LE 4 STRATEGIE DI BENEDETTA!

@dimagrireconlapsicologia

1. Ogni giorno mangio un "biscotto"!

La mia sfida è mangiarne 1 non 0 nè 10, ma 1!

2. Aspetto 15 minuti prima di mangiare

Con questo esercizio ho imparato a distinguere la fame fisica dalla fame nervosa.

3. Pianifico i miei pasti in anticipo

Grazie a questo, quando rientro da lavoro non faccio più scelte alimentari impulsive.

4. Torno sempre in pista.

Se cado, non trasformo più un pasto "cattivo" in un giorno, 1 settimana 1 mese!

Oggi ho io il controllo!

Lockdown day 54 ☐ Breakfast this morning is porridge & a sliced orange ☐ ~~~~~ #slimmingworld

I have found that cutting and reversing are turning into the new form of yo yo dieting. Although since it seems more 'controlled' people think they aren't yo yo dieters. When they are because its more emotionally driven and less about a systematic approach to training and nutrition.
