# For Those That Design With Nature In Mind.

COLLECTIVETEAK.COM

“Collective Teak was inspired by fulfilling world travel and the passion to bring the experience back into our everyday lives.”

We can agree: Nature renews us. Wellness is earned. Family and friends should be cherished. And our homes and lives should reflect these truths.

Collective Teak is a nature inspired minimalist raw approach to home + life decor that strives to promote better living and prioritizing what is truly important.

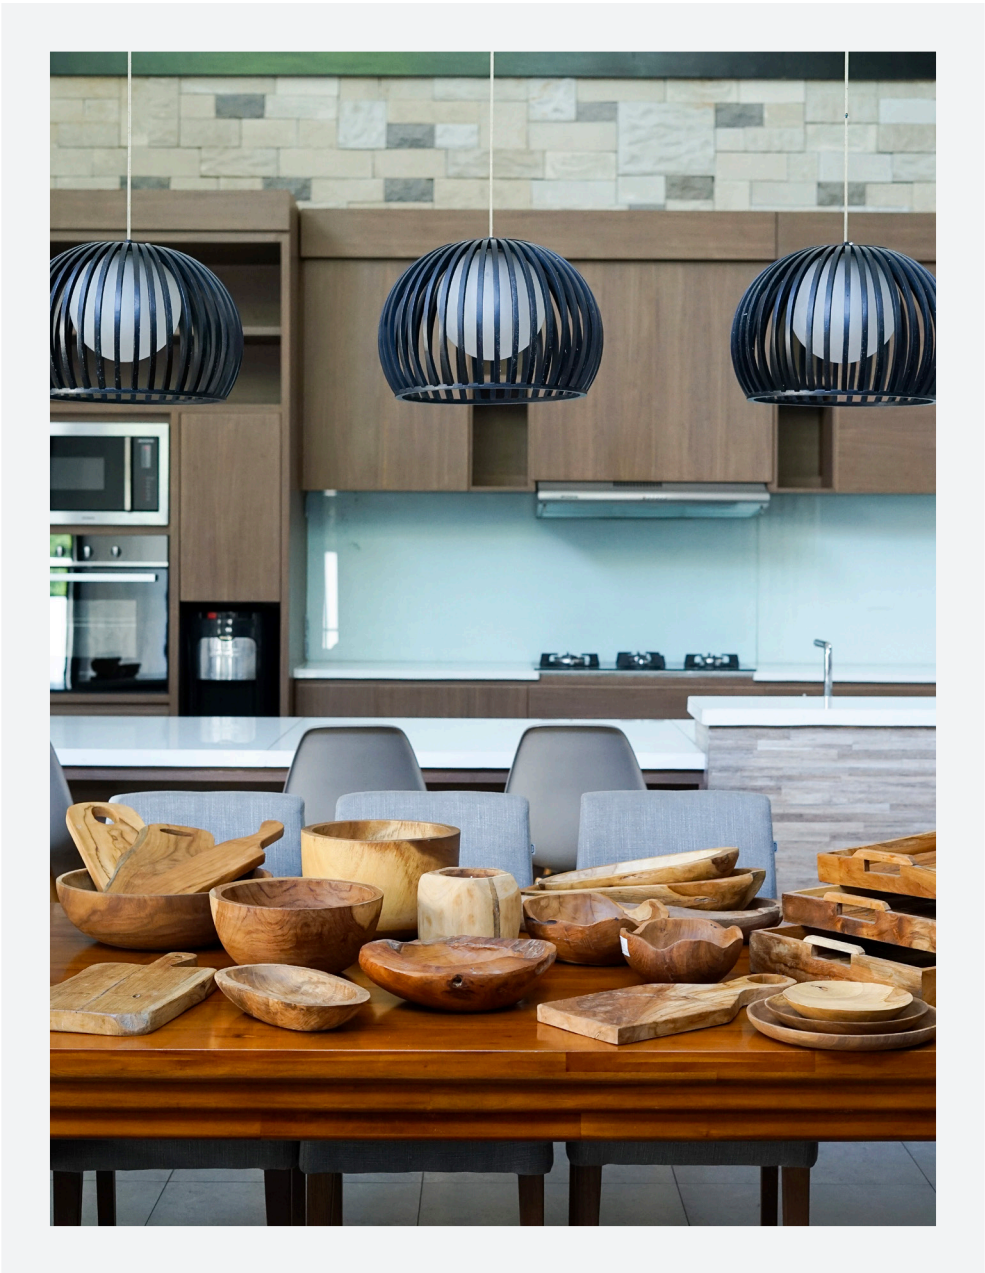

All with tasteful moderation.

And our suppliers feel the same way. All of our products are made by real artisans with every item being individually created with its own personality. Combined with 100% legal teak wood of premium quality and durability, you can expect a product of class.
