artistic success, leadership and involvement in school and the community. The scholars represent excellence in education and the promise of greatness in America's young people.

The 14 semi-finalists are among 500 high school seniors selected from

across the United States. Of these, 141 students will receive notification by the President of the U.S. that they have been named as Presidential Scholars.

The program was established in 1964 and has honored nearly 3,700 scholars since that time. Because this is a recognition program, there is no monetary award.

Happy Easter

from

Representative

RICHARD A. VOKE

There are still a lot of choices out there as to where you can do your banking. And we're one of them. Citizens Bank.

Now more than ever, people are choosing us because of how we choose to treat our customers.

Specifically, we make life easier by offering all the products and services you want — under one roof. As well as ATMs where you're likely to need them. Including every Shaw's supermarket in Eastern Massachusetts.

What really sets us apart, though, is our commitment to old-fashioned courtesy. Meaning we hire nice people. And do thoughtful things. Like giving out dog biscuits at our drive-up windows.

And increasing our lollipop budget by one hundred percent.

If you're a business customer, it means making loan decisions

locally instead of in some far-flung processing center where you're an unknown entity.

We even choose to play a very active role in our customers' communities. So much so that we offer our employees paid sabbaticals to roll up their sleeves and help where the need is greatest.

One last thing: we're not perfect. Except when it comes to taking a little constructive criticism when a customer sees fit to give it.

No, you don't have to bank here at Citizens. But we're doing everything we can to make sure that you do. Including giving you our toll-free number: 1-800-222-4322.

You don't have to bank here and we know it.

Thank, You Charlestown

Dear Gloria,

On behalf of the Warren-Prescott School Playground Committee, I would like to thank the Charlestown community for their extraordinary support of Motown Night. It was a great event and raised \$6,000 toward our project.

The most incredible experience for me in working on both Motown Night and the playground project is the support that is pouring forth. I have personally met some of the nicest and most generous people through this work. The list of names would be endless. You all know who you are! It is such a thrill to be part of this great community made up of such fine people. I am honored to be able to work with you to build the kind of world for our children that they deserve.

Sincerely yours,
Patricia B. Simpson
Celebrate Our Children

Thank You

We want to thank the Patriot and all our friends for a successful and exciting Spring Rummage Sale, especially those who contributed the wonderful items and those who bought them. We love you all.

Constitution Co-op Residents

Thank You, St. Francis de Sales 'Kids Day' Committee!

We want to extend our thanks for all the work done in making the "Kids Day" celebration so much fun for us. We had a great day playing games, winning prizes, having lunch with our friends and having our pictures taken with the Easter Bunny!

Thanks again,
Karen, Jill and Stacy Connolly

Thanks For A Grand Evening

Dear Gloria,

A grand evening of dining, entertainment and renewing friendships was had at the 26th annual Michael P. Quinn Scholarship Dinner Dance on April 1 at the Bunker Hill Council #62, Knights of Columbus Hall. I am most grateful for the coverage given by your newspaper. Once again you have given succor to the needs of the community.

The winners of the annual drawing were: John Rooney of Charlestown - \$300; Maureen McCabe of Charlestown - \$100; and Edward Doherty of Medford - \$75.

To all our loyal supporters, please accept my gratitude. Plans are underway for the 27th annual dinner, please circle your calendar for Saturday, March 30, 1996 at the K. of C. Hall.

Regards,
Ronan J. FitzPatrick, treasurer
Michael P. Quinn Scholarship Fund

Thank You For Your Support

We would like to thank everyone who sponsored one of our teams this year. Your support was truly appreciated. We would also like to thank all of the coaches, because without your help, we never could have run such a successful program.

A very special thank you is extended to: T. J., Brian, and Kevin Dacey, Brian Schievink, Kim Weafer, Steven Santosuosso, John Murphy, Ryan Getchell, Julie Grzelcyk, Chad Titcomb, Guerin Miller and Phil O'Neil. It isn't often that you have so many young people willing to give up their free time to help younger kids. Thank you very much.

Sincerely,
Charlestown Gym Hockey Board

I Thank You Kindly

I would like to thank all of my family, friends and neighbors for all the help and support that I received during my race for the "Mayor," especially my committee, Pat Farris, Kathy Walsh, Flo Johnson and Lil Boutilier. Thank you also to Kelly Flanagan and John for taking care of the books and proceeds, and Terry Ring for the delicious fudge that enticed a lot of ticket buyers. Thank you to Johnnie's Foodmaster and Store 24 for allowing me to sell tickets at their stores, and I would never forget to thank the babysitters, Katie and Johnnie Walsh.

"MAYOR" DONAHUE

Congratulations Tommy and lots of luck. I hope both you and your mom have a happy and safe trip. God Bless.

Sincerely,
Mary Lou

Kudos To The Friends Of The Warren-Prescott Playground

Dear Gloria,

I want to take this opportunity to commend the Friends of the Warren-Prescott Playground Committee for a successful "Motown Night" last Friday. They were able to draw a mix of residents from the community to support and attend this event.

The attendance of so many, in addition to those who purchased tickets but were unable to attend, as well as the in-kind donations, all assisted in making this event a tremendous success. This event will be talked about for some time and how it drew a community at-large together shows the Townie spirit for which the Charlestown community is known. A great time was had by all.

Sincerely,
Kathy Callahan

City Square Must Be Policed

Dear Editor:

Recently, I was almost killed by a speeding highway truck at 9 a.m., while crossing Chelsea Street in the new City Square Park development.

Granted, I was crossing against the light. When I left the curb, no vehicles were in sight. Then out of nowhere came this speeding highway truck. Its driver never braked. He just glared at me. The truck's velocity was so great it literally knocked the cap off my head.

Already we have had one fatality in the City Square development area - Tony Mellino, a neighbor who was struck by a truck during construction several years ago. Who knows how many unreported near misses there have been?

Just a week later, as I stood on the curb at Chelsea Street and the North Washington Street bridge, several cars ran a red light at that heavily traveled intersection. They completely ignored the red light and several pedestrians who were attempting to cross.

The Route 92 and 93 MBTA buses also discharge passengers at that intersection. Public safety is risked apparently for the driver's convenience. This bus stop should be moved to Chelsea and Warren streets. There the driver on half the runs would have to make a sharp left turn, but at least his passengers would have a chance to get across the thoroughfare alive.

The police should start patrolling the City Square Park area for speeders like the proverbial blanket. Our elected officials at the State House, City Hall and on the Charlestown Neighborhood Council should assert this public safety issue before another person is killed there. One fatality is one too many in Charlestown's much heralded new "gateway area."

Sincerely,
William R. Meyer

◆ **Peer Leadership Institute . . .** Bunker Hill Teen Center members Janice Casey and Melissa Morrissey, along with youth worker Carmen, took part in the Peer Leadership Institute hosted by the medical foundation. Last weekend all three young ladies spent a two-day training session at Thompson Island as part of the leadership program. This is the first year our Bunker Hill youth have been involved in the Peer Leadership Institute.

◆ **Night Court Basketball . . .** Charlestown Pride was defeated two straight by West Broadway in the Night Court Senior Basketball championship series in South Boston. The league was sponsored by the BHA Youth on the Rise Program. We have been invited to take part in a spring Southie league.

◆ **A Rite And Responsibility Of Spring . . .** This weekend, many of you

will be boarding planes, maybe for the very first time, to take part in what has now become an annual Rite of Spring. You will be going to various spring hot spots for a week of fun and enjoyment. This is a week many of you have well-earned, and have long awaited for. It is a week you will always have great memories of, and something you will never forget. With this Rite of Spring also goes some great responsibility. For most of you, this will be your very first trip away from home alone. Don't blow it! Have a great time, enjoy yourself, but don't forget your responsibility.

◆ **Mayor's Youth Council . . .** Tomorrow, Friday, April 14, is the deadline to apply for the '95-96 Mayor's Youth Council. If you are going to be a junior or senior in high school in September, and have a commitment to serve the young

people of Boston and Charlestown, this is an opportunity not to be passed up. I do have a couple of applications at the Teen Center for the right people.

◆ **Summer Works . . .** ABCD Summer Works applications are now available at the Kennedy Center for eligible young people. Lynn Peters has all the information and youth (only) are asked to pick up the applications themselves. This is part of something called responsibility, still a very important value.

◆ **Community Awards . . .** Congratulations to all those who were selected for the 1995 Charlestown Community Awards, and also to those who were nominated, and to those who took the time to make the nominations. You are what Charlestown is all about, and your contributions have made our town a special place.

◆ **The Home Town Team . . .** Charlestown High baseball is off to a good start. The Townies defeated Brighton in the home opener. Townie Tim Warren's perfect suicide squeeze was a big part of the victory.

◆ **Fisher At Bosco . . .** Congratulations to Shane Fisher, who was selected for varsity baseball action at Don Bosco Technical High School. Shane is the only Townie to make the squad. He was a member of our first RBI Baseball Team.

◆ **Tidbits . . .**
- Dave Evers, practice your basketball lay-ups.

- Tommy Whalen finally has some Southie friends.

CHAD Junior Bowling League Update

by John Dillon

With only two weeks left in the season for the CHAD Junior Bowling League, the Charlestown Patriot shutout Bunker Hill Real Estate 8-0. Chris Headle was top bowler for the Patriot with 244. Shawn Burke was runner-up with 227. Top bowler for B.H.R.E. was Christina Biggins with 200. Runner-up was Danny Kissane with 171.

In the next match of the day, the Shamrocks tied Diane Modica's team 4-4. Sean Cronk was top bowler for the Shamrocks with 229. Mike Shackford was top bowler for Modica's team with 221.

The third match resulted in another tie when the Kennedy Center split with the American Legion 4-4. Top bowler for the Kennedy Center was Matt Paley with 260. Top bowler for the American Legion was Sherri Havens with 229.

Cricket's team did not show up and forfeited the next match to McCarthy Brothers, therefore giving up all eight points. Top bowler for McCarthy Brothers was Jon Paul Aubrey with 230.

In the final match of the day, the Red Store completely overpowered Jenny's with an 8-0 shutout. Top bowler for the Red Store was Steven Aubrey with 223. Runner-up was

Kerriane Hayes with 203. Top bowler for Jenny's was Jim Kissane with 264. Runner-up was John Harrington with 198. It looks like these two teams will meet in the playoffs where Jenny's won the first half, and it also looks like nobody can stop the Red Store in the second-half.

Bowlers of the week are: Matt Paley 260, Jim Kissane 264, Chris Headle 244 and Jon Paul Aubrey 230.

Bowlers who tried the hardest are: Ryan Hickey 180, Marianne Kissane 179, Shawn Burke 227, Sean Cronk 229 and John Harrington 198.

There will be NO

bowling this Saturday, April 15, due to the Easter weekend.

As the bowling season winds down, we are losing some of the kids to other sports such as hockey and Little League. Our season will end on April 29, which is also the day of the playoffs. See you all on April 22!

Money Matters

"Let us assist you in your financial planning"

MAKING THE RIGHT GIFT

Making gifts of the wrong type of property can defeat your tax planning. The best property to give will depend on your tax goals. Are you trying to reduce current income taxes, future estate taxes or both? Here are some items which may not be suitable gifts when trying to accomplish certain objectives.

• **Items that shrink in value.** Items such as patents, copyrights, certain mineral rights and some improved real estate can actually have lower value in an estate than they have currently.

• **Assets with potential tax losses.** The tax loss from selling certain assets may be more beneficial to the donor than to any intended recipient.

• **The principal residence of people over age 55.** You may be entitled to exclude \$125,000 of the gain on the sale of your home. If you give your home to another, you would lose this tax advantage.

• **Property you intend to use.** If you continue to use property, such as a residence, after you have given it to another, you may not get the tax benefits you sought.

• **Highly appreciated property.** Elderly people may want to retain property with a low tax cost (basis) since the property will get a "step-up" in basis in an estate (generally, the value at date of death). If you make a gift of this property during your lifetime, the recipient is required to use your lower tax cost (basis) for all tax considerations.

• **Contracts.** If you are currently receiving contract payments on which you are reporting gain, a gift of this contract will generally accelerate all the tax on the contract.

• **Life insurance.** Gifts of life insurance will not remove the value of the policy from your estate if you die within three years of the gift.

Gift-giving can substantially reduce your income tax and estate tax if done properly. If you are planning to make sizeable gifts, please contact us. We would be happy to assist you and your attorney.

Tallent Takes Part In BC High's Community Service Program

James Tallent of Charlestown is volunteering at Charlestown Head Start as part of the community service program at Boston College High School.

The program, which began on a voluntary basis in 1973, is one of the oldest in the state. A graduation requirement since 1984, the Community Service Program was designed to enhance the educational experience by teaching the seniors "to be men for others."

Students work in a variety of non-profit settings for 30 hours per week dur-

ing the last five weeks of their senior year and the work experience must provide students with direct face-to-face interaction with the clients they are serving.

Other popular work sites chosen by the students include: working as teachers' aides in day care/preschool settings and as aides in special needs classes. The students are there to form personal relationships with the people they serve. The program is not an internship and students do not earn a grade or any pay.

St. Catherine's Color Guard News

by Dan Awbrey

St. Catherine's "Little Townies" and "B" Guard competed in the championship show at Salem High School on April 1. Both guards performed so well that the crowd responded with thunderous applause.

Reflecting back, its amazing how quickly the season flew by! From January through April, the girls put in long arduous hours of practice. Thank God we had a mild winter. At least we didn't have to shovel our way to practice and competitions. All the girls competing were proud of themselves. This year a number of new

friends were made each week. Most guards would cheer for the next, making each unit feel proud.

At this time I would like to congratulate the board for their time and hard work in making this season so wonderful. Our show in Charlestown this year was by far the most talked about event, thank you Susan! Also, thank you to all the people that helped with the props at each show. We thank you! Our hats off to the instructors for their hard work and creativity. Hopefully we will see everyone return for another season. Enjoy the summer!

CYO & ST. CATHERINE'S NEWS BY FATHER RON COYNE

▲ **Eighth Grade Girls Olympics** - A team of Charlestown girls will enter the annual CYO Junior Olympics to be held at West Roxbury High School on Wednesday, April 19. The girls will compete against approximately 12 other parishes. A bus will leave St. Catherine's Church at 8:30 a.m. and return around 5:30 p.m. All girls in grades 7 or 8, public or parochial school, are welcome to represent Charlestown. If you are interested, please call Father Coyne at 242-1750. Teenage volunteers are needed to referee, keep score and time.

▲ **Children's Roller Skating Party** - A roller skating party will take place on Friday, April 21 from 4:30 to 6:30 p.m. at Rollerworld in Saugus. Buses will leave St. Catherine's Church at 3:45 p.m. and return around 7 p.m. All children and teenagers are welcome. The cost is \$5 per person and includes transportation, admission and skate rental. You may bring rollerblades. Parents are always welcome to join us. Tickets are on sale at St. Catherine's Rectory.

▲ **Three Day CYO Trip To Montreal** - We are planning a CYO trip to Montreal this summer for any teenagers 13 to 19. We would travel in two vans, 20 teenagers and two adults. The trip would be Monday through Wednesday, July 24-26, and would include two nights at a Montreal hotel, tickets to the forum to see the Montreal Roadrunners game (professional roller hockey), a day at Aqua Park (water slide village) and a night at LaRonde Amusement

Park. The entire trip, including transportation, would be \$150 per person. You may sign up by leaving your name and a \$50 deposit at St. Catherine's Rectory, first come, first served.

▲ **CYO Boys Baseball and Girls Softball** - The CYO will be sponsoring teams this summer to compete in the CYO league. Boys baseball is 16 and under, and 19 and under. The older team is questionable. Last year there were only four teams interested.

Girls softball is 12 and under, 14 and under, 16 and under, and 19 and under. Anyone interested in coaching should call Father Coyne at 242-1750. The league runs from June through August. We will have sign ups later in April and practices will begin in May. This information will appear in the near future.

▲ **St. Catherine's Color Guards Finish Season With Pride** - We hear a lot about Charlestown Pride and improving the image of our town. One of the greatest advertisements for the true meaning of all that we are proud of is the performance and impression that the girls from Charlestown bring to the Eastern Mass. Color Guard Circuit.

The commitment, discipline and responsibility that each girl and her family accept when they become part of the color guard program instills the pride that we all seek. The "Townies" and "Little Townies" have just completed their fourth season of competition. They performed every weekend over the past three months and brought thousands of

people to their feet. We are so proud of each girl who marches in the program. There are no stars in this activity, each girl is an equal. They work together to leave an overall impression with the judges and the audience. We are grateful to our manager, Susan Miller, and her parent coordinators for their unselfish dedication to the girls from our community. We thank our parent board for their support and fund-raising efforts.

Because this activity runs for nearly a year and is very competitive, we will begin recruiting in the near future. There will be an exhibition put on by the "Townies" and "Little Townies." We invite all adults and parents to bring their girls to the exhibition and consider joining this wonderful program. The ages for new girls and the cost will be publicized within the next month.

The experience of color guard remains with a person throughout her entire life. We want this experience to touch as many girls in our town as possible.

▲ **Congratulations To The Community Awards Recipients** - St. Catherine's Parish congratulates the 1995 recipients of our Community Awards. We are proud to be associated with and served by them. Our neighborhood is comprised of so many wonderful people living, working and socializing together. Some are well known, others not. On April 21, we will honor the special people selected from nominations made by the community. This is what it's all about.

Charlestown Catholic Art Fair

SPRING IS IN THE AIR! The birds are singing and the trees are budding - as are the young artists in Charlestown Catholic Elementary School. These budding artists attractively displayed their art work in the corridors and their parents had the opportunity to come and view the art. Needless to say, they were proud of the work of their youngsters. All the students were pleased to receive a ribbon for their fine work. At the left, first grade artists (l. to r.) Erin Mahoney, Thomas DeRosa and Chantel Mello display their artwork. . . In the center is the terrific art work of grade three students. Shown here are (l. to r.) Hillary Tamburello and Casey Allen. . . On the right are fifth grade students displaying their schoolhouse. Shown (l. to r.) Kristie Donahue, Kathleen Lacey, Raymond Ortiz William Durette and Bridgette Chaisson.

"I was running recreationally," explains John Giberti of Charlestown. "I've always wanted to run the Boston Marathon, and now I've moved to Boston." This month, Giberti is running the Boston Marathon, his first marathon, and has also set a goal to raise at least \$1,000 for the National Spinal Cord Injury Association (NSCIA), a Cambridge-based nonprofit organization that helps people with spinal cord injuries achieve independence and personal fulfillment.

Giberti is one of 20 runners who are able to officially race without a qualifying time through a special arrangement between NSCIA and the Boston Athletic Association. But for him, the arrangement provides more than the opportunity to officially race in the nation's oldest marathon. "When people find out you're crazy enough to run a marathon, they're willing to pay you for it," Giberti continues, "when they see you making that major commitment, they are pretty willing to give to a cause. Running for the National Spinal Cord Injury Association has also really been opening my eyes to the whole world of

spinal cord injuries."

Spinal cord injuries almost always result in permanent paralysis. At least 7,800 people in the United States survive spinal cord injuries each year - people like Teresa. She was 22 when a car accident paralyzed her from the waist down. She called the NSCIA hotline desperate for help. For a year Teresa had to bump herself down the stairs on her seat, pulling her chair down behind her. NSCIA staff connected her with vocational rehabilitation services and with a state agency to buy her a porch lift. Working together with NSCIA, Teresa can get out of her house on her own and is now attending college. Teresa now shows others that having a spinal cord injury does not mean your life is over.

The funds raised by Giberti and other runners in the Boston Marathon will help NSCIA to expand its national hotline services, which currently provide 1,200 people a month with much-needed information and referrals. Funds will enable NSCIA to add another phone line and to hire additional information specialists to help people with spinal cord injuries especially ones who are newly

JOHN GIBERTI to run the Boston Marathon.

injured, as well as those caring for them. To sponsor Giberti and help NSCIA in its outreach efforts, call him at 241-9261.

"It's one thing to work out. It's another to run a marathon," Giberti concludes, "I'd do it again, but I don't know if I'd do it again without also raising money for charity. My knees are starting to ache. If you're going to run a marathon, you might as well do it to raise money for people who need it."

NSCIA's goal is to enable people with spinal cord injuries to make choices and take actions to achieve their highest level of independence and personal fulfillment. The national office, along with its 55 chapters and support groups, has been providing services and programs for almost 50 years.

For more information on NSCIA and its programs, call 441-8500, or the toll free hotline at 1-800-962-9629.

Dobie Honored By Boston Water And Sewer Commission

At a recent reception held at the offices of the Boston Water & Sewer Commission, Mae Dobie of Charlestown was the recipient of the A. Raymond Tye Award.

The Tye Award is presented annually to an employee who consistently demonstrates exemplary leadership, a dedication to service and exceptional performance. Dobie holds the

position of account analyst in the commission's finance division. She is responsible for researching and correcting customer inquiries regarding payments, adjustments and bank errors.

Vincent Mannering, executive director of the Boston Water & Sewer Commission, said, "Mae Dobie is a major contributor to the positive image of the Commission. She is

resourceful, knowledgeable and cooperative and has earned the respect and admiration of her colleagues and our customers."

Dobie was nominated for this honor by Henry Vitale, chief financial officer. Vitale said, "Mae is always willing to help wherever she is needed and serves as a valuable resource to her co-workers and supervisors."

CHARLESTOWN RESIDENT Mae Dobie is shown with members of the Boston Water & Sewer Commission's Board of Commissioners. From the left is Chairman Dennis DiMarzio, Dobie, and Commissioners Victoria Williams and Cathleen Douglas Stone.
