Dear Friends of Cancer Support Community Pasadena,

Happy New Year! Thank you for all the wonderful and generous support you have provided over the years. We look forward to 2017 being another exciting year for Cancer Support Community Pasadena (CSCP) as we celebrate our 27th year of serving cancer patients and their families in the Pasadena and surrounding areas.

The 25th Angel Gala, *Bright Lights, Big City*, will be on **Saturday April 8th** at the beautiful and exclusive City Club Downtown, Los Angeles. Special guests include Fritz Coleman, Dallas Raines, Wendy Burch, Angie Everhart, Paul Rusnak, and more. The evening will include silent auction, raffle, live auction, dinner and fabulous entertainment.

The evening promises once again to be a tribute to individuals and companies who have shown their outstanding support of CSCP. We are honored to recognize this year's Angel Award recipients as **Elizabeth Rusnak Arizmendi** and the **Rusnak Auto Group** for their generous contributions and support of CSCP.

Angel Gala supporters are vital to CSCP. Your assistance enables CSCP to maintain and expand programs, including support groups, educational workshops and stress management classes, which serve cancer patients and their families, "because nobody should face cancer alone."

Please save Saturday, April 8, 2017 for our annual Angel Gala. We invite you to be a **Bright Lights, Big City** supporter with a **sponsorship, advertisement, tribute page or auction item donation**. Ways to support and donation form are included.

If you have any questions or need further information, please contact Kal Balian Antoun at kal@tgloans.com or Anthony Guthmiller at 626-796-1083 or a.guthmiller@cscpasadena.org.

Thank you in advance for considering a generous investment in this important cause. We look forward to speaking with you soon about your participation in the 25th Angel Gala -- **Bright Lights, Big City**. It will be a night to remember!

With Gratitude,

Kal Balian Antoun
